The Last Girlfriend on Earth - Simon Rich
2013-01-31

It doesn't matter if you're a caveman, a time traveller or a regular person. Sooner or later, someone's going to break your heart. The sketches in Simon Rich's new book are bizarre, funny, and - if you've ever been in love - all too familiar. From the invisible man stalking his ex, to Sherlock Holmes' only blind spot, *The Last Girlfriend on Earth* is always enchanting, often sweet, though occasionally awkward. Just like love itself. 'The Last Girlfriend On Earth' is silly, surreal, sometimes sad and always laugh-out-loud funny. This collection will have you

giggling/crying/squirming in recognition, and wondering what exactly Simon Rich has eaten to dream all this stuff up ... pulls off the tough trick of being both heart-warming and hilarious - it's a must-read if you've ever so much as had a crush on someone! Heat 'Pithy, occasionally bonkers' Time Out 'Truly hilarious' Eva Wiseman, Observer

Planet Funny - Ken Jennings 2019-07-09

A Kirkus Reviews Best Book of the Year The witty and exuberant New York Times bestselling author and record-setting Jeopardy! champion Ken Jennings relays the history of humor in “lively, insightful, and crawling with goofy factlings,” (Maria Semple, author of *Where’d You Go Bernadette*)—from fart jokes on clay Sumerian tablets to the latest Twitter gags and Facebook memes. Where once society’s most coveted trait might have been strength or intelligence or honor, today, in a clear sign of evolution sliding off the trails, it is being funny. Yes, funniness. Consider: Super Bowl commercials don’t try to sell you anymore; they try to make you laugh. Airline safety tutorials—those terrifying laminated cards about the possibilities of fire, explosion, depressurization, and drowning—have been

replaced by joke-filled videos with multimillion-dollar budgets and dance routines. Thanks to social media, we now have a whole Twitterverse of amateur comedians riffing around the world at all hours of the day—and many of them even get popular enough online to go pro and take over TV. In his “smartly structured, soundly argued, and yes—pretty darn funny” (Booklist, starred review) *Planet Funny*, Ken Jennings explores this brave new comedic world and what it means—or doesn’t—to be funny in it now. Tracing the evolution of humor from the caveman days to the bawdy middle-class antics of Chaucer to Monty Python’s game-changing silliness to the fast-paced meta-humor of *The Simpsons*, Jennings explains how we built our humor-saturated modern age, where lots of us get our news from comedy shows and a comic figure can even be elected President of the United States purely on showmanship. “Fascinating, entertaining and—I’m being dead serious here—important” (A.J. Jacobs, author of

YouTube and Video Marketing - Greg Jarboe
2009-08-14

A complete, task-based guide to developing, implementing, and tracking a video marketing strategy Online video marketing is crucial in today's marketplace. This guide teaches you proven, practical guidelines for developing and implementing video marketing for your organization. If you're a marketer, advertising professional, consultant, or small business owner, here's a relevant guide to understanding video marketing tactics, developing a strategy, implementing the campaign, and then measuring results. You'll find extensive coverage of keyword strategies and video optimization, distribution and promotion strategies to other sites and blogs, YouTube advertising opportunities, and crucial metrics and analysis. Written in the popular "Hour a Day" format, which breaks intimidating topics down to easily approachable tasks Covers previously undocumented optimization strategies,

distribution techniques, community promotion tactics, and more Explores the crucial keyword development phase and best practices for creating and maintaining a presence on YouTube via brand channel development and customization Examines effective promotional tactics, how to optimize video for YouTube and search engine visibility, and metrics and analytics Includes case studies, additional resources, a glossary, information about creating and editing video, step-by-step guides, and valuable tutorials YouTube and Video Marketing: An Hour A Day gives you the tools to give your clients or your organization a visible, vital marketing presence online
