Gina Johnson-Logan is a 30 something year old country bumkin reflecting on her teen years. Having been a teenage mother, Gina transforms from a promiscuous teen to a woman putting God first in her life. As Gina humorously tells the story of her family members, her blessings and her success, there are valuable lesson she's trying to convey. As Gina goes through her three stages of womanhood, she finds herself blaming her mother for her promiscuity and the way her life plays out. Now looking back, Gina chuckles at how fast she was, and how she was trying to be a woman too soon. Gina eventually finds love, success and the need to come to the rescue of teenage girls traveling down the same road she traveled. While she tells her story with a lot of humor, Gina does have some drama going on as well.

This Game Has No Loyalty III - Love is Pain - June 2014-06-19

June is the published author of, *This Game Has No Loyalty*, an urban street fiction novel depicting real life on the streets and the love relationships within those parameters. His love of writing was first discovered in public school where he dazzled teachers with his creative short stories and intriguing poems. His writing was officially acknowledged locally when one of his stories was featured in his class yearbook. As June reached his teenage years, he abandoned his love of writing for the dangerous life on the streets of Brooklyn. Although he was educated, the excitement of the street life interested him and he quickly took

part in petty crimes, which soon elevated into the introduction to the infamous drug trade where he became a major distributor of illegal drugs out of state. During his illicit activities he was apprehended and convicted then later incarcerated. Once released on parole, he reclaimed his spot in the drug trade and continued trafficking illegal drugs, the threat of violating parole a fleeting thought. His youth and inexperience in life fueled his desire for illegal tender without the thought or regret of contributing to the destruction of his community. As time passed all of his relationships, social, personal and romantic, became strained due to the nature of his business. His life lacked stability despite the illusion of financial comfort. He was responsible for himself so there was never any balance in his life until the birth of his first daughter, who changed the way he viewed life...her life. June decided to make changes in his life and immediately enrolled into college where he rediscovered his love of writing, showcasing his literary abilities that were recognized by his English professors. While pursuing his degree, tragedy struck and one of his closest friends was brutally murdered. Overcome by anger and revenge he channeled his emotions into something that came to him naturally, he wrote the story. It didn't heal the wound to his heart but was therapeutic in helping him express feelings no one knew about. The story was buried along with his feelings for 10 years until one day he came across it after coming from a funeral for yet another fallen youth to the same game he had given up. At that moment he decided to write a story, a true to life account of what happens in the streets with hopes of reaching the youth by delivering vivid accounts of the pitfalls of the street life that is not taught to them and at the same time, promote literacy in these communities because it's the gateway to learning and sparking mental creativity. June began penning his novel *This Game Has No Loyalty* and incorporated his own experiences into his writing to produce the "realness" his story needed to capture his audience. June followed up with *This Game Has No Loyalty II - Hustle for Life*, *This Game Has No Loyalty III - Love is Pain* then showcased his writing skills by penning *Victimized - Buchanan's Secret* which is an urban suspense/thriller. June is also the CEO of *FourShadough Publishing* where all his titles are published. He has a host of ebook short stories available for download and is currently working on the release of his first author who happens to be his daughter, *Harmony Miller* and her debut young adult fiction story titled, *Lil Mz. Understood* on April 4, 2014. June has also signed with the famed dynamic duo and New York Times Bestselling authors *Ashley & JaQuavis'* new publishing company *O.W.L. - Official Writer's League* who will be releasing an anthology featuring all authors on the roster titled *Kiss The Ring* then his novel will be released mid 2014 titled - *International Regime*.

Product of My Creation: The Evolution of Man, Volume 2 - Maurice Cade 2022-05-23

This book is a lyrical journey through a pivotal part of my youth. It tells the story of my transformation from a product of my environment into the product of my own creation. It all starts with recognizing that my intense desire for love came from not receiving it at home from my parents and then trying to find that love from someone else in the world. Through TV and media the narrative of finding someone to love overtook my life. But through many experiences I learned that loving myself was my job to do. Yes, my environment raised me and instilled a lot into me both good and bad, but it is also my job as a responsible adult to address and change all the parts of me that no longer serve me. I tried on a lot of different hats and personalities to find the kind of person that I wanted to be. When it was all said and done, the product of my creation is a new man that I can be proud of.

If You Love It and Want Some More of It - Stanley Scott Jr 2023-08-31

This is my first song that I ever published. And I was so excited about how well they came out in English I wanted to publish it in Mandarin and in Spanish. And after doing so I decided to rewrite it in different versions: the R&B version, the pop version, the loving version, and the San Francisco version. For me it's more than just one song in different versions, it's an artistic expression of myself. Because as the title says, "If You Love It and Want Some More of It" let me know. Therefore I continued to write this song as many times as possible. These songs can be sung in an upbeat, slow melodic tone, or even spoken out loud in acapella. As I said before I was excited about this song and I am even more excited to share it with others. May you enjoy them day after day. Cut N' Up Too - Rayven Skyy 2014-06-10

Finally . . . some respect! However, my name could've been a tad bit bigger on the cover. A "Queen" has the right to be choosy. Girlahhh . . . I've been gone for a minute and now I'm back to set it off! Unfortunately, though, not everyone was able to make it to the sequel for obvious reasons. But if you thought there was back biting, knife stabbing, low-down dirty drama up in Cut N' Curl before, hunty, you ain't ready for what's about to go down! I would go ahead and spill you a little tea, but the way me and Rayven's bank account is set up . . . well, you know the rest. Happy Reading. Smooches!
