I Hope They Serve Beer In Hell

- Tucker Max 2012-03-01

The "highly entertaining and thoroughly reprehensible" #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. -- from the Introduction Actual

reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

A ROOM OF ONE'S OWN -
Virginia Woolf 2017-12-06

First published on 24 October 1929, the essay was based on a series of lectures she delivered at Newnham College and Girton College, two women's colleges at Cambridge University in October 1928. While this extended essay in fact employs a fictional narrator and narrative to explore women both as writers of and characters in fiction, the manuscript for the delivery of the series of lectures, titled "Women and Fiction", and hence the essay, are considered non-fiction. The essay is generally seen as a feminist text, and is noted in its argument for both a literal and figural space for women writers within a literary tradition dominated by patriarchy. Virginia Woolf was one of the greatest authors of the twentieth century, transformed the art of fiction.

The author of numerous novels and short stories, she was also an acknowledged master of the essay form, and an admired literary critic.
