Deep in the Shade of Paradise: A Novel - John  
Dufresne 2008-01-17

A favorite novel by “a generous and lyric storyteller” (San Francisco Chronicle) known for his tragicomic voice and unforgettable characters. Welcome to Shiver-de-Freeze, a boot-shaped precinct deep in the Louisiana swamp, famous for its healing waters and curious fauna. Grisham Loudermilk is marrying Ariane Thevenot at Paradise, the family’s ancestral home, and we’re here for the wedding. But reason and love, it would seem, keep little company in Paradise these days: Grisham’s cousin Adlai Birdsong has fallen desperately in love with the bride-to-be. Adlai’s ill-advised courtship proceeds even as his daddy, Royce, struggles to recall his past in the face of Alzheimer’s; as Father Pat McDermott realizes

his passion for the mother of the bride; as the conjoined twins, Tous-les-Deux, train their eyes on Boudou Fontana, the last of the star-crossed Fontana clan. And just when it seems that Adlai must resign himself to a prolonged season of bachelorhood, Miranda Ferry, Grisham’s recent lover, wanders into town unawares. With his signature tragic-comic voice and cast of unforgettable and lively characters, Dufresne explores love, death, imagination, and memory. Reading group guide available.

*I Love You, Call Me Back* - Sabrina Benaim  
2021-10-19

From one of the most-viewed spoken word poets of all time, a collection exploring loneliness, anxiety, and longing—and finding peace, and

even joy, in unexpected places Sabrina Benaim, author of *Depression & Other Magic Tricks*, has connected deeply with readers and reached millions of viewers through her poetry, breaking down the stigma around mental illness. Now, she dives into challenging and universal territory: grief over a relationship's end, loneliness in a world under lockdown, and the anxiety of caring for a loved one from afar in the wake of a serious diagnosis. Unfurling over the course of one month in 2020, in seventy-five original poems, *I Love You, Call Me Back* grapples with mental health struggles and the uncertainty of the moment and beyond. In isolation, Sabrina dares to embrace loneliness in all its permutations: the sorrow of getting your mother's voicemail when you call to say "I love you"; the bitter-sweetness when your dog takes up your ex's side of the bed; the joys of eating ice cream for dinner and singing badly, loudly. In her raw and deeply relatable style, Sabrina reminds us to love our whole selves: you can't

have joy without sorrow, and being anxious or depressed doesn't mean you can never be happy. In her words, "Sometimes self-care is just surviving." And that's okay. Sabrina shows us that there's beauty and courage in that, too.

*A Shot in the Dark* - Victoria Lee 2023-09-05

A passionate and powerful romance featuring a transgender man and an ex-Orthodox woman who find each other through their devotion to art, and fall in love despite all odds, from bestselling author Victoria Lee. 'A sensual love story about art and passion . . . emotional and heart-aching' ASHLEY POSTON

..... Doesn't love mean being truly yourself? Elisheva Cohen has returned to New York after a decade away. Her past holds wounds, but four years of sobriety and a scholarship to study photography with art legend Wyatt Cole are signs of good things. Even better, her first night in the city leads to a mind-

blowing hookup. But when Wyatt Cole walks into the classroom, Ely realizes the man she just spent the night with is her teacher. The art world is obsessed with the immensely talented, notoriously reclusive Wyatt Cole. But Wyatt's past is a painful memory. After coming out as transgender, Wyatt was dishonourably discharged from the military and disowned by his family. Since then, he has worked hard for his sobriety and flourishing career. He can help Ely with her photography, but he cannot fall in love with her. Through the lens of her camera, Ely must confront the reason she left New York: the Orthodox community that raised her, then shunned her because of her substance abuse. And as Wyatt's walls begin to break down, each artist fights for what's right in front of them - a person who sees them for all that they are and a love that could mean more than they ever imagined possible. .... Yes. They also look very radiant together."Betty? Why have you stopped in your tracks? Betty?"My mind zapped back to Maggie. "Maggie, she is so... she is so..."Plastic!" Maggie completed."No! Introduction Hello there, if you made it this far

into this I just want to thank you for wanting to know more about me. So without further adieu this is the poetry of my life. I have been writing since I was around 14 or 15 years of age, but I have been very vocal about what I want to do with my life and that is writing any and everything. I have had a passion for writing since I was 12 as far as I can remember. Writing will always be my first and last true love in my life. I have seen how much my writing has matured over the years and I am very proud of the pieces you will read throughout this book. I am still writing but the very last poem is my latest piece and I am so grateful for the opportunity to share the world with my talent. Many people will look at this and judge or say these poems are not good and I am okay with that, I know that throughout the obstacles in my life the only thing that kept me sane was my writing and my ability to write and for a while I wasn't writing. I thought I had lost the passion or even worse the gift of being able to write and

friend all over again.... I fall deeper in love  
everyday All over again He does no wrong I have  
not hate for anything he does I love everything  
about him I'm happy again with him Yay I am me  
I am Not a normal girl I am an undefined girl I  
am Not a normal girl I am an emo girl I am Not a  
normal girl I listen to rock music and love it I am  
Not a normal girl I am just me The voices Voices  
in my head screaming Voices screaming for help  
As death comes near the voices get louder  
Bright lights shining, more voices But maybe it's  
all In my head No one knows I'm dying No one  
knows I am here in this position No one cares  
enough to see Voices in my head screaming out  
Voices screaming for help As death grows near  
The voices in my head grow silent. Life flashing  
before my eyes Wishing that dying was faster  
Painless, but slow death An inner war Everyday  
there is a war inside me My heart and my mind  
fighting My heart screams out louder Than my  
mind, but there's still war My heart and mind  
fight everyday My mind can say one thing My

heart another Screaming at the top of their  
lungs at each other And then silence is left As  
one battle has ended, but the war hasn't It's an  
everyday battle Between my heart and mind  
Everytime the battle ends I'm left to decide  
who's right? My heart or my mind Who I should  
listen to? My heart or my mind. I somehow  
mistakenly choose my mind My mind I always  
seems to listen to My heart always seems to  
silence or cage it, but never free it. I have a  
heart caged away. I have a heart screaming to  
be listened to A heart wanting to be free. There's  
a war inside me everyday A war I can only stop  
by freeing my heart from its cage Love, scary?  
Love, scary? Maybe There's always something to  
be afraid Love is one Love, hurtful? No, it may  
seem like it but no It's peaceful to love in caged  
It's beautiful. Love, scary? Yeah, but it's worth it.

ask you and them Hate fueling up in my body  
everyday since the day Hate pouring out of me  
at people that dont deserve it For so long I have  
been afraid of the dark For so long I have been  
afraid of you... of myself and how far this razor  
can go For so long I have been guilty of it all.  
Question after question make shape in my mind  
everyday Question after question runs through  
my mind like a track star everyday Depression is  
getting stronger and stronger as time goes by  
Life goes on and time goes on without a care in  
the world for us humans and our emotions To  
afraid to speak to you or anyone about the  
incident To afraid everyday to sleep in the dark  
every night My fear and hatred and anger and  
depression takes over and overwhelms me like  
boulders daily Question after question pushed  
deeper and deeper into the back of my mind  
Question after question cloud my mind like a  
thick fog Long nights and rough mornings get  
harder and harder to deal with All the booze and  
drugs in the world don't help clear the fog On a

daily basis I look for some type of numbing to  
just be okay for one night Just in search of one  
night of bliss and peace..... Just one night Long  
distance love story I was hurting when you came  
along I didn't know how it should feel to be loved  
I tried to be perfect, but no one is perfect We  
ain't perfect, but the love we share is perfect  
Our date, I'll never forget Even if I do you will be  
the to help me remember I get a heart push  
when your name comes across my phone Still  
got a crush on you even though you are mine A  
queen on my throne, next to you my king  
Wishing everyday to touch your face The  
distance is killing me Our love with each  
FaceTime call Asking the man upstairs for a  
different type of love Took me months to see I  
had what I was praying for Been through hell  
and back for someone who didn't want me for  
years I know if we go through hell, we will reach  
heaven So far away from each other I need you  
here I need to know your feelings Sucky ass  
distance, stronger love I miss sleeping on the

phone with you at night Your voice, my Lullaby I can't imagine life without you All I want is you I don't know what I'll do without you my love Probably lose my mind We a secret nonetheless Society would judge us Society would try to destroy us One day we will see each other The distance won't be so bad soon enough Miles apart yet stronger together Sucky ass distance, stronger love Acknowledgements Thank you to everyone that has inspired me throughout my life and was my inspiration behind every piece you just read. I would also like to thank my family and friends who have always supported me and encouraged me to continue my craft, couldn't have done it without you. This book was a dream come true for me and in a million years I never thought I would actually finish it at my age. Thank you to everyone that has read it, hopefully you can understand me and my life a little better. Thank you for taking the time to read this book, I am so grateful and humbled to finally see my dream come to life, I can't say

thank you enough to everyone.

**All About Love** - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her

incisive mind to explore the question “What is love?” her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Reality Check - Tyrese Shakur 2017-10-23

First and foremost, I would like to thank Xlibris for working with me on a second go around. I would like to thank all the members that work with me on my project. I really appreciate this opportunity to enhance my work ethic and advance to the next chapter of my life. I am very proud of myself for taking time out my daily life to do what I do best. It puts a smile on my face to see that I achieved a goal that I finished,

accomplished, and completed. Nothing gets me going like the sweet words of poetry. Reality Check tells my basic stories of writing in poetry from my own wisdom. This book is about my reality and my stories that helped me overcome a lot of bad days. I am not perfect, but I do what I can to be the man that I am. I have a big heart, and that is what keeps me going in the right direction, striving for perfection. Reality Check is a book of poems and poetry. It has a lot of truth in it, and I had to reach deep inside my mind and find memories that had me going up when I was down. This book is a sensational task that I love to read because it puts a check on everything that I do. Not only should I do a reality check but so should you.

**The Subtle Art of Not Giving a F\*ck** - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all

the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let's be honest, shit is f\*\*ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F\*\*k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary,

there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives.
