**Slow Dance with the Sheriff - Nikki Logan 2012-08-07**

"Ex-ballerina Eleanor Patterson is the darling of Manhattan society--until she discovers her pedigree background is a lie. So she heads to sleepy

Larkville for answers. Sheriff Jed Jackson never expected to rescue a stunning woman from a herd of cattle, or to be so fascinated by the vulnerability beneath Ellie's tough city veneer. Yet watching her unwind

is irresistible, and as he helps her learn to dance again he wants to give both Ellie and himself a new beginning..."--P. [4] of cover.

**Still Counting** - Phil Fragasso 2016-01-29

Adam Donatello and Nina Morales share an immediate and powerful attraction, and their future together seems assured. But love is difficult enough without adding complications—real or imagined—to the mix. Nina sees life as a thousand shades of gray, while Adam tends toward black-and-white. He wants to move fast; she needs time. Nina sees her past liaisons with women as immaterial to their relationship, while her disclosure drives Adam to a state of irrational jealousy. He doesn't know how he could compete with a woman, and his suspicions—which Nina views as hypocritical—lead them both to make decisions they may live to regret.

*The Wounded Chalice* - Mary Grace 2020-03-11

The Wounded Chalice is about honoring the Divinity of the Womb, the instrument fashioned by God to procreate human beings on this planet. It is the story of every woman, the holder of the most precious temple and the Ark of the Covenant between God and humans. Women have within their bodies an ark that holds the most precious of gifts, the Secret of Life. That is why I insisted that my uterus be returned to me after its removal from my body. Without this unique temple the human race would cease to exist.

**I'm with Stupid** - Elaine Szewczyk 2008-07-24

A hilarious tale of girl meets boy, girl falls in lust, girl discovers boy is not playing with a full deck... When Kas meets William while on safari in South Africa he seems perfect—a gorgeous park ranger, both kind and brave (he saved the tour from certain death by water buffalo). Her two best friends, Max, an endlessly scheming personal trainer, and Libby, a jobless bombshell, would like to get their hands on William...but he's only interested in Kas, an editorial assistant at a struggling New York literary agency who thinks William is out of her league. The two have a fling, and Kas returns home to New York wondering if she'll hear from William again. So when he finally sends an email, she's delighted. Until she opens it. The email is not quite the love missive Kas expected. Did she misjudge

William? A miscommunication ensues, triggering a rapid-fire series of comic developments that, within days, bring William to New York, now under the impression that Kas has offered him a place to live. As he unveils his big plan to take Manhattan by storm and make his fortune, Kas finally recognizes how limited William's intellectual capabilities are: He makes Kevin Federline look like Albert Einstein. Readers are along for the outrageous ride as Kas copes with her new roommate's eccentricities, including a preoccupation with the Psychic Friends Network and a passion for collecting Big Apple-themed souvenirs, and the realization that her dream man is a comic nightmare. "Elaine Szewczyk is smart and funny, and knows that New York bars and African safaris have something important in common: When it comes to dating, it's a jungle out there. If you savor Sophie Kinsella or Lauren Weisberger, you'll want to add her to your reading list." -- Chris Bohjalian, author of *Midwives*, *The Double Blind*, and *Skeletons at the Feast* "Spirited, irreverent, bilious, and above all funny, Elaine Szewczyk's bitter cocktail provides a much-needed antidote for the chick-lit genre..." -- Adam Langer, author of *Ellington Boulevard*, *Crossing California*, and *The Washington Story*

**Well, This Is Exhausting** - Sophia Benoit 2021-07-13

"Like so many women, Benoit spent her formative years struggling to do the 'right' thing--to make others comfortable, to take minimal and calculated risks, to live up to society's expectations--only to realize that there was so little payoff to this tiresome balancing act. Now, in [this book], she shares her journey from aspiring good girl to proud feminist, and addresses the constantly shifting goalposts of what exactly it means to be 'good' in today's world. [Includes] topics as varied and laugh-out-loud funny as how to be the life of the party (even when you have crippling anxiety), navigating the disappointments of the dating world, and why no one should judge you for having an encyclopedic knowledge of reality TV stars"--

*Continuum Encyclopedia of Popular Music of the World Volume 8* - John Shepherd 2012-03-08

**Celebrate!** - Tacoma Writers Club 2001

By turns thoughtful, whimsical, or romantic, Celebrate! is a collection of short stories, essays, and poetry celebrating the change of seasons and various holidays throughout the year. The selections featured will alternately turn you misty-eyed, tingle your spine, or make you think longingly of days gone by. There are reminiscences of Christmas and seasons past; poems of love, affection, and patriotism, and humorous looks at various holiday customs. The authors share their experiences in the mountains, on the farm, and at the beach, as well as giving us their intimate insights into home, family, and country. This is a book which should appeal to all those who take pleasure in celebrating and remembering holidays and who enjoy the ever-changing panorama of nature.

**Reelin' in the Years** - Mark Radcliffe 2011-05-12

When Mark Radcliffe was born in the late 1950s, Britain was trying to find its own version of the dangerously sexy Elvis ... we gave the world Cliff Richard but by the time Mark was old enough to recognise pop songs on the radio, the UK was exploding into the world's most exciting place to be for a young music fan. In this, his eagerly awaited new book, Mark Radcliffe takes a record from each year of his life, using the song as a starting point from which to reach out and pull together a wonderfully entertaining catalogue of memories and asides about British culture. And, as one would expect from this unique and popular broadcaster, the tunes he lists are not the usual suspects. From The Kinks' 'See My Friends', through Slade's 'Coz I Luv You' to Kraftwerk's 'Europe Endless' and Joy Division's 'Atmosphere', Mark's selections bring forth a diverse collision of styles from eras uniquely defined by their musical genres and fashions. Bringing his choices right up to the present day, we see the inclusion of artists such as Richard Hawley, Elbow and Fleet Foxes. Mark's hugely entertaining and affectionate trawl through his favourite music of the past 50 years is guaranteed to surprise and delight his many fans.

*Billboard* - 1999-09-04

In its 114th year, Billboard remains the world's premier weekly music

publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**FALLEN** - Tamara Gill 2022-04-03

Sara Daniels needs to change her life, so she sets out to run her late grandmother's farm. With no man at her side, and deserted by friends who can't abide her obsession with mythology, it's the perfect time to escape. Hermes, favoured son of Zeus, has been framed by his hateful stepmother, Hera. Fleeing Olympus with his life, he finds himself in an abandoned farmhouse in the middle of nowhere. It's the ideal place to hide from Zeus that is until the owner-- a woman with long, flaming red hair and the darkest blue eyes he's ever seen -- decides to move in. Sara's family has divine secrets that even she's not privy to. Hermes' secrets, however, have the power to shatter their lives. And with a god as your farmhand, it's only a matter of time before those secrets are revealed in all their destructive glory. But the wild attraction that blazes between these two souls will not be denied...even if the outcome threatens to doom them both.

*Who Will Make the Pies When I'm Gone?* - Jamie C. Schneider 2013-03-15

Jamie Schneider's life changed with one phone call in February of 2010. After months of sensing something was not right with her body, Jamie was diagnosed with stage IV ovarian cancer, sending her on a relentless search for information about cancer and for ideas on how to survive the devastating news. Facing her diagnosis, Jamie already knew her life would never be the same. Whether she liked it or not, she was now immersed in the dark side of cancer. As this ancient rogue force claimed its space in her body and she became a stranger in an unfamiliar land, Jamie details how her relentless desire to understand created a voice of validation. She walked through a shadowy world of cancer that left her somewhere between alive and dead. Now Jamie exposes the harsh reality of her experience, the reactions of her friends and family, the treatment and devastating losses, the yo-yo of hope and hopelessness, and the

painful paradox of living while dying. In *Who Will Make the Pies When I'm Gone?* Jamie shares a powerful, honest glimpse into her world as she struggles to make this new limited version of her life meaningful after a cancer diagnosis.

**The Oxford Handbook of Dance and Competition** - Sherril Dodds  
2018-12-03

In the twenty-first century, values of competition underpin the free-market economy and aspirations of individual achievement shape the broader social world. Consequently, ideas of winning and losing, success and failure, judgment and worth, influence the dance that we see and do. Across stage, studio, street, and screen, economies of competition impact bodily aesthetics, choreographic strategies, and danced meanings. In formalized competitions, dancers are judged according to industry standards to accumulate social capital and financial gain. Within the capitalist economy, dancing bodies compete to win positions in prestigious companies, while choreographers hustle to secure funding and attract audiences. On the social dance floor, dancers participate in dance-offs that often include unspoken, but nevertheless complex, rules of bodily engagement. And the media attraction to the drama and spectacle of competition regularly plays out in reality television shows, film documentaries, and Hollywood cinema. Drawing upon a diverse collection of dances across history and geography, *The Oxford Handbook of Dance and Competition* asks how competition affects the presentation and experience of dance and, in response, how dancing bodies negotiate, critique, and resist the aesthetic and social structures of the competition paradigm.

*The Other* - Ece Vahapoglu 2016-06-26

It examines the secular/religious tensions in Turkish society, through the eyes of two different women.

*I Know Where I Am When I'm Falling* - Amanda Holmes 2014-05-27

Opening in 1969 in New England, *I KNOW WHERE I AM WHEN I'M FALLING* is as rich in relationships as the colours and textures of the time. Ruby Lambert, is the eldest daughter in the eccentric Lambert family who get caught up in the life of Angus Aleshire, a charming, smart

and athletic boy who they try to help and who shares Ruby's unconventional bent and love of the piano. Ruby and Angus fall in love but Angus has a dark side. His boyish charms start to wear thin losing him family and friends along the way and when his clever schemes and misbehavior get him in trouble, culminating with an art heist, he tries even Ruby's love for him. The story spans thirteen years, and poses uncomfortable questions about the blindness of love, nurture versus nature and life through rose tinted glasses. Ruby struggles to square her vision of Angus's potential with the unsettling and mounting reality.  
*A Rancher's Song* - Vivian Arend 2018-05-15

**A Boy Named Sue** - Diane Pecknold 2010-10-01

From the smiling, sentimental mothers portrayed in 1930s radio barn dance posters, to the sexual shockwaves generated by Elvis Presley, to the female superstars redefining contemporary country music, gender roles and imagery have profoundly influenced the ways country music is made and enjoyed. Proper male and female roles have influenced the kinds of sounds and images that could be included in country music; preconceptions of gender have helped to determine the songs and artists audiences would buy or reject; and gender has shaped the identities listeners made for themselves in relation to the music they revered. This interdisciplinary collection of essays is the first book-length effort to examine how gender conventions, both masculine and feminine, have structured the creation and marketing of country music. The essays explore the uses of gender in creating the personas of stars as diverse as Elvis Presley, Patsy Cline, and Shania Twain. The authors also examine how deeply conventions have influenced the institutions and everyday experiences that give country music its image: the popular and fan press, the country music industry in Nashville, and the line dance crazes that created the dance hall boom of the 1990s. From Hank Thompson's "The Wild Side of Life" to Johnny Cash's "A Boy Named Sue," from Tammy Wynette's "Stand by Your Man" to Loretta Lynn's ode to birth control, "The Pill," *A Boy Named Sue* demonstrates the role gender played in the development of country music and its current prominence.

Daughters of the Gods - Tamara Gill 2022-04-03

BANISHED Chloe, beautiful and privileged daughter of a powerful god, literally has the world at her feet. Until she falls in love with a Scottish druid. Her enraged father sentences her to an endless cycle of birth and death; each life spent yearning for a man she no longer knows or remembers. Scottish druid, Cian McKay searches the world for his long lost love, only to have her appear at the local pub in his highland hometown. Cian must win Chloe's heart again but without the ability to tell her who she is. Back in the place where she first loved Cian and fell from grace, Chloe's memory haunts her with images that could not possibly be true. She must find the truth and the only way is a confrontation with the Deity who banished her a thousand years before - her father, Zeus. GUARDIAN Can love conquer hate, revenge and even family duty? Caitlin, daughter of the most powerful god Zeus, has one mission. Hunt down the Titan who betrayed her father and kill him. But what if your target is more human than deity, more wickedly attractive and sexy than anyone you'd ever met? But Zeus is a god who does not forgive and Caitlin swore to obey the decree of Olympus. Can she complete the quest asked of her? Or will a Titan, a sworn enemy, show this goddess that true love really can conquer all... FALLEN Sara Daniels needs to change her life, so she sets out to run her late grandmother's farm. With no man at her side, and deserted by friends who can't abide her obsession with mythology, it's the perfect time to escape. Hermes, favoured son of Zeus, has been framed by his hateful stepmother, Hera. Fleeing Olympus with his life, he finds himself in an abandoned farmhouse in the middle of nowhere. It's the ideal place to hide from Zeus that is until the owner- a woman with long, flaming red hair and the darkest blue eyes he's ever seen - decides to move in. Sara's family has divine secrets that even she's not privy to. Hermes' secrets, however, have the power to shatter their lives. And with a god as your farmhand, it's only a matter of time before those secrets are revealed in all their destructive glory. But the wild attraction that blazes between these two

souls will not be denied...even if the outcome threatens to doom them both.

The 12 Gifts of Life - Cindy Champnella 2012-07-12

*Never Give Up* - Rue Lennox 2023-01-31

He says there can never be anything between us... but I still want him. Devastation and devotion are two sides to the same coin, and Brian Miller flips the coin to my heart without even trying. He thinks he's not good enough—that I deserve better than a damaged single father. But his demons can't be any worse than the one stalking my every move in our small town—the one no one can bring to justice. Despite the age difference between us, I'm not a little girl, and I know the truth. Brian will never forgive himself for not being there when I needed him most. But he's the only man who can rescue me now.

**Cultural Memory and Popular Dance** - Clare Parfitt 2021-12-02

This book focuses on the myriad ways that people collectively remember or forget shared pasts through popular dance. In dance classes, nightclubs, family celebrations, tourist performances, on television, film, music video and the internet, cultural memories are shared and transformed by dancing bodies adapting yesterday's steps to today's concerns. The book gathers emerging and seasoned scholarly voices from a wide range of geographical and disciplinary perspectives to discuss cultural remembering and forgetting in diverse popular dance contexts. The contributors ask: how are Afro-diasporic memories invoked in popular dance classes? How are popular dance genealogies manipulated and reclaimed? What is at stake for the nation in the nationalizing of folk and popular dances? And how does mediated dancing transmit memory as feelings or affects? The book reveals popular dance to be vital to cultural processes of remembering and forgetting, allowing participants to pivot between alternative pasts, presents and futures.
