Wifey 101 - Jamie N Otis 2016-03-10

When Jamie Otis agreed to be placed in a scientifically arranged marriage on TV's most controversial and groundbreaking reality show, *Married At First Sight*, she knew that saying "I do" to Doug Hehner, a complete stranger, was a huge risk. What she didn't know was how to be a wife! Through trial and error - and more ups and downs than a roller coaster - Jamie learned to quickly negotiate all of those universal problems all newlywed couples face, from leaving the toilet seat up to winning over the in-laws. All the while, her traumatic past and unresolved issues with an ex-boyfriend threatened to derail the healthiest relationship she'd ever been in. Love Me as I Am - Garcelle Beauvais
2022-04-12

"Dishy, warm, and entertaining."—Kirkus Reviews ?The beloved Black pop culture icon, entrepreneur, Hollywood actress and *Real Housewives of Beverly Hills* star bares her life in this frank, funny, and fearless memoir about life, love and the pursuit of true happiness. *Love Me As I Am* is Garcelle Beauvais's smart, inspiring, and raw memoir—an entertaining and unforgettable emotional rollercoaster ride that moves from her early childhood years in Haiti to her adolescence in Boston; from her heady days as a young model in New York—her first taste of real freedom—to Los Angeles and the many ups, downs, and then more ups, both personal and professional, she experienced in her three-decade acting career, including her massive fame as a star of *The Real Housewives of Beverly Hills*. Throughout her life, Beauvais has suffered from an emotional battle between her wild, rebellious nature and her desire to be a "good girl." No matter how many cover stories she earned, "Most Beautiful" lists, or coveted roles in iconic series such as *The Jamie Foxx Show* and *NYPD Blue*, Beauvais could not cure

herself of her "disease to please" or learn to put herself first. She also had to learn how to unapologetically put herself first. In *Love Me As I Am*, she brings together the voices of both the good girl and the rebel to deliver an unflinching examination of her successes and ongoing challenges as a mother, wife, daughter, sibling, and friend. Beauvais fearlessly talks about how she boldly embraced her sexuality in her 40s, and her determination to break free of the stereotypes that define and limit African American women in popular culture. Most importantly, she reveals how finally putting herself first led to better relationships with her three sons and even her ex-husband. Beauvais dishes too—offering juicy behind-the-scenes stories from movie sets, red carpet events, and *The Real Housewives of Beverly Hills*. *Love Me As I Am* is an unflinching look at one woman's extraordinary journey to create a new and more exciting life—and to become the woman she was meant to be.

Frontier Follies - Ree Drummond 2020-11-17
New York Times bestseller A down-to-earth, hilarious collection of stories and musings on marriage, motherhood, and country life from the #1 New York Times bestselling author and star of the Food Network show *The Pioneer Woman*, Ree Drummond. Once upon a time, I lost my marbles and married a sexy, Wrangler-wearing cowboy named Ladd. That single decision would wind up setting the stage for years of rural adventures (and misadventures), and while I can't imagine my life being any different, raising a family in the "idyllic" countryside has not been without a few bumps in the road. (Or were those cow patties? It's hard to tell the difference sometimes.) I'm excited to share this crazy collection of true stories from my full-of-energy, hard-to-tame, wonderfully wild (and very weird) frontier family. From the unique challenges of being married to a rancher to the blood, sweat, mud, and tears of raising country kids, I'll pull back the curtain and let you in on some of the sh*t and shenanigans that have really gone on

here on Drummond Ranch over the past two-plus decades. You'll learn about marital spats, run-ins with wildlife, ER visits, my parenting neuroses, triumphs, tribulations, love, loss . . . and how manure has somehow managed to weave its way through all of it. To keep things up to the minute, you'll also hear about more recent family developments that have tested my sanity and pushed me to the brink. (And pleasantly surprised me, too.) This book is both a love letter and a laugh letter, and I hope you get a big kick out of it all: the good, the bad, and the dirty. Mostly, I hope it demonstrates how much I adore this family of mine . . . even if I sometimes have to use rubber snakes to show it.

Broken Horses - Brandi Carlile 2022-04-12

#1 NEW YORK TIMES BESTSELLER • The critically acclaimed singer-songwriter, producer, and six-time Grammy winner opens up about faith, sexuality, parenthood, and a life shaped by music in "one of the great memoirs of our time" (Glennon Doyle, author of *Untamed*). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND AUTOSTRADDLE • "The best-written, most engaging rock autobiography since her childhood hero, Elton John, published *Me*."—Variety Brandi Carlile was born into a

musically gifted, impoverished family on the outskirts of Seattle and grew up in a constant state of change, moving from house to house, trailer to trailer, fourteen times in as many years. Though imperfect in every way, her dysfunctional childhood was as beautiful as it was strange, and as nurturing as it was difficult. At the age of five, Brandi contracted bacterial meningitis, which almost took her life, leaving an indelible mark on her formative years and altering her journey into young adulthood. As an openly gay teenager, Brandi grappled with the tension between her sexuality and her faith when her pastor publicly refused to baptize her on the day of the ceremony. Shockingly, her small town rallied around Brandi in support and set her on a path to salvation where the rest of the misfits and rejects find it: through twisted, joyful, weird, and wonderful music. In *Broken Horses*, Brandi Carlile takes readers through the events of her life that shaped her very raw art—from her start at a local singing competition where she performed Elton John's "Honky Cat" in a bedazzled white polyester suit, to her first break opening for Dave Matthews Band, to many sleepless tours over fifteen years and six studio albums, all while raising two children with her wife, Catherine Shepherd. This hard-won success led her to collaborations with personal heroes like Elton John, Dolly Parton, Mavis Staples, Pearl Jam, Tanya Tucker, and Joni Mitchell, as well as her peers in the supergroup The Highwomen, and ultimately to the Grammy stage, where she converted millions of viewers into instant fans. Evocative and piercingly honest, *Broken Horses* is at once an examination of faith through the eyes of a person rejected by the church's basic tenets and a meditation on the moments and lyrics that have shaped the life of a creative mind, a brilliant artist, and a genuine empath on a mission to give back.
