This Is How You Lose the Time War Amal El-Mohtar 2019-07-16 Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked “Burn before reading. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they’re the best, and they’re alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning’s what you do in war. Isn’t it? Was She Pretty? Leanne Shapton 2006-10-31 A SINGULAR EXPLORATION OF MODERN LOVE AND ALL ITS DEMONS, IN WORDS AND DRAWINGS In this brilliant gem of a book, artist/writer Leanne Shapton weaves together a voyeuristic tale of love and life through epigrammatic vignettes and sleek line drawings. Entire relationships are encapsulated in a few, stinging perfect lines: "Colleen was Walter's ex-girlfriend from med school. She loved to dance with men at weddings." Pricking our insecurities, Shapton introduces us to Kim, whose ex "kept a drawerful of love letters in a kitchen drawer . . . She would stare at it while she cooked." And Ben's ex, "a physiotherapist for the U.S. men's and women's Olympic swim teams. She wore small white shorts year-round." Fascinated by her own jealousy, Shapton interviewed acquaintances about their anxieties and peccadilloes, and the result is a book of surpassing originality: one of those unusual books that comes along to delight us all, like *An Exaltation of Larks* or *Love, Loss, and What I Wore* or *Griffin and Sabine*. *Was She Pretty?* can also share the shelf with the work of the legendary William Steig, whose early, psychologically revealing work inspired Shapton. An unflinching observer of human behavior, she invites us to peer into the hearts and minds of her characters—while reminding us that we shouldn't be surprised if we see ourselves staring right back.

Tacky Rax King 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste,

exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column "Store-Bought Is Fine" Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in "You Wanna Be On Top," Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. Barcelona Dreaming Rupert Thomson 2021-06-01 The Irish Times: Best Book of the Year New York Times Book Review: Editor's Choice The Times (UK): Book of the Week Pick Foreword Reviews: Book of the Day Pick Conde Nast Traveler: Best Book of the Season Pick Set on the eve of the financial crash of 2008, this evocative novel is made up of three stories linked by time and place, and also by the moving, unexpected interactions of a rich cast of characters. Barcelona Dreaming is narrated, in turn, by an English woman who runs a gift shop, an alcoholic jazz pianist, and a translator tormented by unrequited love, all of whose lives will be changed forever. Underpinning the novel, and casting a long shadow, is a crime committed against a young Moroccan immigrant. Exploring themes of addiction, racism, celebrity, immigration, and self-delusion, and fueled by a longing for the unattainable and a nostalgia for what is about to be lost, Barcelona Dreaming is a love letter to one of the world's most beautiful cities and a powerful and poignant fable for our uncertain times.

Love Letters of Great Men Ursula Doyle 2008 Remember the wonderfully romantic book of letters by Beethoven, Byron and Napoleon that featured in the Sex and the City film? That collection never actually existed, but all of the letters referenced in the film were real; so Macmillan decided to create Love Letters of Great Men...From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, Love Letters of Great Men collects together some of the most romantic letters in history. For some of these great men, love is a 'delicious poison' (William Congreve); for others, 'a nice soft wife on a sofa with good fire, & books & music' (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these Love Letters of Great Men show that perhaps men haven't changed so very much over the last 2,000 years; passion, jealousy, hope and longing are all represented here - as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

A Love Letter to the City gathers the artist's powerful public art project for the first time, including murals on the walls and rooftops of Brooklyn and Syracuse, New York; Philadelphia; Dublin and Belfast, Ireland; São Paulo, Brazil, and Johannesburg, South Africa.

Diary of a Lonely Girl, or The Battle against Free Love Miriam Karpilove 2020-01-23 First published serially in the Yiddish daily newspaper di Varhayt in 1916-18, Diary of a Lonely Girl, or The Battle against Free Love is a novel of intimate feelings and scandalous behaviors, shot through with a dark humor. From the perch of a diarist writing in first person about her own love life, Miriam Karpilove's novel offers a snarky, melodramatic criticism of radical leftist immigrant youth culture in early twentieth-century New York City. Squeezed between men who use their freethinking ideals to pressure her to be sexually available and nosy landladies who require her to maintain her respectability, the narrator expresses frustration at her vulnerable circumstances with wry irreverence. The novel boldly explores issues of consent, body autonomy, women's empowerment and disempowerment around sexuality, courtship, and politics. Karpilove immigrated to the United States from a small town near Minsk in 1905 and went on to become one of the most prolific and widely published women writers of prose in Yiddish. Kirzane's skillful translation gives English readers long-overdue access to Karpilove's original and provocative voice.

Love Letters to a Unicorn M. S. Rebecca Elizabeth Blanton 2015-01-02 Love Letters to a Unicorn explores the multifaceted dimensions of kink life. While a few kinky sex practices have become popular to integrate into mainstream discussions and writings about sex, the deeper and more significant reasons to practice kink have not been broached. Love Letters brings the reader into the life of a submissive. The essays discuss kinky practices such as negotiation, consent, boundaries and limits, safe words, and continuing education about sex. The author is a practicing submissive who has enjoyed kink for more than two decades. She reveals why kink is a true manifestation of feminist values, how it could end rape culture, help stabilize long-term relationships and how getting tied up and whipped helps ground her. Blanton advocates that everyone, regardless of what they actually do in bed, adopt certain kinky values and practices. She has started to campaign for the adoption of a national safe word and rewriting sex ed curriculum to included kinky values. Love Letters is not just theoretical. Blanton includes a number of love letters to her primary partner who is not actively identified with the kink community. The letters, including poems and porn, were written during the first eighteen months of her relationship with the unicorn. Using her relationship with a non-kink-identified man to illustrate the benefits of kink values for all people, Blanton reveals how her kink practices have improved her relationship with the unicorn. Rebecca E. Blanton is an academic and policy researcher by training. She has previously written extensively about women veterans, the criminal justice system, and charter school oversight. She has taught at several New York City universities and headed the California Commission on the Status of Women and Girls. Love Letters is her first non-policy/non-academic publication.

P.O. Box Love Paola Calvetti 2012-01-31 A charming epistolary novel that chronicles the love story between Emma and Frederico, former high school sweethearts who meet again thirty years later. At Dreams & Desires, 50-year-old Emma's quaint bookshop in Milan dedicated to romantic fiction, the passionate bookseller serves coffee and tea to her customers and completes order slips in pen rather than using a computer. One day, she finds a mysterious handwritten note stuck between the pages of a novel. The message is from her high school sweetheart Frederico, who is now a successful architect in New York and whom she hasn't seen in thirty years. When she finally meets Frederico again, Emma is convinced that her life is about to turn into a romance novel - an intercontinental fairy tale between Milan and New York, between two post office boxes and two lovers that are separated by the Atlantic Ocean and half a life. But Frederico is married, and their epistolary romance, punctuated by once-a-year sojourns on the island of Belle Ile, seems to have no future. Paola Calvetti's PO Box Love is an ode to old-fashioned relationships (the ones that last a lifetime), old-fashioned habits (such as writing letters by hand in fountain pen) and old-fashioned notions (such as politeness, and the great lost art of conversation), and will enchant readers of such perennial favorites as 84 Charing Cross Road by Helene Hanff and Same Time Next Year by Bernard Slade.

Love Letters to the Dead Ava Dellaira 2014-04-01 It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, Love Letters to the Dead.

The Shadowy Third Julia Parry 2021-02-25 'A fascinating and moving portrait of love, loyalty and infidelity.' Sarah Waters A sudden death in the family delivers Julia Parry a box of love letters. Dusty with age, they reveal an illicit affair between the celebrated Irish novelist, Elizabeth Bowen, and the academic Humphry House - Julia's grandfather. So begins a life-changing quest to discover and understand this affair, one with profound repercussions for Julia's family, not least her grandmother, Madeline. Using fascinating unpublished correspondence, Julia follows the lives of three very different characters through some of the most dramatic decades of the twentieth century: from the rarefied air of Oxford in the 1930s and the Anglo-Irish Big House, to the last days of Empire in India and into the Second World War. The story opens up a lost world, one with complex and often surprising attitudes to love and sex, work and home, duty and ambition, and to writing itself, spiced throughout with social history and a celebrated supporting cast that includes Isaiah Berlin and Virginia Woolf. Inspired by Bowen's own obsession with place and memory, Julia travels to all the locations in the letters - from Kolkata to Cambridge; from Ireland to Texas weaving present-day storytelling with historical narrative and literary exploration. From an assured, elegant new voice, The Shadowy Third is a beautifully written investigation of family, love, and the lasting power of literature. Praise for The Shadowy Third 'Julia Parry has a fascinating tale to tell, and she does so with a compelling immediacy and also with admirable finesse. Bowen fans will be in her debt; and those interested in the milieux she frequented.' Peter J. Conradi 'The Shadowy Third is the intimate portrait of a love triangle, with the novelist Elizabeth Bowen as one of the protagonists. It is also a work of discovery, using letters with sensitivity and intelligence, rebuilding a lost world with imaginative flair, seeing Bowen and her world with insight, and the lives of Julia Parry's own grandparents with a sharp eye for detail and a skill at telling a fascinating story.' Colm Tóibín, author of The Empty Family 'A vivid picture of an important and immensely gifted writer in love.' Joseph O'Connor 'A compelling story of marriage, passion and betrayal that reads like a richly textured novel. With skill, wit, and empathy, Parry takes readers on a compelling journey to find the truth of her grandfather's love affair with a famous novelist. Gripping, poignant, and fascinating.' Charlotte Gordon, author of Romantic Outlaws: The Extraordinary Lives of Mary Wollstonecraft and Mary Shelley Parry is a spirited narrator who is clearly a great admirer of Bowen's fiction but isn't blindsided by this, remaining admirably nuanced as she gives a judicious moment-by-moment account of these complicated characters over the decades.' Lara Feigel, Spectator 'Fascinating and poetic.' Ian D'Alton, Irish Times 'An essay of rare sensitivity and intelligent reflection... Julia Parry's elegantly written The Shadowy Third uncovers the love triangle that consumed the novelist - and her grandmother.' Rupert Christiansen, Telegraph 'As literary discoveries go, it's a big one: the discovery in her uncle's attic by Julia Parry, a secondary school English teacher, of the forgotten correspondence between her grandfather, the literary critic Humphry House, and the famous 20th-century Anglo-Irish novelist and short-story writer Elizabeth Bowen. Parry is an engaging writer, deliciously alert to the echoes and parallels that sometimes feel like ancestral instructions on how to approach the material.' Lucy Atkins, The Sunday Times 'Parry is an intrepid narrator, with a beguiling style... she marshals her facts and impressions with energy and assiduity.' Patricia Craig, TLS 'Bowen devotees will find fascinating insights. Anyone who has yet to discover her sublime fiction, meanwhile, has so much to look forward to.' Saga

Love Letters from Great Men Stacie Vander Pol 2009-03 Looking for the book of love letters from the Sex in the City movie? This book contains those letters-including Beethoven's Immortal Beloved as well as many more wonderful and romantic love notes. Indulge in the private longings and passions of the most powerful and famous men in history. From Vincent Van Gogh to Oscar Wilde, spanning a period of five centuries, these love letters prove that true love really does survive the test time. Among the beautifully written, heart-felt letters, are those of longing and desire driven by devastating separation, the jealousy and heartbreak of betrayal, and the lifelong passion and devotion of true love.

Love Letters of Great Men Ursula Doyle 2008-08-05 From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, Love Letters of Great Men collects together some of the most romantic letters in history. For some of these great men, love is a 'delicious poison' (William Congreve); for others, 'a nice soft wife on a sofa with good fire, & books & music' (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these Love Letters of Great Men show that perhaps men haven't changed so very much over the last 2,000 years; passion, jealousy, hope and longing are all represented here - as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

He's Just Not That Into You Greg Behrendt 2009-01-06 Based on an episode of "Sex and the City," offers a lighthearted, no-nonsense look at dead-end relationships, providing advice for letting go and moving on.
