Bad Luck Club - Denise Grover Swank 2021-04-05
A grumpy man. A recovering people-pleaser. And the secret club that brings them together. Lee Buchanan is a hot mess. Turning one's father in to the feds can do that to a man. He had nothing to do with his father's Ponzi scheme, but he's blacklisted from commercial real estate all the same. Which is how he ends up in Asheville, working at the brewery he inherited with his siblings. He's salty as hell, and he doesn't care who knows it. Until the gorgeous, intriguing Blue

Combs issues the most peculiar invitation he's ever received: Come to the Bad Luck Club. We can help you. It sounds like a cult or, worse, a group of Mary Sues, but Blue is different from any woman he's ever met. For better or worse, he's drawn to her. Just like she's drawn to him, even if she has no intention of going all in with another man. She's been there, done that, twice, and the life she's built for herself is too important to risk. What starts as one person's desire to help another turns into a connection too powerful to be denied—but

Pretty Reckless - L. J. Shen 2023-08-22

They say revenge is a dish best served cold... Penn Scully has had four years to stew on what Daria Followhill did to him, and now his heart is completely iced over. He took her first kiss, and she took away the only person he ever loved. He asked her to save the rest of her firsts for him, and she walked all over his heart in stiletto heels and left it bleeding out on a bright

summer day. Now, everything has changed. When circumstances leave Penn homeless in his senior year, the Followhills take him in as their latest shiny project. That means, for the time being, he's Daria's housemate, living right across the hall. And once he sees her again, he's determined to make this spoiled princess pay for ruining the only good thing in his life. But Daria is used to being misunderstood. Being slammed for every snarky comment, cynical eye roll, and foot she puts in the way of the people who hurt her. Being the girl everyone wants to see cry, and keeping her tears hidden. Penn wanted her firsts, but she wants to be his last everything. The problem is, once they see past each other's cutting barbs and wounded hearts, the truths they uncover might just start something new altogether.

is giving me the greatest gift. A chance to remain in her life after I leave this place. I've spent my final days plotting and writing letters. Letters to guide her for all her firsts without me. If everything goes according to plan, she will love me even more, and if all goes correctly, she will love him just as much. You think I'm crazy? Maybe. Only time will tell. You might even find yourself falling in love with me. Who knows? Life is full of surprises.

Love at First Hate - Denise

Grover Swank 2021-08-09

The first book in a new series by Denise Grover Swank and A.R. Casella, authors of the USA Today bestselling Asheville Brewing series. She wants his story. He wants his secrecy. Too bad he can't stay away from her. Molly Blogging about bad dates used to be fun, but a girl can only take so much foolishness. So I broke up with my job. Okay, full disclosure, I was fired. It's a long, sordid tale, involving my sourdough starter—RIP, Fred!—and my ex-boss's serious lack of humor. Newly

funemployed and in need of a break, I go to Asheville to dogsit for my sister...and stumble onto a scoop big enough to put my fake-dating days behind me forever.

Augusta Glower, local success story, wrote a bestseller about the self-help group she started. People think her system works, and copycat Bad Luck Clubs have sprung up nationwide. Something feels off, though, and a little poking around by yours truly suggests she stole the idea. There's one problem. I have to prove it, and the guy she ripped off—super-hot house flipper Caleb Reynolds—seems to...well, hate me. Which is too bad since his secrets aren't the only thing I'd like to peel away. * * * Cal Molly O'Shea is my worst nightmare. Is she sexy as sin? Well...yeah. Does she smell like honeysuckle and trouble? No doubt. Is she determined to dig up my secrets with a backhoe? I'm pretty sure she got a two-week rental. But I'll never talk. If the reason I started the club gets out, my whole life will implode. So why is she so damn

But the tangled web of corruption runs deeper than either of them know, and when provoked, ruthless forces push back. Hard.

The 5th Season: New year ku (books 1 & 2 of 4) - Robin D. Gill 2007

In this book, the first of a series, Robin D. Gill, author of the highly acclaimed *Rise, Ye Sea Slugs!* and *Cherry Blossom Epiphany*, the largest single-theme anthologies of poetry ever published, explores the traditional Japanese New Year through 2,000 translated haiku (mostly 17-20c). "The New Year," R.H. Blyth once wrote, "is a season by itself." That was nowhere so plain as in the world of haiku, where saijiki, large collections called of ku illustrating hundreds, if not thousands of briefly explained

seasonal themes, generally comprised five volumes, one for each season. Yet, the great doyen of haiku gave this fifth season, considered the first season when it came at the head of the Spring rather than in mid-winter, only a tenth of the pages he gave to each of the other four seasons (20 vs. 200). Was Blyth, Zen enthusiast, not enamored with ritual? Or, was he loath to translate the New Year with its many cultural idiosyncrasies (most common to the Sinosphere but not to the West), because he did not want to have to explain the haiku? It is hard to say, but, with these poems for the re-creation of the world, Robin D. Gill, aka "keigu" (respect foolishness, or respect-fool), rushes in where even Blyth feared to tread to give this supernatural or cosmological season - one that combines aspects of the Solstice, Christmas, New Year's, Easter, July 4th and the Once Upon a Time of Fairy Tales - the attention it deserves. With G.K. Chesterton's words, evoking

the mind of the haiku poets of old, the author-publisher leaves further description of the content to his reader-reviewers. "The man standing in his own kitchen-garden with the fairyland opening at the gate, is the man with large ideas. His mind creates distance; the motor-car stupidly destroys it." (G.K. Chesterton: Heretics 1905)

Die bleibende Bedeutung des Alten Testaments -

Friedhelm Hartenstein

2016-12-05

Seit dem 19. Jahrhundert wird von einigen Vertretern protestantischer Theologie die kanonische Geltung des Alten Testaments infrage gestellt. Die Debatte ist derzeit neu entbrannt. Der Band enthält einerseits Studien, die darauf reagieren und Argumente für die bleibende Bedeutung des Alten Testaments in Theologie und Kirche aufzeigen. Andererseits versammelt er Beiträge aus den letzten Jahren, die einer neuen Sicht einer »Theologie des Alten Testaments« und ihrer hermeneutischen Begründung zuarbeiten. Unmittelbarer Anlass für dieses Buch ist die theologische Debatte über die Thesen zum Alten Testament des Berliner systematischen Theologen Notger Slenczka. Es zielt auf alle, die sich an dieser Debatte innerhalb (und außerhalb) von wissenschaftlicher Theologie und Kirche beteiligen und an der Bibel als Glaubenszeugnis und Kulturerbe interessiert sind.

This is the second of a 2 book release around 'Leveraging Your Leadership Style'. If we believe that FIRSTS pave the way for others, then studying women through the ages who were significant FIRSTS should help enlighten us with hope and inspiration that women can achieve great things given time, patience and above all, determination. the centuries. Through this study, there is no doubt that, as far back as 1500 BC, women have proven themselves to be great and capable leaders. As with many famous and accomplished men, some have led wars while others have promoted peace. Some are brilliant and vivacious, while others are shy and humble. They are all unique and unconstrained by the boundaries of sex, culture, politics, or religion. Although the study is not exhaustive, it attempts to identify and analyse many significant FIRSTS, through a series of structured activities, to achieve the following: 1. To understand what it takes to be the FIRST. 2. Identify key attributes, motivation, and commitment required. 3. Ability to discover and channel your passion, leadership goals and milestones and incorporate them into an effective, sustainable, and evolving Development Plan (considering future trends towards 2050).
