Love Me to Death - Marissa Clarke 2014-10-28
Medical research scientist Elena Arcos has always lived her life under the radar. When she is shot in a convenience store robbery, Elena finds herself rocketed into supernatural insanity courtesy of a sexy immortal law enforcer. He's convinced she's some kind of freaky half-vampire thing and that her deceased dad was the real deal: a blood sucking monster. Yeah, right. Nikolai Itzov never anticipated battling the urge to kiss the offspring of his father's murderer. As a Slayer, an elite law enforcer descended from Azrael himself, his orders from the Underveil General are clear: Kill her or die. Nikolai and Elena find themselves in a life and death battle to stop a plot designed to lift the Underveil and enslave humans. With her analytical mind and his centuries of training, they might be able to foil the plot with their lives and maybe their

hearts intact. But in order to succeed, he must help her become the very thing he hates the most: an Undead.

Make Death Love Me - Ruth Rendell 2010-08-03
A Ruth Rendell mystery, first published in 1979 and shortlisted for the Edgar Allan Poe Award for best crime novel in 1980. Alan Groombridge is trapped. Husband to a woman he doesn't like, father to two children he never wanted, and manager of a tiny branch of the Anglian-Victoria bank, he is doomed to a life of domestic boredom and tedious routine. All that keeps him afloat is his one fantasy: stealing enough of the bank's money to allow him just one year of freedom - one year in which to live a different sort of life. But one day the bank is robbed, the manager and cashier disappear and what was once a place of dull and dreary repetition becomes the scene of a brutal, chilling nightmare that might never end...

drops, double crosses and defections - it sounds like the stuff of sophisticated espionage, but the agents are only schoolboys engaged in harmless play, unaware of the danger awaiting them if their messages were intercepted... John Creevey doesn't know the truth behind the mysterious codes he is reading. To him, the messages he decodes with painstaking care are the communications of dangerous and evil men. As he comes face to face with the reality of his beloved wife Jennifer's defection, he begins to see a way to get back at the man she left him for, a man with a disturbing connection to the schoolboys... And soon the schoolboys are playing more than just a game.
