Shut Out - Kelly Jamieson  
2023-05-09

Jacob The Bayard College hockey team isn't where I thought I'd be a season ago. I was a rising star in the Canadian major junior league, cruising toward a spot on an NHL roster—until a single disastrous night on the town brought it all crashing down. Now I'm out of options, except for playing well, studying hard, and staying away from girls. I shouldn't be flirting with the hottest, sweetest chick I've ever met. But maybe she can actually help me out... Skylar I know Jacob is out of my league. I'm just trying to go with the flow, which isn't easy when six feet and four inches of total hockey hotness is making a play for me one moment, then giving me the cold shoulder the next. Then he suggests a ridiculous plan that could help both of us. My head tells me

this rugged athlete isn't worth my time, but my body says something altogether different. Risking my heart for Jacob may be the craziest thing I've ever done . . . but I won't let him shut me out.

**Misadventures with a Rookie** - Toni Aleo 2018-04-10

Winning has always come naturally for stud ice hockey defenseman Gus "the Bus" Persson. On the ice or off, he's never had any trouble scoring, racking up goals—and girls. As the best player in his rookie class and the number-one draft pick of the Malibu Suns, he's taking his game to the next level and is justifiably full of swagger. So why does one of the Suns' ice girls treat him like he's invisible? Bo St. James doesn't have time for rookie hotshots who think their gloves don't stink. She knows them, she works with them, she trains them. It doesn't matter

that Gus Persson is the hottest newbie she's ever seen. She knows his type. She's got big plans of her own, and she's not going to let some cocky rich kid athlete keep her from her goals. But there's a chemistry between them they cannot deny. A lust that burns so hot, it threatens to melt the very ice on which they make their livings. The game has changed for both of them. Together, can these two play to win? \*\*\*\*

Misadventures is a romantic series of spicy standalone novels, each written or co-written by some of the best names in romance. The stories are scandalous, refreshing, and, of course, incredibly sexy. They're the perfect bedside read, a 'quick blush' for the reader who loves a page-turning romance.

Can an idealistic dog lover teach a jaded hockey player new tricks? "Kelly Jamieson is an auto-buy for me."—Carly Phillips Lilly: My life is like the love child of a train wreck and

a dumpster fire right now. I've been canned, my professional reputation is shredded, and now I'm walking dogs to make ends meet. But I still believe everything will work out. Somehow. Then a dog at the park attacks my friend's dog. At first, I'm ready to give the owner hell—but it turns out he's in desperate need of doggie daycare. I figure, why not? I love dogs and I need the cash. Too bad his cocky bad boy attitude annoys me. He's too damn cute for his own good. And I'm not talking about the dog. Easton: My coach is riding my ass and I'm not handling it well. When I'm saddled with an abandoned pooch, my teammate thinks a dog will keep my temper in check. I think I have enough problems already. But when my new dog gets into a tussle that leads me to meet a smoking hot chick who knows how to handle the rascal, I start to think pet ownership isn't all bad. At least it gives me an excuse to see Lilly again. . . . Neither of us are interested in a relationship. First they steal your bed, then

"Kadohata's slapshot is the heart-swelling narrative of a father and son...Truly powerful." —Jason Reynolds "A deeply poignant story about a boy sorting out his priorities." —Publishers Weekly (starred review) "A vivid, memorable portrayal of a boy within his family, his sport, and his gradually broadening world." —Booklist (starred review)

From Newbery Medalist Cynthia Kadohata comes a brilliantly-realized novel about a hockey player who must discover who he is without the sport that defines him. Hockey is Conor's life. His whole life. He'll say it himself, he's a hockey beast. It's his dad's whole life too—and Conor is sure that's why his stepmom, Jenny, left. There are very few things Conor and his dad love more than the game, and one of those things is their Doberman, Sinbad. When Sinbad is diagnosed with cancer, Conor chooses to put his hockey lessons and practices on hold so they can pay for Sinbad's chemotherapy. But without hockey to distract him, Conor begins to notice more. Like his dad's crying bouts, and his friend's difficult family life. And then Conor notices one more thing: Without hockey, the one thing that makes him feel special, is he really special at all?

characters, strong females with attitude and dialogue that can have you laughing out loud.”  
—The Philadelphia Inquirer  
Some men just have more to offer. Like hard-muscled, shape-shifting Bo Novikov--part polar bear, part lion, pure alpha... Ten years after Blayne Thorpe first encountered Bo Novikov, she still can't get the smooth-talking shifter out of her head. Now he's shadowing her in New York--all seven-plus feet of him--determined to protect her from stalkers who want to use her in shifter dogfights. Even if he has to drag her off to an isolated Maine town where the only neighbors are other bears almost as crazy as he is. Let sleeping dogs lie. Bo knows it's good advice, but he can't leave Blayne be. Blame it on her sweet sexiness--or his hunch that there's more to this little wolfdog than meets the eye. Blayne has depths he hasn't yet begun to fathom--much as he'd like to. She may insist Bo's nothing but a pain in her delectable behind, but polar bears have patience in spades.

Soon she'll realize how good they can be together. And when she does, animal instinct tells him it'll be worth the wait... "Non-stop laughter, snark, and witty banter."

A hookup doesn't have to mean just once. Right? Brandon Smith Keep it easy. Keep it fun. Never hold on. That sums up my relationship goals, with hockey teams and with women. I learned early on that love and family equals fights and heartache. So I'm always moving on to the next team, the next hookup, before things turn sour. When I meet Lola at a tropical beachside bar, it's the perfect set up for a little hot vacation sex. She's gorgeous, funny, and most importantly, leaving for home tomorrow. But this time, I have a sinking feeling I'll be sorry to see her go. Lola McGrath I

knew after that night in Aruba I'd never see Brandon again. That's fine; I'm too busy vying for the corner office to make time for relationships. But when our paths cross again in New York, our sizzling attraction leads to "just one more night". Then another. And another. We never meant to become friends with this many benefits. Especially the one neither of us ever expected—or thought we wanted.

Ella I have three goals this semester: get off academic probation, fix my relationship with my BFF Skylar, and take some responsibility for my life. All of which are hard enough without hot, snobby hockey player Ben Buckingham around to distract me. I can't stand Ben, and I know the feeling is mutual. But he's best friends with Skylar's boyfriend, so he's always around—taunting and tempting me in ways that really rile me up. Ben As the star forward of the Bayard College

hockey team, I have goals too, like playing well enough to land a spot on an NHL roster. I'm perfectly in control on the ice, so why can't I keep my cool around Ella? Her wild behavior rubs me in all the wrong ways—and a few of the right ones. But as we skate around each other, I learn there's more to Ella than her bad reputation. And when the line between love and hate starts to blur, I can't resist crossing over and sweeping her off her feet.

Hollie Porter is the chairwoman of Generation

Disillusioned. At 25, she's saddled with a job she hates, a boyfriend who's all wrong for her, and a vexing inability to say no. She's already near her breaking point, so when one caller too many kicks the bucket during Hollie's 911 shift, she cashes in the Sweethearts' Spa & Stay gift certificate from her dad and heads to Revelation Cove, British Columbia. One caveat: she's going solo. Any sweethearts will have to be found on site. Hollie hopes to find her beloved otters in the wilds of the Great White North, but instead she's providing comic relief for staff and guests alike. Even Concierge Ryan, a former NHL star with bad knees and broken dreams, can't stop her from stumbling from one (mis)adventure to another. Just when Hollie starts to think that a change of venue doesn't mean a change in circumstances, the island works its charm and she starts to think she might have found the rejuvenation she so desperately desires. A "brilliant and layered" novel about a prodigy turned convict turned dog walker in her 40s from the celebrated author of *My Depression: A Picture Book* (Oprah.com). A former child prodigy and rich-girl, eighteen-year-old Ester is incarcerated after her kleptomania gets way out of hand. There, she is given the very gentile name Carleen (for her own protection) and for two decades, time is the enemy. When finally let loose onto the streets of New York,

Carleen finds a job as a dog walker in Manhattan's most elite neighborhoods. But despite her remarkable gift for canine communication, Carleen is determined to finally prove that she is a real person. To this end, she tries to reconnect with her estranged—and ferociously

Orthodox—daughter. Amid the strained brunch dates, unsent letters, and the continuing trauma of prison, Carleen begins a slow and halting process of self-discovery. Strikingly funny and self-aware, this belated coming-of-age novel asks the question: How do you restart after crashing your first chance at life?

stranger drops a bomb. Drew has a 12-year-old daughter he never knew about. Her mother is dying. And her only remaining family, "Auntie P", looks at him like she knows exactly what he is: a washed-up winger with a bum knee and zero parenting skills. Between her demanding job, her sister's illness, and her frightened niece, Peyton Watt has enough on her plate without Drew underfoot—an unemployed ex-jock who spends too much time drinking and living in the past. Drew's definitely no father of the year, but as time passes, Peyton witnesses the re-emergence of the qualities that made him a star athlete—a man rising to the challenge. A man getting up one more time than he's knocked down. A man who's remembering what it's like to win—especially her heart. Note: This title was previously published. There have been no significant changes from its original version.
