But Mary's tender heart is slowly melting Hamish's frozen one . . . awakening a burning need to keep her with him -- forever. A Lady Who Dares Not Love Never before has Mary felt such an attraction to a man! The mysterious Hamish MacRae is strong and commanding, with a face and form so handsome it makes Mary tremble with wanting him. Already shadowy forces are coming closer, heartless whispers and cruel rumors abound, and it will take a love more pure and powerful than any other to divine the truth -- and promise a future neither had dreamed possible.

When her latest mission lands her in a London courtroom on a trumped-up larceny charge, she has only one hope of survival. Enlisting the aid of Edward Carsley, the powerful fourth Earl of Rothwell, is a two-edged sword. The seductive aristocrat who awakens treacherous desire is her clan's mortal enemy—a man she can never trust. Edward will do whatever it takes to quell another bloody

But if her father insists on parading her before one more English lord who looks askance at her flame-colored hair, she'll simply scream! Her only respite is the time she spends with Kade Stewart, the wounded Scot her brother brought home from the Crusades. Who could have imagined a Highland warrior would be the only gentleman around? Lady Averill helped save his life, and for that Kade is truly grateful. She is also almost unbearably beautiful, but he could never subject such a sweet and gentle lady to the rough life of a Stewart laird's bride . . . or could he? When she braves an unexpected danger by his side,

Averill will prove to Kade that her heart is as fiery as her hair . . . and that submitting to their scorching passion would be heaven indeed.

The now-grown Earl of Sherbourne has returned to this troubled land a British colonel, and therefore a foe to the bewitching lass who still holds his heart.

Agreeing to become an enemy colonel's prisoner in her uncle's stead, Leitis is confused by the traitorous passion she feels whenever her captor is near. But Alec dares not reveal to her who he was—or his dangerous secret identity as Raven, the outlaw defender of the Scots—even if protecting his lady costs him her love . . .

As the orphaned daughter of a British colonel and his beloved Indian wife, whispers follow her everywhere. Not even the protection of the formidable Duke of Wolverton, a man she can't stand, keeps the gossips at bay. The audacious Lara has driven Tristan Wentworth, The Duke of Wolverton, to distraction since the day his uncle took her in—and he's quite certain doing so is her favorite pastime. After catching her and his younger sister at a salacious masquerade, he's had enough scandal and issues a marriage ultimatum: find a husband within six months or one will be chosen for her. Unfortunately, no one in the ton appeals to her. Except, perhaps, the duke himself. The battle of wills has only just begun, and when Lara kisses him, their fate is sealed. Sometimes even the most proper duke needs to break the rules to win the heart of the woman he loves... Yet from the instant the dashing adventurer first gazed deeply into Riona's haunting gray eyes, he knew there was no lass in all of Scotland he'd ever want more.
