During the 1960s, Wilder continued to direct and produce controversial comedies, including *Kiss Me, Stupid* (1964) and *The Apartment* (1960), which won Oscars for best picture and director. This definitive biography reveals that Wilder was, and remains, one of the most influential directors in filmmaking.

SOE in France M.R.D. Foot 2004-04-22 SOE in France was first published in 1966, followed by a second impression with amendments in 1968. Since these editions were published, other material on SOE has become available. It was, therefore, agreed in 2000 that Professor Foot should produce a revised version. In so doing, in addition to the material in the first edition, the author has had access to previously closed government records, as well as drawing upon his own invaluable wartime experiences and the recollections of those involved. SOE in France begins by explaining what SOE was, where it fitted into the Allied war machine, and how it worked in France. The narrative then recounts the adventures of its agents who worked on French soil. This intricate tale concentrates on the work of the 400 hand-picked men and women of the 'independent French' section, although it also covers SOE's five other sections that operated mainly in France. All told, the six sections despatched over 1,800 clandestine agents, who between them changed the course of the war. This updated new edition will be essential reading for scholars and for all those with an informed general interest in the activities of the SOE.

The Girl I Was Before Ginger Scott 2015-06-23 I’m the selfish one. I suppose that’s the nicest thing people say about me. I’ve heard the other things, too. “Paige Owens is a pretty girl with nothing else to offer. She’s just a good time at a party. She’s stupid, heartless, cold and useless. All she cares about is getting a guy to look at her. Why would anyone want to be her friend?” Some of those things are true. Others were true. They’re all hurtful. None of it matters. I’m ready to make the hard choices. I’m ready to face the consequences. I’m ready to be the girl I was before, and I’m done being the one who lost her way. I’m ready to become the girl Houston Orr sees when he looks at me. Houston isn’t a star athlete. He doesn’t play in a band. He’s never going to be president, and his life is so far away from simple and easy it isn’t even funny. He wasn’t part of my plan. But I’m starting to think plans are overrated, and maybe our stories are what we make them. And mine depends entirely on me, and the choices I make...starting now. Houston is my fairytale. He’s perfectly imperfect. He’s poetry and life. He’s truth and heartbreak, all rolled up in a tall body with

dark hair, broad shoulders and green eyes that lull me into submission. He's nothing I ever thought I wanted, but the very thing I need. He's the only guy I've ever really loved, and he thinks I'm a princess. I fell into him, and now I'm holding on. But sometimes life takes away our ability to choose. Sometimes...things aren't in your control. Sometimes, it hurts to be selfless. My only hope is that when it comes time to choose, I get it right. Welcome to my once upon a time and wish for happily ever after.

This Must Be the Place Susan Jackson Rodgers 2017-08-22 It's the summer of 1983. Ronald Reagan is in the White House, Princess Leia is on magazine covers, and Thea Knox is on the road. Fresh out of college, Thea is driving solo from California to New York. Her plan is to house-sit for her parents for the summer, but they sell her childhood home on a whim, leaving Thea (once again) to her own devices. She takes a detour to visit her Aunt Wendy in Merdale, a college town nestled in the Kansas prairie. Unlike Dorothy, Thea's adventure begins when she arrives in Kansas. Thea is immediately surrounded by her aunt's group of friends, including Julie, a bookstore owner; Nick, Julie's carpenter boyfriend; Bob, a stoner wildlife rehabilitator; and Amira, a lawyer who works with runaway girls. When she finds herself in love at first sight with Jimmy Ward, a local with a hazy past, Thea decides to extend her stay. Not everyone welcomes her into the fold, however, and Thea's own past—including her distant best friend and erstwhile boyfriends on either coast—is nipping at her heels. When she discovers a terrible secret that could upend Jimmy's world, the spell of happiness she has woven in this unlikely place threatens to break. This compelling coming-of-age novel explores the search for identity, love, friendship, and home, and celebrates the magic and mystery that exist in even the most ordinary places.

John Fawcett's Ginger Snaps Ernest Mathijs 2013-01-01 Few studies of Canadian cinema to date have engaged deeply with genre cinema and its connection to Canadian culture. Ernest Mathijs does just that in this volume, which traces the inception, production, and reception of Canada's internationally renowned horror film, *Ginger Snaps* (2000). This tongue-in-cheek Gothic film, which centres on two death-obsessed teenage sisters, draws a provocative connection between werewolf monstrosity and female adolescence and boasts a dedicated world-wide fan base. The first book-length study of this popular film, *John Fawcett's Ginger Snaps* is based on the author's privileged access to most of its cast and crew and to its enthusiasts around the world. Examining themes of genre, feminism, identity, and adolescent belonging, Mathijs concludes that *Ginger Snaps* deserves to be recognized as part of the Canadian canon, and that it is a model example of the kind of crossover cult film that remains unjustly undervalued by film scholars.

Art and Mourning Esther Dreifuss-Kattan 2016-03-10 Art and Mourning explores the relationship between creativity and the work of self-mourning in the lives of 20th century artists and thinkers. The role of artistic and creative endeavours is well-known within psychoanalytic circles in helping to heal in the face of personal loss, trauma, and mourning. In this book, Esther Dreifuss-Kattan, a psychoanalyst, art therapist and artist - analyses the work of major modernist and contemporary artists and thinkers through a psychoanalytic lens. In coming to terms with their own mortality, figures like Albert Einstein, Louise Bourgeois, Paul Klee, Eva Hesse and others were able to access previously unknown reserves of creative energy in their late works, as well as a new healing experience of time outside of the continuous temporality of everyday life. Dreifuss-Kattan explores what we can learn about using the creative process to face and work through traumatic and painful experiences of loss. Art and Mourning will inspire psychoanalysts and psychotherapists to understand the power of artistic expression in transforming loss and traumas into perseverance, survival and gain. Art and Mourning offers a new perspective on trauma and will appeal to psychoanalysts and psychotherapists, psychologists, clinical social workers and mental health workers, as well as artists and art historians.

Donleavy 2011-12-01 Feckless, unwashed, charming, penurious Sebastian Balfe Dangerfield, Trinity College Law student, Irish American with an English Accent, maroon in the ould country and dreaming of dollars and ready women, stumbles from the public house to the pawnbrokers, murmuring delusive enticements in the ear of any girl who'll listen, in delirious search

of freedom, wealth, and the recognition he feels is his due. Lyrical and ribald, illuminating, poignant and hugely entertaining, *The Ginger Man* is a work of authentic comic genius.

The Lost Angels N. Lang 2017-02-28 Lisa, an aspiring artist, can't stop painting what she's dreaming about...angels. She also starts to see things while awake, like demons trying to kill her. Between Dusk and Dawn Lynn Emery 2012-05-16 Psychic LaShaun Rousselle and Deputy Chase Broussard must solve a series of bloody murders in the swamps of Louisiana. Is the killer man or supernatural beast? LaShaun and Chase intend to stop the carnage, whether their target is human or not.

Coloring for Dawn Linda Powers-Daniel 2016-07-15 In *Coloring for Dark*, Virginia native Linda Powers-Daniel tells a story of bootlegging, adultery and the proud resilient women who won't yield to betrayal or hardscrabble lives. It's a tale of three sisters who launch themselves on a quest to solve their fathers' murder. In the second book of the trilogy, *Coloring for Dawn*, Gee is happily married and Laurel and Scarlet were part of the divorce generation, becoming accomplished career women. They live in historic Abingdon, Virginia and travel the maze of equal pay, token woman status and sexual harassment in the 80s. Laurel is a serious executive, climbing the corporate ladder, hiding her femininity behind her tailored wardrobe. Scarlet is a meticulously accurate manager, using her femininity like a badge of courage; at the same time smiling in a petulant, reckless manner, guaranteed to garner attention. It was engrained in Laurel and her sisters that they could do anything they set their mind to and they totally believed it. With careers and motherhood filling their lives the sisters search out chosen encounters, feeling a pull within their soul, to find the man who would fulfill the spiritual and erotic hole left by failures in love. Little did they know that within six years they both are destined to find loves many sides and deaths beckoning call, changing their lives forever. Scarlet is a true romantic and will never give up on love and Laurel buries that desire deep down inside, and puts a lid on it and smiles as she was taught, until she meets the handsome Captain Daniel C. Bastian with his quiet alluring charm.

The Edge of the Wedge Carroll Osburn 2010-06-21 The 1950's were idyllic, yet challenging times. In this insightful and often humorous semi-autobiographical novel, Osburn portrays life as a teenager in rural eastern Arkansas as anything but boring. However, would his conservative upbringing, revivals, and the Scout Oath see him through? While things were looking up after the war, time-honored ways were up for grabs. Federal intervention in desegregation shook old foundations. Rock and roll was attracting a generation of accepting musicians across racial barriers. Emerging counter-culturalism was beginning to challenge traditional values. In the face of modernism, old time religion was entrenching. Unavoidable questions demanded rethinking everything held sacred by the Southern mind-set --the status quo, prosperity, segregation, the political system, religion, social classes. Where might "the thin edge of the wedge" lead? In this engaging anecdotal account, a boy is caught in the cultural lag that kept diehard Southern culture from dealing with the harsh realities of a changing world. His coming to terms with critical issues of the time is an interesting search for values and, half a century later, is loaded with contemporary relevance.

Pick Yourself Up Charlotte Greenspan 2010-09-02 In a career that spanned nearly five decades, Dorothy Fields penned the words to more than four hundred songs, among them mega-hits such as "On the Sunny Side of the Street," "I Can't Give You Anything But Love," "The Way You Look Tonight," and "If My Friends Could See Me Now." While Fields's name may be known mainly to connoisseurs, her contributions to our popular culture--indeed, our national consciousness--have been remarkable. In *Pick Yourself Up*, Charlotte Greenspan offers the most complete, serious treatment of Fields's life and work to date, tracing her rise to prominence in a male-dominated world.

Something Borrowed, Something Blue Eileen Goudge 1988 Kit McCoy receives a marriage

proposal from her longtime boyfriend, Justin Kennerly, and although ecstatic, Kit wonders about her budding dancing career and the recent separation of her parents.

Letters from Stacy John W. Cowart 2005-07 A collection of letters touching on Jacksonville, Florida, history and culture from a man interested in family, cooking, gardening, gunsmithing, computers, geology, wines, weather and gnomes.

Line of Fall Miles Wilson 1989 Many of the stories are set in the American West, which often rises out of the background, virtually assuming the role of another character. In "Outsider," a fable of the artist and society is played out as a metaphysical western. "Wyoming" portrays a college professor, his career hanging by a thread, who meets an uncanny woman on a strange journey through a Wyoming blizzard. And in "Fire Season," a U.S. Forest Service firefighter undergoes an apocalyptic Santa Ana fire that takes him to the bewildering margins of the human and natural worlds.

Wicked Restless Ginger Scott 2015-10-20 Andrew Harper grew up in a house marked by tragedy. His older brother Owen did his best to shelter him, but you can only be protected from life's pain for so long. Eventually, you end up just feeling numb...and isolated. Loneliness was the one constant in Andrew's life. Until one girl, met by chance in a high school hallway, changed everything. Emma Burke was a mystery and all that was beautiful in this world, the only air Andrew ever wanted to breathe. And when Andrew and Emma are faced with an impossible decision, Andrew is tested to see just how far he's willing to go for the girl who owns his heart. Cuts are deep. Scars are left behind. And revenge beckons. When Andrew finally gets his chance, in college, five years after his first love broke him completely, he finds out old feelings don't really disappear just because you say you hate someone. But a restless heart is never satisfied beating on its own. Can Andrew and Emma make it right before it's too late, or will the ties that bind them now destroy their only chance at a future?
