Kept: Cat shifter blood is sought after to enhance spells and potions, but due to a quirk of her birth, Greta's blood is potent enough to kill for. When she learns she will be sacrificed, Greta is forced to ally herself with Dayne, the dangerous local sorcerer, and the only person strong enough to protect her. Claimed: Charlee wakes in a strange bed without any memory of who she is. All she knows is that a man who claims to be a doctor and is there to help her, doesn't seem to want to let her go. And maybe this is just her imagination, but does he have fangs? Mated: Jane isn't a vampire, but their blood runs through her veins, making her a target for those who resent a human being "kindred". When she's given to the leader of the werewolf pack to satisfy a gambling debt, she discovers her blood has a far greater impact on her destiny than she ever could have imagined. BOOK 2: INCUBUS AWAKENED: This title was previously published as *Save My Soul*. All he's asking for is her soul... All she has to do is resist him long enough to break the spell so they can go their separate ways. If she doesn't, she could die. And that would be the best case scenario. BOOK 3: HUNTED: It started with one lost pup; it may end in a war... Panthers don't do responsibility. They don't do long-term relationships. They

definitely don't raise kids. But when Z discovers a young wolf in the forest, he takes him in, unaware of the powerful beings hunting the pup. Fiona is a witch who can't leave her house; the birds have told her something bad will happen, and the birds are always right. The mailbox is as far as she'll go, but even that may provide more danger than she's bargained for. When a wolf pup stumbles into her garden, her safe, wrapped-up world heads for a free fall. But along with danger, the pup brings a chance at love—a chance an agoraphobic witch and a bachelor panther aren't likely to find on their own. BOOK 4: BAD MAGIC: Immortality can be a bitch... Tamara has lived nearly two thousand years, trapped by a spell of her own creation. Hunted by her enemy and former lover, she knows there is only one man strong enough to release her from the curse. But will Cain honor her death wish, or keep her for himself, whatever the cost? Two ancient souls. Two weary fighters torn between love and hate, forced to decide if the other could be worth living for. BOOK 5: FORBIDDEN: To see him again is forbidden... Angeline knows Father Hadrian will never forgive her for their ugly history. Taking him from his calling and turning him into a monster... no one should forgive that. When the king of the vampires seeks vengeance for Hadrian's recent betrayal, she'll risk everything to protect the vampire she still loves. But when Angeline agrees to give Hadrian her blood, all Heaven will break loose. BOOK 6: CAGED MOON: Can two souls trapped in separate cages ever find each other? Twenty-six years have passed since the link between heaven and earth was severed and all hell broke loose. The fighting raged until the human magic users took over the cities, driving most of the preternaturals into hiding. This is the world Sydney Burgess has grown up in, locked inside her father's compound. As the daughter of a human mother and a vampire king, she has all the weaknesses of a vampire but none of their strengths. Anthony keeps her on a tight leash, ever vigilant against the constant imagined threats to her safety. But all she wants is to break free and start a real life. Noah Riley has lived in captivity for the past twenty years, so long he barely knows how to be a werewolf anymore. Even with a photographic memory, most of his past before the facility feels fuzzy at best. His strongest memories are of the little girl he protected during his childhood: Sydney. When he reaches his full power on his twenty-eighth birth moon, he'll have a chance to break free to find her and finally reunite with his family. But vampires and werewolves are mortal enemies. Even if Sydney is Noah's true mate, the vampire king would kill him before he ever let a filthy werewolf near her, especially one of questionable sanity.
