

Religion Sexuality

Religion, the Body, and Sexuality - Nina Hoel 2020-09-10

How does religion relate to bodies and sexualities? Many people would answer, simply, "through repression," but the relationship is much more complicated than that. While many religions draw boundaries between what they consider to be appropriate and inappropriate use of the human body, especially in the realm of sexuality, the same religions often celebrate human sexuality and even expect sexual partners to provide each other with sexual pleasure. Celibacy, too, is more than just repression, and sometimes it is even seen as providing the practitioner with great spiritual power; in other settings, the sex act itself is understood to provide this power. *Religion, the Body, and Sexuality* offers students and general readers a sophisticated and accessible exploration of the connections between religion, sexuality, and the body, through case studies and overviews in the following thematic chapters: Celibacy Regulation Controversy Violence Innovation Instrumentalization Ecstasy Each chapter includes suggestions for further reading, questions for further thought, and a list of relevant media resources. This engaging book is an excellent addition to introductory courses on religion or sexuality and is a much-needed new volume for advanced courses on the intersections of these areas of human experience.

Religion and LGBTQ Sexualities - Stephen Hunt 2016-12-05

This compiled and edited collection engages with a theme which is increasingly attracting scholarly attention, namely, religion and LGBTQ sexuality. Each section of the volume provides perspectives to understanding academic discourse and wide-ranging debates around LGBTQ sexualities and religion and spirituality. The collection also draws attention to aspects of religiosity that shape the lived experiences of LGBTQ people and shows how sexual orientation forges dimensions of faith and spirituality. Taken together the essays represent an exploration of contestations around sexual diversity in the major religions; the search of sexual minorities for spiritual 'safe spaces' in both established and new forms of religiosity; and spiritual paths formed in reconciling and expressing faith and sexual orientation. This collection, which features contributions from a number of disciplines including sociology, anthropology, psychology, history, religious studies and theology, provides an indispensable teaching resource for educators and students in an era when LGBTQ topics are increasingly finding their way onto numerous undergraduate, post-graduate and profession orientated programmes.

Religion, Gender and Sexuality in Everyday Life - Peter Nynäs 2016-04-08

Exploring the intersection between religion, gender and sexuality within the context of everyday life, this volume examines contested identities, experiences, bodies and desires on the individual and collective levels. With rich case studies from the UK, USA, Europe, and Asia, *Religion, Gender and Sexuality in Everyday Life* sheds light on the manner in which individuals appropriate, negotiate, transgress, invert and challenge the norms and models of various religions in relation to gender and sexuality, and vice versa. Drawing on fascinating research from around the world, this book charts central features of the complexities involved in everyday life, examining the messiness, limits, transformations and possibilities that occur when subjectivities, religious and cultural traditions, and politics meet within the local as well as transnational contexts. As such, it will be of interest to scholars of sociology, anthropology, geography and cultural studies examining questions of religion and spirituality, gender and sexuality, and individual and collective identities in contemporary society.

Religion & Sexuality - Charles Kevin Robertson 2006

Issues of religion and sexuality elicit passionate debate, as witnessed in the well-researched, provocative essays contained in this volume. Cutting-edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture. Oral sex, polygamy, homosexuality, and clergy celibacy and boundaries are addressed as editor C. K. Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone

wishing to explore what is on- and off-limits in today's increasingly pluralistic, yet strongly spiritual, society.

Passing - Maria C. Sanchez 2001-08

Ten contributions from academics in a variety of disciplines consider the social phenomenon of "passing." The focus is on the construction of identity and its relationship to visibility. Topics include, for example, Jews passing as Christians and the politics of race; "slumming" and class analysis; and 20th century male impersonators and women's suffrage. The volume is not indexed. c. Book News Inc.

The Ashgate Research Companion to Contemporary Religion and Sexuality - Professor Andrew Kam-Tuck Yip 2013-01-28

The Ashgate Research Companion to Contemporary Religion and Sexuality provides academics and students with a comprehensive and authoritative state-of-the-art review of current research in the area of sexuality and religion, broadly defined. This collection of expert essays offers an inter-disciplinary study of the important aspects of sexuality and religion, calling upon sociological, cultural, historical and theological contributions to an under-researched subject. The Companion focuses on the exploration of diverse religious faiths, spiritualities, and sexualities with contributions that embrace many contrasting approaches related to the contemporary context. By adopting a truly inter-disciplinary and multi-dimensional perspective, the Companion embraces the complexities of both sexuality and religion. Aimed primarily at a readership with specialist interest in both, *The Ashgate Research Companion to Contemporary Religion and Sexuality* offers an innovative and refreshing analysis of key theoretical and empirical issues in an increasingly relevant and expanding area of academic interest. The Companion comprises five main thematic sections, each with chapters ranging across a variety of crucial topics traversing various faith traditions. The principal themes are: epistemological and methodological issues; the significance of religious text; institutional religious settings; stability transformation and change; contesting hegemonic structures and discourses. Each section includes four chapters contributed by leading international experts in their respective fields and who are at the cutting-edge of current research. Collectively, they offer an inter-disciplinary and comprehensive survey of sexuality and religion.

Queer Muslims in Europe - Wim Peumans 2017-11-30

Belgium was the second country in the world to introduce same-sex marriage. It has an elaborate legal system for protecting the rights of LGBT individuals in general and LGBT asylum seekers in particular. At the same time, since 2015 the country has become known as the 'jihadi centre of Europe' and criticized for its 'homonationalism' where some queer subjects - such as ethnic, racial and religious minorities, or those with a migrant background - are excluded from the dominant discourse on LGBT rights. Queer Muslims living in the country exist in this complex context and their identities are often disregarded as implausible. This book foregrounds the lived experiences of queer Muslims who migrated to Belgium because of their sexuality and queer Muslims who are the children of economic migrants. Based on extensive fieldwork, Wim Peumans examines how these Muslims negotiate silence and disclosure around their sexuality and understand their religious beliefs. He also explores how the sexual identity of queer Muslims changes within a context of transnational migration. In focusing on people with different migration histories and ethnic backgrounds, this book challenges the heteronormativity of Migration Studies and reveals the interrelated issues involved in migration, sexuality and religion. The research will be valuable for those working on immigration, refugees, LGBT issues, public policy and contemporary Muslim studies.

Sex, Gender and the Sacred - Joanna de Groot 2014-04-03

Sex, Gender and the Sacred presents a multi-faith, multi-disciplinary collection of essays that explore the interlocking narratives of religion and gender encompassing 4,000 years of history. Contains readings relating to sex and religion that encompass 4,000 years of gender history Features new research in religion and gender across diverse cultures, periods, and religious traditions Presents multi-faith and multi-

disciplinary perspectives with significant comparative potential Offers original theories and concepts relating to gender, religion, and sexuality Includes innovative interpretations of the connections between visual, verbal, and material aspects of particular religious traditions

The Puritan Origins of American Sex - Tracy Fessenden 2014-03-05

From witch trials to pickaxe murderers, from brothels to convents, and from slavery to Toni Morrison's Paradise, these essays provide fascinating and provocative insights into our sexual and religious conventions and beliefs.

The Ashgate Research Companion to Contemporary Religion and Sexuality - Andrew K.T. Yip 2016-04-01

The Ashgate Research Companion to Contemporary Religion and Sexuality provides academics and students with a comprehensive and authoritative state-of-the-art review of current research in the area of sexuality and religion, broadly defined. This collection of expert essays offers an inter-disciplinary study of the important aspects of sexuality and religion, calling upon sociological, cultural, historical and theological contributions to an under-researched subject. The Companion focuses on the exploration of diverse religious faiths, spiritualities, and sexualities with contributions that embrace many contrasting approaches related to the contemporary context. By adopting a truly inter-disciplinary and multi-dimensional perspective, the Companion embraces the complexities of both sexuality and religion. Aimed primarily at a readership with specialist interest in both, The Ashgate Research Companion to Contemporary Religion and Sexuality offers an innovative and refreshing analysis of key theoretical and empirical issues in an increasingly relevant and expanding area of academic interest. The Companion comprises five main thematic sections, each with chapters ranging across a variety of crucial topics traversing various faith traditions. The principal themes are: epistemological and methodological issues; the significance of religious text; institutional religious settings; stability transformation and change; contesting hegemonic structures and discourses. Each section includes four chapters contributed by leading international experts in their respective fields and who are at the cutting-edge of current research. Collectively, they offer an inter-disciplinary and comprehensive survey of sexuality and religion.

Religion, the Secular, and the Politics of Sexual Difference - Linell E. Cady 2013-11-05

Global struggles over women's roles, rights, and dress increasingly cast the secular and the religious in tense if not violent opposition. When advocates for equality speak in terms of rights and modern progress, or reactionaries ground their authority in religious and scriptural appeals, both tend to presume women's emancipation is ineluctably tied to secularization. Religion, the Secular, and the Politics of Sexual Difference upsets this certainty by drawing on diverse voices and traditions in studies that historicize, question, and test the implicit links between secularism and expanded freedoms for women. Rather than position secularism as the answer to conflicts over gender and sexuality, this volume shows both religion and the secular collaborate in creating the conditions that generate them.

Sex and the Church in the Long Eighteenth Century - William Gibson 2019-07-25

The Long Eighteenth Century was the Age of Revolutions, including the first sexual revolution. In this era, sexual toleration began and there was a marked increase in the discussion of morality, extra-marital sex, pornography and same-sex relationships in both print and visual culture media. William Gibson and Joanne Begiato here consider the ways in which the Church of England dealt with sex and sexuality in this period. Despite the backdrop of an increasingly secularising society, religion continued to play a key role in politics, family life and wider society and the eighteenth-century Church was still therefore a considerable force, especially in questions of morality. This book integrates themes of gender and sexuality into a broader understanding of the Church of England in the eighteenth century. It shows that, rather than distancing itself from sex through diminishing teaching, regulation and punishment, the Church not only paid attention to it, but its attitudes to sex and sexuality were at the core of society's reactions to the first sexual revolution.

Sexuality and the Sacred - Marvin Mahan Ellison 2010-01-01

"Challenges seminarians, clergy, and other religious leaders with provocative essays by leading theologians. Destined to be core reading at seminaries as we prepare the next generation of sexually healthy and responsible clergy." Rev. Debra W. Haffner, Executive Director of the Religious Institute and

coauthor of Religion and Sexuality 2020: Goals for the Next Decade "Gives much-needed breadth and depth to the discussion of human sexuality and religion." Traci C. West, Professor of Ethics and African American Studies, Drew University, and author of Disruptive Christian Ethics "The topics are timely and important, and the scholarship assembled speaks from and to diverse social locations." Ellen T. Armour, Director of the Carpenter Program in Religion, Gender, and Sexuality Studies, Vanderbilt Divinity School "An important book to know," Emilie Townes, Andrew W. Mellon Professor of African American Religion and Theology, Yale Divinity School This updated and expanded anthology featuring approximately thirty contemporary essays includes a wonderfully diverse group of theologians and ethicists addressing issues such as the intersection of race/racism and sexuality, transgender identity, same-sex marriage, and reproductive health. The result is an authoritative selection of essential readings about sexuality, spirituality, and social justice. Marvin M. Ellison teaches Christian ethics at Bangor Theological Seminary in Maine and is the author of Erotic Justice: A Liberating Ethic of Sexuality and Same-Sex Marriage: A Christian Ethical Analysis. Kelly Brown Douglas is the Elizabeth Conolly Todd Distinguished Professor of Religion at Goucher College, Baltimore, Maryland. She is the author of Sexuality and the Black Church: A Womanist Perspective.

The Bloomsbury Reader in Religion, Sexuality, and Gender - Donald L. Boisvert 2016-11-03

How do religion, gender and sexuality interact? How have they impacted, and continue to impact, human culture? The Bloomsbury Reader in Religion, Sexuality and Gender brings together, for the first time, the key texts in the field. Designed as a textbook for use in a classroom setting, it offers thought-provoking selections of some of the most compelling and timely readings available today. The Reader is divided into three parts (bodies; desires; performances). Each considers, from a thematic perspective, the ways in which people have made sense of their religious and sexual experiences, the ways they imagine and talk about gender, sex and the sacred, and the multiple meanings they ascribe to them. Traditions represented include indigenous spiritualities, Christianity, Judaism, Islam, Asian traditions and new religious movements. Some readings are more theoretical or historical in nature, thereby providing wide-ranging contexts for reflection and discussion. The reader includes extensive introductions to the book as a whole and to each of the three parts, as well as short paragraphs contextualizing each of the readings. Each section includes discussion questions for classroom use; additional readings and resources, as well as a glossary of key terms, are also provided. The Bloomsbury Reader in Religion, Sexuality and Gender is an ideal resource for courses on religion and sexuality, religion and gender, or religion and contemporary culture more generally.

Becoming Queer and Religious in Malaysia and Singapore - Sharon A. Bong 2020-04-02

What does it mean to become religiously queer or queerly religious in one's everyday life? What narratives of becoming 'person' emerge from these lived realities? Sharon A. Bong addresses these questions by exploring the personal journeys of several GLBTIQ (Gay, Lesbian, Bisexual, Transgender, Intersex and Queer) persons negotiating the tensions between living out their sexuality and religiosity in the context of Malaysia and Singapore. By sharing their stories, Bong presents a broad spectrum of queer strategies emerging from participants' narratives of 'becoming', which encompass becoming Asian, becoming postcolonial, becoming sexually religious and religiously sexual, and becoming 'persons'. These strategies are used in the book as counterpoints to nationhood narratives of becoming Asian or postcolonial, which are still mired in religious-sponsored and colonial-inherited sexual regulations. Finally, Bong shows how the insistence of identifying as both queer and religious is critical in challenging the conservative social-political milieu surrounding issues of gender diversity and inclusion within these south-east Asian states.

Religion, Sexuality, and Spirituality - Carole M. Cusack 2016

Religion and Sexuality - Michael A. Hayes 2016-10-06

This volume on a provocative set of topics presents papers from the 1997 conference on Religion and Sexuality at Roehampton Institute London. The papers do not confine themselves to contemporary discussion of the topics concerned, but range widely in their discourse and discuss this relationship in social, theological and political contexts.

Religion and Sexuality - Lawrence Foster 1981

"Most writers have treated these three groups and the social ferment out of which they grew as simply an

American sideshow. . . . In this book, therefore, I have attempted to go beyond the conventional focus on what these groups did; I have also sought to explain why they did what they did and how successful they were in terms of their own objectives. By trying sympathetically to understand these extraordinary experiments in social and religious revitalization, I believe it is possible to come to terms with a broader set of questions that affect all men and women during times of crisis and transition."--From the preface Winner of the Best Book Award, Mormon History Association

Embodying Religion, Gender and Sexuality - Sarah-Jane Page 2020-12-27

Taking the notion of embodiment as a starting point, this volume maps the interconnecting relationships between religion, gender and sexuality. The chapters highlight how the body - its location, the narratives that surround it, its movement and negotiations - is central to understanding these multifaceted relationships. The contributors recognise the ways in which gender and sexuality are crucial to how we embody religion and encourage a more complex and nuanced understanding of embodied religion. The material is organised according to three central themes: (1) the relationship between the religious and the secular; (2) power, regulation and resistance; and (3) the symbolism of gendered bodies. Cutting across a range of disciplinary perspectives, *Embodying Religion, Gender and Sexuality* will be relevant to students of

sociology, anthropology, gender and sexuality studies, theology and religious studies.

Religion, the Body, and Sexuality - Nina Hoel 2020

How does religion relate to bodies and sexualities? Many people would answer, simply, "through repression," but the relationship is much more complicated than that. While many religions draw boundaries between what they consider to be appropriate and inappropriate use of the human body, especially in the realm of sexuality, the same religions often celebrate human sexuality and even expect sexual partners to provide each other with sexual pleasure. Celibacy, too, is more than just repression, and sometimes it is even seen as providing the practitioner with great spiritual power; in other settings, the sex act itself is understood to provide this power. *Religion, the Body, and Sexuality* offers students and general readers a sophisticated and accessible exploration of the connections between religion, sexuality, and the body, through case studies and overviews in the following thematic chapters: Celibacy Regulation Controversy Violence Innovation Instrumentalization Ecstasy Each chapter includes suggestions for further reading, questions for further thought, and a list of relevant media resources. This engaging book is an excellent addition to introductory courses on religion or sexuality and is a much-needed new volume for advanced courses on the intersections of these areas of human experience.
