Love Each Other Every Day: 365 Daily Love Quotes and Affirmations to Manifest Meaningful, Lasting Relationships, Build Intimacy, and Rekindle Passion - Jordan Alexander 2021-03-02

Is your marriage or relationship not what it used to be? Struggle to rekindle waning passion? Can't get them to open up? Afraid that you and your spouse are growing apart? When you are in the honeymoon phase, you are on your best behavior. You freely give the best you have to offer, overlook the blunders and defects of your lover, and put in every effort to capture their heart. Then, as the months and years go by, the novelty wears off, you get comfortable, and you become quicker to complain. You make your frustrations with your lover's bad habits and flaws painfully obvious to them, and you forget to praise the good parts about them. Of course, this goes both ways. Your significant other isn't completely innocent, either. But it doesn't matter who started it. With both partners lashing out at each other, resentment builds between them, and the magic starts to fade away. Luckily, it is not too late to forgive and rebuild. To reclaim that flame and reestablish communication, you must strive to become once again the wonderful person your partner fell in love with and inspire them to be as amazing as you remember they were in the beginning. When you read *Love Each Other Every Day*, you will discover: The age-old secret to a long and happy marriage that not even your grandmother might know How to fall in love and learn to trust again even though you have been deeply hurt in the past The simple solution to finding your soulmate in this lifetime How to know if your relationship is worth fighting for The number one mistake that has led to the ruin of millions of marriages worldwide, and how you can avoid it How you might be driving a wedge between yourself and your partner without knowing it Why loving yourself more will make your partner's love for you stronger than ever Why being your weird and silly self is better than trying to be sexy The primal difference that prevents men and women from understanding each other's needs in a relationship and how to work through it The effortless way to bring out the best in your partner without uttering a single command or criticism And so much more... With this heartfelt collection of love and relationship quotes, you will gain the wisdom of hundreds of lovers through centuries of love. They will inspire you to reflect on your past relationships, and the past of your current relationship, and see what you could do more or less of. Love Sense - Dr. Sue Johnson 2013-12-31

The bestselling author of *Hold Me Tight* presents a revolutionary new understanding of why and how we love, based on cutting-edge research. Every day, we hear of relationships failing and questions of whether humans are meant to be monogamous. *LOVE SENSE* presents new scientific evidence that tells us that humans are meant to mate for life. Dr. Johnson explains that romantic love is an attachment bond, just like that between mother and child, and shows us how to develop our "love sense"--our ability to develop long-lasting relationships. Love is not the least bit illogical or random, but actually an ordered and wise recipe for survival. *LOVE SENSE* covers the three stages of a relationship and how to best weather them; the intelligence of emotions and the logic of love; the physical and psychological benefits of secure love; and much more. Based on groundbreaking research, *LOVE SENSE* will change the way we think about love.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Conversations on Love - Natasha Lunn 2022-04-19

An investigation of love in all its forms, featuring conversations with Lisa Taddeo, Esther Perel, Emily Nagoski, Kate Bowler, Alain de Botton, Stephen Grosz, Roxane Gay and others Journalist Natasha Lunn was almost 30 when she realized that there was no map for understanding love. While she was used to watching friends fall in and out of love, the older she got the more she had to acknowledge: her friends' relationship struggles could no longer be chalked up to youth, and the more she learned about her parents, grandparents, work colleagues, and mentors the clearer it became that age had not brought any of them

any closer to understanding this elusive, transformative, consuming emotion. One night during the months she found this realization settling over her, she sat up in bed and jotted three words in a notebook: conversations on love. In that moment, Lunn understood that she didn't want advice about love, she wasn't looking for the answers, or evergreen wisdom but she craved candid, wide-ranging, sometimes uncomfortable conversations about the parts of love that often don't make it into our everyday discussions of marriage, sibling relationships, friendships, or mother/daughter bonds. Conversations on Love started as an experiment aimed at interviewing experts about what love meant to them, in all of it's messiness, and quickly blossomed into a newsletter that attracted thousands of subscribers and a prestigious range of interviewees. It turns out that Lunn wasn't the only person ready to talk more openly and expansively about love. Interweaving personal essays and revealing interviews with some of the most sought-after experts on love, journalist Natasha Lunn guides us through the paradoxical heart of three key questions about love-- How do we find love? How do we sustain it? And how do we survive when we lose it?--to deliver a book that is a solace, a beacon, a call to arms, a tool-kit. The real-life love stories in these pages will leave you hopeful and validated, while the insights from experts will transform the way you think about your relationships. Above all, Conversations on Love will remind you what love is: fragile, sturdy, mundane, beautiful, always worth fighting for.
