for women - Why a woman's "boyfriend material" acts so "creepy". "...men have always loved to hunt. 100 years ago they hunted tigers. Men who hunted years displayed the skin of the dead tiger with especial pride. A tiger hunter was greatly respected by his fellow man and held in awe by women. This was because tiger hunting was damm dangerous. Ok the man had a heavy calibre rifle capable of packing a tiger stopping bullet of over 4,000 joules (if you don't know guns - that's a friggin' big bullet). But to hit the tiger with that "friggin' big bullet", he had to... - Recognize the threat, - Find out where the threat is coming from. - Release the safety catch. - Move their body and point the gun at the threat. - Take aim (at a fast moving target). - Fire and hit the tiger in a part of the body that would kill it instantly. While this was happening the tiger has the advantage of... - Natural camouflage - Being an excellent natural hunter and stalker - Able to move over short distances very very fast. - Kill instantly, violently and quickly. No wonder tiger hunters were so respected. To kill a tiger you had to have big, big balls. This was not just "fun" it carried a very real possibility of a swift and very gory death. To hunt tigers the man had to have more than just a good gun. They had to have knowledge. They had to "Know the Beast". Know its nature, its habits and its powers. The gun was not enough. The same is your fear of rejection by a woman. That is your "beast". To cope with rejection you must "know the Beast". You must recognize its power. Forget what you have been told about how you should feel if a woman rejects you. She is rejecting you for sex. Sex is your most important mission, more important than defending yourself and your friends, more important than being a provider. The pain is real, the pain is powerful, it is strong. Rejection is more damaging to your self-esteem than being called a coward, more hurtful than being fired by your boss for incompetence. Stop telling yourself that it's not personal, that she is not in the mood, that she is weird / frigid etc. It's you; yes you absolutely and personally. Your manliness has been measured,

judged evaluated and come up wanting. End of story! Your coping strategy is to "know the beast" and your sense of duty and mission. The tiger hunter who hunted with a rifle for sport was considered to have big balls. Brave hunters, the most respected defended their loved ones in the tribe with no more than a spear - they were adored by their peers and idolized by the women - they had to have wheelbarrows to carry their balls. But those with the greatest balls, those whose feats were told through generations who were held up to be great hunters/ warriors. Those whose names are mentioned in hushed tones by their grandchildren and great grandchildren? They are the warriors that past their prime, with weakened arms and trembling knees, with their eyesight cloudy and their strength faded still walked out of the village to confront the Beast and in doing so to fulfil their destiny and their duty. There is no wheelbarrow built big enough to carry their balls! ..."

How to Seduce the Hottest Women in the World Kent Lamarc 2016-11-04 It's interesting that we tend to seek for answers with the same brain that has produced the questions and then wonder why we keep the questions but not have the answers or why the answers never seem to match our initial perceptions or expectations when making the questions? And yet, for some reason, we persist for months, and even years of our life, with the same questions. Very often, we give up on finding the answers, but the questions remain, buried in our subconscious mind. And so, and ironically, I find

myself realizing that the best answers can only be seen and not searched. Truly, you can only look at what lays in front of you, because life is perfect already, and anything that can be found beyond our preconceived ideas about life is really beyond our preconceptions, thoughts or expectations, which means one cannot be without not being. In this book, I will show you what I've found when forgetting myself, when allowing myself to feel stupid and realizing that I know very little about life, and in specific, women, which is something I had to do if I wanted to truly know how to conquer a ten instead of settling for less. I actually thought I had conquered many tens before in my life, you know, those women every man wants, that they try to anxiously seduce even as she is right next to me, or that they want to learn how to seduce by becoming my friends first and copying what I do next. But recent experiences shown me that the level can always be upgraded. Those tens are now ones when compared to the astonishing goddesses I met in the baltic countries. In my previous books I did mention women that are socially perceived as a ten. But what if you met the hottest girls in the world? What kind of ten is that previous girl you met? Relearning about how to answer such questions is what I did to write this book. After ending a five years relationship with a woman that was a ten from the social perception of any country we visited together, in a nearly total of thirty countries, often making men wondering what a guy like me had that they didn't, and assuming it's just the size of my cock, was what I did to upgrade my game and take it to a completely new level, far beyond my personal expectations. I decided to travel for 4 months in 7 of the countries with the most beautiful women in the world: Finland, Estonia, Latvia, Lithuania, Denmark, Belgium and Spain. This book resumes conclusions that I'm not necessarily proud or happy about, but that, as a social, psychological, but also psychopathic, and foremost, mindfucking scientist, as well as researcher, do present very accurate insights into the female mind, at least the one that is at the top

as the most appreciated, the tall, blond and blue or green eyes blond with long hair and beautiful facial features. You know, that goddess that you thought only existed either in the Lord of the Rings or very high quality porn movies. Yep, I'm going to teach you here how to blow yourself away with amazing success in picking up and dating the hottest women in the world. And if you can't, well, fuck it and fuck you, because I'm not your father and this isn't LSD and won't make miracles for you just because you read it. This is just a book. You're responsible for what you do, say and also for who you are. So, don't blame me or anyone else for being yourself and existing in the way you do. If you want these tips to work, you must use them over and over again, because they're so good that they even work on men. That's right, I made as many male friends as I made female friends by behaving and talking like what I will show you here. And I also did have amazing conversations with some guys while seducing their girlfriend in front of them. The emails that these girls kept sending me still surprise me to this day. This book is the result on an extensive research into the female mind. Use it wisely!

Irreversible Damage Abigail Shrier 2020-06-30 NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES "Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, The Times of London Until just a few years ago, gender dysphoria—severe discomfort in one’s biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as “transgender.”

These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans “influencers.” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls’ social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier’s essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

Lusting for Nymphets Garth Munding-Klow 2010-07 TABOO TOO TRUE! It's one of society's most taboo subjects, along with incest: when adult men lust for, and seduce, young girls who are not of legal age. But it happens, and it happens a lot, as the following case histories attest. Some call these young girls "jailbait." Another term is "nymphet." In Dr. Garth Munding-Klow's most controversial socio-sexual study to date, seven men confess to their experiences with nymphets, lusting for and seducing girls from the ages of 10-17. These men introduce and instruct, and sometimes learn a new thing or two from their tender young lovers. Needless to say, no kink is left unexplored! These case studies are not for the politically correct, and expose man's DARKEST DESIRES!

Get Laid in Craigslist Land Rav Shagal 2018-07-08 NOTE: THIS IS RELEVANT NOW THAT THERE'S NO PERSONAL SECTION IN CRAIGSLIST. Let's be honest about one of the main things that most guys want. At the age of Facebook, Twitter, SMS and other online applications, some guys are more shy than ever when it comes to socializing and making romantic connections with girls in the real world. For them, hitting on a girl in a bar is almost science fiction. They are most comfortable behind their keyboard. So how do they meet girls for just fun? Many go to the Personals section on Craigslist and just hope for the best. This book will show you some other alternatives. In this book the author will share with you his experience, thoughts and tips on how he met and got laid by many girls on Craigslist. Not some general and vague advice, but rather real case studies. All of those case studies here are real and happened as described. The book brings the exact language of the posting that was used as well as the email correspondence between the author and the various girls. Through these email exchanges you will see the terminology and methods used as well as various considerations that were taken into account. Hope you learn and have fun on Craigslist-land!

If one person is interested but the other one is not, nobody is hurt because there never was a real proposition; it was all just a game. Flirting is a playground where a man and a woman can express their desire to pursue the acquaintance in hopes that it develops into a relationship or back down and leave things as they are. Flirting is a ritual based on communication, above all. But communication can take many forms, and flirting is, believe it or not, mostly a non-verbal form of communication. Most men get nervous when it comes to talking to a woman they have just met, they don't know what to say to her. But the funny thing is, you could spend a whole night flirting with a woman without ever having to say a word to her. Ninety percent of human communication is body language and the same applies for flirting. The most vital means with which to flirt are your eyes, and they are the ones that will always tell you whether a flirt is serious or just a game.
