Navigating Intimacy - Self Help Guru 2023-03-09

Navigating Intimacy: Rebuilding Relationships after Sex Addiction is a comprehensive guide that offers practical and effective strategies for individuals struggling with sex addiction. Written by experts in the field of sex addiction and recovery, this book provides a roadmap for navigating the complex challenges of rebuilding intimacy and trust in relationships after sex addiction. The book covers a range of topics, including understanding the nature of sex addiction, rebuilding trust in relationships, developing healthy boundaries, reconnecting with intimacy, managing relapse and maintaining recovery, and navigating external factors. Each chapter offers practical tips, strategies, and exercises that individuals can use to help promote healing and rebuild relationships. This book is an essential resource for anyone struggling with sex addiction and seeking guidance and support for rebuilding intimacy and trust in relationships. It offers a compassionate and non-judgmental approach to healing and recovery, emphasizing the importance of self-care, communication, and a commitment to growth and transformation. With the help of this book, individuals can work towards building a strong, healthy, and fulfilling future free from the grip of sex addiction.

Understanding and Treating Sex Addiction - Paula Hall 2012

Sex addiction is on the increase - in the media as well as in the therapy room. But while more and more people seek help for their compulsive sexual behaviours, there is still confusion and debate about whether the condition even exists. Understanding and Treating Sex Addiction explains why an increasing number of people are inadvertently finding their lives devastated by their sexual behaviours. It explores the latest scientific understandings and research into why pornography, cyber sex, visiting sex workers, fetishes and multiple affairs can come to control some people's lives to the point that they can't stop. It explains how sex addiction is not a moral issue, as some assume, but a health issue that we as a society need to start taking seriously. Throughout the book are the revealing statistics from the UK's latest survey on sex addiction. Three hundred and fifty people who struggle with this condition have

bravely and candidly shared their experience for the benefit of their fellow sufferers and those who choose to help them. This book contains support and advice for both the clinician and for those who suffer from sex addiction. As well as practical guidance and techniques for stopping compulsive behaviours and preventing relapse, there is also a thorough exploration of the deeper underlying causes and how these must be addressed.

Stop Sex Addiction - Milton S. Magness 2013-04-02

Sex addiction is a growing menace that threatens all strata of our society, destroying millions of marriages, damaging reputations, contributing to suicides and in some cases prison sentences, and wasting mind-boggling amounts of money. But there is hope. Sex addiction is treatable. Through a rigorous recovery program detailed in these pages, it is possible for sex addicts to stop all of their destructive behaviors--forever. The recovery road is long and difficult, but also very rewarding. Marriages have not only been restored, but enriched. by following the Steps described in Stop Sex Addiction, addicts and their partners have found the path to freedom from sex addiction. You have taken the first step by reading this summary. The wisdom in this book will lead to real hope and true freedom.

People Who Are Addicted To Sex - Joanne Brodie 2014-06-02

Excessive engagement in prostitution, pornography, phone and chat room sex, exhibitionism, voyeurism and compulsive masturbation - such behaviours may point to sexual addiction. In this book, Joanne Brodie pulls away the blankets to uncover the hidden reality of a condition that has become prevalent in our increasingly sexualised society. The author's frank observations and shrewd insights are based on compelling case studies and years of experience as a counsellor for the afflicted, as well as her own struggle with sex addiction. In her wry tone, and with quirky humour, she deflates several myths surrounding sexual addiction, identifies behavioural patterns associated with it and, ultimately, advises on the steps to healing.

Moving Beyond Betrayal - Vicki Tidwell Palmer 2016-05-16

Partners experience dire consequences as a result of being in a

relationship with someone suffering from compulsive sexual behavior. Their emotional well-being requires developing new skill sets for self-care and self-protection as they confront the difficult and painful process of discovery, disclosure, and beyond. In other words—they need boundaries. This is the first book specifically for partners affected by addictive behavior that addresses, in detail, how to identify, create, and maintain boundaries as a vital component of self-care and an indispensable tool for healing and growth. *Moving Beyond Betrayal* guides partners to define the current problem(s); identify needs that aren't being met; find where they have the power to effect change; take action; and evaluate the results to determine if their goal has been accomplished. The author examines all aspects of effective boundary work, including what to do when boundaries are violated. Through working the 5-Step Boundary Solution partners will: Gain clarity Reduce the chaos inherent in relationships impacted by sex addiction Feel more empowered and in control of their lives Discover whether or not their relationship with the addict is salvageable Vicki Tidwell Palmer is a Licensed Clinical Social Worker (LCSW), Certified Sex Addiction Therapist (CSAT), and Somatic Experiencing Practitioner (SEP) in private practice in Houston, Texas. She is the author of the blog for partners *Survival Strategies for Partners of Sex Addicts*.

Silently Seduced - Kenneth M. Adams 2011-09-01

When a parent singles out a child for special privileges and attention, that child is often unaware that the relationship is unhealthy—even incestuous. As adults, these children struggle to feel validated, because while they have not been directly abused, they feel a sense of violation and crossed boundaries—usually done in the name of 'love' and 'caring.' The parent's love feels more confining than freeing, more demanding than giving, more intrusive than nurturing. Yet these children suffer from what psychologist Kenneth Adams calls *The Silent Seduction*—because there is nothing loving or caring about a close parent-child relationship that services the needs of the parent rather than the child. In this revised and updated 20th anniversary edition of his groundbreaking book *Silently Seduced*, Dr. Adams explains how 'feeling close,' especially with

the opposite-sex parent, is not the source of comfort the image suggests, especially when that child is cheated out of a childhood by being a parent's surrogate partner. He offers a framework to understand this covert incest and its effect on sexuality, intimacy, and relationships, and how victims can begin the process of recovery.

Sweeping The Porch - Cat Clark 2022-04-19

Sweeping the Porch is book 3 of the Porch Series. It contains powerful information about learning how to set boundaries on people who have a negative effect in our life. It is extremely important to establish boundaries around addicts because they can be very difficult to deal with. In order to hide and deny their addiction, they become habitual liars, manipulators, and controllers. This book also contains vital information about setting boundaries on toxic family members, in-laws, stepchildren, and friends. My research on boundaries has been a Godsend for me because I learned how to stand up for myself and stop being a victim.

Sex Addiction - Paula Hall 2019-02-04

Sex Addiction: A Guide for Couples and Those Who Help Them is a practical book that provides empathic support, guidance, information and pragmatic strategies for couples who want to survive sex and porn addiction - whether that's together, or apart. Sex and porn addiction devastates couple relationships, and unlike the impact of infidelity, there is no 'before' to get back to and no 'after'. This book adopts the metaphor of a boat, presenting addiction as the tidal wave that devastates the relationship, leaving both crew members fighting for survival. There's guidance to ensure each partner makes it safely back to shore and advice on surveying the damage to your relationship and deciding if you want to save it and set sail again. You'll find practical advice for both the partner and the addicted partner, including first-hand accounts of couples that have already undertaken the journey. There are exercises to do alone, and many to share together, to help you understand what's happened, consider your future, and if you choose to stay together, begin the task of rebuilding trust and intimacy. *Sex Addiction* is not only a practical guide for couples, but also for the

therapists who support them. This book will be a companion to Paula Hall's previous books on sex addiction and builds on the already known frameworks and models used, but it is also written to stand alone.

Understanding and Loving a Person with Sexual Addiction -

Stephen Arterburn 2018-04-01

This practical guide helps spouses to understand what drives sexual addiction and how to find healing after betrayal. When Jason Martinkus confessed his infidelity to his wife, Shelley, she wasn't sure she could ever trust him again. Together they began a difficult but redemptive journey of understanding sexual addiction. In this book, Jason and Shelley join Stephen Arterburn to address the following: What sexual addiction is and how to know if someone is addicted How to understand the roller coaster of post betrayal emotions Guidance in developing boundaries What to do if a spouse doesn't want to recover This is a valuable resource for anyone who loves someone addicted to sex or pornography.

Sexual Addiction: Wisdom from The Masters - Carol Juergensen
2016-07-13

This ebook shares the wisdom from the most prolific sexual addiction experts in the world talking about sexual addiction, shame, trauma, trauma reenactment, partner betrayal, partner pain, love addiction, and other issues that contribute to compulsive sexual acting out. Two of the chapters include Patrick Carnes who founded the Sexual Addiction Recovery Movement and Claudia Black who helps Partners of Sex Addicts regain their equilibrium from this traumatic disorder. This book simplifies the principles that make recovery possible for anyone who has been affected by sexual addiction. If you believe that you have a sexual addiction or you love someone who suffers from this addiction, you will benefit from reading the recovery tasks that will take your life to the next level!

Healing Betrayal: First Steps for Partners and Spouses of Sex and Pornography Addicts - Mari A. Lee, LMFT, CSAT-S 2018-05-17

"Healing Betrayal: First Steps for Partners and Spouses of Sex and Pornography Addicts" is written by Psychotherapist, author, and speaker

Mari A. Lee, LMFT, CSAT-S. Mari is the founder of Growth Counseling Services, a counseling and recovery center in Southern California specializing in working with sex and porn addicts, and partner and spouse betrayal trauma. With over 10 years of clinical experience, Mari has written "Healing Betrayal" for the partner or spouse who has just learned that their significant other may be dealing with sex and/or porn addiction. Having had her own personal journey as a former partner, Mari knows first hand how heartbreaking and emotionally draining it is to be in relationship with a person who is sexually deceptive. Healing Betrayal will support the partner and spouse as a first steps guide and road map to help them navigate the difficult journey of despair that so many betrayed and hurting spouses face.

Sex, Lies, and Forgiveness - Jennifer P. Schneider 1991

Spouses of Sex Addicts -

Prodependence - Robert Weiss 2022-08-30

Prodependence revolutionized addiction healthcare by improving the ways we treat loved ones of addicts and other troubled people by offering them more dignity for their suffering rather than blame for the problem. This revised edition builds on the model, revealing many more ways to put the method into practice and strategies for setting healthy boundaries. Do you love an addict? Do you sometimes feel like their addiction is your fault? Are people calling you codependent? If our treatment toward loved ones of addicts alienates them, it's time we change our approach. With Prodependence, Dr. Robert Weiss offers us the first fully new paradigm in nearly 40 years for helping those who love and care for addicts. An attachment-focused model, prodependence recognizes that no one can ever love too much, nor should anyone be pathologized for whomever they choose to love as is often the case. Prodependence informs caregivers how to love more effectively, but without having to bear a negative label for the valuable support they give. When treating loved ones of addicts and other troubled people using prodependence, we need not find something "wrong" with them.

Instead, we acknowledge the trauma and inherent dysfunction that occurs when living in relationship with someone whose life is failing and keep moving forward. Validating a caregiver's painful journey for what it is opens the door to support them in useful, non-shaming ways. Helping people take incremental, positive steps toward intimate healing is what Prodependence is all about!

Mending a Shattered Heart - Stefanie Carnes 2012-07-10

When your partner betrays, what are the first steps to picking up the pieces of your shattered heart? Many unsuspecting people wake up every day to discover their loved one, the one person whom they are supposed to trust completely, has been living a life of lies and deceit because they suffer from a disease-sex addiction. This is a disease shrouded in secrecy and shame. This is your go-to-guide for what to do when you discover your partner is a sex addict. Each chapter is based on frequently asked questions by partners such as: Should I Stay or Should I Go? Is This Going to Get Better? How Do I Set Boundaries and Keep Myself Safe? and What Should I Tell the Kids?

Intimate Treason - Claudia Black 2012-09-18

Partners affected by sex addiction learn to develop healthy boundaries and make positive changes for themselves and their partners.

PSYCHOLOGY/POP PSYCHOLOGY

Sex Addiction 101 - Robert Weiss 2015-10-27

As technology and the internet have become more accessible, the number of affordable, easy links to pleasurable sexual content and activity has increased with it, and so too has the number of people struggling with sex, porn, and love addiction. Unfortunately, very few people possess a comprehensive understanding of this incredibly complicated disease. *Sex Addiction 101* covers everything from what sexual addiction is and how it can best be treated, to how it affects various subgroups of the population, such as women, gays, and teenagers, to how sex addicts can protect themselves from the online sexual onslaught. *Sex Addiction 101* is intended to enlighten the clinical population as well as actual sex addicts and their loved ones. Along with

his mentor Patrick Carnes, Weiss has become the face of and driving force behind understanding and treating sexual addiction; this book should be a core title in every addiction collection.

Clinical Management of Sex Addiction - Patrick Carnes 2013-06-17

This is the first comprehensive volume of the clinical management of sex addiction. Collecting the work of 28 leaders in this emerging field, the editors provide a long-needed primary text about how to approach treatment with these challenging patients. The book serves as an excellent introduction for professionals new to the field as well as serving as a useful reference tool. The contributors are literally the pioneers of one of the last frontiers of addiction medicine and sex therapy. With a growing awareness of sex addiction as a problem, plus the advent of cybersex compulsion, professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation. This is the first book distilling the experience of the leaders in this emerging field. With a focus on special populations, it also becomes a handy problem-solving tool. Readable, concise, and filled with useful interventions, it is a key text for a problem clinicians must be able to identify. It is destined to be a classic reference.

Sex Addiction: The Partner's Perspective - Paula Hall 2015-08-20

Sex and pornography addiction are growing problems that devastate the lives of partners as well as sufferers. *Sex Addiction: The Partner's Perspective* has been written to help partners and those who care about them to survive the shock of discovering their partner is a sex addict and to help them make decisions about the future of their relationships and their lives. First and foremost, it is a practical book, full of facts, and self help exercises to give partners a much needed sense of stability and control. Like its sister book, *Understanding and Treating Sex Addiction*, it includes case examples and survey results revealing the reality of life for partners of sex addicts. *Sex Addiction: The Partner's Perspective* is divided into three parts. Part I explores the myths surrounding sex addiction and provides up to date information about what sex addiction is and what causes it before moving on to explain why the discovery hurts partners so much. Part II is about partners' needs and includes self-help

exercises and strategies to help partners regain stability, rebuild self-esteem and consider their future. The controversial topic of co-dependency is also explored with guidance on how to identify it, avoid it and overcome it. Part III focuses on the couple relationship starting with the difficult decision of whether to stay or leave. Whatever the decision, partners will then find help and support for rebuilding trust and reclaiming their sexuality. This book has been written to help partners

not only survive, but to grow stronger and move on with their lives - whether alone, or in their relationship. Readers will find revealing statistics and real life stories shared by partners who kindly took part in the first UK survey of sex addiction partners. This book will be a valuable guide for partners, but also for the therapists who seek to support them on their journey of recovery.
