Making Sense of Sex - Adrian Thatcher 2012-06-21

All living creatures are sexed. Human beings belong to societies where traditions about who can have sex with whom, and how, and when, are centuries old. Making sense of sex assumes that there is a rational way of understanding our basic drives. But our inevitable failure to get sex right is the beginning of a proper and theological understanding of sex. The Christian tradition, especially in its conservative forms, is often thought to be unhelpful in making sense of sex. Christian sexual ethics may seem overly demanding: holistic in theory, yet sexist and pessimistic in practice. Adrian Thatcher argues, however, that instead of being pessimistic about sex, Christians can be grateful realists instead. Making Sense of Sex draws on the resources of Liberal Theology to promote a mature union of spirituality and sexuality. Exploring topics such as desire, bodies and the Body of Christ, sexual difference, homosexuality, marriage, and Paul's reflection on 'flesh' and 'spirit', it will help to guide readers towards a spiritual understanding of shared sexual love.

Sex and Spirit - Clifford Bishop 1997

Sex, Love, and Dharma - Simon Chokoisky 2015-09-17

Discover your dharma type and prepare your body, mind, and spirit to attract and build a lifelong union with your soul mate • Explores how the dharma types align in relationships, giving quick and simple insights into which dharma pairings work and which ones need work • Details methods for attracting a mate as well as practical techniques for improving your sex life, including the best time to have sex during the day • Provides self-tests to determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for better health and sex appeal The people of ancient India understood that most humans are incomplete without an intimate partner, a soul mate to share life's

journey. Drawing upon astrology, Ayurveda, and dharma type--your personality and spiritual purpose archetype--they developed detailed systems to analyze physical, emotional, and spiritual compatibility between people. This analysis encouraged joyous relationships by revealing the sexual compatibility of a couple, the innate relationship conflicts they face, and their potential for financial success together. In this way, couples were able to distinguish biological attraction from long-term compatibility, lust from love, and soul mates from playmates. Sharing ancient Vedic secrets of sex, love, health, and dharma, Simon Chokoisky explains how to prepare your mind, body, and spirit for the right partner and how to determine if a potential mate is a good match for your unique chemistry. He provides self-tests to determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for each type to reclaim your health and vitality and, by doing so, your sexiness. He explores how the dharma types align in relationships to create harmony or disharmony, giving quick and simple insights about which dharma pairings work and which ones need work. Highlighting the skills inherent to each dharma type, he makes suggestions on how to improve day-to-day relationships for personal and financial benefit and to build lifelong romance that grows into a spiritual union. Moving to the bedroom, the author details methods for attracting a mate as well as practical techniques for improving your sex life, including the best time to have sex during the day and month. Showing how knowing who you are will help you find your right mate, and keep away those unsuitable for you, Chokoisky explains how living your dharma helps you flow with nature in a way that makes life and your relationships more fulfilling.

Sacred Sexual Union - Anaiya Sophia 2013-05-05

Experience the orgasmic rapture of Sacred Union with your Twin Soul and the Divine • Includes practices in sacred sexuality, emotional intimacy, and soul awareness to awaken the Love, Power, and Wisdom of your soul, attract your Twin Soul, and satisfy your soul's longing to reunite with God • Draws on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery schools, and Christ Consciousness • Offers examples of Sacred Union, including Jesus and Mary Magdalene and Rumi and Shams as well as experiences of modern couples Jesus and Mary Magdalene, Rumi and Shams, King Solomon and the Queen of Sheba, Isis and Osiris--in these sacred unions we recognize the merging not only of Twin Souls but also of these lovers with the Divine. In Sacred Sexual Union, Anaiya Sophia shows this Holy Marriage, complete reunification with your Twin Soul and God, is not a secret reserved for the initiated or a tradition lost to the ages. It is a potent, living spiritual path enabling two beloveds to experience the primordial state of creation as one soul blessed by the Divine Light and Love of their Creator. Drawing on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery Schools, and Christ Consciousness, the author reveals the complete alchemical process of Sacred Union. She provides physical, meditative, and psychological practices that combine sacred sexuality, emotional intimacy, and transparent soul awareness to

awaken the magnetic energies of your soul, draw your Twin Soul to you, and, with Twin Souls reunited, experience the passionate rapturous remembrance of becoming one with God. She explores ancient writings and rituals of Sacred Union--known as Hieros Gamos in ancient Sumeria, Sacred Marriage in the Kabbalah, Yab Yum in Tibetan Buddhism, and the Bridal Chamber in Gnostic Christianity--and offers examples of Sacred Union throughout the ages, including experiences from her own spiritual journey. More than a meditative or yogic practice, Sacred Sexual Union offers a transformative spiritual path to embrace the threefold flame of Power, Love, and Wisdom and satisfy your soul's longing for wholeness and reunion with the Divine.

Leading a Church in a Time of Sexual Questioning - Bruce B. Miller 2019-04-09

Biblical Guidance for Ministering God's Love in a Sexually Diverse Culture In a time when sexual norms are changing rapidly, how can a local church be a place of grace—a loving community for all kinds of people—where everyone can flourish and disagreements are overcome in a Christlike spirit while at the same time stay true to biblical standards? In a way that appeals to pastors and lay leaders alike, Bruce offers a biblical theology of sexuality and provides practical wisdom for how a church can approach ministering to, and alongside, people who identify their sexuality in diverse ways: LGBTQ+. Here is a church-tested program full of wise pastoral insights to help church leaders think through day-to-day decisions, such as how to handle baby dedications, small groups, who can serve, membership, baptism, retreats, the Lord's Supper, weddings, funerals, teaching, hiring, and caring for those caught in sin. If you are a leader who is facing any of these challenging issues and decisions, then this practical, grace-filled book is for you.

Proverbs - Ray Ortlund 2012-03-31

How exactly does one become wise? Pastor and teacher Ray Ortlund points out that the wisdom of God does not stand aloof, as if it were unattainable. Instead, he shows that wisdom graciously moves toward us, into our real world where we live and struggle day by day. Wisdom offers us her very best, if only we will listen. After all, "Wisdom cries aloud in the street, in the markets she raises her voice," and, if wisdom troubles herself to yell, there must be a reason to listen and a means to hear. Ortlund unpacks the book of Proverbs in twenty-one straightforward

sermons, providing a biblical worldview that opens up the higher meaning of money, sex, and power, as well as that of the daily routines of an average life. Drawing relevant parallels from ancient culture to present day, he helps the reader understand how the book of Proverbs is practical help for normal people going through everyday life. Most importantly, Ortlund shows how the Proverbs point to Jesus and his counsel for the perplexed, his strength for the defeated, his warning to the proud, his mercy for the broken. With careful treatment of the Scriptures and uncomplicated language, *Proverbs: Wisdom that Works* fills the vacuum between the layman's experience and the exegetical depth of many commentaries. Part of the *Preaching the Word* series.

Spirit of the Shuar - John Perkins 2001-07-01

- Discover the thoughts, history, and customs of the Shuar of the Amazon, as told in their own words.
- Tribe members explain their practices of shapeshifting and headhunting; the interdependence of humans and the environment; the role of ecstatic sex; their belief in war as a path to peace; and their faith in arutam, the life spirit. The indomitable Shuar of the Amazon--reputed to be the only tribe in the Americas that has never been conquered--have lived as warriors, hunters, cultivators, and healers for generations. Even in today's acquisitive, often wasteful world they defend their rainforests and sustainable ways of life and offer their philosophy of love, joy, and hope. More than three decades after first befriending members of the Shuar, author and environmentalist John Perkins and his publisher, Ehud Sperling, inspired Shakaim Mariano Chumpi—a young Shuar warrior who has fought in the jungle war between his native Ecuador and Peru—to travel among his people and record their thoughts, history, and customs. The result is *Spirit of the Shuar*. Here, in their own words, the Shuar share their practices of shapeshifting, "dreaming the world," and ecstatic sex, including the role older women play in teaching uninitiated men how to please. They explain the interdependence of humans and the environment, their formula for peace and balance, and their faith in arutam, the life-giving spirit of nature that allows each of us to transform ourselves. And they describe how their ancient-and current-practice of shrinking heads fits into their cultural philosophy. Whether exploring the mystery of shamanic shapeshifting, delving deeper into the powers of healing herbs and psychotropic plants, or finding new ways to live sustainably and sensitively in the face of encroaching development and environmental destruction, the Shuar have emerged as a strong people determined to preserve their identity and beliefs and share their teachings with a world in dire need of their wisdom. A portion of the proceeds from the sale of this book will be donated to the Ayumpum Foundation to help the Shuar conserve their forests and spread their message.

Call It Wonder - Kate Evans 2015-05-15

Who hasn't dreamed of chucking it all to live a traveling life? Yet two months after Kate and her husband Dave leave home to live on the road, she awakes in the grips of a seizure. The diagnosis of a brain tumor comes at a terrible time: It is their first-year wedding anniversary, and they have no home. Soon, though, this medical adventure becomes integral to their journey. Paralleling this story are Kate's painful and often humorous exploits of body, mind, and spirit—including frank explorations of her life as a sexual iconoclast, caregiver to dying parents, and inspired but overwhelmed teacher who longs to write. Kate Evans' brave and honest memoir explores how transformation is our nature. *Call It Wonder* reveals how the mind is an alchemist. Through our thoughts, we can transform insecurity to freedom, uncertainty to wonder. "Kate Evans writes with honesty, intelligence, and an open heart about what it means to surrender to life. Her story is as engaging as it is inspiring, and it takes the reader on a winding journey into the soul." -- Bill Kenower, author of *Write Within Yourself: An Author's Companion* "Pay attention! Listen carefully to the messages coming your way--be they internal or external, physical or metaphysical. That is the heartfelt directive of Kate Evans' memoir. With satisfying candor and alluring fluency, Evans examines her life, revealing that wisdom can be found everywhere: on a run, inebriated or infatuated; in an airplane, classroom or seizure; from a jockey, dying parent, or friends who turn up all over." --Patricia Harrelson, author of *Between Two Women: Conversations About Love & Relationship*
