Customary International Humanitarian Law - Jean-Marie Henckaerts 2005-03-03
Customary International Humanitarian Law, Volume I: Rules is a comprehensive analysis of the customary rules of international humanitarian law applicable in international and non-international armed conflicts. In the absence of ratifications of important

treaties in this area, this is clearly a publication of major importance, carried out at the express request of the international community. In so doing, this study identifies the common core of international humanitarian law binding on all parties to all armed conflicts. Comment Don:RWI.
Come As You Are: Revised and Updated - Emily Nagoski
2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times

*Downloaded from
legacy.opendemocracy.net
on 2021-01-11 by guest*

bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just

being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Sex Education: The Road Trip -
Katy Birchall 2021-09-28

The only official *Sex Education* novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters. Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have no accused him of a crime. The evidence against him is pretty damning. Trying

Downloaded from
legacy.opendemocracy.net
on 2021-01-11 by guest

to clear his name, Maeve and friends integrate themselves into the rich kids' circle--it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favorite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humor, and a great new storyline, plus a compelling whodunit at its heart.

[The Prime of Miss Jean Brodie](#) - Muriel Spark 2015-08-06
'Muriel Spark's most celebrated novel . . . This ruthlessly and destructively romantic school ma'am is one of the giants of post-war fiction' Independent 'A brilliantly psychological fugue' Observer The Prime of Miss Jean Brodie is Muriel Spark's most significant and celebrated

novel, and remains as dazzling as when it was first published in 1961. Miss Jean Brodie is a teacher unlike any other, proud and cultured, enigmatic and freethinking; a romantic, with progressive, sometimes shocking ideas and aspirations for the girls in her charge. At the Marcia Blaine Academy she takes a select group of girls under her wing. Spellbound by Miss Brodie's unconventional teaching, these devoted pupils form the Brodie set. But as the girls enter their teenage years and they become increasingly drawn in by Miss Brodie's personal life, her ambitions for them take a startling and dark turn with devastating consequences.

Resources in Education - 1981-12

[What Do We Need Men For?](#) - E. Jean Carroll 2019-07-02
As seen on the cover of New York Magazine, America's longest running advice columnist goes on the road to speak to women about hideous men and whether we need them. "Carroll's lively prose

*Downloaded from
legacy.opendemocracy.net
on 2021-01-11 by guest*

careens in constant pursuit of pleasure...indefatigably funny and full of life." -Lindsay Zoladz, *The Ringer* "Darkly humorous and deadly serious." -Sibbie O'Sullivan, *Washington Post* "A compulsively interesting feminist memoir." -Virginia Heffernan, *Slate* "Somehow hilarious, in the way that only E. Jean could have written it" -Leigh Haber, *Oprah Magazine* "Roving, curious, compassionate, whimsical." -Megan Garber, *The Atlantic* When E. Jean Carroll—possibly the liveliest woman in the world and author of the "Ask E. Jean" advice column in *Elle Magazine*, realized that her eight million readers and question-writers all seemed to have one thing in common—problems caused by men—she hit the road. Crisscrossing the country with her blue-haired poodle, Lewis Carroll, E. Jean stopped in every town named after a woman between Eden, Vermont and Tallulah, Louisiana to ask women the crucial question: What Do We Need Men For? E. Jean gave

her rollicking road trip a sly, stylish turn when she deepened the story, creating a list called "The Most Hideous Men of My Life," and began to reflect on her own sometimes very dark history with the opposite sex. What advice would she have given to her past selves—as Miss Cheerleader USA and Miss Indiana University? Or as the fearless journalist, television host, and eventual advice columnist she became? E. Jean intertwines the stories of the fascinating people she meets on her road trip with her "horrible history with the male sex" (including mafia bosses, media titans, boyfriends, husbands, a serial killer, and a president), creating a decidedly dark yet hopeful, hilarious, and thrilling narrative. Her answer to the question What Do We Need Men For? will shock men and delight women.

Survivors - Jean Lorrah
2000-05-23

Treva is an isolated human colony on the fringes of known space on the verge of becoming a true interstellar community, a full fledged member of the

Downloaded from
legacy.opendemocracy.net
on 2021-01-11 by guest

Federation. But now the U.S.S. Enterprise™ has received a distress signal for Treva is in the throes of a violent revolution, a revolution led by a merciless warlord who has committed countless atrocities in the name of freedom. Data and Lt. Tasha Yar are dispatched to investigate. Once they reach Treva, they discover the truth, and any possible solution may be far more complex than a simple rebellion. Treva's president wants more than Starfleet's good words in her fight against the rebels, she wants their weapons technology. And before the battle is over, she means to get them. Over Data's and Yar's dead bodies, if necessary.

See Lola Squirt - Lola Jean
2020-12-08

An educational and often humorous look at some of our most intimate moments shining a facetious light on our unmentionables. Consider this coffee table book as an amuse bouche. A playful debunking of common myths surrounding certain acts. Meant to

accompany a comprehensive online education series, See Lola Squirt can be used as a conversation starter, a helpful hint or even a friendly reminder that there is more to sex and sex education than we give it credit for. You may not be able to learn everything in a book, but you can at least get a head start. Similar to the acts it depicts, this series is every bit silly and intimate as it is enjoyable. Be warned: Fun with Lola Jean is a gateway to better sex education. Find out more at www.LolaJean.com

Sixty Million Frenchmen Can't be Wrong - Jean-Benoit Nadeau
2004-04-28

Decrypting French ideas about land, food, privacy and language, this book encompasses observations and anecdotes, political analysis and reflection to uncover links between the French national character, the essence of France and how the French got to be the way they are.

IGen - Jean M. Twenge
2017-08-22

"Analyzes how the young people born in the mid-1990s

Downloaded from
legacy.opendemocracy.net
on 2021-01-11 by guest

and later significantly differ from those of previous generations, examining how social media and texting may be behind today's unprecedented levels of anxiety, depression, and loneliness" -- Prové de l'editor. *The Television Genre Book* - Glen Creeber 2023-11-30 This key textbook on television genre brings together leading international scholars to provide an introduction to the debates, issues and concerns of the field. It introduces the concept of 'genre' and how it is understood in television studies, and then addresses the nine main televisual genres: drama, soap opera, comedy, children's television, news, documentary, reality television, animation and popular entertainment. The Television Genre Book has expanded to reflect the ways in which TV has altered radically in recent years, particularly with the arrival of online streaming services such as Netflix, Disney+, HBO Max and Amazon Prime. This 4th edition is now: 1. Illustrated in colour

throughout with international case studies of classic and contemporary programming from each genre. 2. Covering horror, political thrillers, Nordic noir, sadcom, historical documentaries, docu-drama, reality television and consumption in the age of streaming. 3. The sport section is significantly extended to include hybrid sport, professional wrestling and sports documentary. 4. Including case studies on Stranger Things, Killing Eve, The Crown, Chernobyl, Black Mirror and Fleabag.

Monthly Catalogue, United States Public Documents - United States. Superintendent of Documents 1928

Hedwig and the Angry Inch - Stephen Trask 2003

Tells the story of transsexual rocker Hedwig Schmidt, an East German immigrant whose sex change operation has been botched and who finds herself living in a trailer park in Kansas.

Ruthless Pamela Jean - Carol Denise Mitchell 2021-07-18

Downloaded from
legacy.opendemocracy.net
on 2021-01-11 by guest

This gripping story about an abused girl, who uses the unlikely prototype of a pimp as a guide to a better life, acts as a sort of metaphor of social realism regarding the rise of African Americans to greater prominence and wealth in modern society as a whole. The narrative, which is closely written, and uses a realistic version of African American speech soon draws us into the central dilemma of a child, who due to her light skin, is rejected by the other children in her school, this then leads to her being ostracized, bullied and at one point even her life is threatened. When she retaliates, in order to save herself, the system unfairly punishes her. Female sexual frustration is not something that often appears in the media which tends to center upon ladies complaining about the unwelcome attentions of men, but this book tends to show that many older women are deprived of fulfilment of their intimate needs by social niceties and prudery. Pamela is acutely aware of this problem

and does something to provide relief for these women - at a price, via a very successful escort service.

Generation Me - Jean M. Twenge 2006

Noted researcher Dr. Twenge uses 14 years of research and its data from 1.3 million respondents to reveal how profoundly different today's young adults are from previous generations, and makes controversial predictions about what the future holds.

The Last Professional - Ed Davis 2022-01-25

Returning to the rails fifteen years after the childhood trauma that haunts him, young Lynden Hoover gets help from The Duke, an old hobo who calls America's landscape his home, adheres to an honor code, but is fleeing Short Arm, his merciless enemy. The Duke mentors Lynden, enlisting old Knights of the Road to keep himself and his apprentice safe. When Short Arm murders two of them, the stakes suddenly escalate to life or death.

Sex Education: A Guide To

Downloaded from

Life - The Official Netflix Show Companion - Sex

Education 2021-10-14

The official, no-nonsense sex syllabus and guide to life you always wanted. From the Netflix sensation SEX EDUCATION, with a foreword from the show's creator, Laurie Nunn. Binged all of Sex Education Season 3 and missing Moordale already? Well, unlikely educator Otis Milburn and his beloved friends are back in this frank, funny and 100% official guide to life. With insight from your favourite characters, tips, takeaways and some enlightening diagrams, the guide covers everything you need to know - from understanding your anatomy, feeling confident about how you look and rejecting shame, to consent, sexuality and the minefield that is modern love. Both a perfect companion to

the show and practical guide to navigating the real world, this guide answers all the questions we are too scared to ask, in the show's uniquely hilarious, fun and yet sensitive language that we have come to know and love. So dive in, and start talking, shouting and maybe even screaming about s-e-x! This book has been checked by experts including doctors, sex therapists and more.

Recommended age 14+

Miss Julie - August Strindberg
2012-03-01

One of the greatest classics of modern theater concerns a willful young aristocrat's seduction of her father's valet during a Midsummer's Eve celebration. Complete with Strindberg's highly-regarded critical preface.
