

Sex In Every City How To Talk Dirty In Every Language

The Vital Lie - Anthony S. Abbott 2003-08-08

The Vital Lie is the first book to examine the reality-illusion conflict in modern drama from Ibsen to present-day playwrights. The book questions why vital lies, lies necessary for life itself, are such an obsessive concern for playwrights of the last hundred years. Using the work of fifteen playwrights, Abbott seeks to discover if modern playwrights treat illusions as helpful or necessary to life, or as signals of sicknesses from which human beings need to be cured. What happens to characters when they are forced to face the truth about themselves and their worlds without the protection of their illusions? The author develops a three-part historical analysis of the use of the reality-illusion theme, from its origins as a metaphysical search to its current elaborations as a theatrical game.

Cuss Control - James V O'Connor 2006-04

FINALLY-THE CURE FOR THE COMMON CURSE! Faced with an epidemic of profanity, our country is in need of practical suggestions for

breaking a habit that has ordinary citizens contributing to the decline of civility and good manners. It's not always easy to resist the urge to cuss, but foul language creates an unfavorable image, is damaging to relationships, and goes hand-in-hand with a negative attitude. Now, James V. O'Connor-founder of the Cuss Control Academy-offers the first book to explain why we swear and how we can learn to hold our tongues. Cuss Control doesn't call for the total elimination of swearing, just for its confinement to situations where extreme emotion (think hammer, think thumb) demand it. His program for easing us off the gutter-talk highway involves alternative "potent phrases" for classic curses, including the F-word; ways to communicate clearly rather than use lazy language; and tips on adjusting our attitude and abolishing obscenities. Packed with practical exercises and tips, as well as thoughtful reflection on how we've worked ourselves up into such a state of affairs, Cuss Control is a refreshing celebration of the joys of a civil tongue. "O'Connor is not ready to rid the world of dirty words. He just thinks less cursing is the key to a less stressful world, and maintains that even natural-born cursers can learn to control their anger along with their language." - Knight-Ridder Newspapers

Sex in Every City - L. Brook 2006-06

Have you ever wondered why things sound so much sexier when they're said in a foreign language? Ever wanted to say 'Fancy a quickie?' in Czech, or 'Gosh,t's huge!' in Korean? Then look no further than "Sex in Every City". For running linguists everywhere comes this indispensable guide to the universal language of love. Packed with smooth lines and raunchy phrases to see you through the dating game abroad, this stylish travel book is guaranteed to get you laid faster than you can ask 'Would you like to see my stamp collection...'

Burgh Blonde - April Marie 2022-02-01

Meet me, Burgh Blonde, Pittsburgh's token single girl. This book picks up where Sex and the City left off but with a blue-collar, working-class American twist. In Pittsburgh, we're known for our sports teams, Primanti's sandwiches, and kitschy yinzer language. This book puts into context exactly what it's like to date men from the City of Champions and what a woman has to put up with when we are growing more successful and independent while the men are reverting back to cavemen. This book is not for the faint of heart. There is sex, foul language, and magical metaphors to keep you hooked from start to finish. These eighteen short stories give you an up-close-and-personal look into my private sex life and all the dirty hijinks that comes with it. After reading this book, you will know what it's like to give a BJ to a UFC fighter, have a three-way on an official Air Force barracks, how to have sex with a furry, and dare I say, even weirder stuff. Not only will the ladies of all ages enjoy reading about the ridiculous men in this book, but also, men will be fascinated to know what women really think of them because in Burgh Blonde, I spill all the tea. For as long as I remember, I've been making people laugh with my stories and comedy. That's why I finally decided to give the people what they've been asking for. I am in no way a great literary author. I am simply a single girl with a ton of funny sex stories. So put your feet up, open a nice bottle of wine, and prepare yourself for a hilarious walk in this single gal's heels.

Tagalog Down and Dirty - Emmett Henderson

Every year, millions of foreigners visit The Philippines. They go to the World War II battlefield of Corregidor, tour the presidential home Malacañang Palace, play golf, lounge on the white sand beaches, and . . . Some do things that don't have chapters in the standard tourist phrasebooks and textbooks of the primary native language, Tagalog. Tagalog is spoken as a first language by millions of Filipinos in and around the nation's capital of Manila, including Angeles and Subic Bay. In addition, Tagalog is spoken and understood to some extent throughout the rest of the country because it's the language of school, TV, newspapers and movies. Tagalog Down & Dirty is your guide to the

Tagalog you won't learn in the other books. Sex, drugs, alcohol, insults, obscenities, dirty talk, curse words, slurs about your mind, body and sexual equipment, the supernatural, gambling, and "gay language"—which gay men use to hide their meaning from the general population. Best of all, words for lovers and would-be lovers. Tagalog Down & Dirty is arranged in chapters according to subject. Next is a chapter including a long list of gay language words. And finally is a list of all the standard Tagalog words arranged in alphabetical order - Tagalog to English - so it's easy to look up Tagalog words you don't know. Come to The Philippines prepared to recognize such basic insults as "Your mother is a _____," "You're _____" and "You have no _____." (Don't say yourself yourself, though, unless you're prepared to defend yourself!) Discover the Tagalog words for parts of your body, at least the most interesting parts, and their functions. Learn the names of the many monsters and ghosts you must avoid at night. If you're a man who has sex with other men, discover how Filipino gays classify your sexuality. Because language is intimately tied to culture, you'll get an inside look at how different Filipinos value are from average Western countries. Call an American woman "ugly" and you'll probably get a lecture on how men objectify women and/or men should look for beautiful personalities. Call a Filipino woman "ugly" and look out! Tell an American they have no shame, and they probably won't even know what you're talking about. If you say it to a Filipino, you better run for your life. Describe an American woman as flirtatious and she'll take it as a compliment. Tell a Filipino woman that and, depending on circumstances, she may take it as an insult to her sexual morality. Whether you wish to learn more about The Philippines because you're chatting up some sweet young thing online and want to meet her in person, or you wish to check out the bar scene, or to swim and sun bathe at the white sand beaches, explore the jungles or oceans teeming with exotic wildlife, or to backpack in the mountains, or a linguist checking out the phenomenon of gay language, Tagalog Down & Dirty is where to start your adventure.

I'll Show You Mine - Greg Gerding 2013-07-17

Like a no-holds-barred game of Truth or Dare, I'LL SHOW YOU MINE collects the intimate oral histories of everyday people who were bold enough to offer up their innermost secrets to the exceedingly practiced ears of the noted underground poet and social observer Greg Gerding. *For so many years, I felt like I was the one with the problem. *It was the first time we had sex. I literally did not know he had entered me. And when he said he was done, I was like, "Done what?" *Then you're laid on a bed and all these different things are done to you. Finally, they remove your blindfold. You open your eyes and see a gigantic wall full of photographs of people. *He said: "I know you're pregnant." And I said, "There's no way. I'm on birth control." *It was kind of scary because I was like, "This is fun, but do I really want to go down this road?" *There are some things you need to understand about my past to understand me. My mother was murdered when I was six years old. The immutable need for intimacy connects us as humans yet also tears us apart; each of us defines our own needs differently. By creating a safe space for personal reflection, and by casting a wide net of inclusion-male, female, gay, straight, and people who'd rather not be labeled-Gerding has ventured upon a deep well of human truth, some of it rivetingly eccentric, some of it profoundly universal. *I answered a personal ad that was "seeking a model for an alternative website." It turned out that they were looking for a butt model for a spanking website. I'd always been complimented on my ass, so I went and "auditioned," if you want to call it that. *We were at a crab house. I was giving her shit and acting jealous about something, and she finally just had it. She picked up one of the crabs from the pile and threw it at my face and walked out the door. I felt like a total ass. Everybody knew I was a jerk. *There was this guy, I didn't even like him, but I had him in my bed and was riding him when I heard Mitch come in. *I like showing off my cleavage because Paul always grabs my boobs. I like him in his boxers. Or just naked. I'LL SHOW YOU MINE is the seventh book by Greg Gerding, who founded the University of Hell Press in 2005 as a platform for unconventional artistry.

He has since collaborated on projects with both musicians and visual artists, and is well known for organizing poetry readings on both coasts. This is his first book with The Sager Group. By coaxing into the light the small truthful voice people carry inside, Gerding helps us understand ourselves and the others around us.

Queer - Frank Wynne 2021-01-21

LGBTQ writing from ancient times to yesterday, selected by award-winning translator Frank Wynne. Since the dawn of literature, queer people have turned to writing to document their existence: to share great triumphs and deep despairs; to praise the virtues of their lover, extol their loneliness and proclaim their lust; to tell of their peculiarities and mundanities. For almost as long, they have been censored and bowdlerised, persecuted and relegated to the margins. No longer. Alive in these pages, readers will hear Homer's Achilles beat his chest in grief for the loss of his Patroclus and Paul Verlaine exalt the arsehole of his lover. They will see Alison Bechdel tiptoe then leap out of the closet and Juno Dawson come out again, but differently. They will bite and lick and groan in sweet surprise with Roz Kaveney, and fall in and out of love alongside Qiu Miaojin in Paris and Taiwan. They will recognise queer saints and icons - Audre Lorde, Larry Kramer, Virginia Woolf - and meet young queer, trans and non-binary writers - Keith Jarrett, Zhang Yueran

and Niviaq Korneliusson, among others. Frank Wynne allows their voices to ring out, unashamed and unabashed, in eighty pieces that straddle the spectrum of queer existence: short stories, poems, essays, extracts and scenes from countries the world over, from ancient times to yesterday. Reviews for *Queer: 'A landmark anthology of queer writing'* BBC Front Row 'A landmark collection of LGBTQ writing from ancient times to yesterday, featuring powerful voices in many literary forms' *Spectator*, Books of the Year 'A fearless and life-affirming celebration of what Gilbert Adair [...] called 'the second most natural thing in the world'' Review 31, Books of the Year

Dirty Spanish - Juan Caballero 2011-05-10

GET D!RTY! Next time you're traveling or just chattin' in Spanish with your friends, drop the textbook formality and bust out with expressions

they never teach you in school, including: • cool slang • funny insults • explicit sex terms • raw swear words Dirty Spanish teaches the casual expressions heard every day on the streets of Spain and Latin America: • What's up? ¿Qué tal? • I'm shitfaced. Estoy mamado. • Check out all the hotties! ¡Mírale las bomboncitas! • Will you suck me off? ¿Me lo chuparías? • I have the runs. Yo tengo un chorrillo. • What a motherfucker! ¡Qué conchesuma! • That forward is legit. Es chévere ese delantero.

Talking Dirty on Sex and the City - Beatriz Oria 2014-06-05

Sex and the City (1998-2004) was one of the most popular programs on HBO, spawned two successful feature films in 2008 and 2010, and continues to do well in syndication. This book explores how Sex and the City represents the conventions of romantic comedy in order to create a

familiar fictional world of intimacy, gender identity, and interpersonal relationships. Rather than tackle debates about whether the show was revolutionary or conservative in its representation of gender, class, race, and female sexuality (which has already been covered by other books), the author discusses the show's complexity as a multi-faceted text which routinely provides a diversity of perspectives.

Eros and the Jews - David Biale 1997-10-03

Contemporary stereotypes about Jewish sexuality pervade modern culture, from Lenny Bruce's hip eroticism to Woody Allen's little man with the big libido. Does Judaism in fact liberate or repress sexual desire? David Biale traces Judaism's evolving position on sexuality, from the Bible and Talmud to Zionism up through American attitudes of today.
