Good Christian Sex - Bromleigh McCleneghan
2016-07-05

Moving beyond the deep-seated cultural feelings
of shame that have long fueled the conflict
between Christianity and sex—and the belief
that there is only one right and valid way to
practice one's sexuality—this renowned
University of Chicago pastor uses enlightening
personal stories and examples from theology to

show how sex is powerful and holy. For years,
Christians have been told to adhere to one
singular path when it comes to sex: abstinence
and purity. Yet this limited focus ignores the
reality that people's sexual and romantic lives
differ widely, even among those who consider
themselves devout believers. Church leaders
have often refused to address the topic—or have
preached in ways that are harmful to the
emotional and spiritual growth of the faithful
in the pews. Pastor McCleneghan is determined to
reshape the issue—and fundamentally transcend
this disconnect between sexuality and
spirituality that has left many Christians feeling
guilty and sinful. Written in her measured, non-
judgmental voice, *Good Christian Sex* combines

humorous personal anecdotes with theological research to transform how Christians think and talk about this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank, positive, and realistic way. Warm, insightful, and honest, Good Christian Sex is a message of hope, that at last lifts the veil of shame felt by many religious people.

Sex, God, and the Conservative Church - Tina Schermer Sellers 2017-04-21

Sex, God, and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and

hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.

Love, Sex, & Marriage - Barrington O. Burrell 2013-04-09

This is a valuable book on the topical subjects of love, sex and marriage, from a practical Christian perspective. The author uses clear,

understandable language to point out the God-given purpose of sex in marriage, and some of the potential dangers of sexual abuse. He explores the early beginnings of new-born babies and their subsequent growth over the years to puberty and adolescence. 'Teenagers are like strangers in a foreign country. They are experiencing a difficult period of transition between childhood and adulthood. At this crucial stage of their development, young people have a keen interest in fashion, music and sex. Many are sexually active, and some begin to think about marriage and family life, although they often confuse love with lust, and they are not mature enough to assume the responsibility of parenthood.'

Sex Is NOT a Sin - 2016-06-10

SOMEBODY'S Not Telling You the

Truth! Whether you are a Christian or not...

religious or not, you're going to be intrigued by

this discovery. Does God really consider

premarital sex a sin? How about prostitution?

Most... No, all "Christians" believe that sex before marriage is a sin and that all prostitution is an abomination in the sight of God. But is that what God really says in scripture? Truth is... the truth has been cloaked by false religious doctrines based on critical flaws in the translations of certain words, perhaps intentionally, changing the meaning of specific pieces of scripture within the historical context it was written. What this creates is a gross misunderstanding of what the original intent of the writers was with regards to this topic. It's as if the religious elites have launched a campaign of disinformation designed to pull the wool over your eyes... But why? The outcome is condemnation and guilt for anyone who engages in premarital sex... or even thinks about it. But none of that is Biblically correct! This book proves it. Written by a Christian of more than 35 years who was challenged to expose the truth based on a failed relationship with his fiancée, in which some Christian associates openly

passed judgement that his relationship wasn't blessed due to premarital sex. Having discovered the truth long ago but never really studying it, he was forced to defend himself against a barrage of accusations based on scripture thrown at him by those indoctrinated in the religion of sexual immorality: Scripture he knew was out of context with the wrong translations. Unfortunately, he lost that battle because he couldn't "show himself approved." This led to a 4-month long journey into rediscovering the truth and exposing the lies perpetrated on him and the rest of the world. Based on facts that have been hidden from the public for centuries, he reveals what God's real intentions are regarding sex, sex before marriage and prostitution. What you will discover flies in the face of main street religious doctrine that premarital sex is a sin, all prostitution is a sin and that anyone "lusting" after another to desire that person is adultery. Whether you are a Christian or not, you will feel liberated from this

distorted and false doctrine of sexual immorality and uncover what God truly has to say about those things which are really sexually immoral and why. This book is for anyone who is justly interested in the truth on this taboo. It will empower you and inspire you. This book is not a condemnation of Christianity and instead shows that it is "religion," not Christianity that is the issue. This book doesn't promote prostitution nor encourage sex before marriage, especially for young adults. It's an exploration of the truth that has been hidden for too long.

Unprotected Texts - Jennifer Wright Knust

"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar."

the letter of the gospels. In the tradition of Bart Erhman's Jesus Interrupted and John Shelby Spong's Sins of Scripture, Knust's Unprotected Texts liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Why Wait - ROSE PUBLISHING. 2001-06

Why Wait? is a best-selling abstinence education booklet for Christians. It discusses one of the biggest challenges among teens and singles: pre-marital sexual activity. This bestselling full-color pamphlet presents 24 reasons--12 biblical and 12 medical and emotional--to think twice before risking health and happiness on sex outside of marriage. Although many public school students receive sex education in school, Christians have a distinct view of the sacredness of sex that is usually not presented in a classroom setting. This Why Wait Pamphlet is a very basic

abstinence education overview from a Christian stance that presents a Christian viewpoint on human sexuality in a simple 1-2 hour discussion. The reality is that many students today have experienced sexual contact already. Some have been taken advantage of. Others were pressured or coerced. Some have simply been naive. This grace-filled pamphlet also helps those who want to be assured of God's constant love and good plan no matter what they have experienced. It is never too late to treat yourself with respect and expect others to do the same. Abstinence Education from a Christian Point of View Teens and single adults ask themselves, Why Wait? Why does God care if I have sex? Everyone else is doing it. In fact, these many people are often surprised to discover that God does have very good reasons for us to wait for sex until marriage. The pamphlet presents 12 of God's compelling reasons to wait, but also provides ideas for those who have not, as well as an encouraging section on "second-time virginity."

Sex Before Marriage - Timothy S. Lane 2009-10-31

“If we’re in love, what’s wrong with having sex

before marriage? Why should we be the only ones who wait?” If you have ever thought or said things like this, you have a lot of company. Many people believe that, at least in some circumstances, premarital sex is okay. But do you know what God says about this issue?

Faith Love and Sex - Somtochukwu Ume 2012-10

This book is about the three common words we normally say, their meaning and their impacts in our daily lives. Many Christians use the word faith often but only few truly have it. This book will teach you more about faith, the application, importance and how we can apply it in our daily

lives. As human beings we need faith to help us stay strong in stormy times. Another important topic discussed in this book is "love". In our world today, love is the most common word used. We use it mostly on daily basis; we understand and define it in so many ways but only few know the true meaning of it. I have seen many occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the girl. Some people believe in love at first sight, I'm not against it, I know something will get you attracted from somebody before you can make a move, but that attraction doesn't mean you love the person, is only being close with someone that you will get to develop real love. Real love develops is not based on physical attraction. Another important word discussed is sex. Nobody in this life can tell me he/she has never heard of sex. Sex is everywhere. This book will teach you some things you have to know about sex; it is not something you haven't heard of, but teachings in

biblical way.

100 Reasons Why Sex Must Wait Until Marriage - Dr. D. K. Olukoya 2015-04-24

100 Reasons Why Sex Must Wait Until Marriage
Sex is a mystery and unfortunately majority of those who engage in it do not fully understand the mystery behind it. The only thing most people understand about it is the pleasure derived from it and the procreation that can result from it. Many do not understand that when sex is not done within the scripturally prescribed confines of marriage, the temporary pleasure derived can lead to eternal pressure. In this book, Dr. Olukoya has taken time to unlock some of the mysteries of sex. Considerable attention has been given to the after-effects of premarital sex to show why you should wait until marriage before engaging in it. Steps are listed on how you can stay pure and avoid sex until marriage. Sex outside marriage is a killer and it

Sex before Marriage. What's the harm? -

Daniele Luciano Moskal 2014-12-13

God is a holy God who feels very strongly about SEX before marriage and has listed it in the Holy Bible as one of His most serious offenses we can commit. He has made a strong moral statement on how He feels about unmarried people and sex relations which is found in the Book of 1 Corinthians, chapter 6, verses 9-10. ""Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God."" Many people know that in marriage adultery is wrong, but don't realize that God considers pre-marital sex (fornication) just as serious. God definitely says ""NO"" to any sex before marriage. In this book

the author tackles this everyday question using the very Word of God to teach the reader in an easy-to-comprehend style the reasons why, 'Sex before Marriage is very harmful!!'

Core Christianity - Michael Horton 2016-04-05

What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity.

Premarital Sex in America - Mark Regnerus
2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? Premarital Sex in America combines illuminating personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults

from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of

commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, Premarital Sex in America will serve as a touchstone for years to come.

Why You Should Not Have Sex Before Marriage - Sam Goode 2006

One of the biggest challenges facing Christian teenagers today is the biblical requirement to preserve one's virginity before marriage. Goode gives some common sense reasons why Christian teens should protect their virginity at all cost.

Shameless - Nadia Bolz-Weber 2019-01-30

Christians are obsessed with sex. But not in a good way. For nearly two thousand years, this obsession has often turned destructive, inflicting pain, suffering, and guilt on countless people of all persuasions and backgrounds. In *Shameless*, Bolz-Weber calls for a reformation. To make her case, she offers experiences from her own life and stories from her parishoners alongside

biblical theology to explore what the church has taught, and the harm those teachings have caused.

Sex Before Marriage - Ashlyn R Watkins
2019-07-21

If you are feeling chained to or curious about sex, but also trying to live your life for God, this book is for you. It sounds crazy to form a sentence that way, but that is who I was. I was a young girl who loved God and deeply wanted to live a good Christian life but became caught up in wanting to feel wanted. I found myself falling into bed with terrible decisions and the worst thing is I had no one to talk to about it. I had a loving church community, but unfortunately, no one talked openly about the secret struggles of sex. Religion somehow kept us together on the outside but trapped to secrecy on the inside. If only someone felt free enough to listen to me and brave enough to help me understand that my sexual curiosities were normal, then maybe I would have kept my virginity. If only someone

would have taken the time to be real with me and share their mistakes about sex, then maybe I would have stopped after the first guy. If only someone was willing to step away from performing church and actually be the church, then maybe I would not have ended up with so many regrets. However, since I did not get that then, I will be that for someone else now. I will not live in those regrets; instead, I will allow my pain to become a lesson for you. I will give you

the truth about sex before marriage in the honesty I wish was given to me. Although you will read scriptures, I guarantee you this will not be your average Bible group purity class. You will read details of my experiences in a way that is not taught in church but needed to help you overcome temptation. If you are comfortable enough to embrace that, then this book will bring you the understanding you need to keep yourself from having sex before marriage.
