[44 Chapters About 4 Men](#) - BB Easton 2019-11-19

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series *SEX/LIFE*. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. *Sex/Life: 44 Chapters About 4 Men* is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that

led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner.

Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.

A new, practical workbook from the New York Times bestselling author of *Come As You Are* that allows you to apply the book's groundbreaking research and understanding of why and how women's sexuality works to everyday life. In the twentieth century, women's sexuality was seen as "Men's Sexuality Lite": basically the same, but not quite as good. From genital response to sexual desire to orgasm, we just couldn't understand that complicated, inconsistent, crazy-making "lady business." That is, until Emily Nagoski changed the game with her New York Times bestseller, *Come As You Are*. Using groundbreaking science and research, she proved that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized, but how you feel about them. Which means that things like stress, mood, trust, and body image

are not peripheral factors in a woman's sexual wellbeing; they are central to it. And, that even if you don't yet feel that way, you are already sexually whole. Nagoski's book changed countless women's lives and approaches to sex, and now she offers the next step. The *Come As You Are Workbook* is a practical companion to this bestselling guide, filled with new activities, prompts, and thought-provoking examples to help you exercise and expand on the knowledge you've learned. This collection of worksheets, journaling prompts, illustrations, and diagrams is a practical and engaging companion for anyone who wants to further their understanding of their own bodies and sex lives.

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an

orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

Troost does just that, setting up as a devil-may-care islander while his girlfriend, Sylvia, gets to work on saving the planet, or at least a little part of it on an end-of-the-world atoll, Tarawa. Life on Tarawa resembles not so much paradise as a theatre of the absurd where planes fly with the aid of masking tape, Coconut Stalinism prevails as national government and Sylvia is co-opted by the CIA to spy on the Chinese. But abandoning continental hang-ups like barbequeing the local dogs and watching on as international industrial fishing trawlers plunder the world's richest tuna supply aren't so easy. Perhaps only by following the locals and letting go, one just might find a better way to live...

**My Sex Life** - 2010

**Suit** - BB Easton 2019-11-19

Find out if the ultimate party girl might finally be ready to settle down in this final spinoff novel after 44 CHAPTERS ABOUT 4 MEN, the book that inspired the hit Netflix original series SEX/LIFE. "Since when are you into guys who wear ties?" It was true. By her mid-twenties, BB's type had been well established—and good guys need not apply. Which is exactly why she had to friend-zone Ken Easton. The man was a former football star, smelled like fresh laundry instead of stale cigarettes, and had more ties in his closet than tattoos on his knuckles. BOR-ING. Easton has a talent like no other to hook the reader and she never lets you go with Suit. One I'm going recommend over and over again. Flawless!"

[Sexual Personae](#) - Camille Paglia 1990-09-10

From ancient Egypt through the nineteenth century, *Sexual Personae* explores the provocative connections between art and pagan ritual; between Emily Dickinson and the Marquis de Sade; between Lord Byron and Elvis Presley. It ultimately challenges the cultural assumptions of both conservatives and traditional liberals. 47 photographs.
