Sex Education 101: Approachable Essays on Folklore, Culture, & History - Jeana Jorgensen 2023-11-11

Do you look back at your sex ed classes and wonder WTF?! Are you a parent looking at your kid's curriculum and asking the same question? Sex Education 101 is less of a how-to of sex education and more of a why. Why does abstinence-only sex ed receive so much federal funding? Why do instructors show gross images of STIs to scare students? And the answers, believe it or not, have a lot to do with folklore. Folklore—informally transmitted traditional culture—has a lot to say about sex. And it is often people's first point of contact with information and messages about sex. Folklore encompasses urban legends, moral panics, and rumors, which influenced early U.S. policies around sex, and also includes jokes, raunchy folk songs, and beliefs and slang about menstruation or STIs. And thus, folklore shapes sex ed classrooms and school sex ed policies. This book is a series of essays for anyone interested in folklore about sex, the history of sex education, and how we keep repeating history from 100 years ago in our approaches today. Whether you are a scholar of books or a scholar of life (or both), you'll find something satisfying between the sheets

of Sex Education 101.

Becoming sexually involved with another person is a big step in your life. It's something to think about on your own long before you have to make a decision with anyone, even the partner you love deeply. It is probably one of the most important decisions you'll ever make. Sixty-seven percent of sexually experienced teens say they wish they had waited longer before having sexual intercourse. Through case studies and information from experts, Safe Sex 101 provides the overview teens need to understand abstinence, contraception, sexually transmitted diseases, and unplanned pregnancies, and how these can affect their lives.

Same Sex 101 Dating Guide - Marta Rosario 2017-01-18

This book has been part of me for over six years, and I started it as a research for myself and a way for me to deal with my same-sex sexual preferences and torment. I searched for a book and for help and could not find anything to guide me through my changes in my new life. This book is designed to help, to guide, and to heal anyone that likes the same sex and may not know how to go about it. I give everyone this book with all my love, hoping it will make a difference in their life like it did in mine. Always Remember one thing: The biggest role we play in Life is to be true to OURSELVES.
