[Sex and Sensibility](#) - Genevieve Field 2005-02-01

It's all about you. Your apartment. Your job. Your dates. Your sex life. Your time off. Your exercise. Your food. Your music. Your future. What are you waiting for? Who will you love? What is it, really, that you want? The life of a single woman in the twenty-first century is full of new connections, new sex, new love, and new loss. It's about letting the laundry pile up, sipping strong drinks with near strangers, and dishing to girlfriends on those foggy-headed, flushed morning-afters. But it isn't all heightened connections and steamy dates. The single girl is no stranger

to the scramble for a Saturday night plan, the oh-so-promising guy who took her number at a party and then -- poof! -- disappeared, the ever narrowing circle of unattached girlfriends.... In *Sex and Sensibility* twenty-nine of today's most acclaimed -- and often bestselling -- female authors write about the push-pull between independence and vulnerability, fearlessness and self-doubt that defines single life. Jennifer Weiner, Pam Houston, Laurie Notaro, Amy Sohn, and Julianna Baggott are just a few of the real-life heroines whose stories about long-distance dating, twenty-something divorce, online crushes, and thrilling one-night

stands make up this funny, frank, and unabashedly erotic celebration of singlehood and sisterhood -- a quintessential handbook for today's independent woman.

First published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

The Feminist Bestseller - Imelda Whelehan 2017-03-16

Imelda Whelehan provides an overview of popular women's writing from the late 1960s to the present, looking at how key feminist texts such as *The Women's Room*, *Kin flicks* and *Fear of Flying* have influenced popular contemporary fiction such as *Bridget Jones' Diary* and *Sex and the City*. Whelehan reconsiders the links between the politics of feminist thought, action and writing and creative writing over the past 30 years and suggests that even so-called 'post feminist' writing owes an enormous debt to feminism's second wave.

Single Girl Problems - Andrea Bain 2018-01-13

"If one more person tells me about their third cousin twice removed who met the love of their life online, I'm going to take out my weave and eat it." Being single sucks! Well, that's what everyone says, anyway. Single women over the age of 29 are seen as lonely, miserable, undesirable, and cat-crazy. Family members, friends — heck, even perfect strangers ask, "When are you going to get married?" This book flips the script on what it means to be a single woman in the twenty-first century. With dating horror story anecdotes and advice about online dating, self-esteem, sex, money, and freezing your eggs, Andrea Bain takes the edge off being single and encourages women to never settle.

Sex and the Single Girl - Helen Gurley Brown 2012-07-10

The 1962 blockbuster that took on "one of the most absurd (if universal) myths of our time: that every girl must be married" (*The New York Times*). Helen Gurley Brown, the iconic editor in chief of *Cosmopolitan*

for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life. Feisty, fun, and totally frank, *Sex and the Single Girl* offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and independence that have influenced the lives of so many contemporary American women.

Sex and the Single Woman - Eliza Smith 2022-05-17

One of *Bustle's* Best Books of May A feminist anthology inspired by legendary *Cosmopolitan* editor Helen Gurley Brown's *Sex and the Single Girl*, featuring twenty-four new essays on the triumphs and heartbreaks of modern singlehood from acclaimed and bestselling authors, including Kristen Arnett, Morgan Parker, Evette Dionne, and Melissa Febos. Sixty years ago, Helen Gurley Brown's *Sex and the Single Girl* sent shockwaves through the United States, selling more than two million copies in three weeks. Helen's message was radical for its time: marriage wasn't essential for women to lead rich, fulfilling lives. Now, in these critical, wry, and expansive essays, twenty-four writers reconsider Helen's advice and how it applies to their own paths, fielding topics that she couldn't—or wouldn't—conceive of in 1962: contraception and abortion (an omission demanded by her publisher), queer and trans womanhood, polyamory, celibacy, interracial dating, bodies of all kinds, consent, sex work, IVF, and the pop culture that both saves and fails us. Eliza Smith and Haley Swanson's revisionist anthology honors Brown's irreverent spirit while also validating our modern experiences of singlehood, encouraging us all to reclaim joy where it's so often been denied.

[Sex and the Office](#) - Helen Gurley Brown 2012-07-10

Helen Gurley Brown adds dazzle to dull office days in her follow-up to the phenomenal bestseller *Sex and the Single Girl* The classic book from 1965 tells what it was really like to be the girl in a *Mad Men*-style workplace. *Sex and the Office* became the definitive, comprehensive

guide to working life for an entire generation of women. Alongside advice about how to deal with your boss, manage office politics, and make the most of personal and professional opportunities in the office, Helen Gurley Brown also shares stories from her own office days. A classic of its time, this stands as a frank look at how to get ahead, not just through working hard but through playing hard, too.

SEX and the Single Girl Revisited - Mary-Margaret (anand sahaja) Stratton 2018-06-19

Anand's third collection of poetry is a book of sometimes erotic poems is entitled appropriately enough, *Sex and the Single Girl Revisited*. Yes, even the cover is a fun nod to the first edition of the famous 1962 classic piece of literature written by Helen Gurley Brown. Sexuality is a hot topic these days and anand provides us with some hot topic poems, witty, wildly imaginative and super-real. The influence of Bukowski shows up most in this collection with tales of wild nights, drinking, and other frolics. Her succinct twisted sensibility comes out strong in "Winning," "missing your vibes," "Problems With Superiority" and "green pants." Each and every poem is accompanied by a hand-drawn piece of unique artwork by anand herself, and also by a talented illustrator from Croatia, Bernarda Saldo. In addition, outstanding work by artists from around the world (United States, Bosnia and Herzegovina, India, Romania, the Ukraine and Poland) were included. From the author, "a collection of writings written about clandestine situations that I have witnessed... imagined... or quite possibly experienced..."

[Sex and the Single Christian Girl](#) - Marian Jordan Ellis 2013-11-05

Can purity survive real-world temptation? "True love waits"--but what exactly are you waiting for? After all, we're constantly bombarded with Hollywood's idea of romance--that sex is no big deal, that everyone is

doing it, that it's the only path to a happy ending. Maybe you've even begun to wonder, What am I missing? Is the wait really worth it? Marian Jordan Ellis has been there. She knows the pitfalls of giving in to temptation--but also the blessings of God's best found in waiting after she committed herself to Christ and to sexual purity. Now, from one Christian woman to another, she hopes to spare you from the heartache of sexual sin and instead point you toward God's best. Marian offers lots of practical advice, backed by biblical truth, to equip you with the tools to overcome past mistakes and future temptations. You are cherished. Whether you are happily single, casually dating, or have found "the one," your purity is worth fighting for.

[Sex and the Single Girl](#) - Dr. Juli Slattery 2017-08-01

A study on sex that goes beyond "just don't do it." Sexuality is a hot topic these days, and opinions are all over the place. A resource offering simple "do's and don'ts" won't cut it. *Sex and the Single Girl* fills the gap by providing a broader, more comprehensive understanding of what it means to honor God with our sexuality. This resource will equip single women to understand their sexuality, trust the Lord for redemption and healing, and stand against the cultural trends that marginalize and compromise God's design for sex. Juli Slattery is a clinical psychologist, cofounder of Authentic Intimacy, and author of several popular books, including *25 Questions You're Afraid to Ask About Love, Sex, and Intimacy*. She has devoted the last five years to equipping women with God's truth about sexuality, and here she drives home the truth that every sexual choice is also a spiritual choice. The six-week study is broken down into five days for each week, covering: *Why Sexuality Matters: The connection between spirituality and sexuality* *Embracing a Grand Design: God's design and the beauty of living according to His wisdom.* *Sexuality and Your Character: How sexuality is part of worship and Christian identity.* *Sexual Boundaries: A very practical chapter providing a biblical grid for matters like masturbation, oral sex, and how far is too far to go in a dating relationship.* *Battling Temptation: A peak at "the enemy's playbook," helping women anticipate, prepare for, and stand against sexual temptation.* *Restoring Intimacy with God: How God*

can tear down the wall of sexual sin, shame, and confusion through forgiveness and redemption. This study has been tested through pilot groups with college women and other 20somethings. Revised according to their feedback, it is primed and ready to help any single woman think biblically about sexuality, live accordingly, and experience the joy and freedom of doing so. Sex and the Single Girl is especially relevant today. One of the greatest threats to the modern church and emerging adults is the distortion of sexual design. Study after study has documented the proliferation of porn use (among both men and women), sexual exploitation on college campuses, experimentation with homosexuality and bi-sexuality, and the acceptability of multiple sexual partners. The average single Christian has received very little teaching on the purpose of sexuality, and a simple "just wait until you're married" approach won't cut it. Christian singles need to be equipped with a biblical worldview of sexuality and practical tools for talking it out. This study, which Slattery created with two women familiar with curriculum development, is ideal for college campuses and small groups. It will prompt discussions on practical topics like sexual temptation, sexual conduct, and responding to cultural thinking on gender issues and sexual autonomy. It is designed to challenge women to examine the assumptions underlying their sexual behaviors and beliefs. The ultimate goal of this resource is to introduce women to an intimate relationship with God who cares about every aspect of her life.

Sex and the Single Girl - Ellen Dykas 2012-01-01

Our world has a lot to say about sex, but it all comes down to this: you can do whatever you want. But is that the smart way to care for your heart? Perhaps you have already experienced the emotional and spiritual fallout that comes with sexual "freedom." How many times has your heart been broken? Through her own experience, Ellen Dykas offers the way to protect your heart by following God's plan for your sexuality and pursuing healthy relationships and sexual wholeness through the grace and strength Christ provides. Because the smartest way to care for your heart is to give it to the One who knows you and loves you best.

Sex Tips For Girls - Cynthia Heimel 1983-06-17

Handed down from one generation to another, Sex Tips for Girls remains the hilarious, must-have handbook for any woman looking for a book on love. Sex and the Single Girl - Anne Grey 2016-02-14

Do you think having sex (or even...having fun?!) is something that is only meant for twenty-somethings? If so, you couldn't be more wrong! In her newest book, Anne Grey makes the point that now is the "golden age" for dating and that your age may just have something to do with it! Once a woman reaches her late 30s - early 40s, she suddenly drips with confidence. She knows what she wants; those pesky few extra pounds don't bug her; she doesn't need to play games; the bedroom is no longer a scary place; and finally, sex can be fun and rewarding. If you're new to the dating world, or if you've been in it a while and are struggling to find your stride, then Anne Grey's Sex and the [Slightly Older] Single Girl is the handbook you need. Rather than focus on "how to win a man," Anne teaches her readers to love their bodies, be proud of their sexuality, embrace multiple lovers, and most importantly, how to maintain freedom and self-respect while doing all of the above. Worried about figuring out all those dating apps!... don't miss CHAPTER 3. Need a body image pick-me-up? Turn to CHAPTER 2. Looking for ways to "spice it up" in the bedroom? Check out CHAPTER 4. Each chapter even ends with a

personal story from Anne's dating past. This book is far from old-fashioned or outdated. Anne educates and has a conversation with her

reader all at the same time."
