*The Sexual Life of the Child* - Albert Moll  
2022-08-01

DigiCat Publishing presents to you this special edition of "The Sexual Life of the Child" by Albert Moll. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**Sex and Life** - Eugen Steinach 1940

*Has Anyone Seen My Sex Life?* - Kristen Bailey  
2020

**The Sex Life of Maritza Manning** - M. C. Williams 2019-08-30

Maritza's existence is lonely and cold for as long as she could remember from the very beginning. Her wealthy parents, who reside in New York, have no interest in raising her, so she grows up in a boarding school in England. She spends her life disconnected from her family, physically and emotionally, and knows nothing about the world. When her schooling is over, her nonexistent family ties are broken, and she is left to decide how to live her life. She meets Alfonso and she discovers the thrills of life when he introduces her to a world she didn't know existed. Maritza meets interesting people who indulge in wild sex parties. This dull ordinary girl evolves into a woman when she discovers love, sexual abandon, fashion, and her purpose. She creates a family of her own as she becomes an international icon with an extreme passion for sex and adventure.

**Sex and Character** - Otto Weininger  
2005-04-14

Otto Weininger's controversial book *Sex and Character*, first published in Vienna in 1903, is a prime example of the conflicting discourses central to its time: antisemitism, scientific racism and biologism, misogyny, the cult and

crisis of masculinity, psychological introspection versus empiricism, German idealism, the women's movement and the idea of human emancipation, the quest for sexual liberation, and the debates about homosexuality. Combining rational reasoning with irrational outbursts, in the context of today's scholarship, *Sex and Character* speaks to issues of gender, race, cultural identity, the roots of Nazism, and the intellectual history of modernism and modern European culture. This new translation presents, for the first time, the entire text, including Weininger's extensive appendix with amplifications of the text and bibliographical references, in a reliable English translation, together with a substantial introduction that places the book in its cultural and historical context.

[A Little Life](#) - Hanya Yanagihara 2016

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

[Junkfood Sexlife](#) - Jessamyn Violet 2017-09-15  
*Junkfood Sexlife* is a genre-stretching fun house featuring loosely-connected characters living in Venice Beach in the not-too-distant future, 2029. After a devastating, growth-crushing term with celebrity-turned-President George F\*ckwad, the United States people voted to appoint a robot as Commander-in-Chief. The book switches POV each chapter, rotating four times through the seven characters: A Moroccan drummer full of psychic and sexual mojo (Odessa Messa), a theremin-playing witch with a spell to get almost anything she wants (Stevia Wonder), an ex-military hippie-ish party bus driver (Auggie Breakmirrors), a singer who has befriended a canal creature (Cassandra Panda), a psychotherapist who needs therapy more than his patients (Dr. Philip K. Parker), an almost-famous actor with an almost-unquenchable sexual appetite (Gerard Vice), and the self-loathing host of the podcast "'I Slept With Them First'" (Matt Bogart).

**The Sex Lives Of Cannibals** - J Maarten Troost  
2010-05-25

Fantasized about quitting the 9-5? Walking away from credit card debt and student loans? Think living in the South Pacific for two years sounds like a perfect solution and perhaps even a winning idea for your first novel? Maarten Troost does just that, setting up as a devil-may-care islander while his girlfriend, Sylvia, gets to work on saving the planet, or at least a little part of it on an end-of-the-world atoll, Tarawa. Life on Tarawa resembles not so much paradise as a theatre of the absurd where planes fly with the aid of masking tape, Coconut Stalinism prevails as national government and Sylvia is co-opted by the CIA to spy on the Chinese. But abandoning continental hang-ups like barbequeing the local dogs and watching on as international industrial fishing trawlers plunder the world's richest tuna supply aren't so easy. Perhaps only by following the locals and letting go, one just might find a better way to live...

**The Sexual life of the child** - Albert Moll 1913

**Sex Life of a Cop** - Oscar Peck 2014-03-28

Sex Life of a Cop is the rollicking, ribald story of one of the most likable cops, or rather two of the most likable cops, you'd ever hope to meet in any American town. Author Oscar Peck, ex-cop, gives us two unforgettable characters--Sergeant Jim Thorne and his partner Hal Dempsey--and lets us ride the midnight beat in Patrol Car 105 in search of criminals and women. And there's hardly any crime at all, to speak of... Publisher Sanford Aday was busted, tried and convicted of obscenity for selling this book back in '59. Depending on who you read, he got either 10 years and \$19,000 in fines, or 25 years, \$25k. Porn legend Ruben Sturman himself may also have run into trouble for the same work (or possibly a skin mag... tough to tell with these things).

Sexuality in Role-Playing Games - Ashley ML Brown 2015-03-05

Role-playing games offer a chance to pretend, make believe, and share fantasy. They often invoke heavy themes into their game play: morality, violence, politics, spirituality, or sexuality. Although interesting moral debates perennially appear in the media and academia concerning the appropriateness of games' ability

to deal with such adult concepts, very little is known about the intersection between games, playfulness, and sexuality and what this might mean for players. This book offers an in-depth, ethnographic look into the phenomenon of erotic role-play through the experiences of players in multiplayer and tabletop role-playing games. Brown explores why participants engage in erotic role-play; discusses the rules involved in erotic role-play; and uncovers what playing with sexuality in ludic environments means for players, their partners, and their everyday lives. Taken together, this book provides a rich, nuanced, and detailed account of a provocative topic.

**44 Chapters About 4 Men** - BB Easton  
2019-11-19

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series SEX/LIFE. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. Sex/Life: 44 Chapters About 4 Men is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.

**The Universe is Indifferent** - Ann W Duncan  
2017-10-26

Centred on the lives of the employees at a  
*Downloaded from  
legacy.opendemocracy.net on 2019-12-16  
by guest*

Manhattan advertising firm, the television series *Mad Men* touches on the advertising world's unique interests in consumerist culture, materialistic desire, and the role of deception in Western capitalism. While this essay collection has a decidedly socio-historical focus, the authors use this as the starting point for philosophical, religious, and theological reflection, showing how *Mad Men* reveals deep truths concerning the social trends of the 1960s and deserves a significant amount of scholarly consideration. Going beyond mere reflection, the authors make deeper inquiries into what these trends say about American cultural habits, the business world within Western capitalism, and the rapid social changes that occurred during this period. From the staid and conventional early seasons to the war, assassinations, riots, and counterculture of later seasons, *The Universe is Indifferent* shows how social change underpins the interpersonal dramas of the characters in *Mad Men*.

**Sex, Life, and Hannah - Volume 1 - Winter Season** - Dorota Skrzypek 2007-11-01

When Hannah's boyfriend of five-and-a-half years breaks up with her on New Year's Eve, Hannah is shocked, and stunned before picking up a glass and throwing it at him. Forced to search for love in the battlegrounds of L.A. she finds herself agonizing over *The Ex*, trying to comfort herself in the neighbor's bed, and falling in love again. Surrounded by a colorful cast of characters, Hannah treads the infamous waters of heartbreak and heartache. The inaugural volume of the *Sex, Life, and Hannah* book series is a colorful palette of stories about the aftermath of a major break-up. Everything from the pros and cons of rebound sex, to navigating manic mood swings over *The Ex*, and whether a leather harness and latex can help distract you enough to finally move on. A fun and fictional expose about a pivotal moment in life. [Jack of Hearts \(And Other Parts\)](#) - L. C. Rosen 2018-10-30

Couldn't get enough of *Love, Simon* or *The Gentleman's Guide to Vice and Virtue*? This is the (slightly NSFW) book for you! ----- 'My first time getting it in the butt was kind of weird. I think it's going to be weird for everyone's first time, though.' Meet Jack Rothman. He's seventeen and loves partying, makeup and boys -

sometimes all at the same time. His sex life makes him the hot topic for the high school gossip machine. But who cares? Like Jack always says, 'it could be worse'. He doesn't actually expect that to come true. But after Jack starts writing an online sex advice column, the mysterious love letters he's been getting take a turn for the creepy. Jack's secret admirer knows everything: where he's hanging out, who he's sleeping with, who his mum is dating. They claim they love Jack, but not his unashamedly queer lifestyle. They need him to curb his sexuality, or they'll force him. As the pressure mounts, Jack must unmask his stalker before their obsession becomes genuinely dangerous...

**Media Sex** - Barrie Gunter 2001-12

This book examines the representation, impact, and issues relating to the control and regulation of sex in the media. It covers work that has been conducted around the world on the depiction of sex in the mainstream mass media, especially the audio-visual media of film, television, and video, and the alleged effects that such content may have upon media consumers. In addition to reviewing the research on the effects of media sex, the book also examines what is known about public opinion concerning sex in the media. A key theme running through the book is whether the evidence about media sex can be taken at face value. Are the methodologies used by researchers to investigate media sex problematic? Have they yielded data that can be questioned in terms of validity and reliability? *Media Sex* questions whether media sex poses a serious problem for most viewers of mainstream media. It acknowledges that there may be serious issues relating to the causation of public offense and the cultivation of anti-women attitudes and beliefs that need to be addressed in productions where more extreme forms of sexual conduct are combined with violent and sadistic behavior. With the unrelenting growth of media, media consumers demand and are given greater personal control over the reception of media content. The notion of freedom of speech conflicts with the view that media content needs to be centrally regulated and controlled. This conflict creates problems for regulatory organizations and the legislators in nation states in which freedom of the press is legally protected. The book examines the debate

surrounding this conflict.

The Sexual Life of Woman in Its Physiological, Pathological and Hygienic Aspects - Enoch Heinrich Kisch 1910

*The Sex Life of a Comedian* - Dave Thompson  
2011-07-05

"You'll love this book." HARRY HILL. "Mad comic brilliance." BEN ELTON. Hilarious young stand-up comedian Doug Tucker lands a big part in 'Rats Milk Cheese', a bizarresitcom. In a world where louche girls romp in dressing rooms, luxury yachts, and drug-fuelled orgies, Doug thinks his career has taken off. But show business has a dark side. As the wealth that stake increases, so does the greed of those who want it. At a celebrity sex party Doug accidentally spurts on a member of the Mafia... Written by Dave Thompson, the comedian and actor who played Tinky Winky in 'Teletubbies'. FOR ADULTS ONLY!

The Causation of Disease - Harry Campbell 1889

*Sex* - DANIEL. D'APOLLONIO 2016-11-28

This book has lots of amazing sex positions that will catapult your sex life to the next level. Read on your PC, Mac, smart phone, tablet or Kindle device. Is your sex life getting boring? Are you using the same old drab sex positions every time? Is your sex life not stimulating enough? If you are in the 'yes' to these questions bracket, you will be happy to know that this is not a new thing and most partners experience this all the time. Even so, you cannot be content with the same old thing because if you comply to this, your sex life will eventually be, you guessed it, nonexistent. This sex guide provides an illustrated roadmap to bedroom adventures because if we are being truthful, it never hurts to learn new tricks. As you may very well know (If you do not know, you can use your imagination), there are various categories of sexual positions. These include the following: Sitting positions, Kneeling positions, Man on top and woman on top positions, Tantric sex, Side by side sex position, Rear entry, Standing position,

and Adventurous sex positions. This book delves into many of these sex positions categories and guides you through experimenting with each category. Get cozy as the guide takes you through surefire sexual positions that upon practicing will leave you satisfied beyond imagination. Here Is A Preview Of What You'll Learn... Man on Top Sex Positions Woman on Top Sex Positions Illustrated Guide to Great Sex Standing Sex Positions Kneeling Sex Positions Side-By-Side Sex Positions And much, much more!
