*Ravel According to Ravel* - Vlado Perlemuter  
2005

Vlado Perlemuter had the privilege of studying all Ravel's solo piano music with the reclusive composer himself. The origins of this book lie in a series of programmes broadcast in 1950 by Radio Francaise in which Perlemuter played all Ravel's compositions for solo piano and discussed them with Helene Joudan-Morange - a distinguished violinist who had been one of Ravel's closest friends. This is a transcript of their conversations, with numerous musical examples. This edition also deals with the two piano concertos.

Livré avec ou sans kilt ? Dans la vie, il y a des jours où, quoi qu'on fasse, on est condamné à passer une journée affreuse. Aujourd'hui, c'est typiquement un de ces jours pour Annette O'Keefe. Car elle devait se rendre à Édimbourg pour un shooting photo avec le plus grand acteur hollywoodien du moment, Mac Lennox. Ça, c'était la théorie. Dans la pratique, Annette a été retardée par un désagréable contretemps à quatre pattes - alors qu'elle déteste les chiens -, aimablement refourgué par sa voisine partie en vacances. Du coup, elle est arrivée en retard. Un retard inqualifiable, inexcusable, injustifiable selon Mac Lennox. Naturellement, il a été odieux avec elle. Forcément, Annette ne s'est pas laissé faire - merci les gènes irlandais. Immanquablement, la « conversation » a viré à la grosse, très grosse dispute... et, inéluctablement, c'est Annette qui risque de se faire virer. Tout ça à cause d'un chien, donc. Et d'un acteur sexy, têtu et écossais. Un acteur qui pourrait bien lui réserver quelques surprises... A

propos de l'auteur : Elizabeth Crest habite le sud de la France. Depuis qu'elle a découvert les joies de l'écriture, elle se plonge avec délice dans les histoires qui peuplent son imaginaire. Intrigues amoureuses, situations rocambolesques et humour bien senti se conjuguent à des décors d'une beauté brute pour offrir au lecteur une dose d'évasion bienvenue !

**The International English and French Dictionary ...** - Léon Smith 1865

*Jonas Wood* - 2016-09-27

"'Interiors' follows Los Angeles-based painter Jonas Wood's previous thematic monograph, 'Sports Book.' In this new volume, Wood (born 1977) explores his longstanding fascination with intimate interiors, such as the houses he grew up in, his studio and other spaces of his everyday life. Wood renders these interiors with a disorienting combination of scrupulous exactitude and absolute flatness. Writing in 'The New York Times,' Roberta Smith characterizes

the eeriness of his style thus: "his works negotiate an uneasy truce among the abstract, the representational, the photographic and the just plain weird." "Interiors" offers a kind of self-portrait of the artist, as we get to know the arrangement of his living and work quarters and his various possessions, as they recur throughout the book -- Publisher description.

Anna had everything figured out - she was about to start senior year with her best friend, she had a great weekend job and her huge work crush looked as if it might finally be going somewhere... Until her dad decides to send her 4383 miles away to Paris. On her own. But

despite not speaking a word of French, Anna finds herself making new friends, including Étienne St. Clair, the smart, beautiful boy from the floor above. But he's taken - and Anna might be too. Will a year of romantic near-misses end with the French kiss she's been waiting for?
