From #1 bestselling mystery author Blake Pierce comes a new masterpiece of psychological suspense. In CAUSE TO RUN (An Avery Black Mystery—Book 2), a new serial killer is stalking Boston, killing his victims in bizarre ways, taunting the police with mysterious puzzles that reference the stars. As the stakes are upped and the pressure is on, the Boston Police Department is forced to call in its most brilliant—and most controversial—homicide detective: Avery Black. Avery, still reeling from her last case, finds herself up against a rival precinct and a brilliant, cunning killer who is always one step ahead of her. She is forced to enter his dark, twisted mind as he lays clues for his next killing, and forced to look into places in her own mind she would rather not go. She finds herself compelled to seek the counsel of Howard Randall, the twisted serial killer she'd put behind bars years ago, all while her new burgeoning life with Rose and Ramirez is falling apart. And just as things cannot get any worse, she finds out something else: she herself may be the target. In a game of psychological cat and mouse, a frantic race against time leads Avery through a series of shocking and unexpected twists—culminating in climax that even Avery could not imagine. A dark psychological thriller with heart-pounding suspense, CAUSE TO RUN is book #2 of a riveting new series—with a beloved new character—that will leave you turning pages late into the night. Book #3 in the Avery Black series is also now available! “A masterpiece of thriller and mystery. Pierce did a magnificent job developing characters with a psychological side, so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page.” --Books and Movie Reviews, Roberto Mattos (re Once Gone)

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Crush Penelope Ward 2021-02-22 From New York Times bestselling author Penelope Ward, comes a new standalone, second-chance story of forbidden love... It's natural to want the one you can't have. And for as long as I could remember, I'd secretly wanted my brother's best friend, Jace. He was six years older and always treated me like the sister he never had. Fast forward a decade. We were all in our twenties now. Jace had moved in with my brother, Nathan, and me to help us make ends meet after our parents died. It was just the three of us—an odd family dynamic. Living under our roof, Jace was as bossy and protective as ever. But he certainly didn't look at me like a sister anymore. That was what made things so complicated. I was pretty much hot and bothered twenty-four-seven. And he was torn. The signs were subtle, at first. Like on movie night, I'd casually rest my leg against his, and he wouldn't exactly shift away. Still, I assumed he would never...go there. Nathan would kill us. The knowledge of that wasn't enough to stop the inevitable, though. Eventually our slow burn exploded. But more than the physical attraction, we'd developed a strong connection. We just couldn't get caught, right? That sounded simple. Until it wasn't. This is a story of forbidden love, broken trust, and an unexpected second chance.
