

Single Sexless Childless When Does The Bough Break For Marriage Children A Sex Life

Science And Human Behavior -
B.F Skinner 2012-12-18

The psychology classic—a detailed study of scientific theories of human nature and the possible ways in which human behavior can be predicted and controlled—from one of the most influential behaviorists of the twentieth century and the author of *Walden Two*. “This is an important book, exceptionally well written, and logically consistent with the basic premise of the unitary nature of science. Many students of society and culture would take violent issue with most of the things that Skinner has to say, but even those who disagree most will find this a stimulating

book.” —Samuel M. Strong, *The American Journal of Sociology* “This is a remarkable book—remarkable in that it presents a strong, consistent, and all but exhaustive case for a natural science of human behavior...It ought to be...valuable for those whose preferences lie with, as well as those whose preferences stand against, a behavioristic approach to human activity.”

—Harry Prosch, *Ethics*

Hamlet's Ghost - James
Cowan 2015-09-04
Occasionally a man emerges
from history without us
knowing him. Duke Vespasiano

Single Sexless Childless When Does The Bough Break For

Marriage Children A Sex Life

Gonzaga (1531–91) of Sabbioneta escaped the net of sixteenth century Italy, its history of wars and conflicts, to fashion a life that was uniquely different. He set out to change the way urban man lived. Importantly, he was the first man to build a Città ideale. Sabbioneta is the prototype of all planned cities of the modern era. As a confidant of King Philip II of Spain and a traveller, he quickly acquired a cosmopolitan worldview, which led him to become a uomo universale. It was in this capacity that he designed Sabbioneta as a genuine “little Athens.” His life was fraught with tragedy, however. Not only did he suffer from syphilis, but his personal troubles left him emotionally damaged. The mysterious death of two wives, including the beautiful Diana of Cardona, forced him to find solace in the construction of his ideal city. As nephew to the legendary Giulia Gonzaga – and with her encouragement – the Duke managed to forge a career as a poet, bibliophile, antiquarian, condottiero, urban

planner and diplomat, all against the backdrop of New World discovery, the Protestant Reformation, and the Inquisition. This book reveals another fascinating story: Vespasiano Gonzaga’s link to Shakespeare’s Hamlet. Like the Prince of Denmark, he reflects the emergence of our modern consciousness. He was a true Renaissance man whose legacy remains with us to this day. As a self-fashioned personality, the Duke made every attempt to place himself at the forefront of events of his time. His life tells us a great deal about how late-Renaissance men exteriorised their inner world in a bid to achieve immortality.

Single, Sexless & Childless - Rhonda Cannon-Jones 2005-10

We must view life as if each day is the first day of the rest of our lives. We should keep an outlook in our minds about life, as each day is the opportunity for a new start. We must learn to live each day to the fullest, and we can do that only if we learn to accept that we cannot change the past. We cannot stop a tragedy from entering

Single Sexless Childless When Does The Bough Break For

Marriage Children A Sex Life

our lives. We have to accept what has happened, accept the new person we have become by the tragedy that has entered our life and love ourselves no matter what. No one is perfect. The present is now, and we hold the key to the future. It is time to create the new you. Happiness and success come with persistence and hard work. You must have a goal and work hard. Follow your hearts to true happiness. You must have a destination, a goal and a plan. You are special. You can be anything you want to be. It is your turn to love yourself. The poems in this book will give you the faith, hope, courage and strength to be happy and love life. If you cannot find happiness in the present, you will never find it in the future. Those who find true happiness pursue the goal of achieving as much success and finding as much happiness as possible every day of their lives. Many people think that happiness lies in how much material wealth you accumulate. Nevertheless, we must find happiness within

ourselves? not in the external world. Happiness comes from within and from making others happy. Each day, we have a new opportunity to find happiness; and unless we are able to learn to be happy on a day-to-day basis, we will probably never find true happiness. There are situations, when we find ourselves trapped, full of anger, not knowing where to turn or what to do. The anger of losing control of our lives. You may feel like life is meaningless, and happiness is no longer an option. My poems will show you otherwise. I will show you through my poetry that there is no reason to be angry. Love yourself as your loved ones love you. Life is meaningless unless you can love, be happy and bring your happiness to others. As you read my poetry, you will see a completely new meaning of life. In addition, faith will once again be a part of your life.

Inside Rehab - Anne M.

Fletcher 2013-12-31

An essential guide to finding the right recovery program

Single Sexless Childless When Does The Bough Break For

from the New York

Times—bestselling author of *Sober for Good* Drawing on extensive research, including visits to fifteen addiction treatment programs and interviews with more than two hundred clients and professionals in the field, trusted health and medical writer Anne M. Fletcher offers indispensable advice for people seeking quality care for themselves or a loved one. She reveals the ways in which our addiction treatment industry is broken, highlights what is working, and shares insights about how the experience could be more effective.

Fletcher sheds light on the science-based practices that should form the basis of treatment, spotlights programs and professionals using those practices, and provides a much-needed guide to different types of treatment and finding quality care when it's needed.

Marriage Confidential -

Pamela Haag 2012-06-05

Marriage Confidential tackles this question with bracing candor, taking us inside a

Marriage Children A Sex Life

world where romantic ideas

have given way to a "post-romantic" mood and a fair number of marriages end up "semi-happy." It's a world where the husbands of "workhorse wives" pursue the *Having It All* dream that married women have abandoned; where children have migrated from the children's table to the centerpiece; and where technology, demography, and economy place unprecedented stresses on marital fidelity.

Among other examples of marriage trailblazers, Haag even presents a case for how updated ideas of non-monogamy might be an option for the future. Uniquely weaving together cultural commentary, memoir, storytelling, history, and research, *Marriage Confidential* gives us a riveting glimpse of what the future of marriage might look like.

Women in Game of Thrones

- Valerie Estelle Frankel

2014-04-11

Game of Thrones, one of the hottest series on television,

Single Sexless Childless When Does The Bough Break For

leaves hundreds of critics divided on how “feminist” the show really is. Certainly the female characters, strong and weak, embody a variety of archetypes—widow queens, warrior women, damsels in distress, career women, priestesses, crones, mothers and maidens. However, the problem is that most of them play a single role without nuance—even the “strong women” have little to do besides strut about as one-note characters. This book analyzes the women and their portrayals one by one, along with their historical inspirations. Accompanying issues in television studies also appear, from the male gaze to depiction of race. How these characters are treated in the series and how they treat themselves becomes central, as many strip for the pleasure of men or are sacrificed as pawns. Some nude scenes or moments of male violence are fetishized and filmed to tantalize, while others show the women’s trauma and attempt to identify with the scene’s female

Marriage Children A Sex Life

perspective. The key is whether the characters break out of their traditional roles and become multidimensional. **A History of Celibacy** - Elizabeth Abbott 2001
Joan of Arc was one. So was Sir Isaac Newton. A monk vows to be one. A prisoner has no choice. History tells of many avowed celibates, and today's society reflects a renewed interest in celibacy. But what causes people to give up sex, the very activity that drives, fascinates, troubles, and delights so many of the rest of us? Elizabeth Abbott's exploration of celibacy debunks the traditionally held notion that celibacy is a predominantly religious concept of little concern to the secular world. Chosen or imposed for myriad reasons, celibacy actually is a practice that reveals a host of telling insights about our sexual desires and drives, as well as our changing attitudes toward religion, gender, and physical health. *A History of Celibacy* humanises celibacy through the ages, from the vestal

Single Sexless Childless When Does The Bough Break For

virgins of ancient Rome who were entombed alive if they broke their vows, to contemporary athletes who conserve semen to enhance their game. While most people associate institutional celibacy with Catholicism, Abbott shows how virtually every culture and religion through history has incorporated it in some form. Her examples range from Judaism's rules regarding abstinence during menstruation to Hinduism's forced celibacy for widows. Written from a feminist perspective, the book paints a dual portrait of celibacy as both emancipator and enslaver of women and the poor. Yet the book's focus is not solely on women. It recounts for instance the forced castration of Italy's young male sopranos, and tells why impoverished Chinese boys and men became eunuchs for the Emperor. The extremes to which people will go to abstain from sexual activity or to prevent others from having sex is an intriguing thread through a serious book.

Marriage Children A Sex Life Couple Relationships in the 21st Century - Jacqui Gabb

2017-08-26

This book presents an incisive and engaging account of love, intimacy and personal life in contemporary Western society. The authors draw on rich qualitative and large-scale survey data to explore how couples communicate with each other, negotiate the pressures and pleasures of parenthood, and the vagaries of sexual desire and intimacy across life course. Focusing on 'the everyday', Couple Relationships in the 21st Century unpicks the ordinary and often mundane relationship work that goes into sustaining a relationship over time, breaking down the dichotomy between enduring relationships of quality and good enough or endured relationships. It contests the separation of couples into distinct relationship types - defined through age, parenthood or sexuality. Looking through the lens of relationship practices it is clear that there is no 'normal

Single Sexless Childless When Does The Bough Break For

Marriage Children A Sex Life

couple': couples are what couples do. With a foreword by Dr Reenee Singh, Director, London Intercultural Couples Centre and Co-Director, Tavistock Family Therapy and Systemic Research Centre, this new extended edition provides an invaluable critical insight on contemporary experiences of coupledness and will be essential reading for scholars and students, clinicians working in couple and family therapy, and those involved in relationship support services.

Nightwood - Djuna Barnes
1985

The fiery and enigmatic masterpiece-- one of the greatest novels of the Modernist era. "Nightwood," Djuna Barnes' strange and sinuous tour de force, "belongs to that small class of books that somehow reflect a time or an epoch" ("TLS"). That time is the period between the two World Wars, and Barnes' novel unfolds in the decadent shadows of Europe's great cities, Paris, Berlin, and Vienna-- a world in which the boundaries of class, religion,

and sexuality are bold but surprisingly porous. The outsized characters who inhabit this world are some of the most memorable in all of fiction-- there is Guido Volkbein, the Wandering Jew and son of a self-proclaimed baron; Robin Vote, the American expatriate who marries him and then engages in a series of affairs, first with Nora Flood and then with Jenny Petherbridge, driving all of her lovers to distraction with her passion for wandering alone in the night; and there is Dr. Matthew-Mighty-Grain-of-Salt-Dante-O'Connor, a transvestite and ostensible gynecologist, whose digressive speeches brim with fury, keen insights, and surprising allusions. Barnes' depiction of these characters and their relationships (Nora says, "A man is another person-- a woman is yourself, caught as you turn in panic; on her mouth you kiss your own") has made the novel a landmark of feminist and lesbian literature. Most striking of all is Barnes' unparalleled stylistic

Single Sexless Childless When Does The Bough Break For

innovation, which led T. S.

Eliot to proclaim the book "so good a novel that only sensibilities trained on poetry can wholly appreciate it." Now with a new preface by Jeanette Winterson, "Nightwood" still crackles with the same electric charge it had on its first publication in 1936.

Childless by Marriage - Sue Fagalde Lick 2021-06

First you marry a man who does not want children. He cheats and you divorce him. Then you marry the love of your life and find out he does not want to have children with you either. The three he has are more than enough.

Although you always wanted to be a mother, you decide he is worth the sacrifice, expecting to have a long happy life together. But that's not what happens. This is the story of how a woman becomes childless by marriage and how it affects every aspect of her life. This is the book of my heart, the one I had to write. Ever since I realized I was not going to have children, I have felt recurring grief and an

Marriage Children A Sex Life

emptiness in my heart. I am

different from most women, but I have found that I am not alone. There are many of us childless women, and I think it's important to share our stories about what it's like when you don't have children in a world where most girls grow up to become mothers. I hope this book offers comfort to those who are childless and understanding to those who are not. If it makes you smile here and there, even better.

Passion and Purity - Elisabeth Elliot 2021-03-16

In her classic book, Elisabeth Elliot candidly shares her love story with Jim Elliot through letters, diary entries, and memories. She is honest about the temptations, difficulties, victories, and sacrifices of two young people whose commitment to Christ took priority over their love for each other. These revealing personal glimpses, combined with relevant biblical teaching, will remind readers that only by putting their human passion and desire through His fire can God purify their love. In a

Single Sexless Childless When Does The Bough Break For

culture obsessed with dating, sex, and intimacy, the need for Elliot's freeing message is greater than ever. This beautifully repackaged edition will appeal to today's young people.

Sex and Eroticism in Mesopotamian Literature -

Dr Gwendolyn Leick

2013-01-11

Sex and Eroticism in Mesopotamian Literature is a new contribution to current debates about sex and eroticism. It gives an insight into Mesopotamian attitudes to sexuality by examining the oldest preserved written evidence on the subject - the Sumero-Akkadian cuneiform sources - which were written between the 21st and the 5th centuries B.C. Using these long-neglected and often astonishing data, Gwendolyn Leick is able to analyse Mesopotamian views of prostitution, love magic and deviant sexual behaviour as well as more general issues of sexuality and gender. This fascinating book sheds light on the sexual culture of one of the

Marriage Children A Sex Life

earliest literate civilisations.

The Well of Loneliness -

Radclyffe Hall 2015-04-23

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I.

Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Celibacy and Religious

Single Sexless Childless When Does The Bough Break For Marriage Children A Sex Life Traditions - Carl Olson 2008

For an educated, general readership and for use in college courses, this text introduces the role of celibacy, or a lack of it, in various religious traditions, and the contributors present the rationale for its observance (or not) within the context of each tradition.

The Soul of the Far East - Percival Lowell 1888

A ROOM OF ONE'S OWN - Virginia Woolf 2017-12-06

First published on 24 October 1929, the essay was based on a series of lectures she delivered at Newnham College and Girton College, two women's colleges at Cambridge University in October 1928. While this extended essay in fact employs a fictional narrator and narrative to explore women both as writers of and characters in fiction, the manuscript for the delivery of the series of lectures, titled "Women and Fiction", and hence the essay, are considered non-fiction. The essay is generally seen as a

Marriage Children A Sex Life - feminist text, and is noted in its

argument for both a literal and figural space for women writers within a literary tradition dominated by patriarchy. Virginia Woolf was one of the greatest authors of the twentieth century, transformed the art of fiction. The author of numerous novels and short stories, she was also an acknowledged master of the essay form, and an admired literary critic. Adeline Virginia Woolf (1882-1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

The Fulfilled Family - John F. MacArthur 2008-06-08

In a world of divorce, casual sex, and homosexual unions, "family"?once the bedrock of our culture?is becoming a matter of uncertainty and argument. From some quarters, traditional roles for men and women are ridiculed. And standing firm in a healthy, well-functioning family is harder than ever. So how can

Single Sexless Childless When Does The Bough Break For

Marriage Children A Sex Life

you have a happy home? How can you pass on strong morals to your children in a world going awry? By following God's divine plan for family life," writes Bible teacher, pastor, father, and grandfather John MacArthur in this book.

There's no magic formula. There's no gimmick. It's not about how many times you do something, or who is in charge of this or that, or what kind of processes or methods you use. It comes down to answering these questions: "Am I committed to obedience to the Spirit of God? Am I committed to the controlling influences of the Word of God? Am I going to live out a Christian life?" If you can answer yes to all of those questions, then you are bound to have a successful, fulfilled, God-honoring family life.

Inside the American Couple

- Marilyn Yalom 2023-11-10

One of the most fundamental human urges is to form a pair. Despite many tendencies that threaten traditional marriage and even make committed cohabitation problematic, very few people live through

adulthood without at least one lengthy relationship, and up to ninety percent of Americans marry at least once in their lives. This pioneering volume draws attention to issues that question the unspoken traditional practices underlying coupling in America. In it, some of today's most innovative feminist scholars consider the dramatic changes couples have experienced over the past fifty years, such as the proliferation of divorce, the increase in ethnically-mixed relationships, the preponderance of older couples, and the new visibility of same-sex unions.

Approaching their subject from a range of disciplines, the authors explore the couple as an enduring paradigm for human relationships, despite the changes in ideology and practice that couples have experienced over time. The essays delve into such subjects as the historical roots of modern marriage, the recent phenomenon of lesbian and gay commitment ceremonies, the home as a workplace and a

Single Sexless Childless When Does The Bough Break For

place of refuge, and the stresses that turn a happy marriage into an unhappy one. One chapter explodes the myth that feminists are responsible for the high incidence of divorce, while another focuses on the financial worth of the wife after the demise of a long-standing marriage. Taken together, these essays impart a deep and complex picture of the challenges facing couples in our time. The vital and engaging narratives show that however anxious our society may be in the face of dissolving marriages and dysfunctional families, couples will continue to form the bedrock of American society in the twenty-first century.

The Wild Oats Project -

Robin Rinaldi 2015-03-17
What if for just one year you let desire call the shots? The project was simple: Robin Rinaldi, a successful magazine journalist, would move into a San Francisco apartment, join a dating site, and get laid. Never mind that she already owned a beautiful flat a few blocks away, that she was

Marriage Children A Sex Life

~~forty-four, or that she was~~
married to a man she'd been in love with for eighteen years. What followed—a year of abandon, heartbreak, and unexpected revelation—is the topic of this riveting memoir, *The Wild Oats Project*. Monogamous and sexually cautious her entire adult life, Rinaldi never planned on an open marriage—her priority as she approached midlife was to start a family. But when her husband insisted on a vasectomy, something snapped. If I'm not going to have children, she told herself, then I'm going to have lovers. During the week, she would live alone, seduce men (and women), attend erotic workshops, and have wall-banging sex. On the weekends, she would go home and be a wife. Her marriage provided safety and love, but she also needed passion, and she was willing to go outside her marriage to find it. At a time when the bestseller lists are topped by books about eroticism and the shifting roles of women, this brave, brutally

Single Sexless Childless When Does The Bough Break For

honest memoir explores how our sexuality defines us, how it relates to maternal longing, and how we must walk the line between loving others and staying true to ourselves. Like

Marriage Children A Sex Life

the most searing memoirs, The Wild Oats Project challenges our sensibilities, yielding truths that we all can recognize but that few would dare write down.
