Sacred Relationship - Anni Daulter 2017-09-26

Sacred Relationship is a practical and spiritual guide and journal for couples to rekindle the love spark that started their fires and to maintain a steady heat for years to come. Following the format of Anni Daulter's popular *Sacred Series* books, it is beautifully designed and illustrated, with chapters focusing on thirty-two weeks—each with meditations and exercises on topics that couples are likely to encounter on their journey together. Husband-and-wife team Anni and Tim Daulter offer both useful tips and creative ideas for enriching life together, and the weekly encounters provide couples with helpful information and thoughtful prompts for journaling that invite both members of the couple to take an intentional look at the relationship and adopt a practice of personal reflection and soul nourishment. As anyone in a long-term relationship knows, the intense high that accompanies the beginning of love can fade over time unless the relationship receives proper care and attention. *Sacred Relationship* shows how intentional love brings more happiness, deeper joy, and greater fulfillment than the initial love spell and can steer each member of the couple into more profound personal growth. The book serves as a toolkit with answers to a wide variety of relationship questions and as a handbook for crafting daily practices that will raise the vibration of the relationship. Parents will find solace in topics that shed light on maintaining loving relationships, sex, and passion once children join the family. Busy couples who want to discover more about themselves and each other, find soulful solutions to everyday issues, and nourish a healthy and happy relationship year after year will find an invaluable resource in this book.
