Streetwise to Sex-Wise - Steve Brown 2001

Understanding Gay and Lesbian Youth - David Campos 2005

Understanding Gay and Lesbian Youth assists the classroom teacher, school counselor, and administrator in relating to gay and lesbian youth and creating accepting and supportive learning climates. David Campos begins with a discussion of the current state of affairs regarding gay and lesbian youth in schools, including a discourse on the developmental milestones, and provides practical strategies for working effectively with these students. The text, concise, yet comprehensive, features: - Two surveys to assess school climates toward gay and lesbian youth - Quizzes about gay and lesbian issues - Personal stories by gay and lesbian youth and adults Perhaps the most salient feature of Understanding Gay and Lesbian Youth is that each chapter poses a series of questions relating to today's society, such as: - Why are gay and lesbian youth considered "at risk"? - How does the development of gay and lesbian youth differ from that of heterosexual youth? - What do I do if a student tells me he or she is gay or lesbian?

Family Life Education - Carol A. Darling 2022-06-29

Contemporary family life educators operate within a wide range of settings and with increasingly varied populations and families. In the fourth edition of Family Life Education, Carol Darling and Dawn Cassidy are pleased to have Sharon Ballard join in the process of exposing readers to the diverse landscape of the field while laying a comprehensive, research-based, and practical foundation for current and future family life educators. The authors, who are CFLE Certified, consider the Certified Family Life Educator credential requirements of the National Council on Family Relations throughout the text. Their broad overview of the field includes a brief history and discussion of family life education as an established profession. New to this edition is the inclusion of several models that provide insight into the discipline and practice. There is expanded information about working with diverse

audiences and the skills needed to be a culturally competent family life educator. The addition of the personal experiences and reflections of 17 family life educators working in a variety of settings provides a meaningful context to the continuing evolution and importance of family life education in society. The authors incorporate theory, research, and practice while also providing guidelines for planning, implementing, and evaluating family life education programs. Content on sexuality education, relationship and marriage education, and parenting education highlights some of the more prevalent trends and visible forms of family life education. Comments from 35 international colleagues representing 27 countries and 6 continents facilitate understanding the role of family life education in various international settings. The provision of interactive classroom exercises focuses on building awareness, appreciation of diversity, and global trends. Discussion questions and activities encourage readers to examine issues and apply what they have learned.

Sexuality Education [4 volumes] - Elizabeth Schroeder 2009-04-30

An exemplary team of professionals provides a comprehensive look at sex education, the heated debate over federal controls, current research and practice, programs, politics, legislation, and cultural and religious issues related to sex and sexuality education. In the groundbreaking *Sexuality Education: Past, Present, and Future*, the history, practices, and politics of sexuality education are explained. Respected educators, counselors, and therapists marshal both research and educated opinion to offer insights into exactly what is meant by "sex education," what the various approaches are, what "age appropriate" lessons are supported by most professionals, and the impact of government policies. Noting that the need for sexuality education has expanded to adults, from new parents to senior citizens, this unique work also takes readers into classrooms and makes them privy to conversations representing everyone from elementary school students to nursing home residents. These comments reveal the range of unanswered questions about sex—questions that are important for psychological, as well as physical health. In addition, the contributors explore ongoing issues in sexuality education, such as how to present "culturally competent" lessons that include consideration of race, ethnicity, gender, religion, and sexual orientation. The experts also examine sexuality education in other countries, the challenges those countries face, and their victories over unplanned pregnancy and STDs in the global effort to preserve sexual health.

Sociology of AIDS - Shoshana S. Colman 1993

Putting Risk in Perspective - Renée T. White 1999

Today young adults are contracting HIV more rapidly than virtually any period during the past two decades. Young women, particularly those who are black and Latina, are bearing the brunt of this 'new wave' of infection. *Putting Risk in Perspective* explores the many factors associated with HIV infection among young black women. HIV infection often occurs as a result of high risk behavior. Understanding what causes a young woman to take sexual and reproductive risks requires a consideration of the kinds of life issues she faces. Drawing on ethnographic study and interviews, RenZe T. White introduces to the reader many young women who are dealing with economic pressures, family relationships, dating and courtship, intimate relationship issues, and questions of sexual identity. These along with the mythology surrounding HIV and AIDS_ and knowledge about contraception_influence whether or not a black teenager will engage in risky activity. This powerful book shows why the fight against AIDS must incorporate a commitment to improving the social and economic opportunities available to young black women.

Sex, Youth, and Sex Education - David Campos 2002-04-23

An authoritative reference that discusses the history of sex education and its ramifications in the United States. Community and school officials, parents, and educators often stay to the wee hours of the night at PTA meetings arguing about sex education and sexual behavior among young people. While some groups preach abstinence and attempt to sign as many youngsters as possible to their rosters, it remains a fact that 50 percent of U.S. teenagers, beginning at age 15, are sexually active. *Sex, Youth, and Sex Education* is a wonderfully crafted resource that gives not only a statistical overview of sexual activity in schools, but also examines sex education, the scourge of sexual violence in schools, and sexuality among selected groups of youngsters. What emerges is a groundbreaking work for educators and students of sociology, psychology, and education. This work brings to light the fascinating—not to mention ubiquitous—world of sexuality among today's youth and its impact on parents, school personnel, policymakers, and society.

25 Great Lesson Plans about Sexual Orientation - Terri Clark 2016-09

Included are 25 great lessons are plans which can be easily used and adapted by educators, and cover a broad spectrum of sexual orientations, including asexuality, bisexuality and the evolving fluidity of human sexuality. These lesson plans, prepared within the CSE ethos of providing honest and accurate information to expand knowledge of all identities and sexual orientations and to embrace the variety of sexual identities and orientation.

Youth and HIV/AIDS - 2006

Treating Sex Offenders - Letitia C Pallone 2014-01-21

Gain important new insights into religious personnel who molest children! *Treating Sex Offenders: A Guide to Clinical Practice with Adults, Clerics, Children, and Adolescents*, Second Edition updates the groundbreaking original with new material that integrates adolescent and adult sex offenders, emphasizing similarities and differences in personality type, behavior, and treatment. Author William Prendergast draws on four decades' experience in working in the diagnosis and treatment of habitual sex offenders to present a straightforward look at what makes them tick. This vital new edition includes appropriate additions and changes to treatment techniques, progress reports on case study subjects, reader feedback on the original book, and perhaps most important, new information on religious personnel who molest children. *Treating Sex Offenders* provides training in clear language for those working with sexual offenders and explanations in simple terms for those suffering as a result of their actions. The book parallels workshops and courses conducted by the author, detailing how to identify major characteristics and traits of offenders, different types of offenders, child and adolescent offenders, how to recognize warning signs of deviant behavior, and how to apply specific treatment techniques that really work. Individual aspects of the makeup and treatment of the compulsive adult and adolescent sex offender are addressed through factors, traits, treatment, and candid cases studies. *Treating Sex Offenders* addresses the most vital issues involving sexual pathology, including: inadequate personality theory sexual performance problems imprinting self-confrontation sex as the chosen deviation the five c's of sex offender treatment and much more! *Treating Sex Offenders: A Guide to Clinical Practice with Adults, Clerics, Children, and Adolescents*, Second Edition is an essential resource for psychiatrists, psychologists, social workers, counselors, and those in the criminal justice field who deal with sex offenders on a daily basis. Family members involved in the lives of sex offenders and survivors of sexual abuse or assault will find the case studies enlightening in making sense of a tragic situation.

The New Teaching Safer Sex - Peggy Brick 1998

The Critical Pedagogy Reader - Antonia Darder 2023-11-01

Since its publication, *The Critical Pedagogy Reader* has firmly established itself as the leading collection of classic and contemporary essays by the major thinkers in the field of critical pedagogy. While retaining its comprehensive introduction, this thoroughly revised fourth edition includes updated section introductions, expanded bibliographies, and up-to-date classroom questions. The book is arranged topically around such issues as class, racism, gender/sexuality, language and literacy, and classroom issues for ease of usage and navigation. New reading selections cover topics such as youth activism, agency and affect, and practical implementations of critical pedagogy. Carefully attentive to both theory and practice, this new edition remains the definitive source for teaching and learning about critical pedagogy.

Sexual Deviance - Tony Ward 2003

Sexual Deviance: Issues and Controversies addresses the biological, developmental, cultural, and learning factors in the genesis of sexual deviancy and links those theories to interventions with sex offenders. Edited by renowned sexual behavior experts Tony Ward, D. Richard Laws, and Stephen M. Hudson, this exceptional volume is divided into two sections. The first section covers explanations for sexual deviance, including ethical issues and classification systems for sexually deviant disorders. The second section addresses responses to sexual deviance, including traditional and modern intervention approaches.

Sex Ed for Caring Schools - Sharon Lamb 2015-04-25

While arguments for and against teaching abstinence, the use of contraceptives, and sexual identity are becoming more and more polarized, most people agree that students must learn to navigate an increasingly sexual world. *Sex Ed for Caring Schools* presents a curriculum that goes beyond the typical health education most students

receive today. As part of a critical pedagogy movement that connects education to social justice enterprises, this book and the corresponding online curriculum encourage students to talk, write, and think about the moral and relational issues underlying sex in society today. Addressing the real concerns of todays teens, this book includes lessons on pornography, prostitution, media objectification, religion, and stereotypes.

Treating Sex Offenders - William E. Prendergast 2004

Updating the original edition with new material that integrates adolescent & adult sex offenders, Prendergast includes changes to treatment techniques, progress reports on case study subjects, reader feedback on the original book & new information on religious personnel who molest children.
