The Art of Everyday Ecstasy Margot Anand 1999-04-20 "Ecstasy is about waking up and finding that you are in love with life."

Most people think of ecstasy in terms of sexual ecstasy, which Tantric sex expert Margot Anand wrote about in her bestselling *The Art of Sexual Ecstasy*. Now, in *The Art of Everyday Ecstasy*, Anand expands our definition of ecstasy and shows how we can harness its energy to help us live, work, and love more passionately, joyfully, and with true spiritual focus. Our modern, work-obsessed, stress-filled culture—what Anand calls the "anti-ecstatic conspiracy"—has dulled our spirits, thrown us off balance, and alienated us from meaningful everyday experiences. In this inspirational journey toward finding the healing nature of ecstasy, Anand explains how the two types of ecstatic experiences—the moments of epiphany called Ecstatic Awakenings, and Everyday Ecstasy, or the Ecstasy of Flow, a connection to our power and inner wisdom—can help us move beyond pain and doubt to reach our highest potential. Based on the spiritual path of Tantra, Anand shows how to use the natural energy system of our bodies—the seven chakras—as a map to ecstasy. As she guides us through the chakras, she explains how each one plays an important role in transforming energy into erotic passion, healing, empowerment, compassion, creativity, insight, and gratitude. Blocked chakras manifest themselves in surprising ways; wholeness can be achieved only when all of the chakras are open with energy flowing freely. By transforming negative behavioral patterns into positive ones and strengthening ourselves physically, emotionally, and spiritually, we can improve our health, sex life, career, relationships, and find profound meaning in everyday moments. With personal anecdotes, exercises, meditations, and rituals, *The Art of Everyday Ecstasy*

shows us how to bring ecstatic energy into the body, mind, heart, and spirit—"to embrace every moment in our totality, to respond bodily, feel from the heart, perceive with clarity, and be fully present to others and to life."

Magia Sexualis Paschal Beverly Randolph 2012-08-27 A step-by-step guide to the occult science of sex magic • Based on the practices of P. B. Randolph, occult rival of H. P. Blavatsky • Reveals how to perform sex magic rituals for specific real-world results, such as greater strength or enhancement of the senses • Explains how to create magical talismans, such as rings with specific planetary forces, how to enliven a painting, and how to charge an effigy Conceived by Paschal Beverly Randolph, *Magia Sexualis* has been heralded as the most influential book about sex magic ever written, surviving to the present day solely through Maria de Naglowska's French translation. Published more than 50 years after Randolph's death, the authorship of this "translation" has been repeatedly called into question: While the greater part of the content can be traced to Randolph's known works, a very significant portion cannot--leading to the conclusion that this work was supplemented by Naglowska's own sex magic work and extensive occult teachings. *Magia Sexualis* explains Randolph's meticulous science of sex magic, practiced by the Brotherhood of Eulis and the Hermetic Brotherhood of Light. Beginning with exercises to develop essential skills, the book explains in step-by-step detail how to perform sex magic rituals for specific results, such as greater strength or enhancement of the senses, how to charge and use a "volt"--an effigy of a specific person you want to influence or protect, how to enliven a painting in order to influence those around it, and how to create magical talismans with specific planetary forces, using what Randolph calls "fluid condensers." This work from two great occult minds shows that true power of the spirit is acquired in conjunction with the power of sex--affirming that "sex is the fundamental force in every being, the most powerful force in Nature, and the most

characteristic evidence of God.”

Sex Magic Evolution Luna Ora 2020-08-05 The Feminine and Masculine have been experiencing the feelings of separation, abandonment, betrayal, resentment, jealousy, anger, fearing each other, not understanding one another, irritated by the other, and an overall distrust for so long. Sex has been used as a weapon not only against men and women, but against children as well, and this natural power we all naturally possess as humans, have been hijacked from us by dark forces. This book gives us another chance as humans to build a healthy, divine relationship and a sexual union. An art that has been long forgotten. Finally, men can understand women and women can understand men, to the core. And most of all, we can all understand ourselves and the natural powers we have as the embodiment of the god/goddess on earth. What is magic and how we create it naturally as humans? What is sex, what is sex magic? What is the potential that a sacred union holds for us? The priestesses of the original temple of Isis and Lilith bring the occult knowledge of sex magic back from the temple and show us how we can incorporate it in our modern lives. Here you will find the knowledge of sexual alchemy for the awakened human. This book is the first level of the teachings and a self initiation to the temple, for those who wish to be initiated into the realm of the temple itself. The initiation is not easy. It is not for everyone. Many will not even want to finish reading this book. But those who do, will begin their path as living gods. This book not only offers a new view about the divine feminine and the divine masculine but also gives simple, practical practices for men and women and conscious couples who are ready for a sacred union. Secret practices of sex magic to re-program the god-man and the goddess on earth. You will learn about Magic and imagination, dreams and time travel,

as tools for sex magic as well as the shadow aspects of sex, such as: sexual trauma, monogamy vs. multiple partners, bondage and submission, sexual possession, sexual dysfunction and destruction of sexual powers in our society, through religion, pedophilia, and mainstream media- but above all- you will learn how to take our powers back. "The Mother has shown me the potential of what we can create in full union of divine masculine and feminine. And let me tell you...It is pure ecstasy. Ultimate ecstasy and spiritual awakening through sex. What we need now is a massive evolution of relationships. We need an awakening of our sacredness with a sense of responsibility and awe to our own powers. When two conscious beings come together with an intention, knowing they can and will create a third creation together, what they form in this reality MUST be sacred. For we are all already sacred beings." -- Luna Ora

Magia Sexualis Hugh B. Urban 2006-10-04 "This book offers a fascinating account of the development of Western sexual magic through the nineteenth and twentieth centuries. Urban focuses on an extraordinary set of historical figures, and his rich analysis illuminates the sexual—and supernatural—undercurrents that have shaped modernity."—Randall Styers, author of *Making Magic: Religion, Magic, and Science in the Modern World*
Aleister Crowley and The Sex Magick Desmond Reuss 2019-08-18 Magic and sexuality have been linked together since prehistoric times. In the West sexual magic rituals were practiced by various Gnostic sects. The practice of sexual magic uses the energy generated by orgasm to achieve the desired magic result. The energy produced by sexuality is one of the most powerful forces possessed by human beings and can be exploited to obtain a condition of transcendence with respect to the normal perception of reality.

Sexual Sorcery Jason Augustus Newcomb 2005-08-15 In plain, straightforward language, Jason Newcomb, author of *21st Century Mage* and *The New Hermetics*, tackles a subject that

many magical texts gloss over or ignore--the practice of sex magick. Sexual Sorcery covers the many aspects of using sex as a sacrament, a ritual, or an expression of divine love. It also provides plenty of practical information helpful to any modern sexual sorcerer. Sexual Sorcery includes preliminaries to practice, such as how to broach the subject of sex magick with a partner (or how to find a partner), explanations of sexual technique as well as etiquette and energy, and the value of love in any relationship, especially a sexual relationship incorporating magick. From this base, Sexual Sorcery delves into the various techniques, types, and rituals of sex magick--using magick to enhance sex, ecstatic and mystical experiences during sex, and more esoteric techniques of sexual invocation, evocation, and alchemy. Newcomb defines a sorcerer as a solitary magician who is outside any particular faith or group, unbounded by the prohibitions of an order or coven, and able to explore the furthest realms of a subject without restriction. In this case the subject is sex magick, and Sexual Sorcery is the perfect guide for any 21st-century sexual sorcerer. It follows no one particular traditional path, but incorporates what works from other esoteric sexual practices.

Kabbalah and Sex Magic Marla Segol 2021-06-16 In this provocative book, Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic. Drawing extensively on Jewish myth and ritual, Segol tells the powerful

story of the relationship between the divine and the human body in late antique Jewish esotericism, in medieval kabbalah, and in New Age ritual practice. *Kabbalah and Sex Magic* traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some forms of Western sex magic. Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium, Persia, Iberia, and southern France, Segol argues that in its fully developed medieval form, kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction. She situates in cultural and historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them, arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it. Segol explores the rituals acting on these models, attending especially to their inherent erotic power, and ties these to contemporary Western sex magic, showing that such rituals have a continuing life. Asking questions about its cosmology, myths, and rituals, Segol poses even larger questions about the history of kabbalah, the changing conceptions of the human relation to the divine, and even the nature of religious innovation itself. This groundbreaking book will appeal to students and scholars of Jewish studies, religion, sexuality, and magic.

Sexual Magic Gregor A. Gregorius 2019-02-23 Gregor A.

Gregorius (Eugen Grosche) was a German bookseller, writer, psychotherapist, and occultist. Gregorius founded the then well-known bookstore "Inveha," and the famous Fraternitas Saturni in Berlin, Germany in the 1920's until it was prohibited by the National Socialists in 1936. This little book is part of a series of study guides that Gregorius has written during the post-World War I period called the Weimar Republic. These days, the 1920s, proved to be a very fertile ground for diverse lodges and occult and magic teachings, especially in a large cultural center as

Berlin. In this book, Gregorius conveys his vision of new modern sexuality and a replacement of old prudery and subscribes a sexual openness in a society that was quite ahead of its time. In the second part, Gregorius delineates the philosophy of sexual magic and its practice. Many of Gregorius' concepts of magic echo the true hermetic thought of Franz Bardon's system.

The Sacred Sex Rites of Ishtar Ishtar Dingir 2015-06-06 This book is about Sovereignty. It's about the superior intelligence and self empowerment which comes from interacting with beings which inhabit a parallel universe to this one - another dimension - from whom man has traditionally gained his wisdom about his place and purpose on Earth and in the cosmos. In ancient times, the

ability to tap into this superior wisdom was transmitted to kings and pharaohs by one who was in touch with these extra-dimensional beings or lifeforms, who are also known as the spirits. Sovereignty comes from the spirits of the land, otherwise known as the Fae, the Gentry, the Sidhe or the Faeries. These spirits are like Man, but are of an Elder and wiser race which inhabits a timeless zone within the parallel dimensions. These days, only children can see them, who haven't yet had that perceptivity educated and ridiculed out of them. Shamans and high priestesses in Neolithic times were in touch with these spirits of the land, and so were able to transmit their wisdom to the king or pharaoh in sacred sex rites during his coronation night. This became known as the Sovereignty because it fired up the king's higher brain centres, giving him a superior intelligence and thus the ability and the right to reign. Our ancestors have left us magical keys in their orally passed on myths which, like messages in a bottle, can help us find the way to spark up that wisdom again, in ourselves. As a shaman and mythologist, the author Ishtar Babilu Dingir is regularly in communion with the spirits of the land where she lives in Glastonbury, Somerset. In this book, she has laid out the way for the ordinary person to regain their Sovereignty, which is their birthright, through shamanic sexual practises and also by learning to visit these other dimensions on the inner planes. First, she lays the foundation stone for the teaching by showing the evidence - from ancient Greece, Egypt, Crete, India, Sumer and Babylon - that sacred sex was an integral part of the Kingship rites, and the literary evidence that the spirits were present in the lovemaking. She also explains about our earlier ancestors' understanding about the Faery Marriage, and what she believes is the original meaning of the Holy Graal, tracing it back to the Neanderthals about 45,000 years ago. The reader then learns how to perform shamanic sex themselves, to fire up their own superior intelligence. Finally, Ishtar reveals more about her own relationship with the local

spirits of the land, so that others may become inspired to explore their own locality and thus begin their quest towards higher brain development and self-empowerment - to Sovereignty.

Sexual Satanism Or How to Seduce Women by Magic Anthony Overman 2005-12 "SEXUAL SATANISM or HOW TO SEDUCE WOMEN BY MAGIC is an outrageous and hilariously funny How To manual, supposedly intended to instruct the socially inept and sexually deprived male in the art of seduction; but in reality is more likely to titillate and amuse intelligent middle-aged and generation X women who read and even a few above average worldly-wise men. A work of wry, irreverent humour, it debunks the Bible and the blasphemous defamation of women and sex by

the dirty minded all-male hierarchies of all three great monotheistic religions. It mocks misogyny, the masculine mystique, conformity, piety, prudery, feminism and all that medieval foolishness dear to the hearts of fundamentalist socio-religious fanatics of all persuasions, domestic and foreign." --The Montserrat Times. They also can be used by a solitary person and need not depend upon the participation of a partner. The first part of this book presents a history of sex with spirits. It also goes into the secrets of Eastern internal alchemy and how the books of Western alchemy often made secretive references to sexual magick. You will also learn how to create a physical representation of the spirit you are going to use as a partner. The second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself. This includes techniques of diet,

exercise, breathwork, banishings, purifications, and finally, an invocation ritual to summon the spirit who is going to be your lover! Then you will learn the previously hidden secrets of having sex with a spirit lover. You'll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a fantasy. And then, when you have accomplished your ritualized mating, you will learn how to collect and use the resulting, highly charged fluids for magical purposes. Everything we are, everything we have, is a gift from the Divine. Doesn't it make sense that we use all of our abilities to honor the source from which they came? That means we can even make use of our sensual natures to honor the Gods. If you want to follow a system based on western traditions, this book can be your guide.

the Tibetan bons, sexual shiatsu, and a Vietnamese practice called “mouth moxa.” Examining the sacred sexuality that arose in Western initiatory orders in the late 19th and early 20th centuries, Alexandrian details the development of P. B. Randolph’s white sexual magic and the black sexual magic of Aleister Crowley, as well as explaining the practices of Austin Osman Spare, Julius Evola and the Ur Group, and Maria de Naglowska. He reveals the scientific principles underlying sex magic and how successful results are guaranteed by the influences of the heavenly bodies and the radiant powers of color, number, scents, and physical movements, which intensify the activity of the human bioelectric field. Alexandrian also details the tantra practices of Margot Anand, the sexual rituals of Wicca, and magical “sex aids,” including talismans and jewels. Providing complete practical information, the author explains how, through sex magic, a couple can extract from each other what they are missing by way of virility and femininity, multiplying their energies tenfold and merging the carnal and spiritual worlds to experience transcendent adventures in the deepest depths of reality.

The Best of the Equinox, Sex Magick Aleister Crowley 2013-11-01 Selections from writings of Aleister Crowley on sex magick as published famed magical journal the Equinox. The Equinox, in print from 1909-1919, was a magical journal published by Aleister Crowley and included Crowley's own A...A... laws, rituals and rites, reviews, and magical works by other important practitioners. Much of this material was collected by Israel Regardie and published in the massive Gems from the Equinox (1974). Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O. Lon Milo DuQuette presents readers with his own selections from this classic publication, The Best of the Equinox. Volume III of the series presents perhaps the most controversial of esoteric subjects, sex magick. Once Aleister Crowley grasped the fundamentals of sexual magick, he came to understand it to be the key that unlocks the secrets of the universe. He dedicated the entire second half of his life to exploring its mysteries. This volume presents the bulk of Crowley's written works on the subject and includes "The Gnostic Mass," "Energized Enthusiasm," "Liber A'ash," "Liber Chath," and "Liber Stellae Rubeae."
