**How to Drive a Dragon Crazy** - G.A. Aiken  
2012-06-06

Sanity is overrated in this “captivating, funny, exciting” fantasy adventure from the New York Times bestselling author of the Scarred Earth Saga (Smexy Books). Some things never go away, like vile enemies, bad ale, and annoying kin. But I thought I was finished with the one dragon I’d have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn’t need it—namely me—I’ll let him. Because while I’m trying to fulfill a ridiculous quest for a pushy god, I’m going to draw this overconfident warlord much too close, rekindle his fires, and enjoy every minute of his delicious defeat . . . Praise for the Dragon Kin Series “Aiken’s patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure.”—RT Book Reviews (4½ Stars) “A chest thumping, mead-hall rocking, enemy slaying brawl of a good book.”—All Things Urban Fantasy “Laugh-out-loud funny—I loved it!”—Thea Harrison, New York Times bestselling author “A hot, hot series.” --Library Journal

**The Dragon Who Loved Me** - G.A. Aiken  
2011-05-26

“There’s never a dull moment with these dragons. Fighting! Mayhem! Danger! . . . a fun read” from the New York Times bestselling author (Vampire Book Club). I was raised for battle. And as the first daughter of a warrior family, I’ve earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it’s the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best—destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out

of my way as we risk all on a deadly mission in enemy territory. I don’t care if he’s fascinated by me, even though he is as attractive as he is resourceful. He’s having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I’m going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways . . . Praise for the Dragon Kin Series “Aiken’s patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure.”—RT Book Reviews (4½ Stars) “A chest thumping, mead-hall rocking, enemy slaying brawl of a good book.”—All Things Urban Fantasy “Laugh-out-loud funny—I loved it!”—Thea Harrison, New York Times bestselling author

**Light My Fire** - G.A. Aiken 2014-11-25

The New York Times bestselling author offers “absolutely everything a reader could want in a book: action, sex, craziness, passion, lunacy and . . . humor” (Fresh Fiction). The trouble with humans is that they’re far too sensitive. Forget you put a woman in the local jail for a few months—and she takes it so personally! And yet she is the one trying to assassinate the queen. And now I’m trapped with Elina Shestakova of the Black Bear Riders of the Midnight . . . gods! That endless name! But what am I to do? I am Celyn the Charming with direct orders from my queen to protect this unforgiving female. Even more shocking, this unforgiving female is completely unimpressed by me. How is that even possible? But I know what I want and, for the moment, I want her. And I’m sure that she, like all females, will learn to adore me. How could she not when I am just so damn charming? Praise for the Dragon Kin Series “Aiken’s patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure.”—RT Book Reviews (4½ Stars) “A chest thumping, mead-hall rocking, enemy slaying brawl of a good book.”—All Things Urban Fantasy “Laugh-out-

But this one tiny woman with her many secrets and her annoying habit of referring to him as "arrogant" has turned his simple dragon life upside down. **WARNING:** This story contains explicit monogamous sex and graphic violence!

**Dragon Actually** - G.A. Aiken 2008-08-26

A high-flying fantasy “packed with bold adventure and sizzling sensuality”—first in the series by the New York Times bestselling author (RT Book Reviews). It's not always easy being a

female warrior with a nickname like Annwyl the Bloody. Men tend to either cower in fear—a lot—or else salute. It's true that Annwyl has a knack for decapitating legions of her ruthless brother's soldiers without pausing for breath. But just once it would be nice to be able to really talk to a man, the way she can talk to Fearghus the Destroyer. Too bad that Fearghus is a dragon, of the large, scaly, and deadly type. With him, Annwyl feels safe—a far cry from the feelings aroused by the hard-bodied, arrogant knight Fearghus has arranged to help train her for battle. With her days spent fighting a man who fills her with fierce, heady desire, and her nights spent in the company of a magical creature who could smite a village just by exhaling, Annwyl is sure life couldn't get any stranger. She's wrong . . . And just wait until you meet the rest of the family . . . **A Heart of Blood and Ashes** - Milla Vane 2020-02-04

A generation past, the western realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of Parsathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge them, even if it costs him the Parsathean crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in

their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

**What A Dragon Should Know** - G.A. Aiken  
2009-09-01

"Expect a lot of humor, snarky remarks, and great chemistry" in this fantasy adventure from the New York Times bestselling author of *About a Dragon* (Under the Covers Book Blog). Only for those I love would I traipse into the merciless Northlands to risk life, limb, and my exquisite beauty. But do they appreciate it? Do they say, "Gwenvael the Handsome, you are the best among us—the most loved of all dragons?" No! For centuries my family has refused to acknowledge my magnificence as well as my innate humility. Yet for them, and because I am so chivalrous, I will brave the worst this land has to offer. So here I stand, waiting to broker an alliance with the one the Northlanders call The Beast. A being so fearful, the greatest warriors will only whisper its name. Yet I, Gwenvael, will courageously face down this terrifying . . . woman? It turns out the Beast, a.k.a. Dagmar Reinholdt, is a woman—one with steel-gray eyes and a shocking disregard for my good looks. Beneath her plain robes and prim spectacles lies a sensual creature waiting to be unleashed. Who better than a dragon to thaw out that icy demeanor? And who better than a beast to finally tame a mighty dragon's heart? Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."—RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."—All Things Urban Fantasy "Laugh-out-loud funny—I loved it!"—Thea Harrison, New York Times bestselling author

**Bring the Heat** - G. Aiken 2017

HE SAYS . . . I, Aidan the Divine, am, well divine. My name was given to me by the Dragon Queen herself! I'm a delight! Cheerful. Charming. And a mighty warrior who is extremely handsome with a very large and well-hidden hoard of gold. I am also royal born, despite the fact that most in my family are horrendous beings that don't deserve to live. And yet, Branwen the Awful—a low-born, no less—either tells me to shut up or, worse, ignores me completely. SHE SAYS . . . I'll admit,

I ignore Aidan the Divine because it annoys him. A lot. But, we have so much to do right now, I can't worry about why he keeps staring at me, or why he always sits so close, or why he keeps looking at me like he's thinking about kissing me. We have our nations to save and no time for such bloody foolishness . . . no matter how good Aidan looks or how long his spiked tail is. Because if we're going to win this war before it destroys everything we love, we'll have to face our enemies together, side by side and without distractions. But if we make it out alive, who knows what the future will hold . . . "A hot-hot series." --Library Journal "This potent story mix is wacky and fun-filled, with plenty of humor and blood-thirsty action." --RT Book Reviews on *Feel the Burn* "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book." --All Things Urban Fantasy on *The Dragon Who Loved Me*

*Don't Wake the Dragon* - Bianca Schulze  
2020-05-19

*Don't Wake the Dragon* is a fantastic and interactive bedtime story featuring a sound-asleep dragon who under no circumstances is to be woken up! Children are tasked with checking in on the sleeping dragon as the castle cook drops his pots and pans and when the knights throw a loud birthday party. It isn't until the whole kingdom settles down that the dragon wakes up. What is the kingdom to do? Designed to be read aloud and interacted with, parents will take pleasure in the playful text as much as children will enjoy gently rocking the book from side to side as they sing the dragon a lullaby. When the story finally comes to an end, and the gentle lullaby is repeated, the dragon (and the child!) is encouraged to drift off to sleep. The whimsical and colorful illustrations enable the dragon to jump off the page and will delight the reader with its humor and personality on every page. Creates a wonderful bedtime ritual with children that they will look forward to every night.

Until it looks like the chosen queen will be Beatrix, her younger sister. Now it's all Keeley can do to protect her family from the enraged royals. Luckily, Keeley doesn't have to fight alone. When he's invited to the secluded hills of northern California for prime hunting with his adult son, he's surprised to find the dragoness who got away is already a guest. Beneath her plain robes and prim spectacles lies a sensual creature waiting to be unleashed. Who better than a dragon to thaw out that icy demeanor? And who better than a beast to finally tame a mighty dragon's heart? "Sexy and outrageous humor." --Romantic Times I know what they see when they look at me. The charming, soft-spoken dragoness bred from the most powerful of royal bloodlines. A disguise stronger than any battle shield that allows me to keep all suitors at tail's length. A technique that's worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who've come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I'll allow no male to dismiss me. Soon he'll learn my worth, my many skills, and the strength of my will. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-wher. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. The unputdownable second half of New York Times bestselling author G.A. Aiken's wildly funny, hot and unmistakably kick ass Dragon Kin series. The Dragon Who Loved Me Rhona the Fearless must fight alongside uncivilized male Northland dragons who think a female is only good for breeding. But only fools would try to stop her from doing what she does best—destroying the enemies of her kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do is stay out of her way . . . How to Drive a Dragon Crazy Izzy thought she was finished with the one dragon she'd have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who wants to protect her from danger. That's fine with her, because while she's trying to fulfill a ridiculous quest for a pushy god, she'll draw the overconfident warlord in and rekindle his smoldering fires . . . Light My Fire Celyn the Charming has direct orders from his queen to protect Elina Shestakova of the Black Bear Riders of the Midnight. Gods! That endless name! Worse still, this unforgiving female is completely unimpressed by Celyn. How is that even possible? Especially when he is just so damn charming? Bring the Heat Aidan the Divine is also a delight, cheerful, charming, and a royal warrior who is extremely handsome with a very large and well-hidden hoard of gold.
