Whether you are in full time or part time employment, considering employment, wanting to return to work, just starting out, or approaching retirement - Springboard helps you to be the best you can be! It is packed with ideas, exercises and examples that you can either work through on your own, or with two or three others or as part of the Springboard Development Programme. It is down-to-earth, practical and full of positive thinking and good humour, with the points illustrated with cartoons and real case studies. This new edition is fully revised and updated.

It's Your Biz - Susan Solovic 2011-10-22

Millions of employees parked in cubicles dream about starting their own businesses. And in today's economy, countless unemployed professionals are becoming entrepreneurs out of necessity. They may have good skills and ideas, but do they really understand what it takes to build a profitable venture? As owner and co-founder of the award-winning It'sYourBiz.com (formerly SBTV.com, or Small Business Television), Susan Solovic has years of experience in the small business trenches. In It's Your Biz she shows prospective entrepreneurs how to sidestep the pitfalls that doom more than half of all new businesses while dramatically improving their odds of success. The book strips away the usual dreamy calls to "pursue your passion," supplying the kind of candid, real-world advice readers truly need, such as how to: • Gauge whether you have the qualities required to succeed • Prepare for drastic culture shock • Build a business plan that works • Focus on providing market solutions • Choose partners, advisers, and employees wisely • Promote your business on a shoestring budget • Protect your company and yourself • Make the most of bootstrap financing. From planning and funding to promotion and pricing, It's Your Biz is packed with the practical, honest, expert guidance that budding entrepreneurs need before they set out on their own.

Words, Thoughts, Feelings - Sheila Atienza 2009-08

Be the girl you ought to be! This book will help you understand the process of communication and life strategies; how you connect and handle relationship with your family and other people around you: your teachers, schoolmates, including your friends, (and even your crush), and new acquaintances. ... will help you explore the making of a better person; with specific chapters devoted to: discovering a girl's potential; a girl's mind; the girl she wants to become; a girl going through changes; a girl's enthusiasm; the rules a girl follows; a girl using self-power; a girl's action plan; and a girl's guide to decision-making." When conflict arises, you will learn to prepare yourself with a more appropriate approach. Learn what it takes to achieve success as a teen girl!

The Black Girl's Guide to College Success - Sheryl Walker 2007

The Black Girl's Guide to College Success: What No One Really Tells You About College That You Must Know provides readers with all the information they need to know to be successful in college. There are books that tell you how to get into college, but few that show you how to navigate college successfully once you're actually there. The Black Girl's Guide to College Success covers the entire college experience from choosing the right major, studying abroad, and obtaining internships, to having fun, balancing out relationships and extracurricular activities, and tough issues like combating feelings of inferiority. Life becomes a little easier when you don't have to figure out EVERYTHING on your own. Millions of black women have graduated from college and have been successful, but having a heads up on how to make it

through successfully can only increase the population of black female college graduates. The Black Girl's Guide to College Success not only defies the myth that all you have to do is study and get good grades to be successful in college, it leaves you wishing there was a Black Girl's Guide for every stage of life!

The Girls' Guide to Building a Million-Dollar Business - Susan Solovic 2007-10-10

We've all been told that nice girls don't get the corner office. And they certainly don't strike out on their own to start a million-dollar company. . . Fortunately, we all know better. As the head of the highly successful SBTV.com (Small Business Television), author Susan Solovic is an authority on making money and building a thriving business. Now in The Girls' Guide to Building a Million-Dollar Business, she shows women how to gain the confidence and knowledge they need to become successful entrepreneurs. Featuring interviews with daring, powerhouse women like Gayle Martz, President & CEO, Sherpa's Pet Training Company, and Taryn Rose of Taryn Rose International, Solovic offers frank advice and hard-won lessons including: • Taking emotions out of the workplace. Make business decisions based on what is best for the company, not on your personal feelings. • Thinking big and bold. Believe that you can be successful and be willing to announce your intentions to the world. • Managing for growth. Hire the right people and discover the best ways to keep them. • Never being afraid to take a chance. Boost profits by taking financial risks. Inspiring and unflinching, The Girls' Guide to Building a Million-Dollar Business shows women that not only do they have the power to earn more money and control their financial destinies—they deserve to.

The Girl's Guide to Starting Your Own Business (Revised Edition) - Caitlin Friedman 2010-12-07

Geared toward the unique challenges faced by self-employed businesswomen—and updated for the social media-driven, post-financial crisis world—The Girl's Guide to Starting Your Own Business offers solutions and advice for handling a range of issues, including how to write a business plan, how to secure funding, and how to hire (and fire) employees. Caitlin Friedman and Kimberly Yorio share practical information drawn from their own extensive experience in the public relations, marketing, and consulting fields. Their concise and engaging advice is explained through entertaining tips, lists, and quizzes that speak directly to women who are dreaming of starting, or have already started, their own businesses.

The Get 'Em Girls' Guide to the Power of Cuisine - Shakara Bridgers 2008-08-26

In Life, Get 'Em Girls Always Go After What They Want... You know a Get 'Em Girl when you see one. She's got it together: great job, nice friends, and plenty of style. But when it comes to love, not all Get 'Em Girls have it figured out. While some may think it's a cliché, maybe the way to a lover's heart is still through his stomach. But who has time to be chained to a stove? Just like having an extra job skill can help you get hired, someone willing to invest a little time and energy into a relationship definitely stands out in a crowded dating field. The Get 'Em Girls' Guide to the Power of Cuisine features over 120 easy and delicious recipes that reflect the authors' southern-girl-in-the-big-city upbringings and will complement every stage of a growing relationship: "Grown 'n' Sexy" desserts meant for sharing The first "Morning After" Breakfast The "Bring Him Back" Chicken Soup when he's sick "Meet the Parents" Carrot Cake and much more! Whether planning an intimate dinner for two or a down-home feast reminiscent of Mama's Sunday dinner, The Get 'Em Girls' Guide to the Power of Cuisine is filled with helpful tips, from stocking the pantry, to selecting wine, and even dating advice! Cooking for a lover can be more meaningful (and cheaper) than dining out. But this is about more than just the food: it's about women investing in themselves and in their relationships. For all the women who aren't afraid to go after what they want, The Get 'Em Girls' Guide to the Power of Cuisine is a must-have in their kitchens!

A Girl's Guide to Being Fearless - Suzie Lavington 2021-01-11

THE ULTIMATE SELF-CARE BOOK FOR TEENAGE GIRLS Face up to the world with confidence and higher self-esteem Growing up has become faster, more furious and the pressures more intense. Anxiety and panic have reached epidemic proportions. A third of teenage girls will suffer from depression. Factor in a rise in self-harm and eating disorders and the mental health stats become alarming. It's time to equip young

women with the means to fight back. A Girl's Guide to Being Fearless unlocks self-esteem, confidence, wellbeing, resilience and offers an antidote to an overwhelming world of altered photos, filters, and fillers. A Girl's Guide helps parents, girls, and teachers understand that wellbeing is an inside job. As an essential book for our time, this guide reflects the challenging world facing teens. The authors suggest there is little to be gained by asking girls to stop taking selfies or using Instagram filters, because these habits are ingrained in teenage culture. Instead, guidance is provided on how girls can take action to increase their confidence and love the skin they are in. Moreover, it's about learning to be a class act in person and online. Practical exercises and doable ideas to inspire young women Encouragement to eliminate self-limiting beliefs Guidance for girls on lifting themselves and others up Tips for showing greater confidence and being excited about the future Suggestions for how to live your best life Keep calm and read A Girl's Guide to Being Fearless, a gathering of life's cheat codes; all simple, do-able and hugely entertaining. Learn how to show anxiety the door and let in more of the good stuff. This book will help you find your Brave. Whisper it quietly, but it might even change your life.

40 Letters to My Daughter - Aigbojie Ewalefoh 2019-02-03

The girl child is a genius with great potentials that many parents fail to timely unlock leading to a male dominated world. The world is equally a lady's world. My research shows that most girls do not have a sound knowledge of the psychological and social makeup of the female gender before being exposed to the outside world. This book is a leadership and motivational guide that promotes the power, and success secrets of the female gender. It promotes female ingenuity and equality from the tender age of twelve. It is amazing to know that many girls are searching for answers far more than world has imagined.
