The Orange Shoes - Trinka Hakes Noble 2013-08-15

Delly Porter has a happy life. She needs new shoes, but doesn't really mind because she loves the soft, silky feel of the dirt road beneath her bare feet. She's a good artist, too, even if she has to make her own art supplies. And she loves her schoolteacher, Miss Violet, who lets her help in the classroom. Life only looks brighter when Miss Violet announces the school will have a Shoebox Social to help raise funds for new art materials. But when what should be a festive occasion is threatened by prejudice and cruelty, Delly finds out that one must stay true to oneself to successfully navigate life's joys and sorrows. From Trinka Hakes Noble, the author of *The Scarlet Stockings Spy* and *The Last Brother*, comes the story of a young girl who learns the most precious things in life are not measured in dollars and cents but by the warmth of one's heart. And that truth, beauty, and love are in the eye of the beholder.

Orange World - Karen Russell 2019-07-04

'I loved Orange World... a collection of short stories in which demons live in drains, bog women come back from the dead and trees can grow inside the human body' Daisy Johnson, *New Statesman* BOOK OF THE YEAR 'A rare combination of literary brilliance and unbridled entertainment' Mark Haddon These exuberant, unforgettable stories showcase Karen Russell's comedic and imaginative talent for creating outlandish predicaments that uncannily mirror our inner lives. In 'The Bad Graft', a couple on a road trip stop in Joshua Tree National Park, where the spirit of a giant tree accidentally infects the young woman, their fates becoming permanently entangled. In 'The Prospectors' two opportunistic young women fleeing the Depression strike out for new territory, but find themselves fighting for their lives. In the brilliant and hilarious title story a new mother desperate to ensure her baby's safety strikes a deal with the devil to protect her baby. Stories of survival, love and of surreal and magnificent transformation show Russell writing at exhilarating new heights. Praise for Orange World: 'The worlds of the stories are entirely

convincing, small pockets in which it is possible to become lost' Guardian 'One of our most original short story writers... Russell has impeccable command of her form' New York Times Book Review

The Orange Girl - Jostein Gaarder 2010-07-15

From the author of SOPHIE'S WORLD, a modern fairy tale with a philosophical twist. 'My father died eleven years ago. I was only four then. I never thought I'd hear from him again, but now we're writing a book together' To Georg Røed, his father is no more than a shadow, a distant memory. But then one day his grandmother discovers some pages stuffed into the lining of an old red pushchair. The pages are a letter to Georg, written just before his father died, and a story, 'The Orange Girl'. But 'The Orange Girl' is no

ordinary story - it is a riddle from the past and centres around an incident in his father's youth. One day he boarded a tram and was captivated by a beautiful girl standing in the aisle, clutching a huge paper bag of luscious-looking oranges. Suddenly the tram gave a jolt and he stumbled forward, sending the oranges flying in all directions. The girl simply hopped off the tram leaving Georg's father with arms full of oranges. Now, from beyond the grave, he is asking his son to help him finally solve the puzzle of her identity.
