

The Ethical Slut A Practical Guide To Polyamory Open Relationships Other Adventures

Shameless Nadia Bolz-Weber 2019-01-30 Christians are obsessed with sex. But not in a good way. For nearly two thousand years, this obsession has often turned destructive, inflicting pain, suffering, and guilt on countless people of all persuasions and backgrounds. In *Shameless*, Bolz-Weber calls for a reformation. To make her case, she offers experiences from her own life and stories from her parishioners alongside biblical theology to explore what the church has taught, and the harm those teachings have caused.

A World Beyond Monogamy Jonathan Kent 2021-08 Skills to make every relationship better. We're living through a relationship revolution. Millions around the world are moving beyond coupledness to explore multiple consensual romantic and/or sexual connections. One in five Americans are thought to have experimented with 'monogamish,' open relationships, swinging, polyamory, or relationship anarchy and more with the knowledge and consent of all those involved. But to make these relationships work consensually, non monogamous people have to supercharge relating skills like communication and negotiation, skills that can benefit us all, whether we love many or just one. In this ground-breaking book former BBC and Reuters journalist Jonathan Kent takes a comprehensive look at the frontiers of love and sex; the triumphs, the pitfalls, the tools one needs, the lessons we can all learn. *A World Beyond Monogamy* draws on the first hand experience of scores of people from six continents who are writing their own relationship rules, as well as on the expertise of biologists, sociologists, psychologists, and philosophers.

The New Topping Book Dossie Easton 2011-11-07 Two decades ago, this book (and its companion volume, *The New Bottoming Book*) began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised *New Topping Book* gives even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! "Easton and Hardy tackle the Top... and bring that elusive critter down neatly and with a certain flair. This is good stuff, important stuff... an excellent guide to topping, both for the rank novice and for the player who just wants words to put to all the thoughts and feelings that have resisted categorization." - Laura Antoniou, *Sandmutopian Guardian*

[Ask Me About Polyamory](#) Tikva Wolf 2016-09-15 A hilarious and touching comic about polyamory, queer, and genderqueer issues. If your relationships or your gender are unconventional, you'll find useful advice and plenty of laughs in this compilation of the wildly popular webcomic *Kimchi Cuddles*. Quirky, endearing and charmingly (and sometimes painfully) realistic characters, many based on real people, explore polyamory, queer and genderqueer issues. Covering practical matters like time management and serious topics like discrimination, this book unites the best of two years of *Kimchi Cuddles* comics, organized into a practical and entertaining guide to the real world of alternative relationships. *Kimchi Cuddles* is a rare mix: fearlessly true to the lives of the people it depicts yet relatable enough to entertain and inform anyone (maybe even your parents). Dealing with both lighthearted and serious subject matter, it avoids clichés and easy answers, choosing instead to give examples of different schools of thought and show the humanity behind each one. Wolf's honesty and gift for clear explanation have made *Kimchi Cuddles* a hit with the most dedicated polyamorists as well as curious newcomers.

The New Bottoming Book Dossie Easton 2011-06-09 Three decades ago, this book and its companion volume "*The New Topping Book*" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of

emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised New Bottoming Book and New Topping Book give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, Consensual Sadomasochism

How to transcend a happy marriage (TCG Edition) Sarah Ruhl 2019-09-03 "This new play is a subversive enchantment. It is part absurd domestic seriocomedy, part erotic magic realism, unflinching about taboos and about questioning that, just maybe, monogamy isn't enough." —Linda Winer, Newsday Over dinner with another married couple, George and her husband grow fascinated by stories of their friends' new acquaintance—an intriguing younger woman named Pip. What begins as an innocent intellectual discussion turns into a sexually explosive New Year's Eve party after George extends an invitation to Pip and her two live-in boyfriends, raising the question: What ultimately binds human beings together?

The Ethical Slut, Second Edition Janet W. Hardy 2011-04-20 The essential guide for singles and couples who want to explore polyamory in ways that are ethically and emotionally sustainable. For anyone who has ever dreamed of love, sex, and companionship beyond the limits of traditional monogamy, this groundbreaking guide navigates the infinite possibilities that open relationships can offer. Hardy dispel myths and cover all the skills necessary to maintain a successful and responsible polyamorous lifestyle--from self-reflection and honest communication to practicing safe sex and raising a family. Individuals and their partners will learn how to discuss and honor boundaries, resolve conflicts, and to define relationships on their own terms. "I couldn't stop reading it, and I for one identify as an ethical slut. This is a book for anyone interested in creating more pleasure in their lives . . . a complete guide to improving any style of relating, from going steady to having an extended family of sexual friends." --Betty Dodson, PhD, author of Sex for One

Polysecure Jessica Fern 2020-10-23 Attachment theory has entered the mainstream, but most discussions focus on how we can cultivate secure monogamous relationships. What if, like many people, you're striving for secure, happy attachments with more than one partner? Polyamorous psychotherapist Jessica Fern breaks new ground by extending attachment theory into the realm of consensual nonmonogamy. Using her nested model of attachment and trauma, she expands our understanding of how emotional experiences can influence our relationships. Then, she sets out six specific strategies to help you move toward secure attachments in your multiple relationships. Polysecure is both a trailblazing theoretical treatise and a practical guide.

The Polyamory Breakup Book Kathy Labriola 2019-10-04 Polyamory is not always easy. With multiple partners often come more complex relationships to navigate. This practical guide looks at the common causes of polyamorous breakups, identifies strategies to avoid ending relationships, and provides you with the toolkit to survive a breakup. Kathy Labriola uses real life examples and expert insight as a counselor and nurse. From how to handle jealousy to the practicalities of managing money and time with multiple partners, this book includes tips and insights from the polyamory community. It is inevitable that some relationships will end in a breakup. This book helps you maintain friendships and minimize the impact of a breakup on the rest of your polycule and wider community. Unlike traditional breakup guides, Labriola's book offers insight specific to the polyamory community and addresses the unique challenges that come with multiple partners.

The Spectre of Promiscuity Christian Klesse 2016-03-03 Wide-ranging research suggests that partners in gay male and bisexual relationships do not necessarily expect monogamy, or see it as an important issue. Although the frequency of gay male and bisexual non-monogamous partnerships tends to be widely acknowledged in social science literature, these relationships have rarely been explored in more detail. By providing rich empirical

data, thoughtful analysis and theoretical debate, this book makes a significant contribution to the sociological literature on sexual and intimate relationships. More specifically it explores the diversity of gay male and bisexual relationship practices in the context of heteronormative citizenship and intra-social movement conflict, and highlights the complexity of power relations that circumscribe queer people's relationships and sexual lives. Written in an accessible and engaging manner, *The Spectre of Promiscuity* provides important insights for further studies on sexual culture, discourse, citizenship, politics and ethics.

Wide Open Gracie X 2015-09-01 At a time when society no longer imposes many sexual taboos, why is open marriage still considered beyond the pale? Written by Gracie X, *Wide Open* is an enthusiastic, honest, and sometimes raw account of one woman's experience living polyamorously within the context of her average American family. Gracie X—a suburban mother of two—has been married to her loving husband, Hank, for 25 years. The problem is that their once-vibrant sex life has shriveled to nothing. Meanwhile, she has fallen in love with another man, for whom she has an overwhelming physical yearning. Frustrated and conflicted but determined not to give up her hard-won home life and wonderful husband, she is desperate for a creative solution. Can she somehow keep both men in her life without resorting to divorce or dishonesty? A friend introduces Gracie to polyamory: loving and being faithful to more than one person at a time. "Poly," it turns out, is a whole new world, with dedicated counselors, parties, and dating sites. Convincing Hank ended up being the easy part: he quickly found a girlfriend and accepted Gracie's terms. Their children, although upset at first, adjusted to having their parents' "special friends" around, and having Hank and his girlfriend in one duplex, with Gracie and her new boyfriend, Oz, next-door, seemed like an inspired solution. But would trying to go poly create as many problems as it was trying to solve? In her candid and provocative memoir, *Wide Open*, Gracie details the years she has spent exploring the poly lifestyle and creating her "chosen family." A fiercely intelligent feminist, she challenges traditional ideas about monogamy, fidelity, and sexuality. From swinger parties and strip clubs to sex toys and pornography, this is an edgy and thought-provoking read. Yet erotica and tenderness share space here, with Gracie's true love for both Hank and Oz—as well as her two children—coming through very clearly. *Wide Open* reveals—with humor, integrity and heart—how one woman blended love, sex and marriage in unconventional ways and found the fulfillment she was looking for.

Sexuality, Sport and the Culture of Risk Keith Gilbert 2005 Explore serious issues in Youth Culture across a broad range of contexts. Deal with subject matter that challenge ideas within theories, methodologies and lifestyles that are confrontational, post-modern in perspective and are designed to question the comfortable research zones of many traditional academics.

The Ethical Slut Dossie Easton 1997 A Guide to Infinite Sexual Possibilities Beyond the often unrealistic ideal of lifetime monogamy lies an uncharted jungle of delightful options - everything from committed multi-partner relationships to friendly sex, casual sex, group sex, and more. timid freshman, or somewhere in between, you'll learn how to discover and craft unique relationships that are healthy, happy, sexy, and tailor-made for you. Because when it comes to your love life, being a know-it-all is actually a great thing to be.

Straight Jacket Matthew Todd 2018 Written by Matthew Todd, editor of Attitude, the UK's best-selling gay magazine, Straight Jacket is a revolutionary clarion call for gay men, the wider LGBT community, their friends and family. Part memoir, part ground-breaking polemic, it looks beneath the shiny facade of contemporary gay culture and asks if gay people are as happy as they could be - and if not, why not? In an attempt to find the answers to this and many other difficult questions, Matthew Todd explores why statistics show a disproportionate number of gay people suffer from mental health problems, including anxiety, depression, addiction, suicidal thoughts and behaviour, and why significant numbers experience difficulty in sustaining meaningful relationships.

Poly Land Page Turner 2017-05-19 Moving away from the sugar-coated honor-student answers, Page Turner leaves little to the imagination about opening a marriage, while exploring her bisexuality and self-worth. Travel through a complicated polyamorous web, in which her partners do their best to sabotage each other, break the rules, and eventually commit assault.

More Than Two Franklin Veaux 2014-09-02 Can you love more than one person? Have multiple romantic partners, without jealousy or cheating? Absolutely! Polyamorous people have been paving the way, through trial and painful error. Now there's the new book *More Than Two: A practical guide to ethical polyamory* to help you find your own way.

Greedy: Notes from a Bisexual Who Wants Too Much Jen Winston 2021-10-05 A hilarious and whip-smart collection of essays, offering an intimate look at bisexuality, gender, and, of course, sex. Perfect for fans of Lindy West, Samantha Irby, and Rebecca Solnit—and anyone who wants, and deserves, to be seen. If Jen Winston knows one thing for sure, it's that she's bisexual. Or wait—maybe she isn't? Actually, she definitely is. Unless...she's not? Jen's provocative, laugh-out-loud debut takes us inside her journey of self-discovery, leading us through stories of a childhood "girl crush," an onerous quest to have a threesome, and an enduring fear of being bad at sex. Greedy follows Jen's attempts to make sense of herself as she explores the role of the male gaze, what it means to be "queer enough," and how to overcome bi stereotypes when you're the posterchild for all of them: greedy, slutty, and constantly confused. With her clever voice and clear-eyed insight, Jen draws on personal experiences with sexism and biphobia to understand how we all can and must do better. She sheds light on the reasons women, queer people, and other marginalized groups tend to make ourselves smaller, provoking the question: What would happen if we suddenly stopped? Greedy shows us that being bisexual is about so much more than who you're sleeping with—it's about finding stability in a state of flux and defining yourself on your own terms. This book inspires us to rethink the world as we know it, reminding us that Greedy was a superpower all along.

The Ethical Slut Dossie Easton 2009 "A practical guide to practicing polyamory and open relationships in ways that are ethically and emotionally sustainable"--Provided by publisher.

Insatiable Wives David J. Ley 2012-01-16 "This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. The most common terms used to describe it are 'hotwife/cuckold lifestyle.' This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted, and often encouraged, to pursue unrestrained sexual encounters

with other men. The author includes interviews and comments from couples living the lifestyle throughout the United States and presents the stories in an attempt to determine the history of this sexual practice and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious." -- page 4 of cover.

The Polyamory Toolkit Dan Williams 2019-01-20 For nearly two decades Dan and Dawn have navigated their journey in polyamory by being proactive, insightful and analytical. Early on, there was very little information or resources available, so the adventure required them to learn from their mistakes as well as their successes. Each have multiple partners and have a history of polyamory relationships lasting multiple years. They have put the time and thought into creating a "toolkit" of knowledge others can implement to help their relationships survive and thrive. Dan and Dawn write in an anecdotal, conversational style that is easy to absorb and use.

Single White Incubus E.J. Russell 2018-10-22 Does a bear shift in the woods? Well, partially. That was what got grizzly shifter Ted Farnsworth into trouble. He wasn't trying to break the Secrecy Pact. He just wants people to see the real him. So he signs up with the mate-matching service Supernatural Selection — which guarantees marriage to a perfect partner. Not only will Ted never be lonely again, but once his new beaver shifter husband arrives, they'll build Ted's dream wilderness retreat together. Win-win. Quentin Bertrand-Harrington, scion of an incubus dynasty, has abstained from sex since nearly killing his last lover. When his family declares it's time for him to marry, Quentin decides the only way not to murder his partner is to pick someone who's already dead. Supernatural Selection finds him the ideal vampire, and Quentin signs the marriage agreement sight unseen. But a mix-up at Supernatural Selection contracts Quentin with Ted. What's Ted supposed to do with an art historian who knows more about salad forks than screwdrivers? And how can Quentin resist Ted's mouthwatering life force? Yet as they work together to untangle their inconvenient union, they begin to wonder if their unexpected match might be perfect after all.

The Ethical Slut, Third Edition Janet W. Hardy 2017-08-15 The classic guide to love, sex, and intimacy beyond the limits of conventional monogamy has been fully updated to reflect today's modern attitudes and the latest information on nontraditional relationships. "One of the most useful relationship books you could ever read, no matter what your lifestyle choices. It's chock-full of great information about communication, jealousy, asking for what you want, and maintaining a relationship with integrity."—Annie Sprinkle, PhD, sexologist and author of *Dr. Sprinkle's Spectacular Sex* For 20 years *The Ethical Slut*—widely known as the "Poly Bible"—has dispelled myths and showed curious readers how to maintain a successful polyamorous lifestyle through open communication, emotional honesty, and safer sex practices. The third edition of this timeless guide to

the ethics of relationships, communication, and sex has been revised to include: • Interviews with poly millennials (young people who have grown up without the prejudices their elders encountered regarding gender, orientation, sexuality, and relationships) • Tributes to polyamory pioneers • Tools for conflict resolution and instructions on how to improve interpersonal dynamics • New sidebars on topics such as asexuality, sex workers, LGBTQ terminology, and ways polys can connect and thrive The authors also include new content addressing nontraditional relationships beyond the polyamorous paradigm of “more than two”: couples who don't live together, couples who don't have sex with each other, nonparallel arrangements, couples with widely divergent sex styles, power disparities, and cross-orientation relationships, while utilizing nonbinary gender language and new terms that have come into common usage since the last edition.

Existential Kink Carolyn Elliott 2020-03-01 A smart, sexy guide to embracing the repressed, tabooed, and often unwanted aspects of ourselves so we can discover our inner power and finally live the life we deserve. “We always get exactly what we want; but often, though we may not be aware of it, what we most want is dark—very dark.” Each of us has a dual nature: we are light (conscious) and dark (unconscious). The dark side of our personality—the “other,” the shadow side—is made up of what we think is our primitive, primal, negative impulses—our “existential kink.” Our existential kink also drives the dark or negative repeating patterns in our life: always choosing the abusive partner or boss, settling for less, thinking that we’re undeserving, not worthy. But it also is the source of our greatest power. In *Existential Kink*, Carolyn Elliott, PhD, offers a truth-telling guide for bringing our shadow into the light. Inviting us to make conscious the unconscious, Elliott asks us to own the subconscious pleasure we get from the stuck, painful patterns of our existence. *Existential Kink* provides practical advice and meditations so we truly see our shadow side’s “guilty pleasures,” love and accept them, and integrate them into our whole being. By doing so, Elliott shows, we bring to life the raw, hot, glorious power we all have to get what we really want in our lives.

Polyamory in the 21st Century Deborah Anapol 2010-08-16 Unlike other books on this topic, *Polyamory in the 21st Century* weaves together research and facts to provide an informed and impartial analysis of polyamory as a lifestyle and as a movement, and to place it in a psychosocial as well as an historical context. Anecdotes and personal experiences allow the reader to develop a better understanding of polyamory and the people who practice and enjoy it. Anapol addresses the practical, the utopian, and the shadow sides of this intriguing, mysterious, yet often threatening lifestyle. It honestly addresses difficult issues such as the nature of commitment without exclusivity, balancing personal needs with loyalty to a partner, evaluating beliefs about love and relationship, the impact of polyamory on children, and the challenges that arise when one partner wants monogamy and another prefers polyamory. Without judgement, she explores this increasingly common practice, and reveals the true nature of a lifestyle that many do not understand.

Slutever Karley Sciortino 2018-02-06 *Slutever* is a call-to-arms, a confessional memoir, and a slut manifesto—and it's all thanks to a sex-radical hedonist in a pink PVC mini dress. “Slut” is a great word. It just sounds perfect—so sharp and clear and beautiful. It's one of those satisfying four letter words, like cunt and fuck. Slut also happens to be an anagram for lust, which is one of those divine coincidences that makes you wonder if God actually exists. We're lucky that slut is such a great word, because it's safe to say that almost every woman will be called a slut at least once in her lifetime. Despite a slowly shifting sexual double standard, it's still taboo to be a woman who's openly sexual—let alone one who sleeps around. Now Vogue columnist Karley Sciortino is on a mission to reclaim the word “slut” to represent a person who seeks out visceral experiences through sex, and who isn't ashamed about it. Sluts are special. Sluts are radical. And sluts are skilled at time management, because they can handle multiple partners on rotation, plus their jobs and their blogs and their beauty routines. Not everyone is qualified for this coveted position. *Slutever* is a thoughtful, first-person account of a modern woman, navigating sex, love, casual hookups, open relationships,, bisexuality, BDSM, breakups, sex

work, sex parties, and the power of sexual agency, as told from the front lines.

Open Deeply Kate Loree, LMFT 2022-04-19 A full one-fifth of the United States has engaged in consensual non-monogamy (CNM) at some point in their lives, and 29 percent of adults under thirty today consider open relationships to be morally acceptable—yet there are few resources to turn to when it comes to navigating this more non-traditional and explorative territory. Picking up where CNM self-help books like *Polysecure*, *The Ethical Slut*, and *More Than Two* leave off, *Open Deeply* tackles the most difficult challenges posed by CNM. Therapist Kate Loree—who has practiced non-monogamy since 2003, and who specializes in treating clients who also practice non-monogamy—pulls no punches as she uses vignettes based on her own life, as well as her clients’ experiences, to illustrate the highs, lows, and in-betweens of life as a consensual non-monogamist. Interwoven with these stories are thorough explanations of how attachment theory impacts non-monogamy, how blending cutting-edge, neurobiology-informed grounding skills with effective communication skills will make even the most challenging conversations regarding non-monogamy manageable, and more. The result is a compassionate, attachment-focused template for non-monogamy that will allow readers to avoid pitfalls and find adventure while concurrently building healthy relationships. Non-monogamy is a wild and woolly ride—and *Open Deeply* is here to help make it a great one.

Radical Ecstasy Dossie Easton 2011-08-02 For millennia, seekers have used physical and emotional extremes to achieve transcendence and exaltation. Today, many BDSM and leather practitioners are discovering the potential of SM practice to reach personal, interpersonal and spiritual goals. In *Radical Ecstasy*, bestselling BDSM/sexuality authors Easton and Hardy document their own journeys into the transcendent realm of kink. With their trademark frankness and humor, they share their own stories and philosophies. They also share techniques that have worked for them - techniques which combine tantric breathing, visualization and movement with a combined half-century of BDSM experience - to create states of transcendence during solo and partnered sexual and BDSM practice. As outrageously revolutionary as any sex book published in the last decade, *Radical Ecstasy* sets the stage for the new millennium in BDSM and sacred-sex practices - a "must" for any kink, tantra, pagan or sacred-sex practitioner. "Amazingly mindful exploration of that which cannot be easily put into words... the ecstatic experience from sex to sadomasochism, from trance to intuition to archetypes and spiritual awakening. Totally real and personal. Not a 'how to' but a nurturing 'can do' book." - Fakir Musafar, father of the modern primitive movement. "Progressive, deliciously honest, and HOT HOT HOT! Dossie and Janet ask difficult questions about the nature of sex, intimacy and ecstasy, then they actually manage to answer the questions, plus turn us on when they do. These two erotically gifted women have a way with words - and sex. They raise the bar on erotic writing and sex education to new heights. I'm in awe." - Annie Sprinkle, Ph.D., prostitute/porn star turned sex guru/sexologist "Fascinating, heartfelt, honest, real stories of the heart/spirit/energy connection experienced in the passionate rituals of intimate consensual power play. These two courageous women write brilliantly of how erotic energies connect us with the big love we all seek from the source." - Cleo Dubois, educator, ritualist, video producer/star

Designer Relationships Mark Michaels 2015-09-08 Contemporary relationships are in a state of rapid evolution. These changes can and should empower people with the opportunity to develop partnerships based on their own sexualities, understandings, and agreements. This makes it possible to create what Kenneth Haslam, founder of the Kinsey Institute’s Polyamory Archive, has called “designer relationships.” Designer relationships may encompass: people who bond emotionally but not sexually; people who agree to be non-exclusive; single people who have occasional lovers or friends with benefits; multiple partner configurations where long-term bonds exist among all or some; partnerships in which people are kinky and that make room to explore kink. The possibilities are limitless, and thinking about a partnership as something people can craft allows for flexibility and change. Relationships can open and close or have varying degrees and kinds of openness as circumstances demand. In the context of a designer relationship, decisions are made mutually, consciously, and deliberately. Best-selling authors and nationally known relationship

experts Patricia Johnson and Mark A. Michaels are exemplars of this life choice, and have studied polyamory for over 20 years. This book explains exactly how you and your loved ones can design your own life and love.

Sex at Dawn Christopher Ryan 2021-01-05 The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, *Sex at Dawn* offers a revolutionary understanding of why we live and love as we do.

OPEN Rachel Krantz 2022-01-25 ***** 'A starkly naked story of a young woman's adventure of self-discovery, told with a striking lack of shame or apology. Highly recommended.' - Dr. Christopher Ryan, author of *Sex At Dawn* 'Smart, original, ambitious, and deeply absorbing memoir... She succeeds by bringing us deftly and irresistibly into her most intimate pains and joys, stretching our understanding of what commitment and autonomy mean.' - Dr. Wednesday Martin, author of *Untrue & Primates of Park Avenue* 'A perfect guide to our new world, the only problem I had picking up this book was putting it back down. *Open* compels, entertains, and may ultimately transform its readers.' - Dr. Terry Real, internationally recognised Family Therapist, author, and founder of the Relational Life Institute 'A sexy, messy, necessary look at polyamory' - Advocate When Rachel Krantz met and fell for Adam, he told her that he was looking for a committed partnership - just one that did not include exclusivity. Excited but a little trepidatious, Rachel set out to see whether love and a serious relationship can coexist beyond the familiar borders of monogamy. This is her open and honest true story. Now, in her debut memoir, she chronicles her dive into non-monogamy. With fly-on-the-wall detail and extraordinary perceptiveness, *OPEN* takes us inside Brooklyn parties and into the wider swinger and polyamory community. Armed with her journalistic instincts, detailed journal entries and interviews with experts and therapists, Krantz also breaks new ground in confronting the unique ways tacit abuse and gaslighting can manifest when things get so complex. Unflinching and brazen, *OPEN* asks what liberation really looks like, and whether the pleasure really is worth the pain.

Safe, Sane and Consensual Darren Langdridge 2007-11-08 This book includes work on sadomasochism from across the social sciences including discussions of the history and culture of SM, medical and legal issues, along with theory and original research on the topic. With contributions from academics, practitioners and activists, this book represents some of the most recent cutting edge work in the field.

The Ethical Slut A Practical Guide To Polyamory Open Relationships Other Adventures come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different The Ethical Slut A Practical Guide To Polyamory Open Relationships Other Adventures eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout,

preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right The Ethical Slut A Practical Guide To Polyamory Open Relationships Other Adventures eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.
