

Uncommon Ground A Word Lovers Guide To The British Landscape

The Island of Missing Trees Elif Shafak 2023-02-28 A novel about belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of 10 Minutes 38 Seconds in This Strange World.

The Illustrated History of the Countryside Oliver Rackham 2003 THE ILLUSTRATED HISTORY OF THE COUNTRYSIDE tells the many-layered story of the British landscape. Oliver Rackham shows, with passion and humour, how to read our surroundings; the past - even the medieval past - lives around us. Adapted from his classic work THE HISTORY OF THE COUNTRYSIDE this illustrated edition combines Dr Rackham's wisdom and eloquence with the finest landscape photography, vividly exposing the splendour and secrets of our countryside. At the heart of the book are eight of the author's walks within areas of natural beauty; Dr Rackham proves an engaging and informative guide to some of Britain's best loved places, as well as offering practical advice on landscape detection techniques. With over 100 colour illustrations THE ILLUSTRATED HISTORY OF THE COUNTRYSIDE contains a wealth of knowledge invaluable to our appreciation of our greatest asset - our natural heritage.

Butterfly Burning Yvonne Vera 2000-09-12 Butterfly Burning brings the brilliantly poetic voice of Zimbabwean writer Yvonne Vera to American readers for the first time. Set in Makokoba, a black township, in the late 1940s, the novel is an intensely bittersweet love story. When Fumbatha, a construction worker, meets the much younger Phephelaphi, he "wants her like the land beneath his feet from which birth had severed him." He in turn fills her "with hope larger than memory." But Phephelaphi is not satisfied with their "one-room" love alone. The qualities that drew Fumbatha to her, her sense of independence and freedom, end up separating them. And the closely woven fabric of township life, where everyone knows everyone else, has a mesh too tight and too intricate to allow her to escape her circumstances on her own. Vera exploits language to peel away the skin of public and private lives. In Butterfly Burning she captures the ebullience and the bitterness of township life, as well as the strength and courage of her unforgettable heroine.

Door to Door Emma Walton Hamilton 2022-09-13 A beautiful book-length sonnet comprised of forty-nine poems, exploring life in all of its phases. Door to Door is a celebration of accident and grace in a world where wonder is too often supplanted by obligation. This collection of poems is split into four parts roughly corresponding to the author's life phases, touching on her experiences of childhood, family, motherhood, and aging, as well as her reflections on art, love, loss, and the mysteries of the natural world. Award-winning, best-selling author Emma Walton Hamilton's love of language is evident throughout; her voice is playful, at times reverential, and always interested in the magic and imagery of the subjects she tackles.

The Gloaming Kirsty Logan 2018-04-19 'The best lives leave a mark.' A bewitching tale of first love, shattering grief, and the dangerous magic that draws us home. Mara's island is one of stories and magic, but every story ends in the same way. She will finish her days on the cliff, turned to stone and gazing out at the horizon like all the islanders before her. Mara's parents - a boxer and a ballerina - chose this enchanted place as a refuge from the turbulence of their previous lives; they wanted to bring up their children somewhere special and safe. But the island and the sea don't care what people want, and when they claim a price from her family, Mara's world unravels. It takes the arrival of Pearl, mysterious and irresistible, to light a spark in Mara again, and allow her to consider a different story for herself. The Gloaming is a gorgeous tale of love and grief, and the gap between fairy tales and real life.

The Mushroom at the End of the World Anna Lowenhaupt Tsing 2021-06-08 "A tale of diversity within our damaged landscapes, The Mushroom at the End of the World follows one of the strangest commodity chains of our times to explore the unexpected corners of capitalism. Here, we witness the

varied and peculiar worlds of matsutake commerce: the worlds of Japanese gourmets, capitalist traders, Hmong jungle fighters, industrial forests, Yi Chinese goat herders, Finnish nature guides, and more. These companions also lead us into fungal ecologies and forest histories to better understand the promise of cohabitation in a time of massive human destruction."--Publisher's description.

A Field Guide To Getting Lost Rebecca Solnit 2010-08-31 In this investigation into loss, losing and being lost, Rebecca Solnit explores the challenges of living with uncertainty. A Field Guide to Getting Lost takes in subjects as eclectic as memory and mapmaking, Hitchcock movies and Renaissance painting, Beautifully written, this book combines memoir, history and philosophy, shedding glittering new light on the way we live now.

The Running Book John Connell 2020-10-01 'Sensational! John Connell has done it again' - Dean Karnazes From the award-winning, No.1 bestselling author of *The Cow Book* In *The Running Book*, John Connell vividly describes a marathon through County Longford, Ireland, where he lives and farms. Because running is as much about the mind as the body, the book is about more than the physical experience. What John sees on his journey prompts him to contemplate a wide range of things: he's as likely to think about local Irish history, the legacy of colonialism in Australia or the story of Haile Gebrselassie as he is to remember his own past runs in Arizona or Ibiza. After a mental health crisis, John found the simple act of putting one foot in front of another helped him to regain his sense of self and better appreciate the world around him. At its core, *The Running Book* is a life-affirming read about the nature of happiness - and how for one man it came through the feet. 'Takes the theme of running and opens it out into something much wider' - Irish Times 'Read *The Running Book* and you see life in every route you run; past, present and future, life is for running' - Sonia O'Sullivan 'Every runner will find something poignant that resonates within this book' - Paula Radcliffe

This Is How You Lose the Time War Amal El-Mohtar 2019-07-16 Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked "Burn before reading. Signed, Blue." So begins an unlikely correspondence between two rival agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they're the best, and they're alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning's what you do in war. Isn't it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space.

Wild Signs and Star Paths Tristan Gooley 2018-05-17 'A paean to the beauty and majesty of nature, especially the nature we overlook in our back gardens and local parks... And like all the best books, it makes the world around you a lot more interesting' - Spectator 'Beautifully written... I promise you will feel more in tune with the world around after reading only one chapter of *Wild Signs and Star Paths*, let alone the book in its entirety' - Royal Institute of Navigation 'A beautifully written almanac of tricks and tips that we've lost along the way' - Observer Tristan Gooley, author of the internationally bestselling *How To Read Water* and *The Walker's Guide to Outdoor Clues & Signs*, shows how it is possible to achieve a level of outdoors awareness that will enable you to sense direction from stars and plants, forecast weather from woodland sounds and predict the next action of an animal from its body language - instantly. Although once common, this now rare awareness would be labelled by many as a 'sixth sense'. We have become so distanced from this way of experiencing our environment that it may initially seem hard to believe that it is possible, but Tristan Gooley uses a collection of 'keys' to show how everyone can develop this ability and enjoy the outdoors in an exciting way - one that is both new and ancient.

Common Ground Rob Cowen 2016-11-02 "Even in our parceled-out, paved-over urban environs, nature is all around us, it is in us. It is us. This is what Rob Cowen discovered after moving to a new

home in northern England. After ten years in London, he was suddenly adrift, searching for a sense of connection. He found himself drawn to a square-mile patch of waste ground at the edge of town. Scrappy, weed-filled, this heart-shaped tangle of land was the very definition of overlooked - a thoroughly in-between place that capitalism had no further use for, leaving nature to take its course. Wandering in meadows, woods, hedges, and fields, Cowen found it was also a magical, mysterious place, haunted and haunting, abandoned but wildly alive - and he fell in fascinated love."--Book jacket.

Electric Eden Rob Young 2010-08-19 Rob Young's *Electric Eden: Unearthing Britain's Visionary Music* is a seminal book on British music and cultural heritage, that spans the visionary classical and folk tradition from the nineteenth-century to the present day. 'A thoroughly enjoyable read and likely to remain the best-written overview for a long time.' GUARDIAN 'A perfectly timed, perfectly pitched alternative history of English folk music . . . wide-ranging, insightful, authoritative, thoroughly entertaining.' NEW STATESMAN 'A stunning achievement.' SIMON REYNOLDS 'A masterpiece.' CAUGHT BY THE RIVER 'Excellent . . . blissfully quotable.' NEW YORK TIMES 'An authoritative account.' THE TIMES 'Consistently absorbing.' INDEPENDENT 'An impassioned and infectious rallying cry of a book.' SUNDAY TIMES In this groundbreaking survey of more than a century of music making in the British Isles, Rob Young investigates how the idea of folk has been handed down and transformed by successive generations - song collectors, composers, Marxist revivalists, folk-rockers, psychedelic voyagers, free festival-goers, experimental pop stars and electronic innovators. In a sweeping panorama of Albion's soundscape that takes in the pioneer spirit of Cecil Sharp; the pastoral classicism of Ralph Vaughan Williams and Peter Warlock; the industrial folk revival of Ewan MacColl and A. L. Lloyd; the folk-rock of Fairport Convention, Sandy Denny, Nick Drake, Shirley Collins, John Martyn and Pentangle; the bucolic psychedelia of The Incredible String Band, The Beatles and Pink Floyd; the acid folk of Comus, Forest, Mr Fox and Trees; The Wicker Man and occult folklore; the early Glastonbury and Stonehenge festivals; and the visionary pop of Kate Bush, Julian Cope and Talk Talk, *Electric Eden* maps out a native British musical voice that reflects the complex relationships between town and country, progress and nostalgia, radicalism and conservatism. An attempt to isolate the 'Britishness' of British music - a wild combination of pagan echoes, spiritual quest, imaginative time-travel, pastoral innocence and electrified creativity - *Electric Eden* will be treasured by anyone interested in the tangled story of Britain's folk music and Arcadian dreams. 'A treat.' TIME OUT 'Young is a fine writer.' MOJO 'Young's immense narrative is both educative and gripping.' UNCUT 'A multitudinous, fascinating and beautifully written account.' TLS

Multilingualism John Edwards 2023-01-12 Multilingualism is everywhere in our globalised society. Delving into the 'social life' of languages, John Edwards provides a brief yet compelling overview of multilingualism and its sociocultural implications and consequences. Covering major topics including language origins, language death, lingua francas, pidgins, creoles and artificial languages, this book provides a complete introduction to what happens when languages meet. A vital primer for anybody interested in multilingualism, this new edition has been refreshed and updated, expanding its coverage and adding new topics such as linguistic imperialism, minority languages, and folk linguistics. A brand new chapter on recent developments also covers the linguistic landscape, language planning, the 'new speaker' phenomenon and digital multilingualisms. Accessibly written in an engaging style which assumes no prior knowledge, this book is an essential introduction for anybody interested in multilingualism and language.

Wild Signs and Star Paths 'a Beautifully Written Almanac of Tricks and Tips That We've Lost Alon Tristan Gooley 2018-05-17 Tristan Gooley ... shows how it is possible to achieve a level of outdoors awareness that will enable you to sense direction from stars and plants, forecast weather from woodland sounds and predict the next action of an animal from its body language - instantly. Although once common, this now rare awareness would be labelled by many as a 'sixth sense'. We have become so distanced from this way of experiencing our environment that it may initially seem hard to believe that it is possible, but Tristan Gooley uses a collection of 'keys' to show how everyone

can develop this ability and enjoy the outdoors in an exciting way - one that is both new and ancient. *Enduring Love* Ian McEwan 2012 "The story of how an ordinary man can be driven to the brink of murder and madness by the delusions of another. It begins on a windy summer's day in the Chilterns when the calm, organized life of Joe Rose is shattered by a ballooning accident."--Publisher's description.

The Word for World is Forest Ursula K. Le Guin 2015-04-23 When the inhabitants of a peaceful world are conquered by the bloodthirsty yumens, their existence is irrevocably altered. Forced into servitude, the Athsheans find themselves at the mercy of their brutal masters. Desperation causes the Athsheans, led by Selver, to retaliate against their captors, abandoning their strictures against violence. But in defending their lives, they have endangered the very foundations of their society. For every blow against the invaders is a blow to the humanity of the Athsheans. And once the killing starts, there is no turning back.

Uncommon Ground Dominick Tyler 2015 An enchanting visual glossary of the British landscape. *The Claude Glass* Arnaud Maillet 2009 A study of a largely forgotten optical device and its relation to notions of opacity, transparency, and imagination.

Dictionary of the British English Spelling System Greg Brooks 2015-03-30 This book will tell all you need to know about British English spelling. It's a reference work intended for anyone interested in the English language, especially those who teach it, whatever the age or mother tongue of their students. It will be particularly useful to those wishing to produce well-designed materials for teaching initial literacy via phonics, for teaching English as a foreign or second language, and for teacher training. English spelling is notoriously complicated and difficult to learn; it is correctly described as much less regular and predictable than any other alphabetic orthography. However, there is more regularity in the English spelling system than is generally appreciated. This book provides, for the first time, a thorough account of the whole complex system. It does so by describing how phonemes relate to graphemes and vice versa. It enables searches for particular words, so that one can easily find, not the meanings or pronunciations of words, but the other words with which those with unusual phoneme-grapheme/grapheme-phoneme correspondences keep company. Other unique features of this book include teacher-friendly lists of correspondences and various regularities not described by previous authorities, for example the strong tendency for the letter-name vowel phonemes (the names of the letters) to be spelt with those single letters in non-final syllables.

The Outdoor Swimmers' Handbook Kate Rew 2022-06-09 'An important, inspiring book by someone that has encouraged million of people to experience the wonders and friendships of Britain's rivers, lakes and seas' ROBERT MACFARLANE 'A treasured guide for anyone who wants to venture into rivers, estuaries, lakes and seas for a dip, a moonlit swim or a great adventure. I loved this book!' LYNNE COX Capturing the freewheeling spirit, community and wisdom that defines The Outdoor Swimming Society movement, founder Kate Rew reveals everything you need to know to explore rivers, lakes, seas and estuaries. Sharing tales of her own inspiring swims, Kate explores the rich and varied life of outdoor swimmers, from the physiology of cold to planning lazy hazy downstream swims. An exquisite guide for beginners and enthusiasts alike, *The Outdoor Swimmers' Handbook* will lead you to the shore and become your trusted companion for the adventures ahead.

The Book of Strange New Things Michel Faber 2014-10-06 'I am with you always, even unto the end of the world . . .' Peter Leigh is a missionary called to go on the journey of a lifetime. Leaving behind his beloved wife, Bea, he boards a flight for a remote and unfamiliar land, a place where the locals are hungry for the teachings of the Bible - his 'book of strange new things'. It is a quest that will challenge Peter's beliefs, his understanding of the limits of the human body and, most of all, his love for Bea. *The Book of Strange New Things* is a wildly original tale of adventure, faith and the ties that might hold two people together when they are worlds apart. This momentous novel, Faber's first since *The Crimson Petal and the White*, sees him at his expectation-defying best. WINNER OF THE SALTIRE BOOK OF THE YEAR AWARD SHORTLISTED FOR THE ARTHUR C. CLARKE AWARD AS HEARD ON BBC RADIO 4

Wild Swim Kate Rew 2021-07-15 In this stunning and inspiring guide, Kate Rew, founder of the Outdoor Swimming Society, takes you on a wild journey across Britain, braving the elements to experience first-hand some of the country's most awe-inspiring swim spots, from tidal pools in the Outer Hebrides to the white-sand beaches of the Isles of Scilly. Waterfalls, natural jacuzzis, sea caves, meandering rivers - every swim is described in loving detail, taking in not only the gleeful humour of each mini-adventure and the breathtaking beauty of the surroundings, but also practical information about how to find these remote spots. 'Sublime . . . It sets the imagination tingling, laying an irresistible trail for readers to follow' Sunday Times 'Read this and it will be impossible to take an unremarkable walk again' Metro 'He has a rare physical intelligence and affords total immersion in place, elements and the passage of time: wonderful' Antony Gormley

1,000 Books to Read Before You Die James Mustich 2018-10-02 "The ultimate literary bucket list." —THE WASHINGTON POST Celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that's as compulsively readable, entertaining, surprising, and enlightening as the 1,000-plus titles it recommends. Covering fiction, poetry, science and science fiction, memoir, travel writing, biography, children's books, history, and more, *1,000 Books to Read Before You Die* ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation, You have to read this. But it's not a proscriptive list of the "great works"—rather, it's a celebration of the glorious mosaic that is our literary heritage. Flip it open to any page and be transfixed by a fresh take on a very favorite book. Or come across a title you always meant to read and never got around to. Or, like browsing in the best kind of bookshop, stumble on a completely unknown author and work, and feel that tingle of discovery. There are classics, of course, and unexpected treasures, too. Lists to help pick and choose, like *Offbeat Escapes*, or *A Long Climb*, but *What a View*. And its alphabetical arrangement by author assures that surprises await on almost every turn of the page, with Cormac McCarthy and *The Road* next to Robert McCloskey and *Make Way for Ducklings*, Alice Walker next to Izaak Walton. There are nuts and bolts, too—best editions to read, other books by the author, "if you like this, you'll like that" recommendations, and an interesting endnote of adaptations where appropriate. Add it all up, and in fact there are more than six thousand titles by nearly four thousand authors mentioned—a life-changing list for a lifetime of reading. "948 pages later, you still want more!" —THE WASHINGTON POST

Thomas Hardy J. B. Bullen 2013-06-24 A study of the fictitious world in Hardy's novels in relation to real places and Hardy's real-life experiences. Thomas Hardy's Wessex is one of the great literary evocations of place, populated with colourful and dramatic characters. As lovers of his novels and poetry know, this 'partly real, partly dream-country' was firmly rooted in the Dorset into which he had been born. J. B. Bullen explores the relationship between reality and the dream, identifying the places and the settings for Hardy's writing, and showing how and why he shaped them to serve the needs of his characters and plots. The locations may be natural or man-made, but they are rarely fantastic or imaginary. A few have been destroyed and some moved from their original site, but all of them actually existed, and we can still trace most of them on the ground today. *Thomas Hardy: The*

World of his Novels is essential reading for students of literature and for all Hardy enthusiasts who want to gain new insights into his work. Praise for Thomas Hardy "Take pleasure in a book like this one, which skillfully interweaves its evocative accounts of Hardy's life, of Dorset and Cornwall places, and of the stories unfolded from places in six of his novels (and a few poems) so that we vividly re-experience them. . . . The pleasures of this book (and they are real) come from its ability to re-enchant us in a way that is not un-Hardy-like, to draw us again into the intensely seen, heard, and felt world of the novels and poems. It set me to re-reading Hardy, with different eyes." —Review 19

Dutch Landscapes Desmond Shawe-Taylor 2010 Published to accompany an exhibition opening at the Queen's Gallery, the Palace of Holyroodhouse, in April 2010 and the Queen's Gallery, Buckingham Palace, in April 2011.

The Left Hand Of Darkness Ursula K. Le Guin 2012-12-06 Winter is an Earth-like planet with two major differences: conditions are semi arctic even at the warmest time of the year, and the inhabitants are all of the same sex. Tucked away in a remote corner of the universe, they have no knowledge of space travel or of life beyond their own world. And when a strange envoy from space brings news of a vast coalition of planets which they are invited to join, he is met with fear, mistrust and disbelief. . . . 'The Left Hand of Darkness' is a groundbreaking work of feminist science fiction, an imaginative masterpiece which poses challenging questions about sexuality, sexism and the organisation of society.

Southborough War Memorial JUDITH. JOHNSON 2018-03-06 A unique record of the two hundred and fifty-four men and one woman named on the Southborough War Memorial, Tunbridge Wells, Kent, recalling the details of those who died in the wars of the twentieth century, poignantly scant in some cases, of their lives and final resting places, wherever it was possible to research through archives and the memories of those left behind.

Red, White & Royal Blue Casey McQuiston 2019-05-14 * Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

Stubborn Archivist Yara Rodrigues Fowler 2019 A young British -Brazilian woman from South London navigates growing up between two cultures and into a fuller understanding of her body, relying on signposts such as history, family conversation, and the eyes of the women who have shaped her: mother, grandmother, and aunt. During her trips to Brazil, sometimes alone, often with family, our narrator accesses a different side of herself that is as much of who she is as anything else. -- adapted from back cover

The Making Of The British Landscape Nicholas Crane 2016-10-13 How much do we really know about the place we call 'home'? In this sweeping, timely book, Nicholas Crane tells the story of Britain. ***** Over the course of 12,000 years of continuous human occupation, the British landscape has been transformed from a European peninsula of glacier and tundra to an island of glittering cities and exquisite countryside. In this geographical journey through time, we discover the ancient relationship between people and place and the deep-rooted tensions between town and countryside. From tsunamis to Roman debacles, from henge to high-rise and hamlet to metropolis, this is a book about change and adaptation. As Britain lurches towards a more sustainable future, it is the story of

The Wasp Factory Iain Banks 2013-07-02 The polarizing literary debut by Scottish author Ian Banks, *The Wasp Factory* is the bizarre, imaginative, disturbing, and darkly comic look into the mind of a child psychopath. Meet Frank Cauldhame. Just sixteen, and unconventional to say the least: Two years after I killed Blyth I murdered my young brother Paul, for quite different and more fundamental reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim. That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It was just a stage I was going through.

Landmarks Robert Macfarlane 2015-03-05 SHORTLISTED FOR THE SAMUEL JOHNSON PRIZE 2015 SHORTLISTED FOR THE WAINWRIGHT PRIZE 2016 *Landmarks* is Robert Macfarlane's joyous meditation on words, landscape and the relationship between the two. Words are grained into our landscapes, and landscapes are grained into our words. *Landmarks* is about the power of language to shape our sense of place. It is a field guide to the literature of nature, and a glossary containing thousands of remarkable words used in England, Scotland, Ireland and Wales to describe land, nature and weather. Travelling from Cumbria to the Cairngorms, and exploring the landscapes of Roger Deakin, J. A. Baker, Nan Shepherd and others, Robert Macfarlane shows that language, well used, is a keen way of knowing landscape, and a vital means of coming to love it. Praise for Robert Macfarlane: 'He has a poet's eye and a prose style that will make many a novelist burn with envy' John Banville, Observer "I'll read anything Macfarlane writes" David Mitchell, Independent 'Every movement needs stars. In [Macfarlane] we surely have one, burning brighter with each book.' Telegraph '[Macfarlane] is a godfather of a cultural moment' Sunday Times
