Get Inside Her: Dirty Dating Tips & Secrets from a Woman Marni Kinrys 2013-02-15 Guys, Discover Insider Dating Tips From A Woman: One night, I sat up late reading email after email from attractive, witty guys who were single and ready to date, and instead of being impressed and enraptured, I began to wonder what on earth was going wrong in the world. You see, these emails were not the typical online dating messages. They weren't asking me out on dates, or vying for desire or attention. They were sent from great guys, who no matter what they tried, always seemed to find that beautiful women ended up dating jerks and never calling them back. Now, you might be wondering what all these guys are doing emailing me their questions, but as a professional Wing Girl, it's my duty to be the girl who gives it to guys straight of the dating community. I'm always brutally honest and have been told I have a gift for seeing things from both sides of the dating lines, but it took me a few glasses of wine and some seriously deep thinking to try to piece the puzzle together. What was going on? I knew all my gorgeous girlfriends were looking for these types of men. Men who were exciting, fun, good, honest and who had their life together... So as they were they emailing me, detailing their failed attempts, I tried to find the one common factor that was holding these great guys back. I spoke with them at length about their dating history, trying to figure out if they were doing something wrong, and then it struck me. It wasn't them; it was "The Game" they had been told to play. They had the best intentions, but they were going about attracting and dating beautiful women in all the wrong ways. They were dating from the male perspective and in a way that seemed right to other guys; but this wasn't communicated clearly to women! As I started to reply to each email, instead of telling them what I thought they wanted to hear or what I thought male Pick Up Artists might tell them, I started to lay it all out on the line. Later on, when I asked my girlfriends for their opinion, they couldn't believe what I had written. I was revealing all secrets women would never tell men. I was putting it out there in a way that would give guys what my girlfriends called the upper hand, but I defended my actions. These were genuinely great guys! I was tired of hearing how women could never find what they were looking for. Now, when I gave the men a road map to go out and find them, they freaked out! That's when I knew I had something worth sharing. Something that would turn the dating world on its head; finally, I thought, "It's time to shake things up!" If you have ever wondered why you aren't on the calendars of beautiful women, why they never seem to call back, or always end up with the jerks of the world, then you have to hear what I have to say. You need to accept that it's not your fault and face the facts. Men and women are different. We act, think, and date differently. If you want to find success, you have to see things from a different perspective. You have to gain the world's first (and best) awarded female Pick Up Artists perspective! Now when I go out, meet with clients, call, or email these great guys back, I get something in return. I get to see them finally date the women they have always wanted and deserved. They tell me how easy and simple it has become, and how they cannot believe they didn't think of it first. Of course, I always laugh and tell them, "How could you? We think differently!" They send me photographs, updates, and once in a while, I'll be invited to a wedding or two. Now, it's your turn. Come see where the controversy lays. Discover the secrets that will make women want you, chase you, and call you back every time. Become the man you have always wanted to be but didn't know how.

The Meet and Attract Girls Bundle (2-In-1) Brett Andrews 2019-06-04 If you wish you knew how to "sweep a woman off her feet," then keep reading. The truth is: A lot of men simply don't know what to say--to an attractive woman. You might feel like you have nothing to offer her. Perhaps you've experienced uncomfortable emotions in social situations--like embarrassment, frustration, or sadness--because it seems like everybody has a girlfriend but you. You're not alone. Through the ages, many men (like Casanova, Kierkegaard, & Schopenhauer) have wrestled with the same problems. They attempted to codify the elements of female attraction, and unpack the riddle of womanhood. Much of ancient literature tells the tale of a woeful love-struck man--lamenting the indifference of the woman he desires. Why do some men seem to effortlessly exude charisma, confidence, and charm, while others never get any attention at all? What's the solution? Fortunately for us, recent advances in evolutionary psychology, biology, and social science have shed some light on these questions to unlock the formula for charisma! The trick lies in understanding that, the female brain was tuned (thousands of years ago) to look for a certain set of male characteristics. At a subconscious level, a woman's brain is always observing a man--taking note of his body language, the gaze of his eyes, his voice, his touch, his way with words, and the way he carries himself across a crowded room. The message a man conveys with these little behaviors, is known as his "nonverbal communication." Mastering this type of communication, approaching women, engaging in small talk, and parlaying an encounter into a romance, is a delicate undertaking--sometimes called the "Art of Seduction." There is much to learn in this domain. But, fortunately, we've crammed this book full of practical information, and proven strategies--designed to teach you exactly how to instantly connect with a woman--on a deeper level. Book 1: "How to Talk to Women with Charisma, Confidence & Charm" How to make a first impression that counts--and makes her instantly curious to learn more about you. How to become more articulate, well-spoken, and make witty small talk, effortlessly. Learn the cure for "never knowing what to say" to a woman you just met. The one conversation technique that is guaranteed to get her instantly interested in you. The biological basis of confidence, how it kept your ancestors alive, and how to develop it in yourself. How to utilize eye contact, and the power of your voice, to seize female attention. How to avoid the dreaded "Friend Zone," & use your touch and masculine energy to spark sexual tension. Book 2: "The Online Dating Guide for Men" The simple messaging strategy that has been proven to get dates--touted by the inventor of OkCupid himself--mathematician Christian Rudder. The 4 reasons why women respond positively to men online. The one paragraph that you must include in your dating profile, to signal YOUR values to a woman. How to select your best digital photo. How to re-frame her negative messages into positive outcomes. Even if you're not the best-looking guy in the world, this is largely

irrelevant. Because it takes more than a pretty face to attract a woman. As Casanova himself wrote in 1821: "I was not handsome, but I had something better than beauty--a striking expression--which almost compelled an affectionate interest in my favor, and I felt myself ready for anything... A most unwavering feeling of self-esteem...enhanced wonderfully my confidence in myself." Wouldn't it be great to have this level of confidence? Ready to learn more? Then click the Buy Button now!

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic--from NYC and all the way to Spain--for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the

suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Game Roosh Valizadeh 2018-08-21 Game teaches men a 9-step program for meeting and attracting women in an age when smartphones, feminism, and anti-masculinity propaganda have made connecting with the opposite sex harder than ever. It will help you achieve casual or monogamous relationships while safeguarding you from sexual harassment and rape accusations that have increased due to the spread of social justice and hashtag activism. Game was written after the author's 17-year obsessive journey into the art of seducing women. The book begins with... -The 8 beliefs you must internalize to attract women without conscious effort -How to maximize your physical appearance so that most of a seduction is complete before you even begin talking -The hygiene and body flaws that turn women off without you realizing it -8 attraction triggers that cause a woman to be deeply drawn into a man -3 destroyers of attraction that turn off just about all women in their physical prime The biggest chapter is on approaching. Even if you don't have a large social circle, or any friends at all, Game teaches you how to have pleasant face-to-face interactions with women. You'll learn... -How to walk out your front door and casually meet women during the day in a way that won't make you anxious -How to meet girls at night in bars, clubs, or on the street -Dozens of word-for-word examples of how to approach women and converse with them -The best way to know that a girl likes you and will show up on a first date -The number one sign that a girl is ready to be kissed so that you never have to worry about being physically "rejected" -How to move things to the bedroom on the same day or night you meet a girl If you're not a fan of casual hook-ups, the book has you covered with a traditional dating program. You'll learn... -How to contact a girl using a text messaging script that gets right to the point of scheduling a date -6 fun date questions to ask that help reveal if she's worth a long-term relationship -6 conversational guidelines that prevent you from running out of things to say -How to "qualify" and tease a girl so that she always sees you as a high-value man -The smoothest way to move things to a private home when she's ready for intimacy -A safe progression to having consensual sex that won't get you in trouble with the law Once you start dating a girl you like, you'll enjoy the chapter on relationships. You'll learn... -How to lovingly mold a girl into your ideal partner while resisting her efforts to train you into a beta male slave -The most important standards you must uphold to maintain the integrity of the relationship -How to regain attraction after your girlfriend becomes distant -6 warning signs that tell you a girl is not worth marriage -How to know if your girlfriend is cheating on you You'll also find two large appendices. They share... -The best way to enter social circles where women will see you as the apex male -How to get intimate with a girl in your social circle so that things don't get weird or awkward -An easy trick to identify which foreign cities contain women that will be most receptive to your look and personality -How to plan for trips that maximize the chance you'll get lucky with foreign women The above only scratches the surface of what Game contains. It is seminal work of a hyper-sexualized man who dedicated tens of thousands of hours into understanding women and attracting them while fending off defamatory attacks from mainstream feminists and fake news journalists who want to criminalize healthy masculinity. Whether your goal is to have fun in a big city with lots of women or fall in love with only one before getting married, Game will help you accomplish your goals in a way that keeps you safe from degrading cultural winds that continue to divide men and women.

Get Over Yourself! Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

The Meet and Attract Girls Collection (2 Books) Brett Andrews 2019-06-17 If you wish you knew how to "sweep a woman off her feet," then keep reading. The truth is: A lot of men simply don't know what to say--to an attractive woman. You might feel like you have nothing to offer her. Perhaps you've experienced uncomfortable emotions in social situations--like embarrassment, frustration, or sadness--because it seems like everybody has a girlfriend but you. You're not alone. Through the ages, many men (like Casanova, Kierkegaard, & Schopenhauer) have wrestled with the same problems. They attempted to codify the elements of female attraction, and unpack the riddle of womanhood. Much of ancient literature tells the tale of a woeful love-struck man--lamenting the indifference of the woman he desires. Why do some men seem to effortlessly exude charisma, confidence, and charm, while others never get any attention at all? What's the solution? Fortunately for us, recent advances in evolutionary psychology, biology, and social science have shed some light on these questions to unlock the formula for charisma! The trick lies in understanding that, the female brain was tuned (thousands of years ago) to look for a certain set of male characteristics. At a subconscious level, a woman's brain is always observing a man--taking note of his body language, the gaze of his eyes, his voice, his touch, his way with words, and the way he carries himself across a crowded room. The message a man conveys with these little behaviors, is known as his "nonverbal communication." Mastering this type of communication, approaching women, engaging in small talk, and parlaying an encounter into a romance, is a delicate undertaking--sometimes called the "Art of Seduction." There is much to learn in this domain. But, fortunately, we've crammed this book full of practical information, and proven strategies--designed to teach you exactly how to instantly connect with a woman--on a deeper level. Book 1: "How to Talk to Women with Charisma, Confidence & Charm" How to make a first impression that counts--and makes her instantly curious to learn more about you. How to become more articulate, well-spoken, and make witty small talk, effortlessly. Learn the cure for "never knowing what to say" to a woman you just met. The one conversation technique that is guaranteed to get her instantly interested in you. The biological basis of confidence, how it kept your ancestors alive, and how to develop it in yourself. How to utilize eye contact, and the power of your voice, to seize female attention. How to avoid the dreaded "Friend Zone," & use your touch and masculine energy to spark sexual tension. Book 2: "The Online Dating Guide for Men" The simple messaging strategy that has been proven to get dates--touted by the inventor of OkCupid himself--mathematician Christian Rudder. The 4 reasons why women respond positively to men online. The one paragraph that you must include in your dating profile, to signal YOUR values to a woman. How to select your best digital photo. How to re-frame her negative messages into positive outcomes. Even if you're not the best-looking guy in the world, this is largely irrelevant. Because it takes more than a pretty face to attract a woman. As Casanova himself wrote in 1821: "I was not handsome, but I had something better than beauty--a striking expression--which almost compelled an affectionate interest in my favor, and I felt myself ready for anything... A most unwavering feeling of self-esteem...enhanced wonderfully my confidence in myself." Wouldn't it be great to have this level of confidence? Ready to learn more? Then click the Buy Button now!

The Text Attraction Guide For Men Nelson Whetat 2023-11-07 Discover The New Secrets About Texting Women To Get Dates And Sex That 99.9% Of Men Don't Know Yet When a man gets a number from a woman in person or matches with her on a dating app like Tinder or Bumble, he will often experience one or more of the following problems when he texts her: She takes way too long to reply She doesn't contribute much to the conversation (e.g., she gives short answers and seems uninterested) The conversation becomes boring or fizzles out She rejects his offer to meet up with him for a date She takes what he says the wrong way and then loses interest She ghosts him (i.e. stops replying without any explanation, even though things seem to be going well) She friend zones him (e.g. "You're a great guy, but I'm not looking for a relationship right now" or, "You're a great guy, but I'm not looking to date anyone right now" or, "You're a great guy, but I think we'd be better off as friends.") She leaves him on read and doesn't reply for days, weeks or months...or not at all She plays hard to get when it comes to meeting up Do you know why? It's because most men make texting girls far HARDER than it needs to be. They don't understand this little-known secret I shared in this guide. These days, women are so tired, bored and frustrated by the endless texts that guys send (i.e. trying to get to know her, get along with her and just chat because he's afraid to ask her out), or the unattractive texts they send (i.e. being too nice, being too serious, sleazy, boring, etc). That's why when a woman gets a text from a guy who is using the texting method I shared in this guide, "The Text Attraction Guide For Men" she feels surprised and excited. It immediately gets her attention and she begins feeling like she wants something to happen with him (i.e. go on a date, have sex etc) The fact is that when a guy texts in the way that I recommended in this book, he will get 10x more dates and sex than a guy who just wastes a woman's time trying to get to know her or get along with her, or worse, acts like he's not even that interested in dating her. Texting women to get dates and sex is very easy when you understand how it works and why women respond so well to this more direct and masculine approach. Here's what you'll learn: How And What To Text A Girl You Just Met: 4 Examples Text Message Examples That Attract Women What To Text A Woman After Getting Her Number In Person Texting Mistakes To Avoid: Terrible Texts That Turn Women Off 10 Possible Reasons Why She Stopped Texting You 3 Best Tips On How To Text A Girl You Like + Examples How To Attract A Woman And Get A Girlfriend Via Texts 6 Word Text That Makes A Guy Seem Needy In A Relationship 4 Texting Tricks That Seem Confident, But Are Actually Insecure 7 Beginner Texting Mistakes Guys Make With Women Should You Leave Her On Read? 6 Possible Outcomes If You Do The Secret To Getting Dates Via Text (With Examples) 3 Best Tips On How To Text A Girl You Like + Examples 4 Examples Of How To Be Masculine Over Text 10 Signs A Girl Likes You Over Text How To Make A Girl Like You Over Text (Example + 3 Rules) 8 Frustrating Problems Guys Experience When Texting Women 4 Texting Tips For Guys (10x More Dates And Sex) When a guy knows how to attract women via text, they naturally feel attracted, compelled and motivated to reply and contribute to the conversation and then happily say yes to meeting up. The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will

learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Play Like a Man, Win Like a Woman Gail Evans 2000-08-10 An honest and practical handbook that reveals important insights into relationships between men and women and work, *Play Like a Man, Win Like a Woman*, is a must-read for every woman who wants to leverage her power in the workplace. Women make up almost half of today's labor force, but in corporate America they don't share half of the power. Only four of the Fortune 500 company CEOs are women, and it's only been in the last few years that even half of the Fortune 500 companies have more than one female officer. A major reason for this? Most women were never taught how to play the game of business. Throughout her career in the super-competitive, male-dominated media industry, Gail Evans, one of the country's most powerful executives, has met innumerable women who tell her that they feel lost in the workplace, almost as if they were playing a game without knowing the directions. In this book, she reveals the secrets to the playbook of success and teaches women at all levels of the organization--from assistant to vice president--how to play the game of business to their advantage. Men know the rules because they wrote them, but women often feel shut out of the process because they don't know when to speak up, when to ask for responsibility, what to say at an interview, and a lot of other key moves that can make or break a career. Sharing with humor and candor her years of lessons from corporate life, Gail Evans gives readers practical tools for making the right decisions at work. Among the rules you will learn are: • How to Keep Score at Work • When to Take a Risk • How to Deal with the Imposter Syndrome • Ten Vocabulary Words That Mean Different Things to Men and Women • Why Men Can be Ugly, and You Can't • When to Quit Your Job "I want to let you women in on a secret I've learned through my years in the corporate world: There is a set of unwritten rules in business and, while you may not choose to follow all of them, if you don't know what they are, you might as well be playing the game with both hands tied behind your back." -- Gail Evans
