*The One That Ran Away* - Hildred Billings 2019-07-13  
Their love was written in the stars, but one of them wasn't yet ready for fate. Ten years ago, Jess Mills had her life changed when she crossed paths with Shannon Parker, the most beautiful girl at their small liberal arts college. But what Jess assumed to be nothing more than a crush on a straight girl turned into the night of her dreams senior year. Then? Nothing. Shannon was gone before graduation. One of them has moved on. The other is just getting started. Shannon bumps into Jess shortly after moving to Portland, a place her ex-boyfriend decided to call home. Both single, and both reeling from post-college life, Shannon realizes that it's no mere coincidence she's once again

encountered the girl who defined her co-ed years. It's fate. Jess's love for astrology and divination is about to come in handy now that Shannon is determined to face her feelings and understand the whim of the universe. She isn't running anymore.

him. Find out who's ready for a relationship and who'll still be hanging out in twentysomething bars in fifteen years. (Uh. Creepy.) Here, get the scoop on how your man stacks up. Decipher. Crack the code. Get stellar advice. The concept is revolutionary: Combine his Sun Sign with his Venus. That's all. No "rising signs," no tricking his mother into telling you what time he was born. No cookie-cutter generalizations. This book is frighteningly specific. Filled with sixty easy-to-follow combos, it's illustrated with ironic, gossip-filled, shocking real-life examples of famous celebs such as: Colin Firth (Virgo, Venus in Libra): Virgo + Libra = sexy and subtle combo Orlando Bloom (Capricorn, Venus in Pisces): Capricorn is all for security, Pisces is a full-on romantic = good guy Chris Rock (Aquarius, Venus in Capricorn): Aquarius can be about partnership when Capricorn grounds it Ethan Hawke (Scorpio, Venus in Scorpio): Ladykiller double

sign combo Antonio Banderas (Leo, Venus in Virgo): Hint: the Virgo makes him stay . . . plus many, many others. By defining him in a way that's never been done before, He's Just Not in the Stars gives it to you straight. No tiptoeing around. No hugging and sharing. No coddling. Deal with it. (Cue drum roll.) This is for the woman who wants to take charge of her own destiny. Is he in the stars? Time won't tell. Jenni Kosarin will. He's Just Not in the Stars is the last hip, irreverent relationship book you'll ever want. Throw away the rest . . . They're taking up space where your happily married pictures should go.

[Easy Way to Recognize Your Crush](#) - Jessica King  
2023-02-07

Do you find yourself wondering who has a crush on you? If so, don't worry, you're not alone. In fact, according to a recent study, almost half of all people have wondered this at some point in their lives. So, if you're looking for a way to figure out who has a crush on you, here are ten best ways to do it. 1. Look out for signs that someone might be interested in you. This might include sending you romantic messages, being overly affectionate, or pursuing you in a way that seems out of the ordinary. 2. Ask someone out. This might be the easiest way to figure out who has a crush on you, especially if the person is someone you know well. Just

be sure to take things slow and be prepared for a response. 3. Watch for subtle clues. If someone repeatedly compliments you or pays attention to you in a way that seems too friendly, it might be a sign that they have a crush on you. 4. Be observant. If someone seems to be watching you or following you around, it might be a sign that they have a crush on you. 5. Check your social media profiles. If someone you know has been posting a lot of pictures or videos of you, it might be a sign that they have a crush on you. 6. Ask your friends. If they know who the person with a crush on you is, they might be able to give you a hint. 7. Pay attention to your feelings. If you're not sure whether the person with a crush on you is serious about them or not, it might be a good idea to take things slow. 8. Talk to a therapist. If you're not sure what to do or how to proceed, talking to a therapist might be a good idea. 9. Get a love reading. If you're feeling lost or unsure about what to do,
