**Testosterone** - Joe Herbert 2015

We inherit mechanisms for survival from our primeval past; none so obviously as those involved in reproduction. The hormone testosterone underlies the organization of activation of masculinity: it changes the body and brain to make a male. It is involved not only in sexuality but in driving aggression, competitiveness, risk-taking - all elements that were needed for successful survival and reproduction in the past. But these ancient systems are carried forward into a modern world. The ancient

world shaped the human brain, but the modern world is shaped by that brain. How does this world, with all its cultural, political, and social variations, deal with and control the primeval role of testosterone, which continues to be essential for the survival of the species? Sex, aggression, winning, losing, gangs, war: the powerful effects of testosterone are entwined with them all. These are the ingredients of human history, so testosterone has played a central role in our story. In *Testosterone*, Joe Herbert explains the nature of this potent hormone, how it operates in mammals in general and in humans in particular, what we know about its role in influencing various aspects of behaviour in men, and what we are beginning to understand of its role in women. From rape to gang warfare among youths, understanding the workings of testosterone is critical to enable us to manage its continuing powerful effects in modern society.

**The Ranger Ideal Volume 3** - Darren L. Ivey 2021-08-15

Established in Waco in 1968, the Texas Ranger Hall of Fame and Museum honors the iconic Texas Rangers, a service that has existed, in one form or another, since 1823. Thirty-one individuals—whose lives span more than two centuries—have been enshrined in the Texas Ranger Hall of Fame. They have become legendary symbols of Texas and the American West. In *The Ranger Ideal Volume 3*, Darren L. Ivey presents capsule biographies of the twelve inductees who served Texas in the twentieth century. In the first portion of the book, Ivey describes the careers of the “Big Four” Ranger captains—Will L. Wright, Frank Hamer, Tom R. Hickman, and Manuel “Lone Wolf” Gonzallas—as well as those of Charles E. Miller and Marvin “Red” Burton. Ivey then moves into the mid-century and discusses Robert A. Crowder, John J. Klevenhagen, Clinton T. Peoples, and James E. Riddles. Ivey concludes with Bobby Paul Doherty and Stanley K. Guffey, both of whom gave their lives in the line of duty. Using primary records and reliable secondary sources, and rejecting apocryphal tales, *The Ranger Ideal* presents the true stories of these intrepid men who enforced the law with gallantry, grit, and guns. This Volume 3 is the finale in a three-volume series covering all of the Texas Rangers inducted in the Hall of Fame and Museum in Waco, Texas. *I Do. I Really Do. *Dominance Becomes Her* - Lorelei Tiffin 2023-01-03

*Dominance Becomes Her*, the third book in Lorelei Tiffin's Southern Dom series, changes things up by introducing a female lead character in the dominant role. This story reaches back into our domme's past, providing glimpses of life experiences that led to her fondness for spiked heels and a single tail whip. Follow along as physical trauma in Desdemona's early childhood sets her on a career path that ends with an advanced degree and a desire to help victims of similar physical and emotional trauma and resulting PTSD. And see how Mistress Des handles changes she may need to make in her own life when she finally encounters Clay--that mystical one man who could complete her if only he would make just a few, little changes of his own. Is she brave enough to reach out to him after being alone for so long? And is he willing to make the fundamental life change she requires in order for both of them to find happiness, peace, and their love for the ages? Look inside and see what you think.

*The Dom's Submission* - Ellis O. Day 2019-06-30

Terry is rich, attractive and all Dom. When he sees something he likes, or more accurately, something his d\*\*k likes, he gets it. His woman are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a "sex" club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. Not only has she bumped into just about every person in the club, but one of the men-a very handsome and

extremely rude stranger-not only follows her, but suggests that they "do it" in the hallway. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others?
