The Pack's Reluctant Mate - Reluctant Virgin Werewolf Gangbang - Francis Ashe

Innocent Fiona has heard legends of skinwalkers who can change shape at will, but thought they were simply old tales. On a peaceful walk through the woods, she learns maybe there is more to the Elders' tales than she ever thought. Cornered by a pack of wolves with eyes that she finds strangely human, and beautiful, she feels passion and lust bubble up from deep inside her - things she's never felt before, but things she cannot deny. Will she escape the pack, or will she become the reluctant mate to the mighty Alpha who needs Fiona more than she knows. Warning: This sizzling 9800 word erotic romance features a young woman getting what she's always wanted, a passionate ménage, unhinged monsters with barely enough humanity left to control their most savage urges and a curse that can only be cured in one way, by one woman. Excerpt: A tremendous weight pushed me backwards, holding me hard against the soft, crunching leaves underneath. Two heavy pads crushed my shoulders, sending tendrils of pain all the way down my body. "You're...ow, you're hurting me! Please! Stop!" The pressure grew and as it did, my unlikely anticipation swelled. I couldn't help it, no matter how insane I felt, these huge beasts were making me experience emotions no one, nothing, ever had. My shorts tore, first with the button popping off as Midnight yanked me along the ground and then ripped open from the inseam-outward in a gnashing of dagger-like teeth that could have sliced me open at any moment. Instantly, I remembered the dream I'd been awakened from - the wolf with his head between my legs, grinding pleasure from my very bones and sliding his long, hot tongue along my untouched sex. And then I remembered the legend I'd heard - that skinwalkers could enter your dreams, penetrate your very desires and make you burn for them; ache for their seductive touch. In a flash of panic mixed with utter ecstatic confusion, I swung my head from side to side. Standing above me with his face inches from mine was the tremendous white beast, his cock throbbing as it lay on my belly. His heavy, thick, fur-sheathed prick thrummed in time with his heart and soon, I realized, with mine. So badly I wanted to feel him, to touch him and take him inside me that it almost terrified me. Beside him, slowly circling as though waiting for an opening in which to pounce on my naked, helpless body, was one of the Midnight twins, the one with eyes the color of rich, dripping amber instead of the other blue-black wolf's pale yellow irises. The last of the three I couldn't see but I could certainly feel as his nose made my pussy tingle with anticipation with every tiny little movement he made against me. In my confusion, I'd forgotten all about the mightiest of the beasts, at least until I happened to roll my head to one side as the wolf between my legs forced my sex to pulse around his tongue.

The Wolf's Breeding Lair - Werewolf Monster Reluctant Sex Slave Erotica - Francis Ashe

Leoda is a nice girl. The nicest in the village, in fact, and she's preparing for a life behind the walls of a monastery when she's given terrible news: she's not going to any monastery. Instead, she's been chosen by the village elder to be given as a sacrifice to Mordan, the great beast who haunts the forest. An ancient monster, held by the curse of the moon, Mordan the Wolf lurks the woods and demands the once-per-decade sacrifice of the purest, most beautiful maiden the village has to offer. Stepping out into the forest on an icy winter morning, Leoda fears for her safety, for her dignity and for her life. But, what she doesn't know is that it isn't her life that Mordan wants - it's her body. Warning: This 13500 word sizzling erotic romance features unchained lust, a captive breeding fantasy, a breathless virgin, sexual awakening, explicit and intense reluctant seduction, love that seems otherworldly, and a finish that will be with Leoda the rest of her days. Excerpt: "Are you going to hurt me?" "Yes, probably," he snapped at the air. "Mmm, I smell you again. I smell your lust for me. You want me, don't you, human? You want to be enraptured beneath me, you want me to take you with the force only a creature such as my...myself can muster, don't you? That's what you want, isn't it?" I began to weep and beg him to leave me, to go back to whatever hell from whence he came, but the beast only lowered himself to his haunches, and put his face so that I felt his breath on my throat, and the wiry fur hanging off his chest brushed against my thighs where he had pushed my dress up, almost to the top of my legs. Before I knew what he was doing, the tremendous creature had got me to push myself backward until I touched the wall and could go no further. "Good," he growled from deep in his chest. "Very good. You've got yourself in a terrible spot now, don't you? I need this. You, though might find out that instead of needing it, you just...want...it." "Want what? Want you? What are you talking about? No I don't think that's the case at all! Why would I-" I was cut off not by his words, but by the heat of the monster against me. His fur seemed hard and close to his body, not shaggy like most wolves I've seen, so he couldn't have been that sort of beast, at least, not a normal one. But through that slick, hard coat, a terrible fury seemed to burn so bright that I felt him against my skin, even inside me, burning outward from my core all the way to my fingertips. "You want me because you know there's no...no way you can get out. You want me because you feel how much I need you, and you want me because," he snorted again. His breath caught and he coughed. "You feel me against you and want to know what it's like to be with such a thing as me, to have an experience so awful and foreign and forbidden as to give in, and stop denying yourself."

The Alpha Wolf Takes His Mate - Reluctant Virgin Rough Werewolf Gangbang - Francis Ashe
 Curvy, cute and sometimes confident Jenna needed some time to think before her wedding, so she sought the calm serenity of the woods she visited as a girl. At first, everything is normal, but soon the shadows around her come alive. As her mind swims with horror stories she heard as a child, a howl breaks the night, and she runs deeper and deeper into the forest. Soon she's surrounded by wolves, but to her surprise, right alongside her terrible fear lays an even deeper, burning, forbidden lust. The pack's alpha claims Jenna, but before he accepts her as his mate, she must pass a test - a raw, primal encounter with his subordinates that's sure to leave her sore and strained... and gasping for more! Warning - this 8000 word erotic romance features a wild, ravenous werewolf ménage, a virgin's first taste, primal desires, and a mate who cannot wait to be claimed. Excerpt: A groan escaped the alpha's mouth and he crept forward, lowered his head, and slid his tongue along my neck. "Enough," he growled. "My desire for you burns. Soon, you will take my... my seed. But first, my sons must induct you into the..." he turned his head, coughing wildly before he turned back. "To the pack. You will become one of us, your soul must be a wolf before you can hold my," he stopped just short of telling me exactly what he was going to do, but I had some kind of idea. "A test?" I asked as my fingers dropped away from him when he moved. My question made the alpha laugh a horrible, strained laugh. "If you can't handle them," he said, cocking his head. "Then why do you think you could handle me?" I sucked a breath deep into my lungs, inhaling his scent one last time before he was gone. "Now," he growled. "Prepare my mate. And don't try anything. Do you understand, Althar?" I turned my head to see which one he was talking to, but to my surprise, something absolutely unbelievable - even after all that - took place. The copper-colored wolf lay on his side, panting. He acknowledged what his father said, but then he wrenched from around, thrashing so hard I thought he'd break his back. Moments later, he stood on his hind legs as they filled with muscle and the fur seemed to recede into his skin. His body twisted, contorted, and before my eyes, he turned into something very similar to a man - a human man - but he was just slightly different. And way, way, bigger. Every part of him was huge. The muscles of his legs, his hard biceps, and his powerful chest were all more impressive and intimidating than any person I'd ever seen. And then, I looked down.

In the Alpha's Den - Werewolf Shifter Alpha Male Reluctant Virgin Erotica - Francis Ashe
 Lilah is an adventurous, fun-loving biologist who loves exploring the woods. One day, as she's taking algae samples from a river, something crashes behind her in the trees, and, being sensible, she beats a hasty path

back toward the nearest town. But, to her shock, to her horror, a beast she thought existed only in books and movies chases her through the woods, and corners her in a clearing. Krot, the ancient werewolf, is unable to control himself, and slakes his lust before taking Lilah back to his alpha to see if she really is the prophesied woman who will lift the curse on his people. Then, in the alpha's den, Lilah must pass a test - she has to prove that she's strong enough, passionate enough, and hardy enough to withstand Javen's lovemaking. After all, if she can't take that part, how can she possibly be the mother to the pack? Excerpt: His nose, cold against my skin, excited me all over again, and when I felt those long, horrible teeth gently scratching me where he bit between my breasts, ripping my shirt and tearing through the sports bra I always wore in the woods, I felt myself...lighten...like I was floating in water. And aside from all that, his scent - leathery, smoky, earthy, it made my thoughts start rattling in my head. Something about his pure, raw, animal masculinity drove me nuts. Lifting his paw from my shoulder, he braced himself and yanked on my shirt, rending it from where it was tucked into my safari shorts, and snarled as he flung it violently to one side. The cool air caressed me, stiffening my nipples even as the heat from the monster's breath soothed the goosebumps his pawing, scratching and biting had forced upon me. I was never one for rough stuff before. My last boyfriend tried to spank me, and even that little bit of naughty play was enough to get me to clam up. But this...this was something entirely different. It's a wolf, you idiot, I thought, he's not going to- "Need...you..." "What? You need me?" Instinctively, I put my hands on either side of his massive head, and almost fainted when I felt those jaw muscles clench and relax. So powerful, so strong. If there was any doubt in my mind that this creature could rip me limb from limb, it vanished right then. But still, he hadn't killed me yet, which was a good sign. And...he needed me? "You need me? For what?" He snapped the air like something invisible was tormenting him. When he gnashed his teeth, he was barely contained. Wild, savage, and intensely powerful. "To...breed...young..." he paused for a moment and then said "prophecy" in the same strained, taut voice.
