The One Rule For Boys - Dr. Max Wachtel 2014-10-27

"The One Rule for Boys takes a practical approach to teaching boys the

importance of regulating their own emotions and understanding the emotions of others ... Dr. Max Wachtel explains how teaching empathy skills to your boys prepares them for the complexities of modern life: school, friendships, bullying, careers, and relationships ... Far from turning boys into overly emotional pushovers, Dr. Max compiles information from countless studies demonstrating how emotional understanding actually helps boys improve their decision-making and

assertiveness skills. By providing a step-by-step teaching guide, dozens of quick tips, and plenty of sample statements you can say to your boys when you are at a loss for words, Dr. Max has created a simple, practical, well-researched, and often very amusing book designed to help parents and educators teach empathy to their boys"--Back cover

Black Woman Blue - Jacqueline Akins 2005-05

Black Woman Blue is story telling at its southern best! Author Jacqueline Akins explores the joys of friendship while examining the painstaking truth behind deceit; When evil rears its ugly head, the reader is rescued and bosomed in a reward of self-discovery, patience and faithfulness. As I pulled into the driveway of the place I knew was ours, I tried to remember when things started to go wrong for us. I never wanted a big house, just a nice place to lay my head in peace. I just wanted to have a comfortable place to be, when I was tired of being everywhere else. I know this is the right place because the numbers on the house say one thousand two. Everybody say the truth suppose to set you free and I can use a taste of freedom right now. So hear me when I say to you, "this is our house, but it's a long way from being home!" How I wish I could step out of this car and go inside and leave Wesley out here in the car to sleep off his drunk. I can't. I can't cause I hear my daddy saying, 'I told you so.' And I hear my mama words echoing in my ear, 'you ain't got to go if you don't want to, but if you go, be woman enough to stay.' -From the short story "Home Goings"

Women Pilots of Alaska - Sandi Sumner 2005-01-06

Since the time of its inception, the field of aviation has rapidly grown in both importance and popularity. The acceptance and recognition of women's participation and achievements in this activity, however, did not develop with nearly the same speed. The first biographical history of women pilots in Alaska, this work explores the challenges faced by women of Alaska as they pursued roles in aviation--something that had

long been considered part of "the men's world". Beginning in 1927 with Marvel Crosson and reaching to the present day, 37 adventurous and personal tales are offered, including that of an ultralight flyer, the first woman to become U.S. Aerobatic Champion, a parachute jumper, the first woman to fly in a small airplane over the North Pole and an Iditarod dog musher. Questions about why these women chose to fly; where they learned; when they soloed; what it meant to them to become a pilot; what challenges they faced in such a non-traditional role; and why they chose the skies of Alaska are addressed as these intriguing stories are told.

Women in the Martial Arts - Carol A. Wiley 1992

Essays discuss various types of martial arts, and looks at how the martial arts help women to develop positive self-images and break free of the role of victim

Good People - Robert Lopez 2015-12-21

"Lopez has the ability to give the reader whiplash with his unconventional and bewitching stories." —Los Angeles Times "Robert Lopez is the master of deadpan dread, of the elliptical koan, of the sudden turn of language that reveals life to be so wonderfully absurd. Always with Lopez, the voice is all his—enchanted, surprising, at times devastating." —JESS WALTER, author of Beautiful Ruins "Robert Lopez's strange, incantatory, visionary stories reveal the mysteries behind the ordinary world. You lift your head from this book and it's as if a third eye has been opened." —DAN CHAON, author of Await Your Reply and Stay Awake "Nothing is funnier than unhappiness," claims Samuel Beckett. To this, we add: nothing is funnier than unhappiness with a heavy dose of amorality, as we learn from Robert Lopez's unforgettable Good People. In these twenty stories, a motley cast of obsessive, self-deluded outsiders narrate their darker moments, which include kidnapping, voyeurism, and psychic masochism. As their struggles give way to the black humor of life's unreason, the bleak merges with the oddly poetic, in a style as lean and resolute as Carver or Hemingway. Treading the fine line between confession and self-justification, the absurd violence of threatened masculinity, and the perverse joy of neurosis, Lopez's stories reveal the compulsive suffering at the precarious core of our universal humanity.

Robert Lopez is the author of two novels, *Part of the World* and *Kamby Bolongo Mean River*, and the story collection *Asunder*. He lives in Brooklyn.

How to Get Run Over by a Truck - Katie McKenna 2016-10-04

The story of a body that was crushed by an eighteen-wheel truck and of a spirit that refused to be.

He Runs, She Runs - Deborah Jordan Brooks 2013-07-21

While there are far more women in public office today than in previous eras, women are still vastly underrepresented in this area relative to men. Conventional wisdom suggests that a key reason is because female candidates start out at a disadvantage with the public, compared to male candidates, and then face higher standards for their behavior and qualifications as they campaign. *He Runs, She Runs* is the first comprehensive study of these dynamics and demonstrates that the conventional wisdom is wrong. With rich contextual background and a wealth of findings, Deborah Jordan Brooks examines whether various behaviors--such as crying, acting tough, displays of anger, or knowledge gaffes--by male and female political candidates are regarded differently by the public. Refuting the idea of double standards in campaigns, Brooks's overall analysis indicates that female candidates do not get penalized disproportionately for various behaviors, nor do they face any double bind regarding femininity and toughness. Brooks also reveals that before campaigning begins, women do not start out at a disadvantage due to gender stereotypes. In fact, Brooks shows that people only make gendered assumptions about candidates who are new to politics, and those stereotypes benefit, rather than hurt, women candidates. Proving that it is no more challenging for female political candidates today to win over the public than it is for their male counterparts, *He Runs, She Runs* makes clear that we need to look beyond public attitudes to understand why more women are not in office.

The Protector: A Detective Oliver Rousseau Novel - Cynthia Townley 2013-08-22

The Protector is the third installment in the much anticipated exciting new series featuring Detective Oliver Rousseau and his wife, Marin. As in

all of the Rousseau novels, Oliver will have to peel back the layers to get to the truth. The story is crisp, fast-paced, and the plot convoluted and innovative. Don't miss book one in the series *Trained To Kill*, and book two, *Unsuspecting*. Although recommended you read them in order each book is independent of the other. In 1989, two women from Panama's high-corruption era under the reign of General Manuel Noriega are offered immunity for testifying in Washington D.C. against the infamous Dictator and his right-hand man, Colonel Soto, for their multitude of senseless crimes against Americans. Whisked away to the U.S., the women are put under the protection of the U.S. Marshals Witness Security Program where they have been for the past twenty-four years. Then Colonel Soto is released from a Panamanian prison for time served, and within days the deputy assigned to protect the women is murdered and it quickly becomes apparent the colonel is bent on revenge. In a private meeting with Quest, Oliver is tasked with finding the women and keeping them safe but what he uncovers in his search is far more sinister than revenge. Show less

How to Get Run Over by a Truck - Katie C. McKenna 2016-10-04

People often say, "I feel like I've been run over by a truck." Katie actually was. On a sunny morning bike ride in Brooklyn, twenty-four-year-old Katie McKenna was forever changed when she was run over by an eighteen-wheeler. Being crushed under a massive semi wasn't something Katie should have survived. After ten hours of emergency surgery, she woke to find herself in a body and a life that would never be the same. In this brutally honest and surprisingly funny memoir, Katie recalls the pivotal event and the long, confusing road to recovery that followed. Between the unprepared nudity in front of her parents post-surgery, hospital happy hours, and the persistent fear that she would never walk again, Katie details the struggles she's faced navigating her new reality. This inspiring memoir follows Katie's remarkable journey to let go of her old life and fall in love with her new one.

[Santa Got Run Over by a Vampire](#) - Carrie Pulkinen 2020-12-07

Father Christmas has just been damned to darkness. Jane Devereux is adjusting to her new life as a nocturne fabulously. She runs the most popular nightclub in the French Quarter and is married to the hottest vampire in New Orleans. When she accidentally runs over Santa Claus and has to turn him into a vampire to save him, her perfect undead life begins to crumble like a week-old sugar cookie. Whoops. Jane has three days to teach Santa the ways of the vampire and send him back to the North Pole in time for Christmas Eve. Oh, and if that's not stressful enough, her dad is coming for Christmas. And he doesn't know she's a vampire. Or that she's married. Double whoops. Grab a mug of miracle cure and join the vamps of New Orleans Nocturnes in this fast, fun holiday read.

Triumph Over Tragedy - Carol S. Sheehan 2007

She thought she had left her hellish life of abuse behind, but more hell was waiting at the next intersection of life.

The Menopause Murders - Mary Maloney 2023-03-01

"It's a slippery slide from hormones to homicide!" Meet Debbi Dickerson: mousy, codependent housewife who, at age forty-seven, feels her life is over. Her dreams of being an artist have long been discarded in the wake of her failing marriage, and her kids think she's invisible. She's stuck on the hamster wheel, going nowhere. That is, until menopause blindsides her. Derailed by one symptom after another, Debbi struggles to find a way to quell the hot flashes, night sweats, sudden panic attacks, and unbridled rage. The gals in her scrapbooking club give her advice on how to survive menopause, but nothing seems to help ... except killing. Meet Jerry Dickerson, Debbi's husband: arrogant, insensitive, all-around jerk, whose greatest dream as a homicide detective is to catch a serial killer and be admired, for once. So when a series of strange deaths break out in Tacoma, Washington, Jerry is elated, but the pressure is on to catch the killer. Jerry's boss, Sergeant Myra Manners, is also going through menopause and makes his life hell. And then there's his teenage

daughter dishing out hormones like Girl Scout cookies. Seriously, what's a misogynist to do? Have an affair with some bubblehead, of course. As the bodies pile up, more than dishes are going to fly. Yet, there is light at the end of the tunnel of menopause and Debbi can see it. But is it a bright future or the headlights of an incoming train with Jerry's name on it? Don't miss this hilarious dark comedy caper! Your sides will hurt from laughing. The Menopause Murders, through poignant comedy, explores deep themes of sexism, ageism, and self-image issues that millions of women (and men!)—particularly those of the baby boomer generation—are facing daily and struggling with, in order to find sense, meaning, and sanity amid the insanity that is our current political and cultural state. Praise for this dark comedy women's fiction! "The Menopause Murders is a fabulous book that is not only well written but the characters will make you identify and scream with laughter. As an age activist, I found the stories are right on about ageism and all the pressing issues women today face. Not one to miss!" —Barbara Rose Brooker, author, *The Viagra Diaries*, and founder of the Age Equality Movement "If you like your comedy dark and dotty, check out THE MENOPAUSE MURDERS by Mary Maloney and Ed Markel. Times are changing for Debbi Dickerson, dutiful housewife, loving mother, and ... serial killer? Turn down the thermostat before you turn the first page, because THE MENOPAUSE MURDERS is a hot (flash) romp through the world of female friendships, mendacious men, and hormonal horrors." —Melissa DeCarlo, author of *The Art of Crash Landing* "This book was everything!! Dark comedy galore. I know that it sounds odd. But I was entranced by this book. I couldn't put it down it was so good." —Lori C. "Loved this book, it was very descriptive of menopause, a quiet woman who literally loses the plot with a cheating husband, who just happens to be the detective on the job, loved it. Excited to read more books from this author." —Debbie D.

Under the Bus - Caroline Fredrickson 2016-09-06

Caroline Fredrickson is a powerful advocate and D.C. insider who has witnessed the legislative compromises that leave out temps, farmworkers, employees of small businesses, immigrants and other

workers who fall outside an intentionally narrow definition of employees. The women in this fast-growing part of the workforce are denied minimum wage, maternity leave, health care, the right to unionize and protection from harassment and discrimination—all within the bounds of the law. If current trends continue, their fate will be the future of all American workers.

Counterblow: A Javin Pierce Spy Thriller - Ethan Jones 2020-05-26

There's no such thing as friendly fire... Set-up and wounded, CIS spymaster Javin Pierce is determined to send a message to the Mossad agents who betrayed him and tried to destroy his team. They escaped justice, but CIS has moved on... Javin hasn't. Short on official options, Javin partners with a Russian SVR agent to ensure Mossad pays. The deal might cost him his life, but he cannot rest until he has made his enemies pay. But can he fight a single-handed war with Mossad? And is revenge something worth losing everything? Now more than ever, Javin has to complete this unsanctioned mission ... all without leaving a trace. Counterblow is the bombshell conclusion to Javin's jaw-dropping, adrenaline-drenched mission that will keep you compulsively turning the pages for a satisfying finale... Reviews ██████ "Full of suspense and nail-biting action. If you like espionage and suspense you will love Ethan

Jones' books." ██████ "Ethan should be in the same category as Brad Thor, Vince Flynn and James Rollins. If you have not read all of the series... you are missing out on some good reads." ██████ "A great fast paced thrill ride... another five star book." ██████ "Within months of an actual world event, Ethan manages to work the event into the plot, and not just as some side thought but an applicable reference and use. It's great to see an author that responsive and that quick at cranking out material. ... Pick a series and start enjoying immediately." ██████ "... as always, you have a winner, a fantastic story... The Javin Pierce Spy Thriller Series Ethan Jones brings you Counterblow, the seventh novel in this best-selling clean series with hundreds of five-star reviews and thousands of sales and downloads. It's an impossible-to-put-down, action-filled adventure. Counterblow will keep you on the edge of your seat and confirms Ethan Jones' place as a spy fiction master. Scroll up, click and get lost in the fast-paced world of Javin Pierce now! If you love assassinations, conspiracies, crime, espionage, military, political, psychological, technothrillers, terrorism, suspense, spy thrillers, secret agents, clandestine covert missions, and action & adventure with series favorites such as Jack Storm, Justin Hall, Javin Pierce, Carrie O'Connor, or Max Thorne... You'll love this book.
