

# A Girl Like Me Gugudan

**The vocal instructor** - Edmund John Myer 1918

**K-pop Live** - Suk-Young Kim 2018

1990s South Korea saw the transition from a military dictatorship to a civilian government, from a manufacturing economy to a postindustrial hub, and from a cloistered society to a more dynamic transnational juncture. These seismic shifts had a profound impact on the media industry and the rise of K-pop. In *K-pop Live*, Suk-Young Kim investigates the meteoric ascent of Korean popular music in relation to the rise of personal technology and social media, situating a feverish cross-media partnership within the Korean historical context and broader questions about what it means to be "live" and "alive." Based on in-depth interviews with K-pop industry personnel, media experts, critics, and fans, as well as archival research, *K-pop Live* explores how the industry has managed the tough sell of live music in a marketplace in which virtually everything is available online. Teasing out digital media's courtship of "liveness" in the production and consumption of K-pop, Kim investigates the nuances of the affective mode in which human subjects interact with one another in the digital age. Observing performances online, in concert, and even through the use of holographic performers, Kim offers readers a step-by-step guide through the K-pop industry's variegated efforts to diversify media platforms as a way of reaching a wider global network of music consumers. In an era when digital technology inserts itself into nearly all social relationships, Kim reveals how "what is live" becomes a question of how we exist as increasingly mediated subjects, fragmented and isolated by technological wonders while also longing for a sense of belonging and being alive through an interactive mode of exchange we often call "live."

**A Collection of Random Thoughts** - Michael Thurman Jamison 2019-01-25

In order to create and preserve civility and justice, humankind must maintain peaceful societies that work toward the common good. All cultures need to give and receive tolerance and understanding so that we can coexist and preserve our beautiful world. All of us are in this together.

**Sleepless in Hollywood** - Lynda Obst 2013-06-11

The veteran producer and author of the bestseller *Hello, He Lied* takes a witty and critical look at the new Hollywood. Over the past decade, producer Lynda Obst gradually realized she was working in a Hollywood that was undergoing a drastic transformation. The industry where everything had once been familiar to her was suddenly disturbingly strange. Combining her own industry experience and interviews with the brightest minds in the business, Obst explains what has stalled the vast moviemaking machine. The calamitous DVD collapse helped usher in what she calls the New Abnormal (because Hollywood was never normal to begin with), where studios are now heavily dependent on foreign markets for profit, a situation which directly impacts the kind of entertainment we get to see. Can comedy survive if they don't get our jokes in Seoul or allow them in China? Why are studios making fewer movies than ever—and why are they bigger, more expensive and nearly always sequels or recycled ideas? Obst writes with affection, regret, humor and hope, and her behind-the-scenes vantage point allows her to explore what has changed in Hollywood like no one else has. This candid, insightful account explains what has happened to the movie business and explores whether it'll ever return to making the movies we love—the classics that make us laugh or cry, or that we just can't stop talking about.

**UNSAID CONFESSIONS** - Ashutosh Das 2021-02-25

The book encapsulates the deepest of emotions, carefully put into words. They are unsaid confessions, undelivered letters to the loved ones that were never sent personally and yet here we find them as open letters, - they are symbolic of the writer's courage to finally let the unsaid be said.

**The Hippest Trip in America** - Nelson George 2015-03-24

An authoritative history of the groundbreaking syndicated television show that has become an icon of American pop culture, from acclaimed author and filmmaker Nelson George, "the most accomplished black music critic of his generation" (*Washington Post Book World*). When it debuted in October 1971, seven years after the Civil Rights Act, *Soul Train* boldly went where no variety show had gone before, showcasing the cultural preferences of young African-Americans and the sounds that

defined their lives: R&B, funk, jazz, disco, and gospel music. The brainchild of radio announcer Don Cornelius, the show's producer and host, *Soul Train* featured a diverse range of stars, from James Brown and David Bowie to Christine Aguilera and R. Kelly; Marvin Gaye and Elton John to the New Kids on the Block and Stevie Wonder. *The Hippest Trip in America* tells the full story of this pop culture phenomenon that appealed not only to blacks, but to a wide crossover audience as well. Famous dancers like Rosie Perez and Jody Watley, performers such as Aretha Franklin, Al Green, and Barry White, and Cornelius himself share their memories, offering insights into the show and its time—a period of extraordinary social and political change. Colorful and pulsating, *The Hippest Trip in America* is a fascinating portrait of a revered cultural institution that has left an indelible mark on our national consciousness.

**My Hidden Feelings** - Subhan Ahmed 2021-08-16

In this story She had been crushing on him for years. Now her senior year, could he be her fated mate? Who will her fated mate be? Almost 18 Sara will find out soon, will it be her crush? Or will someone else be his fated mate? And what about her feelings? Will it end everything?  
*A Dictionary of the Asante and Fante Language Called Tshi (Chwee, Twi)* - Johann Gottlieb Christaller 1881

**Soul in Seoul** - Crystal S. Anderson 2020-08-25

K-pop (Korean popular music) reigns as one of the most popular music genres in the world today, a phenomenon that appeals to listeners of all ages and nationalities. In *Soul in Seoul: African American Popular Music and K-pop*, Crystal S. Anderson examines the most important and often overlooked aspect of K-pop: the music itself. She demonstrates how contemporary K-pop references and incorporates musical and performative elements of African American popular music culture as well as the ways that fans outside of Korea understand these references. K-pop emerged in the 1990s with immediate global aspirations, combining musical elements from Korean and foreign cultures, particularly rhythm and blues genres of black American popular music. Korean solo artists and groups borrow from and cite instrumentation and vocals of R&B genres, especially hip-hop. They also enhance the R&B tradition by utilizing Korean musical strategies. These musical citational practices are deemed authentic by global fans who function as part of K-pop's music press and promotional apparatus. K-pop artists also cite elements of African American performance in Korean music videos. These disrupt stereotyped representations of Asian and African American performers. Through this process K-pop has arguably become a branch of a global R&B tradition. Anderson argues that Korean pop groups participate in that tradition through cultural work that enacts a global form of crossover and by maintaining forms of authenticity that cannot be faked, and furthermore propel the R&B tradition beyond the black-white binary.

**Translation and Translations; Theory and Practice** - John Percival Postgate 2022-10-27

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. **Catalog of Thoughts** - Lisa Bird 2019-08-26

A journal of 200 lined pages to catalog your thoughts.

**Broken Idol** - David W. Rudlin 2015-12-14

Nikki Waters wanted to be a star. So she left her home in England, flew to Tokyo, and joined Japan's top girl group as the lead singer. She was well on her way to fame and fortune until the night she went to her boss's apartment and found him lying in a pool of blood. The weapon: a samurai sword. Nikki was thrown in jail, charged with murder, and forbidden to talk to anyone except the lawyer she didn't have. Given Japan's 99%+ conviction rate, there was nothing standing between Nikki Waters and the gallows. Nothing except Inspector Ian McLean of Scotland Yard. Forced to work undercover, can McLean and his

detectives Sally Chan and Thomas McMillan rescue Nikki from the terrifying jaws of the Japanese justice system? "Broken Idol" is the sixth Inspector McLean Mystery by David W. Rudlin.

**The Modern Faerie Tales** - Holly Black 2019-06-13

In *Tithe*, sixteen-year-old Kaye is a modern nomad. Fierce and independent, she drifts from place to place with her mother's rock band until an ominous attack forces Kaye back to her childhood home. There, amid the blue-collar New Jersey backdrop, Kaye finds herself an unwilling pawn in an ancient and violent power struggle between two rival faerie kingdoms—a struggle that could very well mean her death. In *Valiant*, the companion to *Tithe*, seventeen-year-old Valerie runs away to New York City, trying to escape a life that has utterly betrayed her. Sporting a new identity, she takes up with a gang of squatters who live in the city's labyrinthine subway system. But there's something eerily beguiling about Val's new friends. When one talks Val into tracking down the lair of a mysterious creature, Val finds herself torn between her affection for an honorable monster and her fear of what her new friends are becoming. In *Ironside*, the sequel to *Tithe*, the time has come for Roiben's coronation. Uneasy in the midst of the malevolent Unseelie Court, pixie Kaye is sure of only one thing—her love for Roiben. But when Kaye drunkenly declares herself to Roiben, he sends her on a seemingly impossible quest to find a faerie who can tell a lie. Unable to see Roiben until she has fulfilled his quest, Kaye finds herself in the center of the battle of wits and weapons being waged over his throne.

**Albion's Seed** - David Hackett Fischer 1991-03-14

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

**The Real Big Bang** - Jacky West 2014-07-31

Deep in the heart of East Anglia lies the sleepy village of Red Kep. A village known for its juicy greens. A village which a weary motorist could easily miss with the blink of an eye. A place where nothing out of the ordinary ever happens. At least that is what Jemima Sally thinks when she takes her first teaching post in the drowsy town. But the naive teacher couldn't be any more wrong. Before she realises it, Jemima Sally has been catapulted into the realms of the paranormal. She is forced to adapt to a world of low flying students, chlorophyll enhanced children, secret military flights and a cabbage patch war. Miss Sally begins to question her eyesight, the school curriculum and her own sanity. At the point of despair, the school teacher finds an ally in Primrose Green, a pupil with abnormal sensory abilities and an eco system living atop her head. The unlikely duo starts to uncover the truth about the bizarre goings on in Red Kep. A trail of clues leads to a mad, local inventor who has dabbled outside the boundaries of science and nature. Sleepy Red Kep looks set to imprint its name in the history books when an EXPLOSIVE situation develops. Things can only go one way. Up.

**Luganda-English Dictionary** - John D. Murphy 1972

We want to share all the stories behind k-pop stars with fans all over the world.

**We Are Okay** - Nina LaCour 2017-02-14

Winner of the 2018 Michael L. Printz Award — An achingly beautiful novel about grief and the enduring power of friendship. "Short, poetic and gorgeously written." —The New York Times Book Review "A beautiful, devastating piece of art." —Bookpage You go through life thinking there's so much you need. . . . Until you leave with only your phone, your wallet, and a picture of your mother. Marin hasn't spoken to anyone from her old life since the day she left everything behind. No one knows the truth about those final weeks. Not even her best friend Mabel. But even thousands of miles away from the California coast, at college in New York, Marin still feels the pull of the life and tragedy she's tried to outrun. Now, months later, alone in an emptied dorm for winter break, Marin waits. Mabel is coming to visit and Marin will be forced to face everything that's been left unsaid and finally confront the loneliness that has made a home in her heart. An intimate whisper that packs an indelible punch, *We Are Okay* is Nina LaCour at her finest. This gorgeously crafted and achingly honest portrayal of grief will leave you urgent to reach across any distance to reconnect with the people you love. Praise for *We Are Okay* "Nina LaCour treats her emotions so beautifully and with such empathy." —Bustle □ "Exquisite." —Kirkus □ "LaCour paints a captivating depiction of loss, bewilderment, and emotional paralysis . . . raw and beautiful." —Booklist □ "Beautifully crafted . . . A quietly moving, potent novel." —SLJ □ "A moving portrait of a girl struggling to rebound after everything she's known has been thrown into disarray." —Publishers Weekly □ "Bittersweet and hopeful . . . poetic and skillfully crafted." —Shelf Awareness "So lonely and beautiful that I could hardly breathe. This is a perfect book." —Stephanie Perkins, bestselling author of *Anna and the French Kiss* "As beautiful as the best memories, as sad as the best songs, as hopeful as your best dreams." —Siobhan Vivian, bestselling author of *The Last Boy and Girl in the World* "You can feel every peak and valley of Marin's emotional journey on your skin, in your gut. Beautifully written, heartfelt, and deeply real." —Adi Alsaid, author of *Never Always Sometimes* and *Let's Get Lost*

**K-POP A To Z** - Bina Lee 2019-02-05

Everything You Could Possibly Need to Know about Korean Pop Music! K-POP is popping up everywhere! Korea's infectious and high-energy pop music and entertainment scene is a relatively young phenomenon in the West, and it is rapidly gaining traction. Don't be left out of the phenomenon. This book will help you learn the K-Pop lingo, culture, and important facts about the top stars of the industry, including: What it means when someone is your "Bias" Who has the best "Eye-smile" in the industry What exactly "Call" means Why you should avoid being a "Sasaeng fan" When G-Dragon started training for K-Pop stardom The meaning behind BTS's name Where Wanna One got their start And much more! Impress all your "Koreaboo" friends with the knowledge you gain in *K-Pop A to Z*!

**Playing the Playboy** - Noelle Adams 2016-04-30

Laurel will do anything to save her Santorini inn from the powerful Damon family, and that includes manipulating Andrew Damon, the man they've sent to get her off the property. Andrew might have a reputation for being irresistible to women, but she won't have any problem resisting him. This is war, after all, and the Damons drew their weapons first. Andrew has spent most of his life chasing women and wasting time, but he's determined to do his duty by his family, even if that means ousting an infuriating (and gorgeous) widow from the inn that legally belongs to the Damons. He doesn't expect to fall for her. And he definitely doesn't expect to discover that he's been played.
