Why I Married a Clown Girl From the Dimension of Death - Carlton Mellick 2023-11-14

For over 20 years, Carlton Mellick III has been writing some of the strangest and most compelling novels the bizarro fiction genre has to offer. Described as one of the top 40 genre fiction writers under the age of 40 by The Guardian and "one of the most original novelists working today" by extreme horror legend Edward Lee, Mellick returns with an absurd horror satire about the nature of love and fear. What if Killer Klowns From Outer Space was also a romantic comedy? Timothy is terrified of clowns. He's always found them disturbing and creepy and weird. But now that our world is besieged by clown-like invaders from another dimension, his phobia is spiraling out of control. Timothy has no idea how to handle living in a world full of these cartoonish creatures until he meets a clown girl named Puppy Caterpillars who happens to be the cutest, sweetest girl he's ever encountered. They fall in love and Timothy believes his phobia has finally been cured. But after they get married, Timothy discovers his phobia might have been the only thing keeping him alive. Because the clowns from the dimension of death are even more terrifying and dangerous than he ever imagined and the woman that he married might just be the most horrifying creature to ever crawl out of his deepest, darkest nightmares. Brace for an unforgettable and frightening love story from the author of Clownfellas and Cannibals of Candyland.

Shalimar the Clown - Salman Rushdie 2008-10-23

'Rushdie's most engaging book since Midnight's Children' Observer Shalimar the Clown was once a figure full of love and laughter. His skill as a tightrope walker was legendary in his native home of Kashmir. But fate has played him cruelly, torn him away from his beloved home and brought him to Los Angeles, where he works as a chauffeur. One morning he gets up, goes to work, and kills his employer, America's former counter-terrorist chief Maximilian Ophuls, in view of the victim's illegitimate daughter, India. The killing has its roots halfway across the globe, back in Kashmir, a ruined paradise not so much lost as shattered. And gradually it emerges that beyond this unholy trinity of Max, India and Shalimar, lurks a fourth, shadowy figure, one who binds them all together. 'This is Rushdie at his most flamboyant best' Financial Times

The Witch and the Clown - Ann 1987-02-01

The Ulanovs examine the images of the witch and the clown not only as mere literary, anthropological, or historical themes, but as determining much of the complexity of human sexual life. The common notions of male sexuality based upon strength and aggression, and female sexuality upon weakness and submission are thoroughly undone in this analysis.

She-Clown - Hannah Vincent 2020-03-26

These fierce, funny and feminist short stories shine with everyday heroines at work and at play. Ordinary lives are transformed as women try to be themselves while clowning around for others. Captured in familiar situations as well as in flights of fancy, the women in these stories are engaged in acts of self-preservation: they are exhilarated to discover the joy and surprise of other women's company, they make bold sexual choices, they go on a night-time excursions; as grandmothers, they give their grandchildren unsuitable presents. In one story, a young woman and her mother harness their creativity to express their horror at the world around them. In another, a teenage mother struggles with her feelings for the father of her child. One of the tales follows a woman who experiences the freedom of the workplace while another shows how imprisoning it can be.

Compassionate, unexpected, and full of small triumphs in the face of adversity, this collection establishes Hannah Vincent as one of the freshest voices in contemporary fiction.

Girl Clown Hatchet - Mav Skye 2016-10

This is what I know about fear. Fear changes you. Fear rules your life. Fear drives you crazy. It does all these things until you conquer it. If you do not conquer fear, it will conquer you. This is what I know now, to conquer the beast one must become the beast. I wish I could forget everything that has happened this summer. No one is who I thought they were. Not even me. My name is Chloe Sevenstars. I'm your average Native American teen living out the American dream in a trashy trailer court with my elderly mother. Well, average other than the fact that I've been stalked by a clown my entire life. Mr. Jingles carries a hatchet, waiting the right moment to use it on me. Everyone thinks I'm crazy. They are probably right, but I'm tired of being afraid. I won't run anymore. Even if I have to get a hatchet of my own. Girl. Clown. Hatchet.

Woven Gods - Vilsoni Hereniko 1995-03-01

weaving of fine mats.... Completely fascinating.” —Canberra Anthropology “A challenge to readers both in its form and content.... This book conveys the lively, complex and often hilarious elements, both of daily life and celebratory rituals, as they are expressed in contemporary culture.” —Journal of Intercultural Studies

The Dead Lady of Clown Town - Cordwainer Smith 2022-07-21

The Dead Lady of Clown Town' is a retelling of the story of Joan of Arc. Even though humanity achieved a utopian state, people still live sterile and shallow lives. The underpeople are modified animals who look human and have human intelligence but have no rights and are treated like animals, to be used and destroyed without a doubt. But there exists one hope for the underpeople that can bring them equality.

Clown Girl - Monica Drake 2010-08-24

Clown Girl lives in Baloneytown, a seedy neighborhood where drugs, balloon animals, and even rubber chickens contribute to the local currency. Against a backdrop of petty crime, she struggles to live her dreams, calling on cultural masters Charlie Chaplin, Kafka, and da Vinci for inspiration. In an effort to support herself and her layabout performance-artist boyfriend, Clown Girl finds herself unwittingly transformed into a "corporate clown," trapping herself in a cycle of meaningless, high-paid gigs that veer dangerously close to prostitution. Monica Drake has created a novel that riffs on the high comedy of early film stars — most notably Chaplin and W. C. Fields — to raise questions of class, gender, economics, and prejudice. Resisting easy classification, this debut novel blends the bizarre, the humorous, and the gritty with stunning skill.

Clown girl - Monica Drake

2015-06-26T00:00:00+02:00

Nita vive nelle strade pericolose di Baloneytown, tra tossici, agenti di polizia, alternativi, artisti, personaggi folli e cani randagi. Per campare fa il clown, fa la Clown Girl, ma non è un ripiego, un mezzo per sbarcare il lunario, è la sua vera passione, il suo grande sogno: un'aspirazione e un talento, una forma d'arte sublime e difficile, drammaticamente sospesa tra lo scherno e la malinconia. In un mondo che non capisce le sue battute e che in un nobile pagliaccio vede solo un buffone. Nita è fidanzata con Rex Galore, il bel clown, è perdutoamente innamorata di lui, ma Rex non si fa vedere, le telefona ogni tanto dall'Università dello Spettacolo dove è andato con i soldi che lei le manda. Ma il desiderio è troppo e la distanza incolmabile, e ogni giorno Nita deve inventare qualcosa, legare i palloncini in forme di animali per divertire un'orda di bambini molesti e chiassosi, soddisfare il feticismo di un cliente particolare, intrattenere i dipendenti di un'azienda con spettacoli al limite della prostituzione, guardarsi da un giovane poliziotto dolce e comprensivo, attento e appassionato, che un po' le fa battere il cuore... E in tutto questo due fedeli compagni di vita sono improvvisamente scomparsi, il cane adorato e Plucky, la gallina di gomma collega di tante avventure... Nita la Clown Girl è una martire appassionata e un'irresistibile commediante, poetica come Charlot, sarcastica quanto Groucho Marx, indignata come Holden Caulfield. Le sue avventure sono puro movimento frenetico, una esilarante, irresistibile immersione nei sogni della giovinezza, nella follia della passione, nella sorpresa continua di un cambio di scena, nell'attesa di un gesto imprevisto, di un ultimo, improvviso, scroscio di applausi. «Vi presento il libro della mia peggiore nemica, o "rivale", per dirla in maniera più elegante: ma viva la sincerità. [...] Non sto compiendo un'opera pia né voglio adulare nessuno: sono soltanto sincero. Tra gli scrittori esiste una grande rivalità, ma avere avversari validi come Monica Drake è una manna dal cielo.

Clown Girl non è solo un grande libro, è unico, un mondo a sé. Averne, di nemici di così gran talento». Chuck Palahniuk «Il ritmo della narrazione è anfetaminico e Nita, la Clown Girl, emerge come un personaggio memorabile, un testimone di quanto le emozioni possano essere al tempo stesso ridicole e sublimi». Publishers Weekly «La parola "unico" è sicuramente abusata ma credo che per una volta sia giustificata: questo romanzo è diverso da qualunque altro, e nel senso migliore. Un esordio davvero esaltante». Kevin Canty «Nita è il clown più divertente e commovente dai tempi di Smokey Robinson». Entertainment Weekly «Le pagine di Clown Girl rilasciano l'odore dell'asfalto cotto dal sole, di cannella e acquaragia, birra e frutta, urina e sudore. Un debutto brillante e coinvolgente». Philadelphia Weekly «Clown Girl è tra i romanzi recenti più raffinati e originali, il risultato di anni di lavoro di una talentuosa scrittrice di Portland». Seattle Times

The Victorian Clown - Jacky Bratton
2006-07-27

The Victorian Clown is a micro-history of mid-Victorian comedy, spun out of the life and work of two professional clowns. Their previously unpublished manuscripts - James Frowde's account of his young life with the famous Henglers' circus in the 1850s and Thomas Lawrence's 1871 gag book - offer unique, unmediated access to the grass roots of popular entertainment. Through them this book explores the role of the circus clown at the height of equestrian entertainment in Britain, when the comic managed audience attention for the riders

and acrobats, parodying their skills in his own tumbling and contortionism, and also offered a running commentary on the times through his own 'wheezes' - stand-up comedy sets. Plays in the ring connect the circus to the stage, and both these men were also comic singers, giving a sharp insight into popular music just as it was being transformed by the new institution of music hall.

Her mind is troubled; her behaviour is bizarre and her habits are strange. The devil demands revenge when atrocities refuse to be buried. Detective Inspector Nicholas Lightbone, (Nickbone) investigates a chain of fatal accidents. Because all the victims were in some way connected with the clown, he strongly suspects they were murdered. Although now retired, his obsession about finding the truth and his passion as a budding amateur actor is vital to the success of a devious plan, to confront the clown with living images of her victims, dressed in their original clothes.
