Her Savage Mountain Daddy - Madison Faye 2019-03-25

It's my job to protect her, my pleasure to possess her. This little brat needs saving. What she'll get is a firm hand and a thick dose of discipline. What she'll get is a daddy. There are three simple rules to the job:

protect, keep safe, keep professional. The Marines and then life as a street cop trained me for the first two....She's going to make me break the third. Nina's the sweet temptation I never saw coming. Innocent, untouched...and in a lot of trouble with some very, very bad men after witnessing a crime she wasn't supposed to see. Now, they want to hurt her. They want to take what's mine....Like h*ll is that happening. Protecting her is my job, but once I get my hands on those sweet, soft curves, I know I'll break every rule to keep her. Once I taste those lips as she begs me for more, and once I claim that innocence, there'll be no going back. They want her? They'll have to go through me. Nina's going to be my everything and my undoing. She'll be my sweet ruin. She'll be mine. And I'll destroy anyone who tries to take her from me. This is a standalone story. The books in Blackthorn Mountain Men series can be read in any order. Please note: this book was previously published as part of the USA Today bestselling "Daddy's Demands" anthology. This newer version is approximately 40% longer, with additional scenes and a brand new epilogue for the enjoyment of both new and previous readers. I hope you enjoy! Oh yeah, it's one of those types of books ;). Smutty, sweet, filthy, and packed with insta-love, an utterly obsessed hero, and more growly alpha than you can shake a stick at. Get ready for a wild ride! As with all my books, this one is safe, with no cheating, and a HEA guaranteed.

And when I hear her voice after introducing myself, my heart skips a beat. Not only does she look good, she also has the personality type I've always wanted. But I might be getting ahead of myself. What if I'm wrong? What if I get in too deep again and get hurt? Plus, I'm a firefighter. I've got a dangerous job to do and that job depends on my ability to focus. WHEN YOU'RE A big girl Cherri has often wished she were thin and graceful like a ballerina instead of being a six-foot-tall blonde with curves that require serious caution. Unless maybe he's looking for the exact opposite of a delicate lass? there's more of you to love When Colin hired Cherri to work in his furniture-restoration shop, he had his eyes, first and foremost, on her artistic talents. But now he can't help but see Cherri for the lush, spirited beauty that she is...and, soon enough, he finds himself mixing business with pleasure. But Cherri turns out to be more vulnerable than she appears. Is she in need of more than Colin can give? Or could it be that a feeling stronger than lust has him thrown for a curve?
