Fosse Sam Wasson 2019-04-04 Don't dance for the audience. Dance for yourself. The basis for a lavish new drama series from Hamilton creator Lin-Manuel Miranda, Fosse is the definitive book on one of Broadway's and Hollywood's most complex and dynamic icons. The only person ever to win Oscar, Emmy and Tony awards in the same year, Bob Fosse revolutionised almost every facet of American entertainment. A ground-breaking dancer, choreographer, and theatre and film director, his innumerable achievements include Cabaret, All That Jazz and Chicago, one of the longest-running Broadway musicals ever. Yet his offstage life was equally dramatic, marked by deep psychological wounds and insatiable appetites. In this richly detailed and beautifully written biography, Sam Wasson draws on a wealth of unpublished material and over 300 interviews with Fosse's family, friends, enemies, lovers and collaborators, many of them speaking publicly about Fosse for the first time. Fosse is a book bursting with energy and style, pleasure and pain - much like the man himself.

Get Over Yourself! Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost

Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical

features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Echo and Narcissus Polona Petek 2021-02-03 Echo and Narcissus: Echolocating the Spectator in the Age of Audience Research came about as a response to the recent shift of focus in the studies of cinema. While the seventies and the eighties were marked by increasingly complex theorisations of spectatorship, the last two decades have witnessed a turn towards ethnographic research into film reception. However, this long overdue turn towards the empirical viewer has not produced a genuinely broader scope of analysis. It has rather, all too hastily, consigned the spectator, a textually constructed viewing position, to oblivion, thanks to the concept's perceived hegemonic and totalising premise. Echo and Narcissus intervenes into this state of affairs by arguing for a productive nexus between theorisations of spectatorship and the currently more fashionable audience research. Petek maintains that an informed mapping of contemporary (and past) filmviewing practices still requires a spectatorial model and she offers such a model through a re-reading of Ovid's tale of Echo and Narcissus. She demonstrates that the myth's central role in traditional theorisations of spectatorship has not yet been properly reflected upon. Her critical recuperation of the Ovidian myth provides a revised model of the spectator—one with discursive access to all types of cinema, yet, flexible enough to accommodate a range of viewers' responses and their cultural diversity.

Dirty Flirty Enemy Piper Rayne 2018-11-26 He's the arrogant Manhattan realtor with billboards advertising his six-pack more than his expertise in negotiations. I'm the competing broker who stupidly moved across the hall from his office. From day one, I've been his sworn enemy. Okay, so I might have accidentally stolen one of his clients. Well, is it stealing if the client comes to me? Even our vicious banter and loathing gazes can't hide the chemistry between us. Who can blame me? He has enough charisma to make every hot-blooded woman in the city melt with a single word. Just when I think a mutual respect could be born between us, the biggest developer in the city offers us an opportunity that pits us against each other. Time to forget Carmelo Mancini's dreamy eyes and tight abs. Game on.

You might be messing up with your chances to get a lovely lady to date, when you make calls that you do not know where to go next after the initial greeting and "how are you doing" part of the call. You should not burry yourself in bad experiences that you have gone through so far, because here is an eBook that will give you a different direction of introducing yourself to lovely women and striking a conversation that will lead to a productive date. The solution that this book provides is in the techniques of texting, because you do not have to reach to a lady through a call only. Texting can do wonders when done in the right way, and that is what we are going to show you in this book. We know facing a lady for the first time is always very nervous and this is where many men fail, when they walk away feeling like losers and the ladies are left wondering what a coward you are. The information in this book has been narrowed down to using texting as a tool to lure a lady and make her want to be with you and stick with you as your woman. When used properly, texting will reveal the kind of person you are and the lady will be able to know the kind of a man she is giving her time to. Eventually she will make her mind whether to agree to your request or simply throw your pleas to the usual dustbin of losers. The battle starts when you plan to engage a certain lady in a conversation, because the process of asking her for the number is an action that gives many men Goosebumps. Not to worry, we will show you how to take that first step and get the vital number that will link you to that lovely lady who is giving you sleepless nights when you think of how lovely she is, and how much you want to spend time with her. We however need to get some facts right before we get too much into the power of texting when you want a woman. Your failure to get the lady you want may be due to poor interaction or communication techniques, and the fact that you can type some lovely words on your Smartphone instead of voicing them does not guarantee that

the lady will accept your requests. You need to do it right to get her attracted to you. The texting style should create enough rapport and attraction for the lady you want to spend your precious time with, and the effort should not go down the drain because the connection of the hard work should be solid.
