know anything if you just remember isolated facts. If the facts don't hang together on a latticework of theory, you don't have them in a usable form. You've got to have models in your head." - Charlie Munger, investor, vice chairman of Berkshire Hathaway The world's greatest problem-solvers, forecasters, and decision-makers all rely on a set of frameworks and shortcuts that help them cut through complexity and separate good ideas from bad ones. They're called mental models, and you can find them in dense textbooks on psychology, physics, economics, and more. Or, you can just read Super Thinking, a fun, illustrated guide to every mental model you could possibly need. How can mental models help you? This SYBD NC Journal - A large (A4/8.3" x 11.7"), 200 page, blank-lined notebook to write down all of the things you want to say to someone - possibly your ex boyfriend or girlfriend, or maybe someone else whom you are trying not to contact. When practicing NC, share whatever comes up for you - the good the bad, the happy or

sad moments here in the NC journal, in order to get it all out of your system - in a healthy way. ABOUT THE NO CONTACT TECHNIQUE In some cases, people try to use the no contact rule to win an ex back, but since 2000, at SYBD we have always recommend using it for self preservation and one's own mental health. NC provides a bit of space to heal, grow, learn and usually move on. Some people do reconcile, or get together with someone, after a period of NC, but the focus of no contact should be on one's own wellness, and not as a trick to get an ex back (no matter how desperate you may feel) The SYBD NC Journal is suitable for men and women, gay or straight, at any age to write down feelings, experiences, thoughts, emotions and things left unsaid. ABOUT SYBD MEDIA So You've Been Dumped is the longest running breakup site on the web. Launched in Glasgow in 2000, by Thea Newcomb, it was created with the sole purpose to help men and women turn

their pain into gain - in the aftermath of a breakup or divorce. SYBD was the place that started this concept of "No Contact" as a way of self-preservation, and not how it is often used today, namely as a trick to win an ex back*.

Psychopath Free (Expanded Edition) - Jackson MacKenzie
2015-09-01

From the author of *Whole Again* comes a significantly expanded edition of *Psychopath Free*—containing new chapters, updated content, and real survivor experiences—that will help you recover from emotionally abusive relationships with narcissists, sociopaths, and other toxic people. Have you ever been in a relationship with a psychopath? Chances are, even if you did, you would never know it. Psychopaths are cunning charmers and master manipulators, to the point where you start to accept the most extreme behaviors as normal...Even if it hurts you. All around us, every single day, human beings devoid of empathy are wreaking havoc and destroying lives in the coldest, most heartless ways imaginable. In constant pursuit of money, sex, influence, or

simple entertainment, psychopaths will do whatever it takes to gain power over others. They hide behind a veil of normalcy, arranging their friends and partners like pawns in a game of chess. Using false praise and flattery to get what they want, they can lure any unsuspecting target into a relationship. Once hooked, their charming promises spin into mind games and psychological torture. Victims are left devastated and confused, unable to recognize—or even put into words—the nightmare that just took place. Written from the heart, *Psychopath Free* is the first guide for survivors written by a survivor, offering hope for healing and thriving after psychopathic abuse. Say goodbye to the chaos, self-doubt, and victimization. You are free.
