**International Cinema and the Girl - Fiona Handyside 2016-04-29**

From the precocious charms of Shirley Temple to the box-office behemoth Frozen and its two young female leads, Anna and Elsa, the girl has long been a figure of fascination for cinema. The symbol of (imagined) childhood innocence, the site of intrigue and nostalgia for adults, a metaphor for the precarious nature of subjectivity itself, the girl is caught between infancy and adulthood, between objectification and power. She speaks to many strands of interest for film studies: feminist questions of cinematic representation of female subjects; historical accounts of shifting images of girls and childhood in the cinema; and philosophical engagements with the possibilities for the subject in film. This collection considers the specificity of girls' experiences and their cinematic articulation through a multicultural feminist lens which cuts across the divides of popular/art-house, Western/non Western, and north/south. Drawing on examples from North and South America, Asia, Africa, and Europe, the contributors bring a new understanding of the global/local nature of girlhood and its relation to contemporary phenomena such as post-feminism, neoliberalism and queer subcultures. Containing work by established and emerging scholars, this volume explodes the narrow post-feminist canon and expands existing geographical, ethnic, and historical accounts of cinematic cultures and girlhood.

**Soundtrack Available - Pamela Robertson Wojcik 2001-12-03**

DIVEssays on film soundtracks composed of popular music (rather than the composed film score) both in relation to the films, and circulating separately on record./div

Girls on Film - Alicia Malone 2022-03-15

Girls on Film: Witty Life Lessons from Alicia Malone #1 Best Seller in Photography Criticism & Essays, Movie Guides & Reviews, Movie Reference With humor and honesty, Girls on Film looks at the good, the bad, and the unfairly written women in film. This collection celebrates the power of cinema, media, culture and the faces of girls on film. Insiders from a Nerdy Film Lover. Weaving together life lessons with movie history, film reporter Alicia Malone celebrates the power of cinema and the women who shone brightly on the big screen, while also critiquing hidden messages in films. Alicia connects film analysis with her own journey of self-discovery —from growing up as a nerdy film lover in Australia to finding her voice as a woman on television. Each Movie has a Hidden Message. What messages and life lessons have been taken from these movies of the past —positive, negative or sometimes, both? Alicia Malone highlights many films, some with life changing moments and others with a tribute to feminist authors and messages. In this modern approach to film reviews and women, you'll find essays on: Hidden messaging and life lessons in films The journey of women's history in film Breakdowns on movie stereotypes like the the femme fatale Women nonfiction lovers who enjoyed Where the Girls Are, or feminism books like Extraordinary Women In History, When Women Invented Television, or Renegade Women in Film and TV, will love Girls on Film.

**Girl On Film - Cecil Castellucci 2019-11-27**

One thing young Cecil was sure of from the minute she saw Star Wars was that she was going to be some kind of artisté. Probably a filmmaker. Possibly Steven Spielberg. Then in 1980 the movie Fame came out. Cecil wasn't allowed to see that movie. It was rated R and she was ten. But she did watch the television show and would pretend with her friends that she was going to that school. Of course they were playing. She was not. She was destined to be an art school kid. Chronicling the life of award-winning young adult novelist, and Eisner-nominated comics scribe Cecil Castellucci (Shade the Changing Girl, Star Wars: Moving Target), Girl On Film follows a passionate aspiring artist from the youngest age through adulthood to deeply examine the arduous pursuit of filmmaking, while exploring the act of memory and how it recalls and reshapes what we think we truly know about ourselves.

Edith Wharton on Film - Parley Ann Boswell 2007-10-23

"This full-length study, the first to examine the film adaptations of Wharton's fiction, covers seven films adapted from Wharton's works between 1930 and 2000 and the fifty-year gap in Wharton film adaptations. The study also analyzes Sophy Viner in The Reef as pre-Hollywood ingenue, characters in Twilight Sleep and The Children and the real Hollywood figures who might have inspired them, and The Sheik and racial stereotypes."--BOOK JACKET.

**Girls on Film - Allie K. Adams 2016**

The photo shoot of a lifetime...One week after the apparent suicide of a model with the famous Miles Anthony Studio, another body is found inside the studio, this one a woman carefully posed in front of a camera. The discovery of this body leads the SBI to believe the first death wasn't a suicide after all. The bureau teams up with TREX to send someone in undercover to find the killer before he can strike again.Little did Seattle beat cop Maxine Edwards know finding the body of a woman posed holding a bouquet of pink flowers inside a downtown business would start a chain reaction ending with her on both TREX's and the SBI's payroll as a dual agent. Max is positive they've made a mistake. She won't be any good as a model, not when she prefers baggy sweats and ball caps to tight skirts and updos. In a moment of weakness, she has an uncharacteristic one-night stand with a man who she never expects to see again, let alone who turns out to be the photographer from the Miles Anthony Studio.Just the right angle...After an unforgettable night with a woman he only knows as Max, photographer Tony James buries himself in his work in an effort to cope with the death of two of his models. When his first appointment turns out to be the mystery woman from the night before, he takes advantage of the situation and turns her into the next face of the studio, which is exactly what Max needs to get close to who TREX believes is the killer--the reclusive Miles Anthony himself.As Max and Tony work together, they grow closer, all the while attempting to deny the passion threatening to consume them. She can't tell him why she's really at the studio and risk him telling the owner, so she lies to him in the name of the law.To capture the perfect image.The killer always seems to be one step ahead of them. They are nowhere closer to

finding the owner than they were after discovering the first body. After nearly dying at the hands of the killer, Max makes a devastating discovery that changes everything, forcing her to make an impossible choice--let TREX tell Tony who she really is and order him to take the agents to the owner, or allow herself to be the next girl on film in order to catch the killer herself. Someone is taking the term killer shot literally.

**Girls on Film (#2 An A-List Novel)** - Zoey Dean 2004

Girls on Film - Zoey Dean 2004-04-01

In this sequel to the A-List, seventeen-year-old Anna has now moved away from Manhattan to an even more posh home in Beverly Hills where her relationship with Ben takes an unusual turn after he was discovered with a celebrity friend who almost drank

**Girls on Film** - Zoey Dean 2008-08-01

Girls on Film is the wickedly funny and risqué sequel to the bestselling A-List that takes readers behind the scenes of the intoxicating world of Hollywood glitterati. Seventeen year-old Anna ("pronounced Aaaanah") Percy has moved from posh Manhattan to the even more posh Beverly Hills, California, where she's living with her estranged dad for the rest of the school year while her mother travels to Europe with a friend. The fast times of Beverly Hills most beautiful and glamorous people drive the page-turning action of this irresistible, stylishly written novel.

**Girls on Film** - Julie Burchill 1986

Girl Head - Genevieve Yue 2020-11-10

Girl Head shows how gender has had a surprising and persistent role in film production processes, well before the image ever appears onscreen. For decades, feminist film criticism has focused on issues of representation: images of women in film. But what are the feminist implications of the material object underlying that image, the filmstrip itself? What does feminist analysis have to offer in understanding the film image before it enters the realm of representation? Girl Head explores how gender and sexual difference have been deeply embedded within film materiality. In rich archival and technical detail, Yue examines three sites of technical film production: the film laboratory, editing practices, and the film archive. Within each site, she locates a common motif, the vanishing female body, which is transformed into material to be used in the making of a film. The book develops a theory of gender and film materiality through readings of narrative film, early cinema, experimental film, and moving image art. This original work of feminist media history shows how gender has had a persistent role in film production processes, well before the image ever appears onscreen.

Girl on Film Original Graphic Novel - Cecil Castellucci 2019-11-19

Follow novelist Cecil Castellucci in this insightful memoir of making art, the nature of memory, and being a teenager in 80s New York City. One thing young Cecil was sure of from the minute she saw Star Wars was that she was going to be some kind of artisté. Probably a filmmaker. Possibly Steven Spielberg. Then in 1980 the movie Fame came out. Cecil wasn't allowed to see that movie. It was rated R and she was ten. But she did watch the television show and would pretend with her friends that she was going to that school. Of course they were playing. She was not. She was destined to be an art school kid. Chronicling the life of award-winning young adult novelist, and Eisner-nominated comics scribe Cecil Castellucci (Shade the Changing Girl, Star Wars: Moving Target), Girl On Film follows a passionate aspiring artist from the youngest age through adulthood to deeply examine the arduous pursuit of filmmaking, while exploring the act of memory and how it recalls and reshapes what we think we truly know about ourselves. Praise for Girl on Film More than a life story, it's an account of how to live an artist's life even when it looks like your artistic ambitions are grandiose and impractical. In fact, Castellucci shows, your artistic ambitions are pretty much guaranteed to be grandiose and impractical. That doesn't matter. What matters is how you live with your big dreams, what you give up for them, what you hang onto and what you let go. - NPR ...a story that's simultaneously sweet and provoking: more than a mere autobiography, Girl on Film demands that we ask ourselves how we narrate our own life and its meaning. - Boing Boing

**Sports Heroines on Film** - Viridiana Lieberman 2014-11-03

It's hard to find females in leading roles as athletes, coaches and owners in sports film story lines. With an abundance of male-focused stories, Hollywood continues to reinforce the association of athleticism with masculinity. Portrayals of women in prominent roles indicate social attitudes and values and--when looked at over time--also show what influence the women's movement has had on cinematic representation and social understandings. This discussion of sports film heroines begins

with National Velvet (1944) and ends with Secretariat (2010). It addresses the question of whether these story lines do or do not empower women as characters and role models, while offering alternative cinematic choices that reflect the true and ever-growing history of women in sports.

**American Newspaper Journalists on Film** - Johnny D. Boggs 2022-12-13

When "talking" pictures first appeared in cinema theaters in the late 1920s, films about newspaper journalists quickly became a Hollywood mainstay. These were a variety of responses from working reporters, editors, and photographers. The newspaper film was a popular genre in the 1950s, and famous films such as All the President's Men (1976) and Spotlight (2015) have depicted the power of the press. Journalists have also been portrayed in films that are not specifically about newspapers, appearing in noir films like Woman on the Run (1950), Westerns such as Fort Worth (1951), comedies like The Ghost and Mr. Chicken (1966), musicals like Wake Up and Live (1937) and historical epics like Lawrence of Arabia (1962). A film historian and former newspaper writer, the author investigates how accurately films have portrayed journalists across the decades. The book also details what journalists thought of the depictions at the time, contributing to brief histories and analyses for each film. Featured journalist archetypes include airy reporters, screaming editors, photographers, sportswriters and war journalists. Classics, misfires, Westerns, obscure treasures and films the press both adored and detested are all included in this comprehensive here.

"So Very," "so Fetch" - Mary Larken McCord 2008

In the mid-1990s, two discourses of girlhood emerged in both the popular and academic spheres. Consolidated as the girl power discourse and girls in crisis discourse, the tension between these two intertwined discourses created a space for new narratives of female adolescence in the decade between 1995 and 2005. As sites of cultural construction and representation, teen films reveal the narratives of girlhood. The films under consideration serve as useful exemplars for an examination of how such discourses become mainstreamed, pervading society's image of female adolescence.

The Aesthetic Pleasures of Girl Teen Film - Samantha Colling 2017-07-27

What is 'fun' about the Hollywood version of girlhood? Through re-evaluating notions of pleasure and fun, The Aesthetic Pleasures of Girl Teen Film forms a study of Hollywood girl teen films between 2000-2010. By tracing the aesthetic connections between films such as Mean Girls (Waters, 2004), Hairspray (Shankman, 2007), and Easy A (Gluck, 2010), the book articulates the specific types of pleasure these films offer as a means to understand how Hollywood creates gendered ideas of fun. Rather than condemn these films as 'guilty pleasures' this book sets out to understand how they are designed to create experiences that feel as though they express desires, memories, or fantasies that girls supposedly share in common. Providing a practical model for a new approach to cinematic pleasures The Aesthetic Pleasures of Girl Teen Film proposes that these films offer a limited version of girlhood that feels like potential and promise but is restricted within prescribed parameters.

The Girl On The Landing - Paul Torday 2009-02-19

'The best book of the year... truly astonishing' Sunday Express 'An exciting novel - part love story, part psychological thriller' Mail on Sunday 'Surprising and suspenseful' Observer A GHOST STORY, A PSYCHOLOGICAL THRILLER AND A TALE OF LOVE REDISCOVERED, FROM THE BESTSELLING AUTHOR OF SALMON FISHING IN THE YEMEN Elizabeth has been married to Michael for ten years. She has adjusted to a fairly monotonous routine with her wealthy, decent but boring husband. Part of this routine involves occasional visits to Beinn Caorrun, the dank and gloomy house in a Scottish glen that Michael inherited. But then Michael begins to change. It starts when he thinks he sees, in a picture, the figure of a girl on a landing. As he changes, life becomes so much more fun and Elizabeth sees glimpses of a man she can fall in love with at last. But who - or what - is changing Michael?

**Pictures of Girlhood** - Sarah Hentges 2006

The coming of age tale has been a popular genre of film for decades but the female characters in these films don't necessarily reflect the female audiences watching them. This study provides a variety of cultural reference points regarding the individual and collective American coming of age story.

**Girls on Film** - Alicia Malone 2022-03-15

*Renegade Sisters* - Beverley Zalcock 2001

From boarding school to women's prison, biker packs to urban vigilantes, witches' covens to sex-crazed nuns, rampaging girl gangs have long been a staple of exploitation cinema. "Renegade Sisters" is the best-selling, ultimate illustrated guide to these untamed celluloid she-devils. This brand new, updated and expanded edition features additional chapters on Delinquent Nurses and Fang Gangs: Vampire Vixens, plus a report on the feisty feature film of "Charlie's Angels," and an exclusive interview with Stephanie Rothman, director of girl-gang classics "Student Nurses" and "Terminal Island."
