

Handbook Of Sexual Dysfunction

Neurology of Sexual and Bladder Disorders - David B. Vodusek
2015-05-21

The neurology of sex and bladder disorders requires specialized knowledge and represents a challenge for clinical neurologists focused on the neurological condition. Sex and bladder disorders are often related to more general neurological disorders like Parkinson's disease and multiple sclerosis, and often the sex and bladder disorders are passed to specialists in urology. *Neurology of Sexual and Bladder Disorders: Handbook of Clinical Neurology* is a focused, yet comprehensive overview that provides complete tutorial reference to the science, diagnosis and treatment of sex and bladder disorders from a neurologic perspective. Comprehensive coverage of the neurology of sex and bladder disorders Details the latest techniques for the study, diagnosis and treatment of sex and bladder dysfunction from a neurological perspective A focused reference for clinical practitioners and neurology research communities

A Handbook of TCM Urology & Male Sexual Dysfunction - Anna Lin 1992

Handbook of Sexual Dysfunction - Richard Balon 2019-08-30

Offering an authoritative collection of chapters from clinicians and researchers in the United States, Canada, and Europe, this reference comprehensively covers the latest understanding in the etiology, pathophysiology, diagnosis, and treatment of sexual dysfunction.

The Handbook of Sexuality in Close Relationships - John H. Harvey
2004-04-26

Although sexuality is an integral part of close romantic relationships, research linking these two constructs is to some extent under developed. The editors' goal is to integrate this research into one volume with the hope that the book will serve as a forum for enhancement of dialogue about the centrality of sexual issues in close relationships.

Handbook of Sexuality-Related Measures - Terri D. Fisher
2013-09-13

This classic and invaluable reference Handbook, written for sex researchers and their students, has now been completely revised in a new edition complete with its own companion website. It remains the only easy and efficient way for researchers to learn about, evaluate, and compare instruments that have previously been used in sex research. In this third edition of the Handbook, 218 scales, complete with full descriptions and psychometric data, are made available, with additional information provided at the companion website for this volume.

Sexual Function in People with Disability and Chronic Illness - Marca L. Sipski 1997

This comprehensive book offers an in-depth look at sexual functioning with disability and chronic illness. The basics are covered: taking a sexual history, the sexual response cycle, and how sexual functioning changes with age. This book also deals with special issues such as ethical considerations, sexual abuse and disability, and treatment of the partner of the person with a disability. Separate chapters deal with specific illnesses and disabilities, with an explanation of how that illness or disability affects sexuality and sexual functioning in both men and women. Practical issues such as positioning and helpful tips are also defined for each disorder.

The Handbook of Sexual Dysfunction - Wayne J. G. Hellstrom 1999

Handbook of Sexual and Gender Identity Disorders - David L. Rowland
2008-02-13

Complete coverage of *The Handbook of Sexual and Gender Identity Disorders* provides authoritative coverage of the etiology, diagnosis, and treatment of three major DSM-IV-TR classifications of sexual disorders and gender identity disorders: sexual dysfunctions, gender identity disorders, and paraphilias/atypical sexual behaviors. The first internationally contributed handbook of its kind, this practical guide provides mental health professionals as well as medical professionals with the latest information in the understanding and treatment of sexual problems and gender identity related disorders. Covering both the medical and mental health related aspects of sexual dysfunctions and gender identity disorders, topics covered include: * Male sexual arousal disorder * Female desire disorder * Female genital pain and its treatment * Aging

and sexuality * Disease and sexuality * Gender identity disorders in adults * Cross-cultural issues in gender identity disorders * Paraphilic sexual disorders * Sexual addiction * Legal and privacy issues surrounding paraphilias An insightful and unique resource, the *Handbook of Sexual and Gender Identity Disorders* prepares mental health and medical professionals to more skillfully and compassionately recognize and address the sexual issues of those who seek their help.

Handbook of Human Sexuality - Benjamin B. Wolman 1993

Presents a survey of what is known about sexual disorders and their treatment. It covers all the therapeutic approaches to sexual dysfunction: psychoanalytic, behavioural, Masters and Johnson's, Helen Kaplan's, and the holistic.

The Wiley Handbook of Sex Therapy - Zoë D. Peterson 2017-04-24

The *Wiley Handbook of Sex Therapy* is a comprehensive and empirically-based review of the latest theory and practice in the psychotherapeutic treatment of sexual problems across client populations. Structured in four sections covering specific sexual dysfunctions, theoretical approaches to sex therapy; working with client diversity; and future directions in sex therapy Advocates a holistic approach to sex therapy with a focus on using a range of psychotherapeutic theories and techniques rather than only the most popular behavioral strategies Includes case studies which highlight the broad spectrum of diverse conditions that clients can experience and which sex therapists can therefore encounter in the consulting room Includes contributions by more than 60 experts from a wide range of disciplines

Handbook of Sex Therapy - Joseph LoPiccolo 2012-12-06

When is it timely to publish a synthesis of previously published and original materials from a specific discipline? I believe it to be timely when one has a sufficient amount of high-quality material covering the critical areas of that topic, when the previously published material is scattered over a wide range of journals and books, and when there is no single book that synthesizes the discipline. The treatment of sexual dysfunction emerged to the front lines of health delivery only during the past decade with the pioneering work of William Masters and Virginia Johnson. In spite of the rash of sex clinics and sex therapists that followed, precious little solid research has been conducted on the various strategies of therapy, the means of assessing complex interpersonal sexual relationships, and the manner by which clinical change is objectively assessed. No one reader can keep pace with the multitude of journals that publish key material by sophisticated investigators. And no one investigator can cover these salient areas alone with his or her original work in a single volume. The critical papers have now been written. Ten were written specifically for this volume and thirty-three have previously appeared. This volume laces them together into a coherent pattern. Thus, the time for a synthesis in sexual dysfunction.

Handbook of Sexual Assault and Sexual Assault Prevention -

William T. O'Donohue 2019-10-18

This timely handbook provides in-depth overviews of the myriad and multi-faceted issues surrounding sexual assault and its pervasiveness in today's culture. Drawing from multiple viewpoints and experts, the book is divided into seven comprehensive sections, covering such topics as risk factors, varying theoretical frameworks, prevention and intervention, and special populations. Within these sections the authors provide historical background as well as the latest research, and offer treatment outcomes and potentials. Selected topics covered in this book include: Feminist theories of sexual assault Social and economic factors surrounding sexual violence Mental, physiological, physical, and functional health concerns of victims, including PTSD Major categories of sexual offenders Treatment of sexual assault survivors in the LGBTQ+ community Procedural processes related to sexual assault investigation and adjudication within the criminal justice system *The Handbook of Sexual Assault and Sexual Assault Prevention* is a vital book that will appeal to a broad spectrum of students, researchers, practitioners, and clinicians in the fields of psychology, psychiatry, community mental health, and sociology.

Handbook of Clinical Sexuality for Mental Health Professionals - Stephen B. Levine 2003

This volume is designed to assist mental health professionals who are not

prepared by education or supervised clinical experience to effectively and optimistically approach their patients' common sexual concerns. This book provides mental health professionals with comprehensive and essential knowledge of human sexuality to competently generate a practical approach to specific high-prevalence sexual difficulties. Leading experts provide case illustrations, including what questions to ask, which treatments to consider and how to discern which treatments will work for each patient. It also addresses the issue of which case can be treated using these brief interventions and which should be referred to a specialist.

Handbook of Sexual Dysfunctions - William T. O'Donohue 1993

Following the taxonomy of sexual dysfunctions contained in the DSM- III-R, brings together the best available information on the diverse sexual problems, as well as describing the research agenda for the future. Each chapter author writes on the psychopathology, assessment, and treatment of each disorder, and also outlines important questions for future research. For each group of dysfunctions (desire, arousal, orgasm, and pain disorders), the handbook also contains a chapter written by a physician on the medical aspects of that group of dysfunctions.

Handbook of Clinical Sexuality for Mental Health Professionals - Stephen B. Levine 2011-01-19

The constantly-changing field inspired the second edition of Handbook of Clinical Sexuality for Mental Health Professionals. In a state-of-the-art guide, Dr. Levine and his associates continue to help professionals with the assessment and treatment of a large array of sexual concerns.

Written in a personal, supervisory style, the book will help new therapists anticipate clinical contingencies and help experienced therapists refine their thinking and teaching. Easily accessible, the Handbook is divided into six major sections with helpful annotated references: Being a Therapist; Intimacy; Sexual Dysfunction; Sexual Identity Struggles; The Forgotten; and Additional Vital Topics. Twenty-one chapters have been thoroughly revised and updated, and five new ones have been added. These focus on gay and lesbian life, transitioning to single life, cancer survivorship, the sexual issues of the developmentally challenged, and sex among the aging.

Handbook of Male Infertility & Andrology - Naveenchandra Acharya 2015-02-20

Andrology is now recognised as a medical subspecialty, due to the growing number of associated diagnostic and therapeutic possibilities. Handbook of Male Infertility and Andrology serves as a source of

reference, summarising the current state of knowledge in the field. Handbook of Male Infertility and Andrology will familiarise andrologists and general physicians with the clinical management of male infertility and provide the patient with practical guidance regarding his clinical problem.

General Procedures - Joel Fischer 2013-10-22

General Procedures deals with behavior-change procedures for diverse target behaviors. It aims to provide behavioral therapists with effective system of procedures for implementation with their clients who suffer from sexual problems. Its emphasis is on intervention rather the "etiology" of sexual problems and it describes all major techniques for dealing with sexual problems developed by behaviorists. This book is organized into two volumes. Volume I focuses on specific behavioral techniques developed or adapted for use with sexual problems. It also describes these techniques and indications for their use. Volume II covers the range of sexual problems to which behavior therapy procedures have been applied. Each volume is organized into two parts, the first part dealing with techniques and problems involved in heterosexual couple relationships, and the second part dealing with techniques and problems involved in undesired sexual object choices. This book will be of interest to persons dealing with studies on behavior therapy and those interested in understanding procedures and techniques for the treatment of sexual problems.

Sex Therapy Handbook - Eric C. Krohne 1982

Sex Therapy Handbook - E.C. Krohne 2012-12-06

Blocks and Freedoms in Sexual Life - Ruth Skrine 2019-01-22

Doctors increasingly recognize that sexual unhappiness has serious effects on the health of individuals and families. Sexual function depends on our bodies and our minds and sexual problems may present with physical symptoms. Using case histories the book describes the practice of psychosexual medicine and explores the skills used by doctors therapists and counsellors. A systematic and comprehensive examination of this field for the first time this book places psychosexual medicine in context with other therapies. For those working at all levels throughout primary care including doctors and nurses in general practice and in family planning clinics therapists and counsellors and for specialists in the fields of genito-urinary medicine gynaecology andrology and urology Blocks and Freedoms in Sexual Life is an essential reference and a tool for increasing the scope and effectiveness of their work.
