romp from Mexico, through Texas, and straight into true love” —Kelsey Browning, author and cofounder of Romance University Kathleen Witte is a down-to-earth girl. She has to be, with the family ranch on the verge of success. After seven months of keeping it all together by swearing off men, however, Kathleen needs a bit of fun in the sun. Waking up with a husband she can't remember isn't how she planned to blow off steam. The last thing Jackson Taylor wants in his life is a down-to-earth girl. He has four weeks of freedom in which to find his birth mother. He's done well avoiding commitment until now, so when he wakes up on a Mexican beach with Kathleen his first reaction is curiosity. When he spies the matching wedding rings on their left hands curiosity turns to concern. Neither Jackson nor Kathleen want to stay married, but when her family shows up, they have no choice. Once back in Texas, however, can they keep this all-business marriage from turning into an all-

consuming love? Sensuality Level: Sensual Once upon a time, Kristina Knight spent her days running from car crash to fire to meetings with local police—no, she wasn't a troublemaker, she was a journalist. The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary

psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology
Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills
For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III -

Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face

that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

What a Girl Wants? - Diane Negra 2009-06-02

From domestic goddess to desperate housewife, What a Girl Wants? explores the importance and centrality of postfeminism in contemporary popular culture. Focusing on a diverse range of media forms, including film, TV, advertising and journalism, Diane Negra holds up a mirror to the contemporary female subject who finds herself centralized in commodity culture to a largely unprecedented degree at a time when Hollywood romantic comedies, chick-lit, and female-centred primetime TV dramas all compete for her attention and spending power. The models and anti-role models analyzed in the book include the chick flick heroines of princess films, makeover movies and time travel dramas, celebrity brides and bravura mothers, 'Runaway Bride' sensation Jennifer Wilbanks, the sex workers, flight attendants and nannies who maintain such a high profile in postfeminist popular culture, the authors of postfeminist
