Getting Pregnant Fast and How to Predict Your Baby Gender Box Set Learn Now How to Optimize Ovulation and Getting Pregnant Fast There are millions of couples who have been trying to get pregnant for a long time. For some couples it takes the first month of trying. For other couples, it can be a tedious wait of 6 years or more! If you find yourself in this category, remember that you are not alone! While it can be an incredibly frustrating journey that is out of our control, there is hope. This reference book is here to optimize your chances of getting pregnant as you through the journey of conception. Conceiving a child is truly a miracle! Being fertile at the right moment is not an easy proposition. There are many factors that need to be taken into consideration when trying to get pregnant. Once you start the journey of conception, you'll find that people advise you to exercise patience. According to these people, getting pregnant is no similar than turning on a light switch. However, this is not necessarily true. Patience, although good and solid advice, may not be enough to help you get pregnant. Patience may not be enough due to many factors that determine whether you will get pregnant in this month or not. You may have all the time in the world to get pregnant, but if you aren't paying attention to some of the key factors, you'll miss the mark every time. Here Is A Preview Of What You'll Learn... The Stork Club - Imogen Edwards-Jones
2011-09-30

When I was a teenager, I thought you could get pregnant from sitting in a jacuzzi. Not that I'm sure I even knew what a jacuzzi was, but I knew they were racy places where racy things happened. Men, as far as I remember, didn't even have to be there. So long as they'd been in the water in some sort of excitable state, pregnancy was inevitable - even if you kept your pants on. You see pregnancy was that easy, that

dangerous and it could ruin your life. Almost 20 years later and pregnancy could still ruin my life. Although now it is not the threat of what having a baby would do, but of not having a baby at all. I have been trying to get pregnant for two years and have not even come close to hearing the pitter-patter of tiny feet...' So begins The Stork Club, Imogen Edwards-Jones' very personal, very moving and very funny memoir of her (and her husband's) trials and tribulations with IVF. Poked and prodded by endless doctors, pumped full of an exotic cocktail of drugs and forced to try to have sex at the most inopportune moments, Imogen pulls no punches in her account of this process. In her words, 'The fertility game is like a marathon, where you just have to keep on running. No matter how many times the finishing line is moved, no matter how increasingly heavy the going or unpleasant the terrain, you pick yourself up and, ever more determinedly, keep on going. Until one day, you pray, you might just make it...

Ancient Book of Fertility, Self-Healing, Abundance & Good Fortune - Andy Kunz
2000-03

Ancient book of fertility, self-healing, abundance & good fortune is a must-have for every woman trying to conceive, whether naturally or through medical intervention ! This book provides hope, ancient knowledge, and emotional support to help you become the mother you want to be. This book will show how to achieve your desires, wants, and wishes by attracting them. This book is a compilation of ancient texts that helps you develop self-healing, attract wealth, attract fortune, and increase your fertility. Inside this book is a potent way to have a successful pregnancy. This book also contains the Chinese lunar calendar method to choose the gender of your baby. Being able to choose your baby's gender is useful for so many reasons. You might be wanting to have only a boy and a girl, to complete your perfect family. Once of each means you can enjoy all the joys of having a son and a daughter, without trying for so many times that your family outgrows the ability to travel in one car. Or you might have been trying hard, but without success at varying sex, ending up with a girl after a girl with no male to carry on the family name. All that we've ever wanted in life started in our mind. Readers will learn how to

construct effective affirmations, and engage these affirmations for positive life-changing results. Readers will be able to learn how to apply the innate power of visualization and achieve great success and happiness. Write down your innermost dreams and watch them come true! The Secret of Maximum achievement states "Once a dream is captured in writing your subconscious mind will find ways to make it happen. From being pregnant even when you are in your 40s. Readers will learn how to speed up the entire process by telling the universe what it is you desire. You can send your energies into the world and magnetize all that is success, happiness and fulfillment. Magnetize yourself so that all you ever wanted are attracted to you! Produce quick money, have your dream house, attract a lover, have your dream car, get the job promotion, become successful with your business. Readers can also learn how to journey back to a past life either with guided approach or with visualization. Past-life knowledge can offer direction and balance to your present life. Readers will be able to understand the power that your hand can heal you. Self-healing is great because it does not harm anyone. Self-healing can enhance your fertility by boosting your eggs. (for women) Self-healing can boost your fertility by enhancing your sperm count, sperm motility, and others. (for men) Enhance the vibration of any herb or medicine and make it more attuned to what you need by using your healing hand to set your intention. Use your healing hand to help align and assist you in manifesting your goals. Unborn babies love healing. Moms-to-be can use Reiki to enhance both their own and their baby's health. Use your healing hands to ease your child's pain like toothache etc. Your healing hands is powerful for any first aid situation, whether it is an insect sting, sprain, cut or abrasion. After using the traditional first aid apply your healing hands to increase and boost healing and help balance the system from shock. A Single Girl's Guide To....Getting Pregnant - Utz Thegrate 2016-12-05

What is a woman's true purpose? Motherhood. Who is a woman's true love? Her child. Why does a woman need a man? She doesn't. Well, for sperm. When will women dominate the earth? Very soon. Where do the men belong? At their jobs making money to pay for our luxuries. How are babies made? Through a great deal of anger, sacrifice, and pain. Explore the JOYS of conceiving a child with a no-nonsense, practical approach. If you are ready to have a baby, but the expectations of the world are holding you back, your wait is over! Finally, a judgement-free, straight-forward guidebook for the single and un-single alike! It doesn't matter where your position in life is, when you are ready to have a baby, Utz will show you the way. Forget all the nonsense you've been fed your whole life about the "rules" for having a baby. Now you have a friend that believes in you and will help you fulfill your life-long destiny: to make a baby! Based on years of scientific research on the human woman's brain, and used to successfully impregnate approximately 2,657,200 women, Utz's program addresses not only the issue of not having a mate, but also how to work around this issue. In "Getting Pregnant," Utz presents a step-by-step guide that gives single women, as well as women in a childless relationship, the knowledge they need to get pregnant by any means necessary.

The Conception Chronicles - Patty Doyle Debanco 2005

The Babydust Method - Kathryn Taylor 2016-03-30

What if you could choose the sex of your baby? There are many existing sex-selection methods out there, but parents have come to find out that these methods are confusing and unreliable. Kathryn Taylor introduces a natural sex-selection approach known as *The Babydust Method, * which is based on the latest scientific evidence. This book details the science behind the method, and explains how you can dramatically increase your chances of conceiving

the sex of your choice. This book reveals the flaws in the Shettles method, O+12, egg polarity, pH, and acidic/alkaline/ion diets, and offers a brand new approach involving a combination of precise timing and frequency that has been proven to work in a published clinical study.

Getting Pregnant Fast - Paige Mathisen

2015-10-08

Getting Pregnant Fast - Learn how to get pregnant fast...in 3 months or less and become a first time mom before you know it! If getting pregnant for the first time hasn't worked for you....even after months of trying....this book can help you change that. Getting pregnant doesn't have to be a challenge! This book will teach you all the practical, proven tips and tricks you need to increase your chances of getting pregnant fast. Don't give up your dream of getting pregnant! I know it's hard to keep believing that it can happen for you but I'm proof that getting pregnant can happen no matter how long you've been trying! My husband and I tried to get pregnant for years. It seemed like all my friends were getting pregnant but somehow, I couldn't. There were many times that I wanted to throw in the towel and call it quits but I just couldn't give up my dream of having a baby. Desperate to increase my chances of getting pregnant, I aggressively began reading every book I could find on infertility, getting pregnant, conception, and pretty much anything that could tell me how to get pregnant fast! I applied every method I learned from diligently calculating my ovulation and watching for fertility signs, having sex often and at specific times, eating foods that would boost my fertility, and educating my husband on what he could do to improve our chances of conception. We continued to work these techniques over and over and after only a couple of months...it happened....my dream of getting pregnant became a reality at 37 years old! Surprisingly, shortly after that, I got pregnant again a year and a half after the birth of my first child using the same techniques!! I wrote *Getting Pregnant Fast - The Essential 'How to Get Pregnant Fast' Guide that will Turn Your Dream of Having a Baby into a Reality* specifically for you. I know from experience that the information in this book will radically increase your chances of getting pregnant. *Getting Pregnant Fast* teaches you: What to do before trying to conceive 4 methods that will help you identify your fertile days A step by step guide to quick conception The top 15 fertility foods to raise your chances of getting pregnant fast Foods to avoid when trying to conceive Why it's important to have sex often in order to get

Baby! Baby? Baby!? - Holly Kerr 2012-08

Thirty-five-year old kindergarten teacher Casey Samms has always dreamed about having her own baby. With her copy of *A Young Woman's Guide to the Joy of Impending Motherhood* on her bedside table, Casey has been steadily wading through the pool of eligible bachelors for years-with absolutely no luck. Now as she bids farewell to a cheating boyfriend and to dating in general, Casey just needs to figure out how to get pregnant without having a man in her life. Casey immediately discounts her male friends as potential fathers and decides to pursue having a baby the artificial way, even though her sister and friends do their best to try to talk her out of it. But Casey is determined to see her dream come to fruition and begins looking at every male as a potential donor. Just when she is beginning to give the word desperate an entirely new meaning, an old ex-boyfriend, David Mason, saunters back into her life. All Casey has to do now is try to convince him that he is the one who can help her become a mother. As Casey prepares to realize her lifelong dream, she is about to get the surprise of her life-a surprise that changes everything.

night date escapes. I give creative date ideas to feed the relationship and give it a vacation. On Friday night, we take turns creating and surprising each other with a theme date. The dates are a mix of fun, artsy, outdoorsy, adventurous, glamorous, silly, cultural, sentimental, elaborate, and humbly homemade. It is on these dates we found our answer. What happens if you are kind, optimistic, spiritual vegetarians who have tried every natural and Western medical measure to get pregnant and still you have no bump? How long would you defy your real purpose? I gave it longer than I should have, I didn't realize I wanted to be healthy and in a good marriage more than I wanted to have a baby. I sacrificed a lot in trying to get pregnant, but when it came down to trading in my health and husband for a child, my choice became clear. I wanted our lives to be happy, giving and prosperous. This is my journey there.

Boy Or Girl? You Decide! - Nkiru Ojimadu
2017-10-19

How to make a baby boy or a baby girl, depending on your need. I wrote this book because I wanted to make it help millions of women (especially in Africa and Asia) escape the stigma of not having the desired baby choice. In some countries, the quest for a baby boy make many families commit abortions on the news that the baby in the womb is female. You will also learn to make a baby girl, if you have all boys. Master the several essential tips of making the baby you desire, which includes, diet, habits and several more. This book is an essential part of family planning.

[The Impatient Woman's Guide to Getting Pregnant](#) - Jean M. Twenge 2012-04-17

Comforting and intimate, this “girlfriend” guide to getting pregnant gets to the heart of all the emotional issues around having children—biological pressure, in-law pressures, greater social pressures—to support women who are considering getting pregnant. Trying to get pregnant is enough to make any woman impatient. The Impatient Woman’s Guide to Getting Pregnant is a complete guide to the medical, psychological, social, and sexual aspects of getting pregnant, told in a funny, compassionate way, like talking to a good friend who’s been through it all. And in fact, Dr. Jean

Twenge has been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. A renowned sociologist and professor at San Diego State University, Dr. Twenge brought her research background to the huge amount of information—sometimes contradictory, frequently alarmist, and often discouraging—that she encountered online, from family and friends, and in books, and decided to go into the latest studies to find out the real story. The good news is: There is a lot less to worry about than you’ve been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when thinking about conceiving; how to talk about it with family, friends, and your partner; and how to handle the great sadness of a miscarriage. Also covered is how to know when you’re ovulating, when to have sex, timing your pregnancy, maximizing your chances of getting pregnant, how to tilt the odds toward having a boy or a girl, and the best prenatal diet. Trying to conceive often involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With comfort, humor, and straightforward advice, *The Impatient Woman’s Guide to Getting Pregnant* is the bedside companion to help you through it.
